PREFACE

The National Library and Documentation Centre (NLDC) commenced publishing Sri Lanka Conference Index in 1988. Since then it has published four indices covering the period from 1976-1993.

Conferences, Seminars, Meetings & Workshops are considered as valuable sources of information on current interests. Therefore, the usefulness of the Conference Index for researchers cannot be over emphasized. The Documentation Division of the NLDC has attempted to make the index which covers the years 1994 and 1995 as comprehensive as possible. Any lapse is due to the lack of information.

This index is made possible through the enthusiastic co-operation of Heads of the Ministries, Government Departments, Corporations, Statutory Boards, Non-Governmental Organisations, International Organisations, Private Institutions and Libraries. I thank all of them.

My grateful thanks are due to Ms Janaki Fernando, Deputy Director/ Head of the Documentation Division, Ms Varuni Gangabada Arachchi, Assistant Librarian for gathering the information and compiling this index. I also thank Ms Badra Mapapathirana, Library Assistant for assisting in editing, Ms Anoma Rajapaksa and Ms Shamintha Jayasekara for computer typesetting the script.
