MUNICIPALITY OF KANDY.

Minutes of Proceedings of a Meeting of the Municipal Council of Kandy held in the Town Hall, Kandy, on Saturday, April 19, 1902, at 8.30 o'clock a.m., in accordance with Notice dated April 15, 1902.

Present:—Hon. Mr. H. Wace, Chairman; E. Beven, Esq.; W. D. Gibbon, Esq.; C. Vanderwall, Esq.; L. Creasy, Esq.; Dr. J. Craib; P. T. Habeeboo Lebbe, Esq.

1. The Minutes of Proceedings of the Meeting held on March 15 were read, confirmed, and signed by the Chairman.

2. The following documents were submitted:—Statements of Receipts and Expenditure from close of 1901 to March 31, 1902, on account of the Municipal Fund, comprising the (No. 1) General Revenue, (No. 2) Consolidated Rate (Police and Lighting), and (No. 3) Water-rate Accounts; Progress Report of Works done brought up to the same date; Health Officer's Report for, and Statement of Cases instituted by the several Inspectors during the month of March.

Resolved—That the several statements, together with the Minutes of Proceedings of this Meeting, as required by section 90 of the Municipal Councils' Ordinance, No. 7 of 1887, and the Health Officer's report, be forwarded to the Colonial Secretary for publication in the *Government Gazette*.

The Chairman stated, with reference to a statement made in the Public Press, that no cases of enteric fever had occurred in the town; the only case now in hospital was imported from outside—and expressed a hope that Press correspondents would in future verify their facts before communicating statements to their respective papers.

3. The following papers were laid on the table:—(1) Reports by the several Inspectors on laundries inspected during March and register; (2) Report by Auditor in respect of January and February account.

With regard to the cesspit on laundry premises No. 16, Cemetery road, which the Health Officer recommends should be closed, it was resolved that special authority be granted to the Chairman, in accordance with section 209 of Ordinance No. 7 of 1887, as amended by section 33 of Ordinance No. 1 of 1896, to require the owner of premises No. 16, Cemetery road, to empty, disinfect, and close the cesspit on the said premises and to substitute a dry-earth closet therefor.

4. The following correspondence was submitted and read:—

(a) Letter No. 1,163, dated March 17, from the Postmaster-General, stating that there is no present prospect of increasing postal facilities in Kandy, his estimate proposals for 1902 not having received the approval of the Government.

After some remarks by Mr. Gibbon as to the necessity for further postal facilities, it was agreed that the Chairman do address the Government on the subject of increased postal facilities within the Municipality.

(b) Letter No. 13, dated April 3, from the Colonial Secretary, stating that the Firearms Ordinance is to be brought into operation within the Municipality.

(c) Letter No. 14, dated April 3, from the Colonial Secretary, intimating the nomination by the Governor of Mr. Mottau as Auditor.

(d) Letter No. 15, dated April 9, from the Colonial Secretary, intimating that it has been decided to bring the Ordinance for registration of dogs into operation in the town of Kandy, and requesting draft of proclamation.

Resolved—That the proclamation be made to apply to the whole Municipality, and that the necessary by-laws be considered at next Meeting.

5. Read letter dated February 25 from Mr. S. W. Silva, Assessment Clerk, with reference to the result of the bi-annual increments of salary allowed him under the new scheme. The letter had been circulated and seen by the Members.

It was proposed by Mr. Vanderwall, seconded by Mr. Beven, that Mr. Silva be placed on the same category with Messrs. Vanderstraeten and Mutukisna, as long service officers, and that Mr. Silva be allowed annual increments instead of bi-annual.

The motion was agreed to.

The application of Mr. Kanakasundra for a similar privilege was refused.

6. It was proposed by Mr. Gibbon, seconded by Mr. Vanderwall, that an Address of Congratulation be prepared and forwarded to His Majesty King Edward VII. on the occasion of his Coronation.

This was unanimously carried, and it was resolved that the Chairman, Messrs. Gibbon and Vanderwall be appointed a Special Committee to prepare the Address.

7. With regard to the local celebration, it was proposed by Mr. Beven, seconded by Mr. Habeeboo Lebbe, that a sum of Rs. 500 be voted towards the expense of the local celebration of the Coronation, such funds to be devoted principally to feeding of the poor and illumination of esplanade.

The motion was carried *unm. con.*

8. Read letter, without date, received on 15th instant from A. Sinna Tamby Muhandiram, praying that his properties at Katugastota may be excluded from Municipal limits, or that the toll station be removed, and that light, water, and police may be supplied.

Mr. Beven, Member of the Ward, brought to notice of the Meeting the great necessity for a pure supply of water at Katugastota.

The Chairman stated that since the suburb had been brought within Municipal limits several improvements had been made in it; he promised to make a personal inspection and see what more could be done to ensure a purer supply of water to the occupants of the bazaar.

9. As regards the division of the Municipality into Wards or Districts, the following recommendation by the Standing Committee was submitted:—

“Resolved that the alterations be approved of and submitted to the Council for adoption.” (Appendix A.)

Resolved—That the recommendation be adopted, and that the proposed divisions be submitted to His Excellency the Governor in Executive Council for approval (section 6 of Ordinance No. 7 of 1887).

Confirmed this 17th day of May, 1902:

H. WACE,
Chairman.

Water Supply.—Very good.

Alleys are in a most unsatisfactory condition, as I have reported month after month. (See my report and suggestion of last month.)

Laundries.—Generally well kept. The owners have been noticed to limewash more frequently.

Dairies.—Fairly well kept.

Bakeries.—Fairly well kept. Owners noticed to limewash more frequently.

Market.—Well kept. All food stuffs have been inspected by me daily and found good.

Cattle passed during the Month.—Cattle, 446; buffaloes, 73; sheep, 137; goats, 244.

Slaughter House Exposing Shed.—Well kept.

Cooly Lines.—Fairly well kept.

Fish Boutiques.—Fairly well kept.
