If a certificate of birth for a previous examination was sent in, reference may be made to it by mentioning name and date of examination. Affidavits will in no circumstances be accepted. In the case of candidates who submit certificates of registration in the register of past births, the certificates will only be accepted after consideration of the evidence by which the dates of birth were established. If the name appearing in the birth register differs, either by alteration or addition, from the name by which the candidate is known, the parent or guardian should, before obtaining a certificate, apply to the Registrar-General or his Assistant for such alteration in the manner set forth in section 7 of Ordinance No. 23 of 1900.

Their applications (in the same form, Schedule A) for admission to the examination should be forwarded to the Director of Public Instruction through the Heads of their Departments.

The approved application shall constitute the candidate's ticket of admission to the examination. Candidates presenting themselves for examination must produce to the officer appointed to supervise the examination at the station at which they present themselves their forms of application, approved by the Director of Public Instruction. A candidate not producing such form, whatever may be the reason for his not so doing, will be refused admittance to the examination.
