Tenders must be submitted in duplicate, the original being forwarded to the General Manager of the Railway and the duplicate direct to the Controller of Revenue, both being required to be forwarded at the same time.

The tenders are to be made on forms which will be supplied upon application at the office of the General Manager, and no tender will be considered unless it is furnished on the recognized form.

A deposit of Rs. 50 will be required before any form of tender is issued, and should any person decline to enter into the contract and bond after he has tendered, or should he fail to furnish the required security, such deposit of Rs. 50 will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

The security required will be Rs. 250 by fixed deposit in one of the Banks, and any further information required can be obtained on application at the office of the General Manager.

The Government reserves to itself the right, without question, of rejecting any or all tenders, and is further not bound to accept the lowest tender.

The person whose tender is accepted by Government will be required to bear the expense of having the security bonds prepared for the due performance of the contract, which bonds will be subject to the approval of the Attorney-General, but may be drawn by the tenderers' own lawyers, the name or stamp of whom should be affixed to the documents.

Every alteration should bear the initials of the tenderer, and all tenders containing alterations not bearing the tenderers' initials will be treated as informal and rejected.

Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence, if called for.
