PASSED ORDINANCES:

Ordinance enacted by the Governor of Ceylon, with the advice and consent of the Legislative Council.

No. 11 of 1907.

An Ordinance to provide for the Employment of duly qualified Tindals and Engineers on Launches.

HENRY A. BLAKE

Preamble.

WHEREAS it is expedient to make provision for the employment of duly qualified tindals and engineers on launches: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title:

1 This Ordinance may be for all purposes cited as "The Launches Ordinance, 1907," and shall come into force at such date, whereof at least three months' notice shall be given in the *Government Gazette*, as the Governor shall by Proclamation appoint.

Definition.	<p>2 In this Ordinance, unless the context otherwise requires—</p> <p>(1) The term “launch” includes any boat of less than fifty tons burden propelled by steam, electric, or other motive power which ordinarily plies in any port in Ceylon, or in any canal, river, lake, or other inland water in Ceylon.</p> <p>(2) The word “tindal” means any person (except a pilot or harbour master) having for the time being charge or control of a launch.</p> <p>(3) The word “voyage” includes also the plying of a launch at or about any port or place.</p> <p>(4) The word “prescribed” means prescribed by rule made under this Ordinance.</p> <p>The term “Master Attendant” means the Master Attendant of the port of Colombo.</p>
Appointment of examiners.	<p>3 The Governor may from time to time appoint persons for the purpose of examining the qualifications of persons desirous of obtaining certificates of competency as tindals or as engineers of launches.</p>
Grant of tindals' or engineers' certificates of competency.	<p>4 (1) The Master Attendant shall grant to every person who is reported by the examiners to possess the necessary qualifications a certificate of competency to the effect that he is competent to act as tindal or as engineer, as the case may be, of a launch.</p> <p>(2) Every such certificate shall be in the prescribed form.</p>
Power of Governor to require re-examination or further inquiry.	<p>5 Before granting a certificate under the last foregoing section the Master Attendant may, if he has reason to believe that the report of the examiners regarding any applicant has been improperly made, report the circumstances of the case to the Governor, who may require a re-examination of the applicant or a further inquiry into his testimonials and character.</p>
Certificate to be in duplicate.	<p>6 Every certificate of competency granted under this Ordinance shall be made in duplicate, and one copy shall be delivered to the person entitled to a certificate and the other shall be kept and recorded in the prescribed form.</p>
Grant of copy of certificate in certain cases.	<p>7 Whenever a tindal or engineer proves to the satisfaction of the Master Attendant that he has, without fault on his part, lost or been deprived of his original certificate, he shall be entitled, on payment of a fee of two rupees and fifty cents, to a copy of such certificate in lieu of such original.</p>
Nature of certificates necessary for tindals and engineers of steam launches.	<p>8 (1) A launch shall not proceed on any voyage unless she has—</p> <p>(a) As her tindal, a person possessing a tindal's certificate granted under this Ordinance, or a master's certificate granted under Ordinance No. 7 of 1863, or Ordinance No. 3 of 1884, or a certificate granted by the Board of Trade that he is competent to act as master, or as first, second, or only mate of a foreign-going ship, or as master of a home-trade passenger ship, or a colonial certificate of competency as master or mate to which the provisions of “The Merchant Shipping Act, 1894,” relative to certificates have been made applicable by an order of His Majesty in Council under section 102 of the said Act.</p> <p>(b) As her engineer, a person possessing an engineer's certificate granted under this Ordinance, or an engineer's certificate granted by the Board of Trade, or a colonial certificate of competency as an engineer to which the provisions of the said Act have been made applicable as aforesaid.</p>

Provided that an undecked launch shall be deemed to have complied with this section if she has as her tindal and engineer a person possessing both a tindal's certificate and an engineer's certificate in accordance with this Ordinance.

(2) If any launch proceeds on a voyage in contravention of this section the owner and the tindal of the launch shall each be guilty of an offence, and be liable on conviction thereof to a fine, which may extend to one thousand rupees.

Cancellation
and suspension
of certificates.

9 The Master Attendant may cancel or suspend the certificate of any tindal or engineer who is convicted of any offence under "The Masters Attendant's Ordinance, 1865," or under any regulations made thereunder.

Any tindal or engineer aggrieved by the cancellation or suspension of his certificate may appeal therefrom to the Governor in Executive Council, who may make such order as the justice of the case may require.

Rules.

10 The Governor in Executive Council may make rules to regulate the granting of certificates of competency under this Ordinance, and may by such rules—

- (a) Provide for the conduct of the examination of persons desirous of obtaining certificates of competency as tindals or as engineers under this Ordinance.
- (b) Prescribe the qualification to be respectively required of persons desirous of obtaining such certificate.
- (c) Fix the fees to be paid by applicants for examination.
- (d) Prescribe the form in which certificates shall be given.
