40. *Failing such registration, shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 39 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SHARES (SURRENDER AND FORFEITURE).

41. *The Directors may accept surrender of shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. *If call or instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, or his executort or administrators, or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of notice.—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment, shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay money owing at time of forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

43. *Surrendered or forfeited shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights, incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money, by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. on the amount of the sums wherein default in payment had been made, but no share *bond fide* sold or re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons; and the Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The nett proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

China Sea—Taiwan (Formosa) West Coast—Nan wan and Haikau wan—Particulars of shoals in.

The British Admiralty has given notice (No. 893 of 1907) containing particulars regarding certain shoals in Nan wan and Haikau wan, as follows:—

Nan wan—

- (a) A shoal, with a depth of $3\frac{1}{2}$ fathoms over it, exists in Taihanroku anchorage, in a position situated at a distance of $1\frac{1}{2}$ cables S. 25° E. from East rock. This shoal is connected to the northward with East rock, but to the southward it is steep-to, the depth increasing suddenly to 12 fathoms.
- (b) A shoal, with a depth of 3 fathoms over it, exists in Taihanroku anchorage, in a position from which West rock bears S. 55° W., distant $3\frac{1}{2}$ cables, and Baan rock N. 1° E. This rock is half a cable long in a north-easterly and south-westerly direction, and a quarter of a cable broad, and is steep-to.

Approximate position : lat. $21^{\circ} 57\frac{1}{2}'$ N., long. $120^{\circ} 45\frac{1}{4}'$ E.

With reference to Notice to Mariners No. 442 of 1906 (No. 199 dated June 1, 1906, issued by this office):—

- (c) An examination of the danger given in the above-mentioned Notice shows that it is a pinnacle rock, now named Daifuseki, with a depth of about 5 feet over it, in a position situated at a distance of $3\frac{6}{10}$ miles N. 65° W. from Nan sha light. The depths around it are irregular.

Approximate position : lat. $21^{\circ} 56' 30''$ N., long. $120^{\circ} 47' 5''$ E.

Haikau wan—

1. A shoal, named Tsuikinosa, with a depth of 3 feet over it, exists in Haikau wan, in approximately lat. $22^{\circ} 6' 35''$ N., long. $120^{\circ} 42' 10''$ E. This shoal, which is about 4 cables long in a northerly and southerly direction, and 1 cable broad, has depths of 5 fathoms around it.
2. The under-mentioned dangers have been searched for without success, and as they are unknown to the local fishermen, it is considered that they do not exist; they have in consequence been expunged from the charts:—
 - (a) The shoal, of $2\frac{1}{2}$ fathoms, in approximately lat. $22^{\circ} 7' N.$, long. $120^{\circ} 41' E.$ A depth of 19 fathoms has been obtained over this position.

Japan, South-west Coast—Me sima—Non-existence of shoal southward of.

With reference to Notice to Mariners No. 316 dated August 12, 1905, issued by this office, the British Admiralty has given further notice (No. 914 of 1907) that a careful examination has been made over an area of some miles in extent for the shoal reported by the Master of the British ss. No indication of any danger was observed, which, had it existed, would have manifested itself, in consequence of the prevalence of rough weather at the time when this search was being made; the local fishermen also appear to be unacquainted with any danger in this locality. Under these circumstances, it is considered that this shoal does not exist. It has therefore been expunged from the charts.
