16. The licensee may from time to time apply to the proper authority to make such alterations as seem desirable in the list of persons employed; such alterations shall be endorsed on this license, and the licensee on receiving a notice from the proper authority to remove any person employed on the premises hereby licensed shall, within one week of his receiving such notice, produce this license to the proper authority so that the name of such employé may be erased from this license. 3. The premises hereby licensed shall be kept clean and in good sanitary condition.
4. It shall be the duty of the person in charge of the premises hereby licensed to open them for inspection on the demand of any person appointed an Inspector by the proper authority in writing, or of any Police Officer not below the rank of Inspector. The person in charge shall also be bound to produce all books, documents, or accounts with reference to the receipt or disposal of opium which he has in his possession, and to weigh, if specially called on to do so, in the presence of the Inspector or Police Officer, all opium in stock or on the premises at the time of the inspection; he shall also explain to the best of his ability any discrepancy that may be found to exist between the quantity of opium in stock and the quantity which, according to the books, ought to be in stock at the time of inspection.
5. No opium shall be consumed on the premises hereby licensed.
6. No opium kept on the premises hereby licensed shall be adulterated or deteriorated in any way.
7. No disorderly conduct shall be permitted on the premises hereby licensed.
8. No opium shall be delivered on the premises hereby licensed to any person who is under the influence of liquor or opium, or who is apparently under the age of fifteen years.
9. No opium shall be delivered on, or from, or received into, the premises hereby licensed between the hours of eight at night and six in the morning.

A copy of such book for the premises hereby licensed will be delivered free by the proper authority to the licensee when he takes out his license. If a new book is required it must be purchased by the licensee from the proper authority, to whom the previous book must be delivered.
11. It shall be the duty of the licensee to see that all receipts and disposals of opium are regularly entered in the Stock Book immediately the transaction takes place, all the columns in the book being correctly filled in, and the quantity in stock at the beginning and end of the day being clearly shown.
12. It shall also be the duty of the licensee to see that on or before the second of each month there is transmitted to the Inspector-General of Police a correct summary showing the balance in stock at the beginning and end of each day in the previous month and the quantity received and disposed of during each day.
13. Twenty-four forms of this summary for each establishment for which he is licensed will be delivered free to the licensee by the proper authority when he issues the license. Any further forms that are required must be bought from the proper authority.
14. It shall be the duty of the Inspector-General of Police to issue to the licensee a receipt for such summary when it has been received. 15. It shall be the duty of the licensee before he receives his license to submit to the proper authority a list giving the names of the persons whom he proposes to employ on the premises hereby licensed. Such statement shall contain the full name and description of each employé, and specify the nature of the work which he is to perform. All such persons must be over the age of twenty-one years, and the proper authority must be satisfied that they are of good character. No person whose name has not been endorsed on this license by the proper authority shall be employed by the licensee to take charge of, receive, or sell opium on his account, and the licensee shall not permit any one whose name is not so endorsed to perform any of the above duties.
16. The licensee may from time to time apply to the proper authority to make such alterations as seem desirable in the list of persons employed; such alterations shall be endorsed on this license, and the licensee on receiving a notice from the proper authority to remove any person employed on the premises hereby licensed shall, within one week of his receiving such notice, produce this license to the proper authority so that the name of such employé may be erased from this license. Such person shall then be disqualified for employment in the premises hereby licensed.
17. It shall be the duty of the licensee to see that a board having the number of this license, the name of the licensee, and the words "Licensed to sell Opium by Wholesale," or "Licensed to Possess Opium," as the case may be, legibly painted upon it is kept affixed to some conspicuous part of the premises hereby licensed.
18. The portion of the premises hereby licensed used as a store shall be kept securely locked, and no one but an inspecting officer, the licensee, or person whose name has been endorsed on the license as a person employed on the premises hereby licensed shall have access to the store.
