NOTICE is hereby given that an examination for candidates wishing to enter the Third Class of the Clerical Branch of the Public Service will take place on Monday, August 13, 1906, and following days.

2. Applications for admission to the examination by persons not now in the Public Service must be addressed to the Director of Public Instruction, must bear a duly cancelled stamp of Rs. 10 with the words "Ceylon Stamp Duty" only, without the words "Judicial" or "Warehouse Warrant" printed thereon, and must be in the form (Schedule A) attached to this notice. Forms are to be obtained at any Post Office on application, or within four days' notice. A certificate of the registration of the candidate's birth showing him to be on August 13, 1906, between the ages of 18 and 21, and a certificate of good character signed by a responsible person,* to the satisfaction of the Director of Public Instruction must be attached to the form of application. If a certificate of birth for a previous examination was sent in, reference may be made to it by mentioning name and date of examination. Affidavits will in no circumstances be accepted. In the case of candidates who submit certificates of registration in the register of past births, the certificates will only be accepted after consideration of the evidence by which the dates of birth were established. If the name appearing in the birth register differs, either by alteration or addition, from the name by which the candidate is known, the parent or guardian should, before obtaining a certificate, apply to the Registrar-General or his Assistant for such alteration in the manner set forth in section 7 of Ordinance No. 23 of 1900.

3. Clerks in Government service, from whatever funds they may be paid, who have completed three years' satisfactory service and are not members of the Customs, Postal, Survey, or Railway Departments, and those clerks employed by Provincial and District Road Committees, whose appointments date prior to July 1, 1875, are eligible for examination irrespective of age and without fee. Their applications (in the same form, Schedule A) for admission to the examination should be forwarded to the Director of Public Instruction through the Heads of their Departments.

4. Applications are to reach the Director of Public Instruction not later than 2 P.M. on Saturday, June 30, 1906; any applications received after that hour, by whatever cause delayed, will be absolutely rejected.

5. The Director of Public Instruction will return to the candidate his application, approved or disapproved as the case may be, after taking, if necessary, the orders of Government thereon. The approved application shall constitute the candidate's ticket of admission to the examination. Candidates presenting themselves for examination must produce to the officer appointed to supervise the examination at the station at which they present themselves their forms of application, approved by the Director of Public Instruction. A candidate not producing such form, whatever may be the reason for his not so doing, will be refused admittance to the examination.

6. Examinations will be held at Colombo and Jaffna only, in the places and under the supervision of the officers specified in Schedule B. Heads of Departments are required to grant to officers of their Departments, whose applications to present themselves for examination have been returned to them approved by the Director of Public Instruction, leave to present themselves at the most conveniently situated station at which the examination is to be held.

7. The examination will be competitive. The number of places assigned for competition will be thirty.

8. The successful candidates will be required to pass a medical examination as to their physical fitness for service in any part of the Island.

9. The subjects for examination are those set out in Schedule C to this notice. The examination shall be held in two parts: the first part, a qualifying examination in Handwriting, Spelling, and Arithmetic. Any candidate failing to obtain two-thirds of the marks allotted for Handwriting and half those allowed for Spelling and Arithmetic respectively shall be excluded from the remainder of the examination. Special attention will be paid to Handwriting, and candidates whose writing is untidy or illegible or contains defects in the formation of letters will be rigorously excluded. The kind of writing preferred will be that generally known as the "Civil Service" hand. The second part of the examination shall be in the remaining subjects in Schedule C. Should a candidate obtain less than one-third of the aggregate marks for the three subjects—Composition, General Paper, Précis Writing—or less than one-fourth marks in any other subject, or, if he be a Sinhalese or Tamil, less than one-half of the marks in his native language, such marks shall not be counted in his favour. Three of the appointments will be reserved as prizes for deserving clerks of the same description, who have served Government continuously for ten years and upwards, to be selected irrespective of examination.
