The Chairman explained that the market in question was, in his opinion, by position and construction, unfit for the purpose of a market, and calculated to be a nuisance to the neighbourhood; and in support of his opinion he submitted a memorandum dated December 13, 1889, from Dr. Vanderstraaten, expressing his opinion that the market is "badly situated, shut in from ventilation, and surrounded by crowded, ill-ventilated boutiques," and "that it is not suited for the requirements of the present time."

Hon. A. de A. Seneviratna seconded.

Mr. Alvis moved as an amendment "that the consideration of the suppression of the private fish market in St. John's road do stand over till the site for a new latrine be decided upon and the necessary plans and estimates be considered and approved by the Council."

H. HAY CAMBRON,  
Mayor and Chairman.

The Municipal Office,  
Colombo, February 12, 1890.

MUNICIPALITY OF KANDY.

IN consequence of the resignation of Dr. James Loos, Councillor, notice is hereby given, under section 38, to resident householders qualified under section 11 of the Municipal Councils' Ordinance No. 7 of 1887, that a Meeting for the election of a Councillor for No. 5 District, will be held at the Town Hall, Kandy, on Saturday, March 22, 1890, at 12 o'clock noon. Notice is also hereby given to the qualified resident householders of No. 4 District that a Meeting for the election of a Councillor for No. 4 District will be held, at the Town Hall, Kandy, on Saturday, March 22, 1890, at 12.15 o'clock P.M.

Municipal Office,  
Kandy, March 4, 1890.

R. W. D. MOIR,  
Chairman.

Minutes of Proceedings of a Meeting of the Municipal Council of Kandy held in the Town Hall on Monday, December 30, 1889, at 2.30 o'clock p.m.

**Present:**—The Hon. R. W. D. Moir, Chairman; R. D. Ormsby, Esq.; Dr. James Loos; J. H. Sproule, Esq.; J. N. d'Esterre, Esq.; A. Philip, Esq.; Capt. G. L. Williams.

1. The Minutes of Proceedings of the Meeting held on November 19 were read, together with a dissent by Mr. A. Philip to the ruling of the Chairman on his tendering certain observations to be attached to the Annual Administration Report, and forwarded with his letter of November 30.

Mr. Philip objected to the Minutes being recorded without the observations which accompanied his dissent, but the Chairman ruled against their insertion as he had already ruled against the acceptance of observations from an individual Member, and explained his reasons for so doing.

The Minutes were then confirmed, Mr. Philip objecting.

2. Read Minutes of Proceedings of a Special Meeting of the Municipal Council held on December 20 to consider the Budget for 1890, under section 111, as submitted by the Standing Committee; also dissent by Mr. A. Philip from the opinion of the majority as regards the adoption of the Budget for 1890, forwarded with his letter of December 23.

Read letter dated December 30 from the Secretary, Municipal Council, to the Chairman; with reference to the paragraph in Mr. Philip's dissent of December 23, under the head Commutation Rate, regarding the removal of "papers and documents" from the Municipal Office, in which it was pointed out that "papers and documents" had not been removed, and that what had led to the allusion was the removal of a book compiled from the householders' lists taken to enable the clerk to make out warrants against defaulters, to which removal the Chairman saw no objection. No original documents were removed.

3. The following documents were laid on the table:—Statement of Receipts and Disbursements on account of the Municipal Fund from close of 1888 to November 30 last; Progress Report brought up to the same date; Health Officer's Report for November; and Return of Work performed by the Municipal Magistrate and of Cases instituted by the several Municipal Inspectors in the Municipal Magistrate's Court during November.

Resolved,—That the Statement of Receipts and Disbursements and Progress Report be forwarded to Government, together with the Minutes of Proceedings of this Meeting, as required by section 90 of the Ordinance No. 7 of 1887, as well as the Health Officer's Report, as soon as the Minutes have been confirmed. (Colonial Secretary's letter No. 26 of August 9.)

4. Read letter dated November 19 from Mr. Walter Campbell thanking the Council for the use of the Town Hall on November 29 and 30 free of charge beyond the cost of lighting, &c.

5. Letter No. 1753 of November 30 from the Government Agent, and the Secretary's reply No. 101 of December 18, in terms of the Circular signed by Members authorising the acceptance of the offer of Rs. 4,400 by Ranhami Karia Korala and Ukuwa Vidane for the Talatu-oya and Gonawatta ferry toll for 1890 were read.

Resolved,—That the acceptance of the offer for the Talatu-oya and Gonawatta ferry tolls for 1890 be confirmed.

6. Read letter dated December 19 from the Hon. Secretary, A. B. C. D. Club, intimating, in reply to the Secretary's letter No. 990 of November 30, that the Committee of the A. B. C. D. Club do not desire that the bridge, for construction of which by the Municipal Council application was made on August 26, should be used by others than members of the A. B. C. D. Club.

In reply to a question by Dr. Loos, the Chairman stated that under the circumstances no money would be expended on the construction of a bridge, and that no provision had been made in the Budget for 1890.

7. Read letter dated November 25, 1889, from Mr. W. E. T. Sharpe, conveying his best thanks to the Municipal Council for their resolution of November 26, 1888, on his departure from the Island.

8. In accordance with notice Mr. A. Philip invited attention to the action again proposed to be taken in the matter of one Thomas de Silva, whose case was brought at length at the General Meeting on March 12, 1889, and asked:—

(1) Why the name of Thomas de Silva is entered as a commutation rate defaulter on the Municipal Council list?

*Answer*.—The name of Thomas de Silva was returned as a resident of No. 289, Trincomalee street, and entered on the list of those liable to work six days, or to pay the commuted rate. In failure of either working six days or paying the commuted rate his name was entered on the defaulters' list.

(2) For what year is he alleged to be a defaulter?

*Answer*.—1888.

(3) On what new documentary evidence, or for what reason, this matter is being now re-opened in view of the fact that the paper laid on the table, viz., the list of residents in the house No. 289, Trincomalee street, gives the lad's age as 17; and that the warrant of arrest No. 2992, dated November 17, 1888, by virtue of which Thomas de Silva was arrested and detained (thereafter being released), appears to be therefore *ultra vires*?

*Answer*.—There is no re-opening of the case. The Chairman, who alone is authorised to deal with commutation rate defaulters, has not finally dealt with this case, as the warrant of arrest and connected papers were removed by Mr. Philip on March 12 last, and he has not returned the documents though requested three times to do so. There was reason to doubt the correctness of Thomas de Silva's age as entered on schedule 2,084, and the Chairman alone has the power under the Ordinance to settle such doubt. The doubt is confirmed by Mr. Philip, who, in schedule No. 2,932, dated December 18, 1888, entered Thomas de Silva's age as 19 years. He must therefore have been 18 years in December, 1887, and consequently liable to work in 1888.

(4) If the householder's schedule or list of residents for 1888, for which receipts Nos. 329 and 333 were granted on February 25, 1889, will be laid on the table?

*Answer*.—Schedule No. 2,265 laid on the table.

(5) Why the register giving the reasons for which the warrant was issued, and the punishment, if any, inflicted, was not filled up at the time, viz., February 4, 1889.

*Answer*.—By an oversight a few pages of the register have not been filled in, though the greater portion of the register of warrants had been so. The issue for warrants was the same in all cases.

(6) Whether the commutation tax due by Thomas de Silva for the year 1889 has not been duly paid per Municipal Council's receipt No. 1,503, dated February 28, 1889, and whether any further claim was then set up or demanded?

*Answer*.—Was paid for 1889. No claim was made, and none necessary, as defaulters for 1888 were separately dealt with, and warrants had already been issued for recovery of amount for that year.

9. Proposed by A. Philip, Esq., seconded by J. N. d'Esteire, Esq., "That in view of the heavy calls made on the time of Members of the Municipal Council in their capacity as Councillors, His Excellency the Governor may be asked to cause the existing law with regard to jurors to be amended, so that Municipal Councillors may be exempt from serving as jurors, and that a copy of their resolution be forwarded to His Excellency as the unanimous request of the Municipal Council of Kandy in General Meeting."

On the resolution being put to the Meeting the Chairman declared it carried *nem. con.*

10. Read the following extract from Minutes of Proceedings of the Standing Committee at their Meeting on November 19:—

(7) Read petition by E. S. O. Casim stating, *inter alia*, that he is a licensed wholesale dealer in kerosine oil; that great irregularities are committed by petty dealers in obtaining their supplies from Colombo; and praying that all retail dealers be compelled to purchase their supplies from the petitioner's wholesale store.

Resolved,—That the petition be laid before the Municipal Council with a recommendation that the Municipal Council have no power to grant such an application.

Resolved,—That the recommendation be adopted, and the petitioner so informed.

11. Read the following extract from Minutes of the Proceedings of the Meeting of the Standing Committee of November 19:—

(8) Read letter No. 4,974, dated October 10, from the Superintendent of Police, in reply to the Secretary's letter No. 4,973 of October 9, forwarding a duty statement showing the number of sergeants and constables employed on duty for Municipal purposes, and stating that the number employed is largely in excess of the number paid for by the Municipality, but not in excess of the number necessary; and that the services of the Assistant Superintendent in Kandy are indispensable in the office work, and police duties are to be properly attended to during his frequent absences from Kandy.

Resolved,—That the Standing Committee recommend the Municipal Council to move Government to reduce the charge for police supplied for Municipal purposes by half-salary of the Assistant Superintendent of Police and the cost of Police Station at Katugastota.

On motion of the Chairman, seconded by Dr. J. Loos, it was resolved that the recommendation be adopted.

12. Read the following extract from Minutes of Proceedings of the Standing Committee at their Meeting of November 19:—

(9) The Secretary submitted a statement of market rents said to be irrecoverable owing to the persons in whose favour the licenses were issued ceasing to trade, and applied for authority to credit the collector to whom the receipts had been debited with the value of unrecovered amounts, amounting in all to Rs. 198-67.

The Standing Committee recommend to the Municipal Council that the value of irrecoverable market rents, amounting to Ra. 198-67, in consequence of the licensees having ceased to trade, be struck off.

On motion of the Chairman, seconded by Mr. Sproule, it was resolved that the recommendation be adopted.

13. The Council proceeded to fix the taxes and rates to be levied during 1890.

Resolved,—That the following taxes be levied:—

(a)—Under Section 128 of the Ordinance No. 7 of 1887.

	Rs.	c.

## Sanitary Report for November, 1889.

*General Health.*—The general health of the town during the month was on the whole satisfactory, but there were some cases of chickenpox; and mumps and ophthalmia were somewhat prevalent.

*Vaccination.*—Of 100 persons vaccinated during the month, 69 were successful, 3 failed, and 28 were absent on the days of inspection. Of 18 revaccinated all were absent on the days of inspection.

*Drainage, &c.*—This is much in the same state as described in my previous reports. I beg again to draw attention to the state of the road leading towards the hospital, which is in a very unsatisfactory condition. Other parts of the town are in the same insanitary state, and I have frequently brought the matter to the notice of the Inspectors, but I see no improvement. The portion of ground near the spill of the lake, at the foot of the path leading to the Upper Lake road, is made use of as a public latrine. I would recommend that it be kept free from low brushwood, which gives shelter to persons committing nuisances.

*Slaughter-house, &c.*—The cattle exposed before slaughter were generally in a satisfactory state, and apparently free from disease.

WILLIAM GREGORY KEITH,  
Assistant Colonial Surgeon.

*Consideration and Value in Deeds and Instruments.*

Consideration and value to be truly set forth in instruments.

21 In all cases where a duty is imposed on any instrument in proportion to the consideration money, and in all cases where a duty is imposed on any instrument in proportion to the value of the property, the full consideration money which shall be directly or indirectly paid or secured, or agreed to be paid or secured for the same, or the full value of the property at the time of execution of such instrument, respectively (as the case may be), shall be truly expressed and set forth in words at length in or upon such instrument; and if in any of the said cases the full consideration money or the full value of the property, (as the case may be) shall not be truly expressed and set forth, or if the true transaction between the parties be in any way concealed or misrepresented, in order to evade the stamp duties, the purchaser and also the seller, the mortgagee and also the mortgagor, the donee and also the donor, the transferee and also the transferor (as the case may be), shall each be liable to a fine not exceeding five hundred rupees, and shall also be charged and chargeable with, and be each holden liable to, the payment of five times the amount of the excess of duty which would have been payable for such instrument as aforesaid in respect of the full consideration money or full value, in case the same had been truly expressed and set forth in or upon the instrument pursuant to the directions of this section, beyond the amount of the duty actually paid for the same; which quintuple duty shall be deemed, and taken to be a debt to Her Majesty of the party or parties respectively hereby made liable to pay the same, and shall and may be sued for and recovered accordingly. Provided that if any or either of the said parties shall give information to the commissioner or to any government agent, police, magistrate, or justice of the peace, whereby such penalty or quintuple duty, or any part thereof, shall be recovered from any other party or parties liable thereto, the party giving the information shall not only be indemnified and discharged of such his liability, but shall also be rewarded out of the penalty or quintuple duty recovered to such extent as the Governor shall think proper, but not exceeding one-half of the amount received and realised.

Parties informing to be indemnified.

Purchaser may recover back so much of the consideration as is not stated.

22 Where, in case of sale, the full consideration money shall not be truly expressed and set forth in the manner hereby directed, the purchaser or his heirs, executors, or administrators, or assignees, may recover back from the seller, or his heirs, executors, or administrators, or assignees, so much of the purchase or consideration money as shall not be expressed and set forth as aforesaid, or the whole thereof, if no part of the same shall be so expressed and set forth.

Penalties on notaries and others for not inserting the true consideration or value.

23 If any notary or other persons who shall be employed in or about the preparing of any such instrument in or upon which the full consideration money or value is hereby required to be truly expressed and set forth as aforesaid, or who shall be employed for any of the parties thereto in any wise about or relating to the transaction therein mentioned, shall knowingly and wilfully insert or set forth, or cause to be inserted or set forth, in or upon any such instrument, any other than the full and true consideration money directly or indirectly paid or secured, or agreed to be paid or secured for the same, or the actual value of the same as before directed, or shall in any wise aid or assist in the doing thereof, respectively, every such notary, or other person so offending, shall be guilty of an offence and be liable, for every such offence, to a fine not exceeding one thousand rupees.

*Probates and Letters of Administration.*

Duty on probates how ascertained.

24 No court in this Island shall grant probate or letters of administration of the property and estate of any deceased person, without first requiring and receiving from the person or persons applying for the same, or from some other competent person or persons, an affidavit that the movable and immovable property and estate of the deceased in this Island, for or in respect of which probate or letters of administration are to be granted, exclusive of what the deceased shall have been possessed of or entitled to as a trustee, and not beneficially; and without deducting anything on account of the debts due and owing from the deceased (excepting debts due on mortgage or on notarial bonds), are of the value of a certain sum, to be therein specified to the best of the deponent's knowledge, information, and belief; in order that the proper and full stamp duty may be paid by the person to whom such probate or letters of administration shall be granted. When the amount of such stamp duty has been paid into court by the applicant for probate or letters of administration, the judge shall transmit such amount to the commissioner; together with the probate or letters of administration, and the commissioner shall cause such instrument to be duly stamped and shall thereupon return the same to the judge by whom it was forwarded.

Proceedings, if too great stamp duty has been paid on probate:

25 When any person shall have estimated the property and estate of the deceased to be of greater value than the same shall afterwards prove to be, and shall, in consequence, have paid too high stamp duty on any such probate or letters of administration, if such person shall, within six months after the true value of the property and estate shall have been ascertained, produce any such instrument to the court which granted the same, and it shall be proved to the satisfaction of such court that a greater stamp duty has been paid than the law required, it shall be lawful for the judge of such court to write upon any such instrument the amount of stamp duty which was legally payable thereon: and upon production thereof at the stamp-office, it shall be lawful for the commissioner to repay the difference between the duty paid and that legally payable in money to the party producing such instrument, and to certify thereon that such has been repaid.

Proceedings, if too little stamp duty has been paid.

26 When too little stamp duty shall have been paid on any such probate or letters of administration in consequence of any mistake or misapprehension, or of its not being known at the time that some particular part of the property and estate belonged to the deceased, it shall be lawful for the judge of the court by which such instrument was granted, if the application to have the proper stamp affixed shall be made within six months after the true value of the property and estate shall be ascertained, to transmit such instrument to the stamp-office in order that the proper stamp may be affixed, without requiring the applicant to pay the penalty payable under the provisions of this or any former Ordinance for stamping deeds or other instruments which have not been stamped, or which have been insufficiently stamped; and the commissioner shall thereupon, and upon receipt of the money to be paid thereon, or upon the said money being transmitted to him by some government agent, cause the proper stamp to be affixed to such instrument, and cancel the same himself in the manner directed in this Ordinance, and return the instrument to the judge by whom it was transmitted to him.

Provision for stamping second or further probate or letters of administration.

27 In any case wherein any former probate of a will or letters of administration shall have been taken out, and the full amount of the duties payable thereon by any law then in force, according to the full value of such estate, shall have been duly paid and discharged, and wherein any further or other probate or letters of administration shall at any time thereafter be applied for in respect of such estate, it shall be lawful for the commissioner, upon the production of an

unstamped probate or letters of administration, with the certificate of the district judge having jurisdiction in respect of such estate endorsed thereon, to the effect that such further probate or letters of administration has become necessary, to cause a stamp according to the value of the estate to be affixed to the probate or letters of administration produced to him, without making any charge therefor. And the commissioner shall cancel the said stamp in the manner directed in this Ordinance, and write the word "duplicate" on the instrument, and affix his signature thereto. And such instrument shall be as available in law, and of like value and effect in all respects whatever, as the probate or letters of administration originally issued by the court.

Stamp duty to be allowed where will or letters proved and duty paid more than once.

28 Where proof is adduced to the satisfaction of the district judge having jurisdiction in respect of the estate that any will has, owing to inadvertence or mistake, or any other cause, been proved, or that any letters of administration have been taken out on the same property in more than one court in the Colony, or more than once in any such court, or that letters of administration have been taken in such court, in ignorance of the existence of a will, requiring probate thereof, and that, by reason thereof, more than one stamp duty has been paid thereupon; the district judge shall certify thereto, and the commissioner shall, on the production of such certificate and, if need be, upon delivery to him of the useless probate or letters of administration to be cancelled, and on production of the valid probate or letters of administration, cancel such useless probate or letters of administration, and pay the value of the stamp to the person producing such certificate.

Penalty for not getting proper stamp affixed to probate.

29 Where too little duty shall have been paid, as in the 26th section mentioned, if any executor or administrator, acting under such probate or letters of administration, shall not within six months after the discovery of the mistake or misapprehension, or of any property or estate not known at the time to have belonged to the deceased, apply to the proper court for the purpose of having the proper stamp affixed, he shall, in addition to the payment of the penalty imposed by the 32nd section of this Ordinance on the stamping of any unstamped or insufficiently stamped instrument, incur and be liable to a further penalty not exceeding two hundred rupees; and the judge of the said court shall not transmit such instrument to the stamp-office, to have the proper stamp affixed, until the said several penalties have been paid into court, nor shall the commissioner cause the proper stamp to be affixed thereon, unless a certificate shall be produced to him under the hand of such judge that the said penalties have been paid. But, upon the production of such certificate, and upon receipt of the stamp duty to be paid on such probate or letters of administration, or upon the transmission to him by some government agent of the stamp duty to be paid thereon, the commissioner shall cause the proper stamp to be affixed to such instrument, and cancel the same in the manner directed by this Ordinance, and return the instrument to the judge by whom it was transmitted to him.

Duty may be returned on account of debts, if claimed within three years.

30 Provided that where it shall be proved to the satisfaction of the district judge having jurisdiction in respect of the estate that an executor has paid debts, of whatever nature, due and owing from the deceased, other than the debts deducted from the estate under the 24th section of this Ordinance, such debts so paid being payable by law from the estate of the deceased, and amounting to such a sum as, being deducted from the value of the estate for or in respect of which the probate duty or duty on letters of administration shall have been assessed, shall reduce the duty to a less sum than was actually paid, and the district judge shall certify thereto, the commissioner shall, on production of such certificate, return the difference, provided the said difference be claimed within three years after the date of the probate or letters of administration, or the recording of the inventory;

but where, by reason of any legal proceeding the debts shall not have been ascertained and paid, or the effects shall not have been recovered and made available, and, in consequence, the executor or administrator shall be prevented from claiming such return within three years, the commissioner may allow such further time for making the claim as may appear to him to be reasonable.

*Instruments not duly stamped may be stamped.*

Letters and powers of attorney and proxies to proctors executed out of the Colony, how to be stamped.

31 Every letter or power of attorney or appointment of a proctor executed out of this Colony, and which, according to the provisions of this Ordinance, requires to be stamped before it can be used in this Colony, shall be sent or taken to the commissioner before it shall be used (together with the amount of duty to which the same is liable) by the person or persons to whom the same is directed, and the commissioner shall thereupon affix to or impress upon such instrument a stamp of the proper amount of such duty, and shall cancel the said stamp in the manner directed by this Ordinance, and every such instrument so stamped shall have the like force and validity in law as if it had been duly stamped when the same was executed.

Terms and conditions on which instruments may be stamped after the signing thereof.

32 Where any instrument liable by law to any stamp duty shall be signed or executed by any person without its being duly stamped, and special provision to meet such case is not made in this Ordinance, then and in every such case the parties to such instrument, and the notary public, if any, by whom the same shall have been attested, shall be guilty of an offence, and shall each be liable to a fine not exceeding one hundred rupees. And the commissioner is hereby required, upon payment of the said duty or deficiency of duty, and of such fine as he may see fit, with the sanction of the Governor, to impose, to affix to the said instrument a stamp of the proper amount of such duty or deficiency of duty, and to cancel the said stamps in the manner directed by this Ordinance: and every such instrument so stamped as aforesaid shall have the like force and validity in law as if it had been duly stamped when the same was executed. Provided always, that where it shall appear to the commissioner, upon oath or otherwise, to his satisfaction, that any instrument has not been duly stamped previously to being signed or executed by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design or intention to defraud Her Majesty of the duty chargeable in respect thereof, or to evade or delay the payment of such duty, then and in every such case, if such instrument shall be brought or sent to the commissioner to be stamped within twelve months after the first signing or executing the same by any person, and the stamp duty chargeable thereon by law shall be paid, it shall be lawful for such commissioner, with the previous sanction and under the authority of the Governor, to remit the whole or any part of the penalty payable on stamping such instrument, and to cause such instrument to be duly stamped in manner above-mentioned, upon payment of the whole or of the deficiency of the stamp duty chargeable thereon by law, as the case may be, and either with or without any portion of the said penalty. Provided also, that nothing herein contained shall extend, or be deemed or construed to extend, to any deed or instrument, for the stamping of which, after the signing or execution thereof, provision is specially made; or to any deed or instrument, the stamping of which, after the signing or execution thereof, is expressly prohibited or restricted by any such law as aforesaid; or to repeal, alter, or affect any such provision, prohibition, or restriction.

Commissioner may remit penalty on stamping certain instruments within twelve months after the signing thereof.

Not to extend to instruments for the stamping of which, after the signing thereof, special provision is made, or to cases where the stamping is prohibited by law.

Instrument may be sent to the government agent to be stamped.

33 Where in any case it shall be inconvenient to any person to take or send any instrument to the commissioner to be stamped under any of the provisions of this Ordinance, or to remit to the commissioner the amount of the stamp duty, and of any penalty to which he may be liable, it shall be lawful for any such person to bring or send the said instru-

ment to the nearest government agent, and to pay to him the amount of such duty and penalty. And the said government agent shall thereupon transmit such instrument, together with such sum or sums of money, to the commissioner, who shall thereupon cause the said instrument to be duly stamped as directed by this Ordinance; and the instrument shall thereafter be returned by such commissioner to the said government agent, to be delivered to the person from whom the same was received.

*Stamping of Pleadings and Instruments tendered in any cause.*

Stamps may be attached to pleadings and instruments tendered in a cause and not duly stamped.

34. If any pleading or other instrument specified in Part II. of the schedule B hereto annexed shall not bear the proper amount of stamp duty, it shall be lawful for the judge, should he see fit to do so, to allow the person tendering such pleading or other instrument to attach thereto the stamps necessary to supply the deficiency of duty; and when such stamps have been supplied to proceed with the action as if such pleading or instrument had been originally duly stamped.

Provision for stamping instruments at the trial.

35. Upon the production, as evidence, at the trial of any cause, of any instrument liable to stamp duty, which is unstamped or not duly stamped, the officer of the court, whose duty it is to read such instrument, shall call the attention of the judge to any omission or insufficiency of the stamp, if the same has not been already noticed by the judge; and the instrument, if unstamped or not duly stamped, shall not (except as hereinafter provided) be received in evidence until (if the instrument is one which may legally be stamped after the execution thereof) the whole or the deficiency of the stamp duty payable thereon, as the case may be, and the penalty required by this Ordinance, together with an additional penalty of five rupees, shall have been paid into court.

On payment into court of duty and penalty, instrument to be received in evidence.

36. Upon payment into court of the whole or of the deficiency of the stamp duty (as the case may be) payable upon or in respect of such instrument, and of the penalty required by this Ordinance, and of the additional penalty of five rupees, as above provided, the judge shall forward such instrument to the commissioner, together with the amount of duty and penalty paid into court, and the commissioner shall, on receipt thereof, cause such instrument to be duly stamped, and return the same to the judge; thereupon such instrument shall be admissible in evidence, saving all just exceptions on other grounds. Provided that the aforesaid enactment shall not extend to any instrument which cannot be stamped after the execution thereof. Provided also that it shall be lawful for the judge, in his discretion, to allow a party tendering any unstamped or not duly stamped instrument in evidence (if such instrument may be stamped after the execution thereof, on payment of the duty and a penalty), in any case in which it shall appear to the judge that such party was previously ignorant of the objection to the reception in evidence of the instrument, on the ground that the same is not stamped or not duly stamped, and that such party is unable forthwith to pay into court the amount of the duty or deficiency of duty, and the penalties aforesaid, such time, not exceeding seven days, as the judge shall deem reasonable for the payment into court of such duty or deficiency of duty, and penalties as aforesaid, on the undertaking of the party to pay the same at the appointed time. And thereupon the court shall allow the trial of the cause to proceed, and such instrument to be put in evidence, saving all just exceptions on other grounds, but shall suspend the judgment therein for the time allowed for making such payment; and if payment is then made, the judge shall cause the instrument to be duly stamped in the manner prescribed in the preceding section; but if such payment be not then made, the court shall strike out the evidence relating to such instrument, and give judgment in the cause irrespective of such instrument, and shall cause the amount which such

*Removal of doubts as to the sufficiency of Stamps.*

Person desirous to remove doubts may apply to commissioner to declare the duty to which any instrument is liable.

37 Any person who is desirous to remove doubts as to whether an instrument not already tendered in any action is liable to stamp duty, or, if liable, to what extent, may, before or after the execution of such instrument, and whether the same be previously stamped or not, apply in writing to the commissioner to declare his opinion thereon. It shall then be lawful for the commissioner, and he is hereby required, upon payment to him of a fee of five rupees, to declare in writing whether the instrument is liable to stamp duty or not, and, if liable, to state the amount of duty, and the penalty, if any, to which such person liable.

Appeals to Supreme Court.

38 If the person making the application shall be dissatisfied with the determination of the commissioner, he may appeal against the same to the Supreme Court, within ten days after the same shall be made known to him; and, upon the application of such person (due notice thereof being given to the Attorney-General to the end that he may be heard on behalf of Her Majesty), it shall be lawful for the said court, and it is hereby required summarily to hear and determine the said appeal, and to make such order as to costs as it shall deem just.

Instrument may be stamped.

39 If the commissioner determines that such instrument is liable to stamp duty, or to additional stamp duty, and if there be no appeal from his decision, or, if an appeal is taken and the Supreme Court decides that the instrument is liable to stamp duty or additional stamp duty, the person tendering such instrument shall pay to the commissioner the amount of such duty or additional duty, together with a penalty of five rupees; and the commissioner shall thereupon cause such instrument to be duly stamped, and shall return the same to the person by whom it was tendered.

Commissioner before assessing the duty upon any instrument may require proof that the facts upon which the duty depends are truly stated.

40 In any case where application is made to the commissioner as aforesaid, it shall be lawful for him to require such evidence by affidavit as he may deem necessary, in order to show to his satisfaction whether or not the consideration or value, or any other matter or thing, upon the full and proper statement of which the stamp duty payable thereon shall in any measure depend, is truly and fully set forth therein. The commissioner may also, when necessary, direct an appraisement of property to be made, to ascertain its value, and determine the amount to be paid for the appraisement by the person in respect of whose application such appraisement is deemed necessary. The said commissioner may in any case refuse to cause any such instrument, or any duplicate, to be stamped and endorsed as aforesaid, except on payment of the full stamp duty which would be chargeable on such instrument if all or any of such matters and things aforesaid had been truly set forth therein. Provided that no such evidence shall be used against any person giving the same, in any proceeding whatever, except only in any inquiry as to the stamp duty with which such instrument is chargeable; and every such person shall, upon payment of such full stamp duty as aforesaid, be relieved from any penalty, forfeiture, or liability he may have incurred by reason of the omission to state truly in such instrument any of the facts, matters, and things aforesaid.

The evidence not to be used for any other purpose.

Provided further that one license and one bond only shall be required for any number of persons in co-partnership. And it shall be lawful for the said commissioner, whenever he shall think fit, by notice in writing signed by him, to revoke and make void any such license as aforesaid.

License may be revoked.
