Early and late pinmari crops cut, and turned out excellent. Large sowings in progress for Ettalai, including 4,000 acres of pinmari lands cultivated a second time in consequence of large supply of water in the big tanks and the favourable season. Paddy in hand largely in excess of local requirements, and heavy sales being made for export to Jaffna at Re. 1.44 per bushel delivered in town and Re. 1.25 on threshing-floors in Manmunai pattu. High price due to scarcity in India. Chenai crops all over, but good supply of plantains in markets, and manioc being dried and exported to Jaffna. General condition of district prosperous, and as money is available for reinvestment there is a brisk demand for land for paddy and cocoanut cultivation to be cleared before next rains. No cattle murrain; foot-and-mouth disease not severe.

In gravets and Kattukulam munmari paddy stocks are being threshed, pinmari cultivation is in different stages throughout the district. Lands ploughed and trampled and tanks full in the Sinhalese villages of Kaddukulam. Crops partly reaped in maritime villages. About 300 acres under Peruveli tank in Kottiyar abandoned for want of water.

Early sown paddy maturing: extent small, but crop good. Rain having continued during the month, ploughing and sowing still going on. The later yala cultivation will probably do well especially in the Wannu, where there is plenty of water in the tanks and large extent being sown. Chena crops progressing favourably. Reaping of meneri just begun: yield good.

Fields being prepared for yala harvest. Some tracts have been sown. Some village tanks in Demala hatpattu breached by late rains; tanks generally full and prospects good.

Yala paddy prospects of northern division fair, except at Pulichankulam, where failure expected owing to breach of Battulu-oya bund. Water abundant. Some fields not sown for want of seed paddy. Southern division prospects good, low-lands flooded.

Nuwarakalawiya cultivation for yala, prospect good—somewhat restricted by want of seed paddy in some villages. The rain having fallen only at end of May there was no time to arrange for supply of seed paddy to those who wanted it. Most of the village tanks filled except in Keligan and Korosagalla tulanas. Chenas are being reaped. Gingelly crops fair. Tavalu cultivation not yet commenced. Meneri and chillies are being reaped, fair crop. Tamankaduwa tanks are half to one-fourth full. Condition of crops fair. No rain since the heavy rain on May 20.

Average paddy crops being reaped. Want of rain telling on young plants.

No sowing. Crop reaped, average one.

Collu blossoming freely; potatoes now being planted.

No dry grain crop during the month.

NOTICES CALLING FOR TENDERS.

SEALD Tenders (in duplicate), marked on the envelopes "Tender for Uniforms, Colonial Store," will be received by the Hon. the Colonial Secretary, at his office, up to 12 o'clock noon on Monday, August 3, 1891, from persons willing to contract for the supply of the under-mentioned articles for the use of Government for the year 1891.

For making the under-mentioned uniforms :—

For workman- ship only.	{	Pioneer tunics of serge ... No. ... 400
		Sergeant Major's tunics of serge with usual stripes, &c. ... " ... 5
		Sergeant's do. ... " ... 10
		Corporal's do. ... " ... 10
		Long trousers, serge ... Pairs ... 25
		Turbans of blue and red ... No. ... 25

N.B.—The above to be increased or reduced according to requirements.

The tender should specify the rate at which each different description of uniform would be made up of materials supplied from the Colonial Store, exclusive of needles and thread.

Deposit for tender forms, Rs. 50.

A deposit, as noted above, will be required before any form of tender is issued; and should any person decline to enter into the contract and bond after he has tendered, or fail to furnish approved security, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

The deposit must be made at the Treasury or Kachcheri, and the deposit receipt must be produced to the officer issuing the form of tender as his authority for making the issue.

No tender will be considered unless it is on such printed forms—to be obtained at the office of the Colonial Storekeeper—and unless accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become sureties for the due fulfilment of the contract.

Persons who tender must deposit samples with the Colonial Storekeeper before the date on which the tenders are opened. No tender will be considered if the sample is not so deposited.

The amount of security to be given, and all other necessary information, can be ascertained on application at the Colonial Storekeeper's office.

The person whose tender has been accepted by Government will be required to bear the expense of having security bonds prepared for the due performance of his contract, which bonds will be subject to the approval of the Attorney-General, but may be drawn by the tenderer's own lawyers, in which case the name or stamp of the Proctor who drafted the bond should be affixed to the document.

The security bond should be furnished before October 1, 1891.

All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

H. L. CRAWFORD,
for Colonial Secretary.

CAPITAL.

6. *Arrangement on issue of Shares.*—The Company may make arrangements, on the issue of shares, for a difference between the holders of such shares in the amount of calls to be paid, and the time of payment of such calls.

7. *Payment of Amount of Shares by Instalments.*—If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the holder of the share.

8. *Increase of Capital.*—The Company in General Meeting may, from time to time, increase the capital by creation of new shares of such amount as may be deemed expedient.

9. *New Shares.*—The new shares shall be issued upon such terms and conditions, and with such rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company, shall direct; and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of assets of the Company, and with a special or without any right to voting.

10. *How carried into effect.*—Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined; and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine.

11. *Same as Original Capital.*—Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the provisions herein contained with reference to the payments of calls and instalments, transfer and transmission, forfeiture, lien, surrender, and otherwise.

SHARES.

12. *Shares held by a Firm.*—Shares may be registered in the name of a firm, and any partner of the firm or agent duly authorised to sign the name of the firm shall be entitled to vote and to give proxies.

13. *One of Joint Holders, other than a Firm, may give Receipts; the first-named of Joint Holders only entitled to vote.*—Any one of the joint holders of a share, other than a firm, may give effectual receipts for any dividends payable in respect of such share; but the Shareholder whose name stands first on the register, and no other, shall be entitled to the right of voting and of giving proxies and all other advantages conferred on a sole Shareholder.

14. *Survivor of Joint Holders other than a Firm only recognised.*—In case of the death of any one or more of the joint holders of any shares, the survivor or survivors shall be the only person or persons recognised by the Company as having any title to, or interest in, such shares.

15. *Company not bound to recognise any Interest in Share other than that of registered Holder or of any Person under clause 30.*—The Company shall not be bound to recognise (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 30 to become a Shareholder in respect of any share.

16. *Certificates.*—The certificates of shares shall be issued under the seal of the Company, and signed by two Directors and the Secretary.

17. *How issued.*—Every Shareholder shall be entitled to one certificate for all the shares, or to several certificates, each for a part of such shares. Every certificate shall specify the number of the shares in respect of which it is issued.

18. *Renewal of Certificate.*—If any certificate be worn out or lost it may be renewed or replaced after due advertisement by the owner in the *Gazette* and local papers, and on proof of the fact to the satisfaction of the Directors, and on such indemnity as they shall require being given, and on payment of Re. 1.50 for every new certificate.

19. *Certificate to be delivered to the first-named of Joint Holders, not a Firm.*—The certificate of shares registered in the names of two or more persons, not a firm, shall be delivered to the person first-named on the register.

20. *Transfer of Shares.*—Subject to the restriction of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

21. *No transfer to Infant or Person of Unsound Mind.*—No transfer of shares shall be made to an infant or person of unsound mind.

22. *Register of Transfers.*—The Company shall keep a book or books to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

23. *Board may decline to register Transfers.*—The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien or otherwise; or in the case of shares not fully paid up, to any person not approved by them.

24. *Not bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

25. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor and a fee of Re. 1.50, or such other sum as the Directors shall from time to time determine, must be paid; and thereupon the Directors, subject to the powers vested in them by Articles 23 and 24, shall register the transferee as a Shareholder and retain the instrument of transfer.

26. The Directors may, by such means as they shall deem expedient, authorise the registration of transferees, as Shareholders without the necessity of any meeting of the Directors for that purpose.

27. *Directors not bound to inquire as to validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming as transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

28. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the first General Meeting; also when a dividend is declared, for the three next days ensuing the meeting.

TRANSMISSION OF SHARES.

29. *Title to Shares of deceased Holder.*—The executors or administrators of a deceased Shareholder shall be the only persons recognised by the Company as having any title to the shares of such Shareholder.

30. *Registration of Persons entitled to Shares otherwise than by Transfer.*—Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Company think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

31. *Failing such registration, Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 30 shall not, from any cause whatever, within twelve calendar months after the event, on the happening of which his title shall accrue, be registered in respect of such share; or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder—the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be

registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitle the Company to sell the same; and the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay Money owing at time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture, until payment at 9 per cent. per annum; and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or Forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of, upon such terms and in such manner as the Board shall think fit.

35. *Effect of surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may, in their discretion, remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. on the amount of the sums wherein default in payment had been made, but no share, *bona fide* sold or re-allotted, or otherwise disposed of under Article 34 hereof, shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint holders respectively, either in respect of such shares or of other shares held by such holder or joint holders, or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such person. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it; provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale, two of the Directors may execute a transfer of such shares to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

CALLS.

42. *Directors may make Calls.*—The Directors may, from time to time, make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of 9 per cent. per annum from the day appointed for the payment thereof to the time of actual payment.

Calls, Time when made.—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board meeting of the Directors.

Extension of Time for payment of Call.—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof, on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

43. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up, and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter, as exceeds the amount of the calls then made upon, and due in respect of, the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholder and the Directors may agree upon, not exceeding, however, 9 per cent. per annum.

BORROWING POWERS.

44. *Power to Borrow.*—The Directors may, from time to time, at their discretion, borrow any sum or sums of money for the purposes of the Company, and may arise or secure the repayment of such moneys in such manner and upon such terms and conditions in all respects as they think fit, and may issue debentures of the Company charged upon all or any part of the property of the Company (both present and future) including its uncalled capital for the time being.

MEETINGS.

45. *Ordinary General Meeting.*—An Ordinary General Meeting of the Company shall be held at least once a year after the incorporation of the Company, and oftener whenever the Directors shall so determine. The General Meeting shall take place at such time and place as the Directors shall appoint.

46. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders holding not less than one-eighth of the issued capital, and entitled to vote.

47. *Requisition of Shareholders to state object of Meeting; on receipt of Requisition Directors to call Meeting, and, in default, shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

48. *Seven Days' Notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, ordinary or extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the objects and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

49. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

50. *Notice of other Business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, ordinary or extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

51. *Quorum to be Present.*—No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present in person at the commencement of the business four or more Shareholders entitled to vote.

52. *If Quorum not present, Meeting to be dissolved or adjourned; adjourned Meeting to transact Business.*—If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved; but in any other case it shall stand adjourned to the same day in the next week at the same time and place. And if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

53. *Chairman of Directors or a Director to be Chairman of General Meeting; in case of their absence or refusal a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether ordinary or extraordinary; or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

VOTING AT MEETINGS.

57. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately demanded in writing by at least three members present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the minute book of the Company, shall be sufficient evidence of the fact, without proof of the number of votes recorded in favour of or against such resolution.

58. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

59. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing, signed by three Shareholders present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct; and in such case every Shareholder shall have the number of votes to which he may be entitled as herein-after provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

60. *No Poll on election of Chairman or on question of adjournment.*—No poll shall be demanded on the election of a Chairman of the meeting, or on any question of adjournment.

61. *Number of Votes to which Shareholder entitled.*—Every Shareholder shall have one vote for every share up to ten, an additional vote for every five shares beyond the first ten up to one hundred, and an additional vote for every ten shares beyond the first hundred up to four hundred, beyond which shares will not carry votes.

62. *Guardian of Infant, &c., when not entitled to vote.*—The parent or guardian of an infant Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

84. *If Election not made, Retiring Directors to continue until next Meeting.*—If at any meeting at which an election of a Director ought to take place, the place of the retiring Director is not filled up, the retiring Director may continue in office until the first Ordinary Meeting in the next year, and so on from meeting to meeting until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

85. *Resignation of Director.*—A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary, or by leaving the same at the office, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before his office shall become vacant.
