5. Sir Allan Perry moved—That in view of the undesirability of the present site for the burial of night soil and the difficulty which exists in obtaining suitable land for the purpose within reasonable distance of Colombo, this Council is of opinion that measures be taken at once to ascertain if the night soil in its present condition can be treated by what is known as the "Bacteriological method," and that if this be found practicable, Government be requested to have the septic treatment works in connection with the Mansergh scheme of drainage, on the bank of the Kelani river, completed at an early date, and with the permission of Council substituted the words "as soon as possible" for the words "at an early date" in the last line of the motion.

The motion as amended was seconded by Dr. W. H. de Silva and was unanimously carried.

6. Pursuant to notice, Mr. Chas. Perera asked—What was the method of burying night soil at the Municipal night depot when the dry-earth system of removing night soil was started? 7. Pursuant to notice, Mr. Chas. Perera asked—Whether the report of the Medical Officer of Health, promised by the Chairman on the 9th March last, regarding the detection of 16 cases of smallpox in a property at Green Path, is ready now—if so, to move that it be printed and circulated.

#### Health Officer's Report for April, 1906.

*Scavenging.*—The scavenging of the town was satisfactorily carried out during the month.

*Drains.*—The drains have been kept clean and frequently flushed.

The drain opposite No. 885, Peradeniya road, and the unmade portion of the drains in Railway approach road are still in a filthy condition. I would ask that these may be taken in hand as soon as possible.

*Water supply.*—Good. *Vide* attached analysis.

*Alleys.*—Most of the alleys in the town are in an insanitary state owing to their ill construction and overcrowding; they have been kept as clean as possible.

*Laundries.*—Generally well kept.

*Dairies.*—Well kept.

*Bakeries.*—All well kept. A few have been noticed to limewash more frequently.

*Markets.*—Generally well kept. The different kinds of food exposed for sale have been daily examined by me and found good.

Equivalent of common salt: about 3 grains per gallon.
6. Nitrites: none.

40. *Failing such registration, shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 39, shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

#### SHARES (SURRENDER AND FORFEITURE).

41. *The Directors may accept surrender of shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. *If call or instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, or his executors or administrators, or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

*Terms of notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

*In default of payment, shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

*Shareholder still liable to pay money owing at time of forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

43. *Surrendered or forfeited shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights, incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

*Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money, by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons; and the Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or else where abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The net proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

49. *Certificate of sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that the power of sale given by clause 47 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

50. *Transfer on sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

#### PREFERENCE SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

52. *Resolutions affecting a particular class of shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### CALLS.

54. *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholder of the time and place appointed for payment of each call.

*Calls, time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

*Extension of time for payment of call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of calls at interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

#### BORROWING POWERS.
