*Statement of Objects and Reasons.*

THE object of the Draft Ordinance is to make more effectual provision than that of Ordinance No. 5 of 1902 to prevent the emigration of natives to take part in exhibitions or theatrical, musical, or spectacular performances without adequate safeguards against loss to Government by its being obliged to repatriate them if stranded abroad.

2. It prohibits the emigration of natives for the purposes aforesaid, and the causing of such emigration without the consent in writing of the Colonial Secretary. Such consent is not to be granted unless the emigrant has completed his seventeenth year.

3. It also requires emigrants and agents employing emigrants for the purposes aforesaid to make a deposit in cash of the probable costs of repatriation, and to enter into bonds to secure to Government the payment of such costs.

4. Ordinance No. 5 of 1902 is repealed, but its provisions as to the formalities of the contract between emigrant and employer, the passes to be obtained before embarkation, from the Collector of Customs, the restrictions as to shipment of domestic servants, the power of the Governor to make rules to carry out the objects of the Ordinance, &c., are repeated.
