## PROCLAMATIONS BY THE GOVERNOR.

IN the Name of His Majesty EDWARD THE SEVENTH, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith.

### PROCLAMATION.

By His Excellency Sir HENRY ARTHUR BLAKE, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief in and over the Island of Ceylon, with the Dependencies thereof.

HENRY A. BLAKE.

WHEREAS by section 1 of "The Patents Ordinance, 1906," it is enacted that the said Ordinance shall come into operation on such date as the Governor may by Proclamation in the *Government Gazette* appoint:

And whereas by our Proclamation dated the Thirteenth day of October, 1906, it was appointed that the said Ordinance should come into operation as and from the 1st day of November, 1906, and it is expedient that the date when the said Ordinance shall come into operation shall be postponed as hereinafter mentioned:

Now know Ye that We, the said Governor, do by this Our Proclamation rescind and revoke Our said Proclamation dated the 13th day of October, 1906, and do hereby appoint that the said Ordinance No. 15 of 1906, intituled "An Ordinance to amend the Law relating to the granting of Patents for Inventions." shall come into operation as from and after the 1st day of January, 1907.

Given at Colombo, in the said Island of Ceylon, this Twenty-sixth day of October, in the year of our Lord One thousand Nine hundred and Six.

By His Excellency's command,

A. M. ASHMORE,

## GOVERNMENT NOTIFICATIONS.

THE GOVERNOR has granted permission to Mr. J. H. DE SARAM, C.M.G., District Judge, Kandy, to retire from the Ceylon Civil Service on pension from the 23rd October, 1906.

HIS EXCELLENCY desires to place on record his high appreciation of the honourable and distinguished services rendered by Mr. DE SARAM during his employment for over forty years under Government.

Colonial Secretary's Office,  
Colombo, October 23, 1906.

By His Excellency's command,  
A. M. ASHMORE,  
Colonial Secretary.

HIS EXCELLENCY THE GOVERNOR has been pleased to direct that where an officer of the Public Works Department, the Survey Department, or the Medical Department is appointed to perform duties in a class other than that to which he belongs, he may draw half the initial salary of the class in which he is appointed to perform duties and half his substantive salary.

2. He will also be paid the travelling allowance of the grade in which he is appointed to perform duties.

Colonial Secretary's Office,  
Colombo, October 22, 1906.

By His Excellency's command,  
A. M. ASHMORE,  
Colonial Secretary.

HIS EXCELLENCY THE GOVERNOR has been pleased to direct that the following words be struck out of Schedule E of the Travelling Minute of February 10, 1902:—

Under *Head Overseers*.—“When temporarily in charge of districts performing District Engineer's duties may draw allowance as Inspectors.”

Colonial Secretary's Office,  
Colombo, October 22, 1906.

By His Excellency's command,  
A. M. ASHMORE,  
Colonial Secretary.

IT is hereby notified for general information that in future no work other than Government work will be undertaken by the Government Printing Department.

2. For the purposes of this order, “Government work” includes work for Municipalities, Local Boards, Road Committees, and similar *quasi* Government bodies.

3. Exception will only be made to this rule in the case of work which private Firms are unable to undertake, and for the undertaking of such work by the Government Printing Department the special authority of Government must be obtained in every instance.

Colonial Secretary's Office,  
Colombo, October 25, 1906.

By His Excellency's command,  
A. M. ASHMORE,  
Colonial Secretary.

THE following regulations and forms made and prescribed by the Governor in Executive Council, under the provisions of section 52 of "The Patents Ordinance, 1906," for carrying out the purposes of the said Ordinance, are published for general information.

By His Excellency's command,

Colonial Secretary's Office,  
Colombo, October 13, 1906.

A. M. ASHMORE,  
Colonial Secretary.

### Regulations under "The Patents Ordinance, 1906."

1. *Short Title.*—These regulations may be cited as "The Patents Regulations, 1907."

2. *Commencement.*—These regulations shall come into force on January 1, 1907.

3. *Interpretation.*—In the construction of these regulations any words herein used defined by the said Ordinance shall have the meanings thereby assigned to them respectively.

4. *Fees.*—The fee to be paid to the Examiner under section 29 and schedule III. of the said Ordinance shall be paid by cheque drawn in favour of the Registrar. The other fees payable under section 29 and schedule III. shall be collected by means of stamps.

5. *Forms.*—The forms given in the schedule may, so far as they are applicable, be used in any proceeding under these regulations.

6. *Size, &c., of Documents.*—All documents addressed to the Registrar shall be written or printed in large and legible characters upon strong wide-ruled paper (on one side only) of a size of 13 in. by 8 in., leaving a margin of 2 in. on the left-hand part thereof; and the signature of the applicant or agents thereto must be written in a large and legible hand. All petitions and specifications with plans, if any, shall be furnished in duplicate, one copy to be filed in the Registrar's office and the other in the office of the Examiner.

7. *Industrial or International Exhibitions.*—Any person desirous of exhibiting an invention at an industrial, international, or intercolonial exhibition, or of publishing any description of the invention during the period of the holding of the exhibition, or of using the invention for the purpose of the exhibition in the place where the exhibition is held, shall, after the Registrar has certified that the exhibition is an industrial, international, or intercolonial one, give to the Registrar notice in writing of his intention to exhibit, publish, or use the invention, as the case may be.

For the purpose of identifying the invention, in the event of an application for grant of exclusive privilege being subsequently made, the applicant shall furnish to the Registrar a brief description of his invention, accompanied, if necessary, by drawings and such other information as the Registrar may require.

8. *Power of Amendment, &c.*—Any document for the amending of which no special provision is made in the said Ordinance may be amended, and any irregularity in procedure which, in the opinion of the Registrar, may be obviated without detriment to the interests of any person, may be corrected, if and on such terms as the Registrar may think fit.

9. *Order of recording Petitions.*—Petitions for leave to file specifications of inventions sent through the post or left at the Registrar's office shall, as far as may be practicable, be opened and numbered in the order in which the letters containing the same have been respectively delivered.

10. *Petitions for separate Inventions by way of Amendment.*—When a person petitions for leave to file a specification of an invention, and includes in his petition by mistake, inadvertence, or otherwise, more than one invention, he may, after the refusal of the Registrar to accept such petition, amend the same so as to apply to one invention only, and may petition for separate grants for each such invention accordingly.

Every such petition shall, if the petitioner notify his desire to that effect to the Registrar, bear the date of the first petition, and shall, together therewith, be proceeded with in the manner prescribed by the said Ordinance and by these regulations, as if every such petition had been originally made on that date.

11. *Petition by Representative of Deceased Inventor.*—A petition for leave to file a specification of an invention by the legal representative of any person who had died possessed of an invention shall be accompanied by an official copy of, or extract from, his will or the letters of administration granted of his estate and effects, in proof of the petitioner's title as such legal representative, and must be supplemented by such further evidence as the Registrar may require.

12. *Drawings for Specifications.*—The petition and specification need not be accompanied by drawings if the petition or specification sufficiently describes the invention without them, but if drawings are printed they should accompany the petition or specification to which they refer, except in the case provided for by rule 18.

13. *Requirements as to Paper, &c.*—Drawing must be made on pure white, hot-pressed, rolled, or calendered drawing paper, of smooth surface and good quality, and, when possible, without colour or Indian ink washes.

14. *Size of Drawings.*—They must be on sheets of one of the following sizes (the smaller being preferable) :—13 inches at the sides by 8 inches at the top and bottom, or 13 inches at the sides by 16 inches at the top and bottom, including margin, which must be half an inch wide. If there are more figures than can be shown on one of the smaller sized sheets, two or more of the sheets should be used in preference to employing the larger size. There is no limit to the number of sheets that may be sent in.

15. *Ink ; Scale.*—The drawings must be executed in black Indian ink ; the scale adopted being large enough to show clearly wherein the invention consists, and only so much of the apparatus, machine, &c., need be shown as effects this purpose.

16. *Drawings to bear the Name of Petitioner.*—The drawings must bear the name of the petitioner in the left-hand top corner, the number of sheets of designs sent and the number of each sheet in the right-hand top corner, and the signature of the petitioner or his agent in the right-hand bottom corner.

17. *Copies of Drawings.*—A *facsimile* of the original drawings must accompany the originals and be marked “ true copy.” This copy will be retained in the office of the Examiner.

18. *Provisional Drawings used for Specification.*—If a petitioner desires to adopt the drawings lodged with his petition as the drawings for his specification, he should refer to them as those “ left with the petition.”

19. *Payment of Fees for continuance of Exclusive Privilege.*—If a grantee of exclusive privilege intends at the expiration of the fourth and any succeeding year during the term of the grant to keep the same in force, he shall, before the expiration of such fourth and succeeding years, as the case may be, pay the prescribed fee, unless he has at any time paid the sum total of the said fees in respect to the continuance of the exclusive privilege.

20. *Certificate of Payment.*—On due compliance with the rule the Registrar shall issue a certificate that the prescribed payment has been duly made.

21. *Enlargement of Time for Payment.*—An application for enlargement of the time for making a prescribed payment under the said Ordinance shall state in detail the circumstances in which the grantee of exclusive privilege has, by accident, mistake, or inadvertence, failed to make such payment, and the Registrar may require the grantee to substantiate, by such proof as he may think necessary, the allegations contained in the application for enlargement.

22. *Enlargement of Time for leaving Specification.*—An application for enlargement of time for leaving a specification shall state in detail in what circumstances and on what grounds such extension is applied for, and the Registrar may require the applicant to substantiate such allegation by such proof as the Registrar may think necessary.

23. *Amendment of Specification.*—A petition for leave to amend a specification must be signed by the petitioner for or grantee of exclusive privilege, and accompanied by a duly certified copy of the original specification and drawings showing in red ink the proposed amendment, and by the deposit of the prescribed fee for payment to the Examiner to whom such application for amendment is referred.

24. *Amendment by Order of District Court.*—When a specification is amended by order of the court [section 24], an official or verified copy of the order shall be forwarded by the Judge to the Registrar.

25. *Petition for compulsory Grant of Licenses.*—A petition [section 27] to the Governor for an order to compel a grantee of exclusive privilege to grant licenses shall show clearly the nature of the petitioner's interest, and the ground or grounds upon which he claims to be entitled to relief, and shall state in detail the circumstances of the case, the terms on which he asks that an order be made, and the purport of such order.

26. *Communication to Examiner of Grant.*—Upon the grant of exclusive privilege to an inventor, a notification thereof will be sent by the Registrar to the Examiner.

27. *Communication to Examiner of failure to pay prescribed Fees.*—If a grantee of exclusive privilege fails to make any prescribed payment within the

prescribed time, or any enlargement thereof duly granted, such failure shall be notified to the Examiner by the Registrar.

28. *Refusal to grant Exclusive Privilege.*—No grant of exclusive privilege will be issued if the subject thereof be contrary to law or morality.

Sir,  
\_\_\_\_\_ hereby apply for extension of time for \_\_\_\_\_ month in which to leave  
a specification upon petition dated \_\_\_\_\_.  
The circumstances, in and grounds upon, which this extension is applied for are  
as follows :—(See Rule 22.)

\_\_\_\_\_, Sir,  
Your obedient Servant,

The Registrar. (To be signed by Applicant or  
Applicants or his or their Agents.)

THE following rules made by the Governor in Council, under the provisions of section 30 (6) of "The  
Patents Ordinance, 1906," are published for general information.

The rules shall come into force on the First day of January, 1906.

By His Excellency's command,

A. M. ASHMORE,  
Colonial Secretary.

Colonial Secretary's Office,  
Colombo, October 13, 1906.

RULES UNDER SECTION 30 (6).

1. *Communication of extension of grant to examiner.*—When an order has been made by the Governor in Executive Council under section 30 (5) for the extension of a grant of exclusive privilege, the same shall be communicated to the examiner by the registrar.
2. A patentee praying for an extension of patent shall, before presenting his petition under section 30 (1), advertise his intention to do so. Such advertisement shall be published once in the *Government Gazette* and three times in each of three local English newspapers.

THE following by-law made by the Municipal Council of Colombo, in terms of sections 4 and 5 (9).  
of Ordinance No. 8 of 1901, and confirmed by the Governor, with the advice of the Executive  
Council, is published in terms of sub-section 2 of section 6 of Ordinance No. 8 of 1901.

By His Excellency's command,

A. M. ASHMORE,  
Colonial Secretary.

Colonial Secretary's Office,  
Colombo, October 24, 1906.

BY-LAW REFERRED TO.

The Municipal Council may, from time to time, by notification in the *Ceylon Government Gazette* and such newspapers as the Chairman may determine, prohibit motor traffic on any street within the Municipality either wholly or during such hours as the Municipal Council may think fit, and any person who after such prohibition shall drive any motor car, motor lorry, or motor cycle on such street or during such hours shall be guilty of an offence, and be liable to pay a fine not exceeding Rs. 20.

The following woods will not be accepted:—Atamata, dadap, cacaoa, amba or mango, gedamba, loommalada, rookattana, durkaduwa, kaju, wal-kaduru, cotton, arubooda.

Tenders must be submitted in duplicate, the original being forwarded to the General Manager of the Railway and the duplicate direct to the Hon. the Auditor-General, both being required to be forwarded at the same time.

The tenders are to be made on forms which will be supplied upon personal application at the office of the General Manager, and no tender will be considered unless it is furnished on the recognized form.

A deposit of Rs. 20 will be required before any form of tender is issued; and should any person decline to enter into the contract and bond after he has tendered, or should he fail to furnish the required security, such deposit of Rs. 20 will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

Security in cash at the rate of Rs. 5 per 100 yards of firewood to be supplied will be required from each contractor.

The Government reserves to itself the right, without question, of rejecting any or all tenders, and is further not bound to accept the lowest tender.

The person whose tender is accepted by the Government will be required to bear the expenses of having the security bonds prepared for the due performance of the contract, which bonds will be subject to the approval of the Attorney-General, but may be drawn by the tenderers' own lawyers, the name or stamp of whom should be affixed to the document. Every alteration should bear the initials of the tenderers, and all tenders containing alterations not bearing the tenderers' initials will be treated as informal and rejected.

Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence, if called for.

G. P. GREENE,  
General Manager.

General Manager's Office,  
Colombo, October 24, 1906.

SEALED Tenders, marked on the envelopes "Tender for supply of ballast to the Railway at Galgamuwa for the year 1907," will be received up to 12 noon on Friday, November 30, 1906, from persons willing to contract for the supply of ballast, as follows.

2. The contractor shall supply all labour and materials necessary, exclusive of Stone Crusher and Engine, which will be supplied and worked by Government, who will also provide a narrow gauge siding and tip wagons for bringing stone from the working face to the side of the crusher.

3. The contractor shall take upon himself all risks, including theft, and shall be responsible for looking after all materials, tools, &c.

4. The ballast shall be composed of clean gneiss rock, broken so as to pass through a 1½-inch ring and shall be taken out of the quarry where pointed out by the Engineer and deposited in wagons, or stacked alongside the main line siding, as may be directed so as to be conveniently picked up by the ballast train.

5. In getting the ballast the contractor must remove all top dirt at the working face, and on no account must any dirt be mixed with the ballast.

6. The contractor must undertake to supply a minimum quantity of ballast amounting to 500 cubic yards per month, and he must be prepared to supply a further quantity of 200 cubic yards per month if asked to do so by the Engineer, who will give a fortnight's notice of his intention to remove the extra quantity.

7. The expression "Engineer" shall mean the Engineer of Way and Works, Ceylon Government Railway, or any representative authorized by him to superintend the work. Should it appear at any time to the Engineer that the contractor is not performing the work in a satisfactory manner, or is not using sufficient diligence in carrying on the work, the Engineer shall have the power to take possession of the whole of the works, and the contractor shall be held to have totally failed in his contract and shall forfeit the amount of his deposit to the General Manager of the Railway.

8. Payments shall be made to the contractor monthly by the General Manager for the quantity of ballast removed.

9. The contractor in sending in his tender shall state the price for cubic yard of ballast, which shall include everything required for carrying out the work, such as labour, tools, or powder required for blasting.

10. Tenders must be submitted in duplicate, the original being forwarded to the General Manager of the Railway and the duplicate direct to the Hon. the Auditor-General, both being required to be forwarded at the same time.

11. The tenders are to be made on forms which will be supplied upon personal application at the office of the General Manager, and no tender will be considered unless it is furnished on the recognized form.

12. A deposit of Rs. 25 will be required before any form of tender is issued; and should any person decline to enter into the contract and bond after he has tendered, or should he fail to furnish the required security, such deposit of Rs. 25 will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

13. The security required will be Rs. 100 in cash, and any further information required can be obtained at the office of the General Manager.

14. The Government reserves to itself the right, without question, of rejecting any or all tenders, and is further not bound to accept the lowest tender.

15. The person whose tender has been accepted by the Government will be required to bear the expenses of having the security bond prepared for the due performance of the contract, which bond will be subject to the approval of the Attorney-General, but may be drawn by the tenderers' own lawyers, the

name or stamp of whom should be affixed to the document.

16. Every alteration should bear the initials of the tenderer, and all tenders containing alterations not bearing the tenderers' initials will be treated as informal and rejected.

17. Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence, if called for.
