3. In the event of tenders being not satisfactory the Government Agent shall have the option of calling for fresh tenders or otherwise disposing of the rents in accordance with the Opium Ordinances.

The following are the conditions of sale.

Conditions subject to which Retail Licenses are issued.

1. The purchaser of a license to sell opium by retail shall, immediately on his being declared by the proper authority to be the purchaser, pay in cash one-third of his bid or tender, which sum shall be held by the proper authority as security, but cannot be used for payment of any of the instalments of the amount of the bid or tender, except those for the last four months. He shall pay the amount of the bid or tender, in twelve equal monthly instalments on the last day of every month during the currency of his rent, the first instalment to be paid on January 31, 1907, and shall pay interest at 9 per cent. per annum for every day for which an instalment is in arrear. The security money may be, at the request of the purchaser, placed in fixed deposit at any bank to be selected by him, and shall be at the risk of the purchaser. Should any instalment not be paid on the due date the proper authority may resell the license, or so much of the term thereof as may be unexpired, at the risk of the purchaser.
2. The store or premises hereby licensed must be fully described in the body of this license, which shall apply to the premises so described and nothing more.
3. The premises hereby licensed shall not have internal communication with any other buildings or premises.
4. The premises hereby licensed shall be kept clean and in good sanitary condition.
5. It shall be the duty of the person in charge of the premises hereby licensed to open them for inspection on the demand of any person appointed an Inspector by the proper authority in writing, or of any police officer not below the rank of Inspector. The person in charge shall also be bound to produce all books, documents, or accounts with reference to the receipt or disposal of opium which he has in his possession, and to weigh, if specially called on to do so in the presence of the Inspector or Police Officer, all opium in stock or on the premises at the time of the inspection; he shall also explain to the best of his ability any discrepancy that may be found to exist between the quantity of opium in stock and the quantity which, according to the books, ought to be in stock at the time of inspection.
6. No opium shall be consumed on the premises hereby licensed.
7. No opium kept on the premises hereby licensed shall be adulterated or deteriorated in any way.
8. No disorderly conduct shall be permitted on the premises hereby licensed.
9. No opium shall be delivered on the premises hereby licensed to any person who is under the influence of liquor or opium, or who is apparently under the age of fifteen years.
10. No opium shall be delivered on, or from, or received into, the premises hereby licensed between the hours of eight at night and six in the morning.

15. It shall be the duty of the licensee, before he receives his license, to submit to the proper authority a list giving the names of the persons whom he proposes to employ on the premises hereby licensed. Such statement shall contain the full name and description of each employé, and specify the nature of the work which

16. The licensee may from time to time apply to the proper authority to make such alterations as seem desirable in the list of persons employed; such alterations shall be endorsed on this license, and the licensee on receiving a notice from the proper authority to remove any person employed on the premises hereby licensed shall within one week of his receiving such notice produce this license to the proper authority so that the name of such employé may be erased from this license. Such person shall then be disqualified for employment in the premises hereby licensed.

Chairman.

Conditions subject to which Retail Licenses are issued.

1. The purchaser of a license to sell opium by retail shall, immediately on his being declared by the proper authority to be the purchaser, pay in cash one-third of his bid, which sum shall be held by the proper authority as security, but cannot be used for payment of any of the instalments of the amount of the bid, except those for the last four months. He shall pay the amount of the bid in twelve equal monthly instalments, on the last day of every month during the currency of his rent, the first instalment to be paid on January 31, and shall pay interest at 9 per cent. per annum for every day for which an instalment is in arrear. The security money may be, at the request of the purchaser, placed in fixed deposit at any bank to be selected by him, and shall be at the risk of the purchaser. Should any instalment not be paid on the due date the proper authority may resell the license, or so much of the term thereof as may be unexpired, at the risk of the purchaser.
2. The store or premises hereby licensed must be fully described in the body of this license, which shall apply to the premises so described and nothing more.
3. The premises hereby licensed shall not have internal communication with any other buildings or premises.
