#### SHARES (SURRENDER AND FORFEITURE).

41. *The Directors may accept surrender of shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. *If call or instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators or the trustee or assignee in his bankruptcy requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

*Times of notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

*In default of payment, shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments interest and expenses due in respect thereof be declared forfeited by a resolution of the Board to that effect.

*Shareholder still liable to pay money owing at time of forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

43. *Surrendered or forfeited shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be effected by any irregularity in the proceedings in reference to such forfeiture or sale.

*Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions, for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any or such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The net proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

49. *Certificate of sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that the power of sale given by clause 47 has risen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

50. *Transfer on sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

#### PREFERENCE SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

52. *Resolutions offering a particular class of shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### CALLS.

54. *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for the payment of each call.

*Calls, time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

*Extension of time for payment of call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payment in anticipation of calls at interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

#### BORROWING POWERS.

57. *Power to Borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of One hundred thousand Rupees (Rs. 100,000). With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any bonds, mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations, of the Company charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Secretary or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power unless it shall be proved that such creditor was aware that it was so granted.

58. *First General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

59. *Subsequent General Meeting.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

62. *Requisition of Shareholders to state object of meeting; on receipt of requisition Directors to call meetings, and in default Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. *Notice of resolution.*—Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64. *Seven days' notice of meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given either by advertisement in the *Ceylon Government Gazette*, or by notice sent by post, or otherwise served as hereinafter provided, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

65. *Business requiring and not requiring notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

66. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

71. *Chairman with consent may adjourn meeting.*—The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

72. *Minutes of General Meetings.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

73. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy or by attorney duly appointed, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder and proxy and attorney; and unless a poll be immediately demanded in writing by at least three members present in person and not by proxy or by attorney at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

75. *Poll how taken.*—If at any meeting a poll be demanded, by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such a manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

9. Memorial from residents of Getambe praying for removal of Police Station from beyond the Peradeniya Bridge to a point between the 69th and 70th mile stone on the Peradeniya road.

Mr. Wijegoonewardene asked if he would be in order in bringing forward a motion on the subject.

The Chairman replied he would be out of order, as no notice of the motion had been given, which it was understood at the last Meeting would be done.

The Chairman explained that the locating of the Police was solely within the province of the Inspector-General of Police, with the advice of the Government Agent, Central Province, but that any representation would receive attention. He believed that some further change was imminent, and that the force at Peradeniya would be removed altogether.

Mr. Wijegoonewardene mentioned that he would bring forward a motion at the next Meeting if he thought it was necessary.

10. Read letter dated July 27, from the Secretary to the Planters' Association of Ceylon, asking if the Council would give a site for the Ceylon Contingent Memorial Statute on the Victoria Esplanade, between the Queen's Hotel and the Temple.

Proposed by the Chairman, and seconded by Mr. Wijegoonewardene—That the Western end of the Esplanade between Trincomalee street and Pavilion street be offered, subject to the approval of His Excellency the Governor.

Mr. Beven suggested the end of Trincomalee street near the "refuge," and he proposed that the actual question of the site be deferred till further information be obtained as to whether there was sufficient space available for the purpose at the end of Trincomalee street.

This was seconded by Mr. Tomalin.

After some discussion the Chairman withdrew his motion in favour of the following resolution which was moved by Mr. Tomalin, and seconded by Mr. Wijegoonewardene.

That a Special Committee be appointed to select one of the two sites suggested, viz.:—

No. 1.—The Esplanade (Western end.)

No. 2.—The Southern end of Trincomalee street, and that the Members of the Committee be the Chairman, Mr. Beven, Mr. Gibbon, and Mr. Tomalin.

On being put to the Meeting this was carried.

11. Submitted correspondence with Mr. D. M. Dias respecting the fixing of a meter on the house service pipes in No. 404, Trincomalee street, which is a boarding and eating house, as authorized by the Council at the Meeting held on June 16 (minute 9), on report made by the Inspector of the district to the effect:—

That water was used therein by other than members of the household for other than domestic purposes, and was unduly consumed.

After some discussion it was proposed by Mr. Tomalin, seconded by the Chairman—That the Council was not prepared to reopen the matter.

On calling for a show of hands there were seven in favour of the motion, and the motion was declared carried.

12. The Chairman submitted Supplemental Budget No. 2 which had been approved of by the Standing Committee, and been printed and circulated among the Members.

Proposed by the Chairman, and seconded by Mr. Gibbon—That the Budget be adopted—(Appendix A). This was agreed to.

(c) Letter No. 10,177 of August 22, from the Superintendent of Police, Central Province, on the subject of procuring a fire engine and appliances for the Kandy town.

That the connected papers be circulated as well.—This was agreed to.

5. Although no previous notice had been given, Mr. Beven moved, with the permission of the Chairman, "That this Meeting desires to place on record its appreciation of the services to the Council of Colonel Byrde as Secretary and Superintendent of Works for over 30 years."

This was seconded by Mr. Gibbon, and on being put to the Meeting by the Chairman, who testified to the ability and devotion with which Colonel Byrde had served the Council during a period of about one-third of a century, it was carried unanimously.

6. Read the following recommendations by Standing Committees :—

(a) "Law and General Subjects."

That the Toll Renter, Katugastota, be allowed a remission of one-half of the instalment due by him for the month, *viz.*, Rs. 475.33 to cover all probable losses during the period the Ping-oya bridge was closed to traffic.

Mr. Beven proposed that the recommendation be adopted; and it was seconded by Mr. Wijegoonewardene.

Mr. Tomalin suggested that Government be asked to see that the Municipal Council did not suffer any loss through such remission being allowed.

After some remarks by Mr. Gibbon the recommendation was adopted.

(c) "Finance and Assessment."

(1) That Nassoor be allowed a gratuity of Rs. 223.25.

(2) That A. Bakim who has had an average daily pay of Rs. 1.44 be granted a gratuity under rule 3 of Rs. 411.84.

(3) That Maricar Pulle, Mason, who had an average daily pay of Re. 1.25 be granted a gratuity under rule 3 of Rs. 357.50.

Mr. Tomalin wished to know if there was definite information as to whether the several applicants for gratuities had served the Council continuously for the period necessary to be entitled to such consideration, and on the assurance of the late Secretary, that all the applicants were duly qualified in point of service, it was resolved that the gratuities be paid.

7. The Chairman proposed, in accordance with report of the Special Committee appointed to select a site for the Contingent Memorial,—

That the western end of the esplanade between Trincomalee street and Pavilion street be offered subject to the approval of Government for the War Memorial.

Mr. Tomalin explained that he had found on inspection that the alternative site suggested by Mr. Beven would entail heavy expense on the Council owing to the necessity which it would involve of widening the road.

Mr. Gibbon supported the Chairman, and it was unanimously agreed to grant the site proposed by the Chairman.

Confirmed this 20th day of October, 1906;

J. P. LEWIS,  
Chairman, Municipal Council

#### Health Officer's Report for August, 1906.

*Scavenging.*—The scavenging of the town was satisfactorily carried out during the month.

*Drainage.*—The surface drains were regularly cleared and the deep drains periodically flushed.

*Water supply.*—Good.—*Vide* my analysis of August 13, 1906.

*Alleys.*—The alleys of Kandy remain in much the same unsatisfactory condition ; they have been kept as clean as such places, with such inhabitants, can be. I would again urge their reconstruction on sanitary principles.

*Laundries.*—Generally well kept.

*Dairies.*—The known ones all fairly well kept, but it is the unknown ones. One fears. The small vendors of milk who bring their one or two bottles in from it is impossible to say where. This could and should be stopped under the present laws.—*Vide* my letter and suggestions of November, 1904.

*Bakeries.*—All well kept.

*Market.*—Well kept ; all food stuffs exposed for sale were examined by me and found good.

*Cattle passed during the month.*—Cattle, 531 ; buffaloes, 115 ; sheep, 126 ; goats, 217.

*Slaughter-house and exposing shed.*—Well kept.

*Cooly lines.*—Fairly well kept.

*Night soil depot.*—I have frequently inspected this depot and have always found it well kept.

*Latrines.*—Generally well kept.

*General health.*—Good. A few cases of mumps and five cases of enteric fever were reported, three from the General Hospital and two in the town. Every precaution was taken to prevent any spread of the disease.

BENGAL.—No. 412.

*Australia, South Coast—Gulf of St. Vincent—Port Adelaide river—Additional new beacons placed—Amended sailing directions.*

The President, Marine Board, Port Adelaide, has given notice (No. 18 of 1906) that in accordance with previous notices, eight extra beacons have been placed on the north and east side of the cutting. The beacons are painted black, and the lanterns green, from which a green light showing towards the cutting is exhibited; a white light is also exhibited from the back of each lantern showing towards the shore.

All the green light beacons are numbered from the first or seaward beacon with the letter "G" added, as follows:—No. 0G being outside beacon; No. 1G, near the reflecting beacon; No. 2G, opposite the old boat channel. This light indicates the turning point from No. 2 (red) lead towards No. 3. All the others, that is Nos. 3 G to 9G, both inclusive, are placed opposite the corresponding numbers of the white light beacons on the other side of the cutting.

All the single light beacons are placed about 15 feet back from the cutting, and painted red to starboard and black to port. The lights are white to starboard and green to port from seaward.

The red light on the pile beacon south of No. 3 being no longer required has been discontinued.

In consequence of the above alterations the sailing directions have been amended to read as follows:—

*Sailing directions.*

*By Night.*—In approaching the anchorage, vessels of deep draught should not bring the white light on the old structure to bear north of N.E. by E. in order to avoid the four-fathom patch, which bears N.W. half N. from the light on Wonga Shoal; then get No. 1 lead

(which consists of two red lights vertical 10 feet apart, and two white lights vertical 11 feet 9 inches apart) in line; keep these in line passing between the occulting light on the red buoy and the outer green light on the north bank, also between the other green lights on the north bank and the white lights on the revetment mound.

Steer on the same line until the two red lights of No. 2 lead are coming on; then steer with them in line until abreast of No. 2G beacon; then direct the course to pass between No. 3 and No. 3G beacons; and so on from beacon to beacon round the point until No. 9 is reached. From a safe distance off No. 9 the lights of No. 10 lead will be seen; keep them in line until the red light is about a quarter of a point open to the right of the white light of No. 11 lead; then gradually alter the course to bring the lights of No. 11 lead in line; keep them in line (a sharp look-out being kept for the mooring buoys on the starboard hand) until the lights of No. 12 lead are seen coming into line; proceed as before by altering the course before the lights are on with each other. The same applies in the change from No. 12 to No. 13 lead. When the lights on the wharves are seen opening out off Luff Point, alter the course so as to round the point at a safe distance, and then up the centre of the channel, looking out for the mooring buoys on the starboard hand.

In going outwards the directions are just the opposite to those given for coming inwards; but in such case, in changing from one lead to another, the course should be gradually altered when abreast of the low (red) beacon of each lead, except No. 2 lead. In this case, when abreast of No. 3 beacon, gradually alter the course to a safe distance off No. 2G until the two red lights of No. 2 lead are in line, then proceed outwards with No. 2 lead in line.

*By Day.*—The directions by day are the same as by night, merely substituting the beacons for the lights.

This affects Admiralty Charts 2,389A and B, 1,750 and 1,752.

During the progress of the work at the Light's Passage Harbour Works, masters of vessels exempt from pilotage may, if they so desire, avail themselves of the services of a pilot to assist them in passing such works, either in or out, at one-half the usual rates.

If the usual exemption flag is not hoisted it will be taken as a signal that a pilot is required. At night if a pilot is required the usual signal for a pilot should be shown.

*N.B.*—Owing to the nature of the work in progress, this notice may require to be amended from time to time, and therefore should be treated as tentative only.
