43. *Surrendered or forfeited shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any or such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The net proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

49. *Certificate of sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that the power of sale given by clause 47 has risen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

50. *Transfer on sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

PREFERENCE SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

52. *Resolutions affecting a particular class of shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

CALLS.

54. *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for the payment of each call.

Calls, time when made.—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

Extension of time for payment of call.—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payment in anticipation of calls at interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

BORROWING POWERS.

57. *Power to Borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of One hundred thousand Rupees (Rs. 100,000). With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any bonds, mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations, of the Company charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Secretary or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power unless it shall be proved that such creditor was aware that it was so granted.

58. *First General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

59. *Subsequent General Meeting.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. 65. *Business requiring and not requiring notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

66. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.
