The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Vehicles Ordinance, 1901."

Preamble.

WHEREAS it is expedient to amend in certain particulars "The Vehicles Ordinance, 1901" (hereinafter referred to as "the principal Ordinance"): Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Vehicles (Amendment) Ordinance, 1901," and this Ordinance, the principal Ordinance, and Ordinance No. 1 of 1902, intituled "An Ordinance to amend 'The Vehicles Ordinance, 1901,'" shall be read and construed as one Ordinance.

Substitution of new section with regard to numbering vehicles.

2 For section 11 of the principal Ordinance the following section shall be substituted:

11. At the time when any vehicle shall be licensed the proper authority shall see that a number corresponding to that under which such vehicle is entered in the register is painted, branded, stamped, or cut, as he shall consider best, on some conspicuous part thereof, or shall cause such number to be so painted, branded, stamped, or cut, and shall thereafter issue to the applicant the license aforesaid.

The proper authority shall also, on the deposit with him by the applicant of a sum of one rupee, issue to him a plate to be fixed upon the vehicle as hereinafter provided. The

plate shall have legibly painted or marked on it a number corresponding with the number mentioned in the license of the vehicle; and the year in which the license is granted shall be indicated on the plate by means of figures, letters, or colours.

The plate shall be fixed upon the vehicle in such manner that the year, if indicated by letters or figures, and the number shall be at all times plainly and distinctly visible.

In the case of carts, the plate shall be fixed on the off or right side of the frame opposite to and within the circumference of the wheel and in front of the axle. The plate shall be kept and continued so fixed during the continuance of the license; and the proprietor of the vehicle shall, at the expiration of the period for which the license has been granted, return the plate to the office from which he received it. On such return, if the plate be found to be in good order and condition, the deposit aforesaid shall be returned to the proprietor, or a new plate for a fresh period, if necessary, issued to him free of cost. When any plate has become indistinct or defaced by use or otherwise, the proprietor shall return the same to the proper authority, and shall be entitled, on making a further deposit as aforesaid, to receive a fresh plate. Any proprietor who fails to return as aforesaid any plate which has become indistinct or defaced shall be guilty of an offence, and shall be liable to the punishment prescribed by section 42 of this Ordinance.
