An Ordinance to simplify the Form of Grants of Crown Lands.

Preamble. **W**HEREAS it is expedient to simplify the form of Crown grants: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title. 1 This Ordinance may be cited as "The Crown Grants Ordinance, 190 ."

Interpretation. 2 In this Ordinance the expression "grantee," unless such interpretation is excluded by or repugnant to the context, includes the heirs, executors, administrators, and assigns of the grantee, and all persons claiming by, through, under, or in trust for the grantee, and where the grantee is a company, the said expression includes the successors and assigns of the grantee.

Form of statutory Crown grant. 3 Every grant of Crown land issued under this Ordinance shall be in the form or to the effect of the form in the schedule hereto, and shall be executed in the manner provided by Ordinance No. 11 of 1884 and the Ordinances amending that enactment.

Conditions
implied in
statutory
Crown grants.

4 In every grant of land by the Crown there shall by virtue of this Ordinance be implied, in the absence of an express provision to the contrary, the following covenants, agreements, and conditions in respect of the land comprised therein, that is to say :

- (1) That the land shall be liable to such regulations as now exist or may hereafter be enacted in relation to landed property in general.
- (2) That the grantee shall maintain in substantial repair all landmarks by which the boundaries of the land are defined.
- (3) That earth, clay, gravel, sand, stone, and other materials which may at any time be required for roads, railways, public buildings, or other purposes may be taken and removed by or on behalf of the Crown from the land without compensation, save for actual damage done to growing crops, roads, paths, fruit trees, or buildings, and it shall be lawful for the Government Agent of the province in which the land or a portion thereof is situate, or any public officer authorized by him in writing, to enter into or upon the land at all reasonable hours in the day-time to take and remove the materials aforesaid and to assess such damage as aforesaid, and the decision of the Government Agent or public officer duly authorized as aforesaid as to the amount of compensation payable shall be final and binding on all persons concerned.
- (4) That the grantee shall not have any right or title to the mines, minerals, precious stones, gold, silver, copper, iron, tin, lead, or other metals, or the ore thereof, or mineral oil, or coal, shale, or other deposit or formation from which mineral oil may be obtained, but the same shall be reserved to the Crown and be its property, and the Government Agent of the province within which the land or any portion thereof is situate, or any public officer authorized thereto by him in writing, shall have power to enter into or upon such land and to execute or cause to be executed therein such works as may be necessary to secure to the Crown and remove for that purpose the metals, minerals, precious stones, and other materials and things herein specified.
- (5) That it shall not be lawful for the grantee to prospect, dig, or mine for, or recover any of the minerals, metals, stones, mineral oil, or other things aforesaid that may be discovered on the land, save and except by right of any grant or license expressly obtained for the purpose, and then only subject to the royalties, terms, and conditions in such grant or license contained.
- (6) That it shall be lawful for the Governor of Ceylon or any person acting in that behalf by his authority to resume and enter into possession of any portion or portions of the said land that may be declared by the Governor, whose decision shall be final, to be required for any road, railway, public building, or drainage work, or for any scheme for supplying the public with water or light, or for any other public purpose without paying compensation therefor, save and except as hereinafter provided, namely, the grantee shall be entitled to receive for the portions so resumed a proportionate part of the sum paid by way of consideration for the whole land, and in addition thereto shall be entitled to recover by way of compensation such sum as may be assessed by the Director of Public Works for the time being, whose decision shall be final, to be the value of any improvements which have been effected to the land.

Penalty. 5 Any person acting anywise in contravention of the covenants, agreements, and conditions mentioned in this Ordinance, or resisting or obstructing any public officer in the exercise of his rights and powers hereunder, shall be guilty of an offence, and be liable to a fine not exceeding one hundred rupees, or to imprisonment, simple or rigorous, for a term extending to six months, or to both.
