Provided also that the Directors may at their discretion allot any shares in payment
for any estates or lands or other property purchased or acquired by the Company, or as

such shares to the registered Shareholders for the time being of the Company.

- (c) That after Article 2 the following Articles shall be inserted under the heading "Capital" :—

CAPITAL.

2 A. *Arrangement on issue of shares.*—The Company may call up the balance capital
whenever the Directors shall think fit, and may make arrangements on the issue of shares for a difference
between the holders of such shares in the amount of calls to be paid, and the time of payment of such
calls.

2 B. *Payment of amount of shares by instalments.*—If by the conditions of allotment of
any share the whole or part of the amount thereof shall be payable by instalments, every such instalment

special resolution reduce the capital as such special resolution shall direct, and may by special resolution
subdivide or consolidate the shares of the Company or any of them.

2 D. *New shares.*—The new shares shall be issued upon such terms and conditions, and

may be issued with a preferential or qualified right to the dividends and in the distribution of assets of
the Company, and with a special or without any right of voting.

2 E. *How carried into effect.*—Subject to any direction to the contrary that may be given by
the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in
proportion to the existing shares held by them, and such offer shall be made by notice specifying the
number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not
accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an
intimation from the Shareholder to whom such notice is given that he declines to accept the shares
offered, the same shall be disposed of in such manner as the Directors may determine. Provided that
the Directors may, at their discretion, allot such new shares or any portion of them in payment for any
estates or lands or other property purchased or acquired by the Company, or as remuneration for work
done for or services rendered to the Company, without first offering such shares to the registered Share-
holders for the time being of the Company.

2 F. *Same as original capital.*—Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the provisions herein contained with reference to the payments of calls and instalments, transfer and transmission, forfeiture, lien, surrender, and otherwise.

And the following Articles shall be inserted under the heading "Shares" :—

SHARES.

2 I. *One of joint-holders other than a firm may give receipts ; only one of joint-holders resident in Ceylon entitled to vote.*—Any one of the joint-holders of a share other than a firm may give effectual receipts for any dividends payable in respect of such share ; but only one of such joint Shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares shall vote or give proxies and exercise those rights and powers ; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

2 J. *Survivor or joint-holder, other than a firm, only recognized.*—In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

2 L. *Company not bound to recognize any interest in share other than that of registered holder or of any person under clause 14.*—The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 14 to become a Shareholder in respect of any share.

(d) That after Article 23 the following Articles shall be inserted under the heading "Preference Shares" :—

PREFERENCE SHARES.

23 A. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

23 B. *Resolutions affecting a particular class of shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority or of any accrued dividend, or the reduction for any time or permanently of the dividends, payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares ; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

23 C. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

Should such resolution be duly confirmed the following resolution will be proposed at the same meeting, and if passed by the requisite majority will be submitted for confirmation as a special resolution to a subsequent Extraordinary General Meeting which will be subsequently convened, viz. :—

That the capital of the Company be increased from Rs. 500,000 divided into 1,000 shares of Rs. 500 each to Rs. 1,000,000 divided into 2,000 shares of Rs. 500 each by the creation of 1,000 new shares of Rs. 500 each, of which—

(a) 700 shares will be ordinary shares of Rs. 500 each ranking for dividend, and in all other respects *pari passu* with the existing ordinary shares in the Company.

(b) 300 shares will be called preference shares, and the rights, privileges, and conditions following will be attached to such preference shares, that is to say :—

1. The said preference shares shall confer on the holders thereof the right to a fixed cumulative preferential dividend at the rate of 6 per centum per annum on the capital for the time being paid up on such shares.

2. The said preference shares shall rank in a winding up both as regards capital and dividend up to the commencement of the winding up, whether declared or not in priority to the other shares in the capital of the Company, but will not confer any further right to participate in profits or surplus assets.

3. The said preference shares shall confer on the holders thereof the same right of voting at any General Meeting of the Company, and shall qualify any holder thereof to be a Director in the same way as the ordinary shares of the Company.

Should the last-mentioned resolution be passed by the required majority it will be submitted for confirmation as a special resolution to a second Extraordinary General Meeting which will be subsequently convened. The meeting will also be asked to give directions as to the proportions in which Shareholders registered at the time of issue shall be entitled to take up shares in the new issue.
