Provided that before issuing such certificate the medical practitioner shall view the body and make due inquiry as to the cause of death.</p>

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to permit the Conditional Release of First Offenders in certain cases.

Preamble.

WHEREAS it is expedient to make provision for cases where the reformation of persons convicted of first offences may, by reason of the offenders' youth or the trivial nature of the offence, be brought about without imprisonment: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:—

Power to court to release upon probation of good conduct instead of sentencing to imprisonment.

1 (1) In any case in which a person is convicted of any offence punishable with not more than years' imprisonment before any court, and no previous conviction is proved against him, if it appears to the court before whom he is so convicted that, regard being had to the youth or to the character and antecedents of the offender, or to the trivial nature of the offence, or to any extenuating circumstances under which the offence was committed, it is expedient that the offender be released on probation of good conduct, the court may, instead of sentencing him at once to any punishment, direct that he be released on his entering into a recognizance, with or without sureties, and during such period as the court may direct, to appear and receive judgment when called upon, and in the meantime to keep the peace and be of good behaviour.

(2) The court may, if it thinks fit, direct that the offender shall pay to the complainant such compensation, or to the Crown by way of Crown costs such a sum of money, as the

court shall think fit, and the compensation or sum of money so awarded, or some portion of the same, shall be payable within such period and by such instalments as may be directed by the court.

Provision in case of offender failing to observe conditions of his recognizances.

2 (1) If a court having power to deal with the offender in respect of his original offence, or any police court, is satisfied by information on oath that the offender has failed to observe any of the conditions of his recognizance, it may issue a warrant for his apprehension.

(2) An offender, when apprehended on any such warrant, shall, if not brought forthwith before the court having power to sentence him, be brought before a police court, and that court may either remand him by warrant until the time at which he was required by his recognizance to appear for judgment, or until the sitting of a court having power to deal with his original offence, or may admit him to bail with a sufficient surety conditional on his appearing for judgment.

(3) Where the offender is remanded the court shall forthwith cause a warrant of commitment to be made out and signed, addressed to the fiscal or deputy fiscal for the district in which the court is situated, and the offender, together with the warrant, shall forthwith be forwarded to the prison of the district in which the court remanding him is situated, or of the district where he is bound to appear for judgment, and the warrant of remand shall order that he be brought before the court before which he was bound to appear for judgment or to answer as to his conduct since his release.

Conditions as to the abode of the offender.

3 The court before directing the release of an offender under this Ordinance shall be satisfied that the offender or his surety has a fixed place of abode or regular occupation in the division or district over which the court has jurisdiction or in which the offender is likely to live during the period named for the observance of the condition.

Definition of "court."

4 In this Ordinance the term "court" includes a police court.

Short title.

5 This Ordinance may be cited as "The Probation of First Offenders' Ordinance, 189 ."

MUNICIPAL COUNCIL NOTICES.

MUNICIPALTY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Friday, June 12, 1891.

The Council met this day at 3 P.M. pursuant to notice dated June 6, 1891.

Present :—Mr. H. H. Cameron, Mayor and Chairman ; Hon. J. J. Grinlinton ; Dr. W. R. Kynsey, c.m.g. ; Mr. F. R. Ellis ; Mr. J. S. Driberg ; Captain F. Bayley ; Mr. E. Walker ; Hon. A. de A. Seneviratne ; Mr. Charles Perera ; Mr. H. VanCuylenburg ; Mr. P. Coomaraswamy ; Mr. C. P. Dias ; Mr. Walter Pereira ; Mr. D. F. Brown ; and Mr. R. H. Morgan.

The Minutes of May 8 and June 5, 1891, having been printed, and a copy sent to each member of the Council, were taken as read.

Resolved,—That the minutes be confirmed.

The Hon. A. de A. Seneviratna presented a petition from the residents of Fishers' Hill asking that a footpath formerly in use by the side of Rock House, extending from the fish mart to the main road, be repaired.

He then moved that the petition be read.

Mr. Coomaraswamy seconded.—Carried.

The Secretary having read the petition, it was resolved that the Superintendent of Works be asked to report, before the next meeting of Council, as to the advisability of repairing the path in question.

1. Mr. C. P. Dias moved "that having regard to the Sanitary Officer's report for the last quarter of 1890, the Council do recommend to Government compulsory house to house vaccination and re-vaccination at stated periods."

Mr. Walter Pereira seconded.

Dr. Kynsey moved that the Council do go into Committee to consider this question, and at the same time take up the consideration of item 9 (letters from the Sanitary Officer on the subject of smallpox) and item 14 (the Sanitary Officer's report for the 1st quarter of 1891).

The Chairman seconded.—Carried.

The Council desired to know why the Sanitary Officer had wasted his time in the manner mentioned in paragraph 5 of his report without bringing the fact to the notice of the Chairman and applying for relief.

It was resolved that the Colonial Surgeon and the Sanitary Officer should be requested to submit a joint report in respect of a suitable house in each ward for the purpose of isolation of the patients.

With reference to paragraph 21, it was resolved that the thanks of the Council be conveyed, through the Principal Civil Medical Officer, to Dr. Vanderstraaten, Dr. Driberg, and Mr. Roberts for their services in the epidemic.

It was resolved, on the recommendation of the Chairman, that the Government should be requested to add the words "or Officer acting for the Colonial Surgeon" to the present regulations under section 10 of Ordinance 8 of 1866.

Mr. Walker moved that the Principal Civil Medical Officer be asked to give his opinion as to the causes of the outbreak of smallpox and the best means to be adopted to check such outbreaks in future.

Dr. Kynsey having kindly consented to do this, Mr. Dias withdrew his motion.

The Council then resumed its sitting.

2. Pursuant to notice Mr. Dias moved "that with reference to the petition from the residents of Kehelwatta and its neighbourhood, the Superintendent of Works be requested to submit, at the next Meeting of Council, an estimate of the probable cost of the improvements suggested by the Sanitary Officer in his report of April 10, and that immediate steps be taken to remove the specific nuisances complained of in that petition."

Mr. Driberg seconded.

Mr. Dias moved that the petition in question be first read.

Mr. Morgan seconded.—Carried.

The Secretary then read the petition. The Chairman suggested that the Council do await the financial result of the projected improvements at Korteboam street, after which the Council might acquire the whole of the land at Kehelwatta and effect a complete improvement of the whole locality, instead of such merely partial treatment as might be at present practicable.

Mr. Morgan moved the adjournment of the meeting.

Mr. Charles Perera seconded.—Carried.

It was resolved that the further consideration of Mr. Dias' motion do stand over till the next meeting.

The Meeting then adjourned to Tuesday, the 16 instant, at 3 P.M.

Confirmed on July 10, 1891.

1. THE regulations contained in table C. in the schedule annexed to "The Joint Stock Companies Ordinance, 1861," shall not apply to this Company, which shall be governed by the regulations contained in these articles, but subject to repeal, addition, or alteration by special resolutions. The Company may by special resolution alter or make provisions instead of or in addition to any of the regulations of the Company, wither contained or comprised in these articles or not.

2. The Company shall forthwith after its incorporation purchase: (1) All that Estate called Eila, situated in the Kelani Valley, and containing in extent Seven hundred and fifty acres (750 acres) or thereabouts. (2) All that Estate called Morton, also situate in the Kelani Valley, and containing in extent one hundred and ninety-eight acres (198 acres) or thereabouts, for the sum of Rupees One hundred and eighty-three thousand and eight hundred (Rs. 183,800), the vendors paying all expenditure on the estates, and receiving all crops and produce gathered therefrom up to the thirty-first day of May, 1891. The vendors agree to receive 1,838 fully paid up shares in the Company in payment of the purchase money.

SHARES.

3. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company from time to time directs.

4. A sum of Rupees twenty-five shall be paid on allotment of each share, and the Directors may from time to time make such calls upon the Shareholders in respect of all moneys unpaid on their shares as the Directors think fit. Provided that twenty-one days' notice at least is given of each call; and each Shareholder shall be liable to pay the amount of calls so made to the persons and at the time and place appointed by the Directors. A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.

5. If before or on the day appointed for payment any Shareholder does not pay the amount of any call to which he is liable, then such Shareholder shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of the actual payment.

6. The Directors may, if they think fit, receive from any of the Shareholders willing to advance the same all or any part of the moneys due upon their respective shares beyond the sums actually called up, and upon the moneys so paid in advance or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which such advance has been made, the Company shall pay interest at such rate as the Shareholders paying such sum in advance and the Directors agree upon. The shares, except where otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they may consider proper. Provided that such unissued shares shall first be offered by the Directors to the registered Shareholders for the time being of the Company as nearly as possible in proportion to the shares already held by them, and such shares as shall not be accepted by the Shareholder or Shareholders, to whom the share shall have been offered within the time specified in that behalf by the Directors, may be disposed of by the Directors in such manner as they think most beneficial to the Company.

7. If several persons are joint holders of any shares, any one of such persons may give effectual receipt for the dividend payable in respect of such share.

8. Every Shareholder shall on payment of Fifty cents be entitled to a certificate under the common seal of the Company specifying the share or shares held by him, and the amount paid thereon.

9. If such certificate is worn out or lost, it may be renewed on payment of Fifty cents.

10. The Company may decline to register any transfer of shares made by a Shareholder who is indebted to them.

11. The fee payable to the Company for the registration of a transfer shall be Three Rupees.

12. The transfer books shall be closed during the fourteen days immediately preceding the Ordinary General Meeting in each year.

13. Subject to the restriction of these articles, any Shareholder may transfer all or any of his shares by instrument in writing. The Directors may decline to register any transfer whatever, and shall not be required to assign any reason for so declining. In the event of the Directors declining to register a transfer, the Shareholders desirous of executing the same, or the Directors, may convene an Extraordinary General Meeting of the Company to resolve whether the said transfer shall be registered or not, and the resolution of such General Meeting shall be absolute.

TRANSMISSION OF SHARES.

14. The executors or administrators or heirs of a deceased Shareholder shall be the only persons recognised by the Company as having any title to his share.

15. Any person becoming entitled to a share in consequence of the death, bankruptcy, or insolvency of any Shareholder, or in consequence of the marriage of any female Shareholder, or in any way other than by transfer, may be registered as a Shareholder upon such evidence being produced as may from time to time be required by the Directors.

16. Any person who has become entitled to a share in any way other than by transfer may, instead of being registered himself, elect to have some person to be named by him registered as a holder or such share.

17. The person so becoming entitled shall testify such election by executing to his nominee a transfer of such share.

18. The instrument of transfer shall be presented to the Company accompanied with such evidence as the Directors may require to prove the title of the transferor, and thereupon the Company shall register the transferee as a Shareholder.

Provided always that the Directors shall have the right at all times to decline to register such person as aforesaid, and shall not be required to assign any reason for so declining. In the event of the Directors declining to register such person as a holder of such share, they shall upon the request of such person convene an Extraordinary General Meeting of the Company to resolve whether such transfer shall be registered or not, and the resolution of such meeting shall be absolute.

FORFEITURE OF SHARES.

19. If any Shareholder fails to pay any call on the appointed day, the Company may at any time thereafter, during such time as the call remains unpaid, serve a notice on him requiring him to pay such call, together with any interest that may have accrued by reason of such non-payment.

20. The notice shall name a further day and a place or places, being a place or places at which calls of the Company are usually made payable on and at which such call is to be paid. It shall also state that in the event of non-payment at the time and place appointed, the shares in respect of which such call was made will be liable to be forfeited.

21. If the requisitions of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may be forfeited by a resolution of the Directors to that effect.

22. Any share so forfeited shall be deemed to be the property of the Company, and may be disposed of in such manner as the Directors think fit.

23. Any Shareholder whose shares have been forfeited shall, notwithstanding, be liable to pay to the Company all calls owing upon such shares at the time of the forfeiture.

24. The Directors may with the sanction of a special resolution of the Company in General Meeting increase its capital by the creation of new shares, of such amounts per share, and in the aggregate as such resolution shall direct. All new shares shall be offered by the Directors to the registered Shareholders for the time being of the Company as nearly as possible in proportion to the existing shares held by them, and such shares as shall not be accepted by the Shareholder or Shareholders to whom the same shall have been offered within the time specified in that behalf by the Directors, may be disposed of by the Directors in such manner as they think most beneficial to the Company. The Directors shall have power to add to such new shares such an amount of premium as they may consider proper.

25. Any capital raised by the creation of new shares shall be considered as part of the original capital, and shall be subject to the same provisions in all respects whether with reference to the payment of calls or the forfeiture of shares on non-payment of calls or otherwise as if it had been part of the original capital.

BORROWING.

26. The Directors shall have power to borrow money for the purposes of the Company, and for this purpose to grant bonds, promissory notes, bills, debentures, interest, warrant bonds for cash credit, trust deed or other documents, to issue letters of credit and to grant mortgages or other deed or deeds of security over all or any of the Company's lands, property, estate, and assets, but so that the sum so to be borrowed shall not at any one time exceed the amount of the unpaid subscribed capital for the time being. Provided that nothing herein contained shall be held to prevent the Directors procuring from time to time in the usual course of business such temporary advances on the produce of the estates as they may find it to be necessary or expedient for the purpose of defraying the expenses of working the said estates.

Provided also that before the Directors execute any mortgage or issue any debentures, they shall obtain the sanction of the Company in General Meeting, whether Ordinary or Extraordinary. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article, and subscribed by two or more of the Directors to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its Directors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

GENERAL MEETING.

27. The first General Meeting shall be held at such time, not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

28. Subsequent General Meetings may be held at such time and place as may be prescribed by the Company in General Meeting, and if not so prescribed, then at such place and at such time as soon after the first day of February in each year as the Directors shall determine.

29. The above-named General Meetings shall be called Ordinary Meetings; all other General Meetings shall be called Extraordinary.

30. The Directors may, whenever they think fit, and they shall upon a requisition made in writing by not less than one-fifth in number of the Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding not less than one-fifth part of the shares of the Company for the time being subscribed for, convene an Extraordinary General Meeting.

31. Any requisition so made by the Shareholder or Shareholders shall express the object of the meeting proposed to be called, and shall be left at the Registered Office of the Company.

32. 42. If a poll is demanded in manner aforesaid, the same shall be taken in such manner as the Chairman directs, and the result of such poll shall be deemed to be the resolution of the Company in General Meeting.

ROTATION OF DIRECTORS.

68. Any casual vacancy in the Board of Directors may be filled up by the Directors, but any person so chosen shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

PROCEEDINGS OF DIRECTORS.

69. The Directors may meet together for the despatch of business, adjourn and otherwise regulate their meetings, as they think fit, and determine the quorum necessary for the transaction of business. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes, the Chairman, in addition to his original vote, shall have a casting vote. A Director may at any time summon a meeting of the Directors.

71. All acts done by any meeting of the Directors, or by any person acting as a Director, shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Directors or persons acting as aforesaid on that day, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

72. The Directors shall cause Minutes to be made in a book or books provided for and used solely for that purpose—(1) Of all appointments of officers made by the Directors; (2) Of the names of Directors present at each meeting of Directors; (3) Of all orders made by the Directors; and (4) Of all resolutions and proceedings of meetings of the Company and of the Directors.

76. No dividends shall be payable except out of the profits arising from the business of the Company, and with the sanction of the Directors.

77. The Directors may, before recommending any dividend, set aside out of the profits of the Company such sum as they think proper as a reserve fund to meet contingencies, or for equalising dividends, or for repairing or maintaining the works connected with the business of the Company or any part thereof, and the Directors may invest the sum so set apart as a reserve fund upon such securities as they, with the sanction of the Company, may select.

78. The Directors may deduct from the dividends payable to any Shareholder all such sums of money as may be due from him to the Company on account of calls or otherwise.

79. Notice of any dividend that may have been declared shall be given to each Shareholder, or sent by post or otherwise to his registered place of abode, and all dividends unclaimed for three years after having been declared may be forfeited by the Directors for the benefit of the Company.

Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting; and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such item shall be stated with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

83. A balance sheet shall be made out in every year and laid before the General Meeting of the Company, and such balance sheet shall contain a summary of the property and liabilities of the Company, arranged under the heads appearing in the form annexed to the table referred to in schedule C to "The Joint Stock Companies Ordinance, 1861." or as near thereto as circumstances admit.

86. If not more than one Auditor is appointed, all the provisions herein contained relating to Auditors shall apply to him.

87. The Auditors need not be Shareholders in the Company. No person is eligible as an Auditor who is interested otherwise than as a Shareholder in any transaction of the Company, and no Director or other officer of the Company is eligible during his continuance in office.

88. The first Auditor or Auditors of the Company shall be appointed by the Directors, and shall hold office until the second General Meeting, and afterward the auditor or auditors shall be from time to time appointed by the Company in General Meeting.

89. The remuneration of the Auditor or auditors shall be fixed by the Company at the time of their election, save that in case of the first Auditor or Auditors it shall be fixed by the Directors.

90. Any Auditor shall be re-eligible on his quitting office.

91. If any casual vacancy occurs in the office of Auditor, the Directors may appoint another Auditor, who shall hold office until the next Ordinary General Meeting.

92. If no election of Auditor is made in manner aforesaid, the Directors may appoint an Auditor or Auditors for the year then current, and fix the remuneration to be paid to him or them by the Company for his or their services.

93. Every Auditor shall be supplied with a copy of the balance sheet, and it shall be his duty to examine the same with the accounts and vouchers relating thereto.

94. Every Auditor shall have a list delivered to him of all books kept by the Company, and he shall at all reasonable times have access to the books and accounts of the Company. He may, at the expense of the Company, employ accountants or other persons to assist him in investigating such accounts, and he may in relation to such accounts examine the Directors or any other officer of the Company.

95. The Auditors shall make a report to the Shareholders upon the balance sheet and accounts, and in every such report they shall state whether in their opinion the balance sheet is a full and fair balance sheet, containing the particulars required by these regulations, and properly drawn up so as to exhibit a true and correct view of the state of the Company's affairs, and in case they have called for explanation or information from the Directors, whether such explanation or information have been given by the Directors, and whether they have been satisfactory; and such report shall be read, together with the report of the Directors, at the Ordinary Meeting.

Notices requiring to be served by the Company upon the Shareholders may be served either personally, or by leaving the same or sending them through the post, in a letter addressed to the Shareholders at their registered places of abode, and any notice so served shall be deemed to be well served for all purposes, notwithstanding that the shareholder to whom such notice is addressed may be dead, unless and until his executors or administrators shall have given notice to the Managing Director or Secretary of the Company of some address in Ceylon.

99. All notices directed to be given to the Shareholders shall, with respect to any share to which persons are jointly entitled be given to whichever of the said persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such share.

HIS EXCELLENCY THE GOVERNOR has been pleased to direct that the following notification issued under resolution of the Government of Bombay, No. 2,637, dated 24th July, regarding the enforcement of Quarantine Rules at Aden, Perim, and the Somali Coast, against arrivals from the Arabian Coast of the Red Sea between Tor and Cape Babelmandeb, be published for general information.

Colonial Secretary's Office,
Colombo, August 4, 1891.

By His Excellency's command,
E. NOEL WALKER,
Colonial Secretary.

Notification.—General Department.

No. 2,637.—In exercise of the power conferred by Act I. of 1870, the following rules for quarantine against cholera have been made by the Government of Bombay, with the previous sanction of the Governor-General in Council: they have effect from the 18th instant in the Ports of Aden, Perim, and the Somali Coast as a temporary measure:—

- I.—The commander of every vessel, including buggalows or other native craft, arriving from the Arabian Coast of the Red Sea between Tor and Cape Babelmandeb shall, before entering the harbour, indicate by signal the port from which such vessel has come.
- II.—Such commander shall not, except as hereinafter provided, allow any communication, either with the pilot boat, except orally, or with the shore, or with any other vessel or boat in the harbour.
- III.—Immediately on arrival the commander shall cause the letter R of the Commercial Signal Code to be hoisted, and shall keep the said flag flying during his stay in port or until authorised by the Health Officer to haul it down. If communication with the shore is not desired, the vessel shall anchor at such place as may be pointed out by the Port authorities, having regard to the season of the year. If communication with the shore is desired, the Health Officer shall go alongside the vessel, and, after all necessary inquiries, shall direct the commander to take the vessel to the quarantine anchorage duly appointed and notified in that behalf by the Resident, there to remain for a period of seven days from the date of arrival, or for the shorter period prescribed in rule IV., and undergo disinfection, which should apply as well to crew, passengers, effects, and susceptible goods.
- IV.—If the Health Officer of the port has sufficient evidence that no cases of a suspicious nature have taken place on board during the voyage, and if the vessel is besides in good hygienic condition, the duration of the quarantine will be diminished according to the following scale:—

After eight days of voyage	six days of quarantine.
Do. nine do.	five do.
Do. ten do.	four do.
Do. eleven do.	three do.
Do. twelve do.	two do.
Do. thirteen do.	and upwards	...	twenty-four hours of quarantine.

- V.—If during the period a vessel is at the quarantine anchorage aforesaid, any case or cases of cholera should occur on board, the said vessel shall remain in quarantine for a period of seven days from the date of the last case occurring, and be subject to all the prohibitions provided for in rule III.
- VI.—When any vessel has been placed in quarantine as aforesaid, the Health Officer may direct the removal of so many of the passengers and crew as may not be suffering from illness, and whose services may not be required on board the vessel, to such particular spots as may from time to time be selected by the Resident as places of quarantine, there to remain for a period of seven days. If a case of cholera occurs among such passengers and crew during any such period, they shall remain in a place of quarantine for a period of fifteen days from the date of the occurrence of the last case of such illness.
- VII.—Any mails or cargo which may be brought by any vessel so arriving shall be landed under such precautions as the Health Officer may deem necessary to prevent the spread of the disease.
- VIII.—It will be the duty of the Port Officer to facilitate the conveyance to all vessels in quarantine of such supplies of provisions, stores, and other articles as may be required by those on board. Such supplies will be placed on the boats of the vessels in quarantine to be subsequently removed by members of their crews.
- IX.—All vessels arriving at Aden, Perim, and the Somali Coast which may have communicated with vessels coming from the Arabian Coast of the Red Sea between Tor and Cape Babelmandeb shall be subjected to the same quarantine as vessels arriving at Aden, Perim, and the Somali Coast from the Arabian Coast of the Red Sea between Tor and Cape Babelmandeb.
- X.—All vessels which have undergone quarantine in the manner above prescribed should have the fact clearly stated on their Bills of Health.

By order of His Excellency the Right Hon. the Governor in Council,

T. D. MACKENZIE,
Chief Secretary to Government.
