MUNICIPAL COUNCIL NOTICES.

Minutes of Proceedings of a Meeting of the Municipal Council of Kandy held in the Town Hall on Saturday, November 25, 1893, at 8 o'clock a.m.

Present :—Hon. P. A. Templer, Chairman ; R. D. Ormsby, Esq. ; J. B. Siebel, Esq. ; J. N. d'Esterre, Esq. ; J. H. Sproule, Esq. ; E. Beven, Esq. ; B. de Alwis, Esq.

1. The Minutes of Proceedings of the Meeting held on October 14 were read and confirmed.

2. The following documents, which had been circulated and seen by the several Members, were laid on the table :—General Statement of Receipts and Disbursements on account of the Municipal Fund ; also separate statements in respect of the General Revenue, Police Assessment, and Water-rate accounts from close of 1892 to October 31 ; also Progress Report of Works done brought up to the same date ; Return of Work done by the Municipal Magistrate and of Cases instituted by the several Inspectors during the month of October ; and Health Officer's Report for the same month.

Resolved,—That the several statements be forwarded, together with Minutes of Proceedings of this Meeting, to Government as required by the 90th section of the Ordinance, together with Health Officer's report.

Read letter No. 39, dated November 14, from the Colonial Secretary, in reply to the Chairman's letter No. 56 of October 27, on the subject of the upkeep of the Trincomalee street barrel drains, the expense connected with the repair and maintenance of which His Excellency the Governor is of opinion the Municipal Council should bear in so far as they are required for sanitary purposes.

On a motion by Mr. J. H. Sproule, seconded by Mr. E. Beven, it was unanimously resolved :—

That His Excellency the Governor be asked to reconsider the matter—the plea of poverty was one the force of which His Excellency's predecessors did acknowledge and appreciate, as being the result of failing sources of revenue by causes such as pointed out in the Chairman's letter No. 56/164 of October 27 last. The Council fail to perceive the materiality of the argument based on the difficulty of obtaining residential houses in Kandy ; such scarcity of houses has in no way affected the assessment thereon, and as a matter of fact it has not brought about an increase in the value or rental charged for houses in the Municipality ; the slight increase shown on page N 11 of the Administration Report for 1892 being produced not by residential properties but the enlargement and improvement of business premises.

4. Letter dated October 9 from Members of the Municipal Office staff, with regard to rules for pension and gratuities as provided for under section 62 of the Municipal Councils Ordinance, and which had been circulated by the Council's order (9) of October 14, was submitted.

Resolved unanimously that application be made to His Excellency the Governor in Executive Council to prescribe rules analogous to those in force in the Municipalities of Colombo and Galle under section 62 of the Ordinance No. 7 of 1887.

5. The draft of the amendment of the Municipal Councils Ordinance, 1887, was submitted. After a short discussion the notice of the Chairman was invited to the amendments proposed by the Committee in their report dated June 11, 1893, especially with regard to registration of mortgages, and which had been forwarded to Government. The Chairman undertook to look into the matter.

6. The Chairman submitted printed copy of the Annual Administration Report for 1892, a copy of which had been furnished to each Councillor.

No resolution was passed thereon.

7. The following letters from the Government Agent, which had been circulated, in respect of the sales of Toll rents were submitted : No. 50 of October 21, No. 53 of November 7, and No. 57 of November 22.

Resolved,—That the acceptance of the following offers for toll rents for 1894 be confirmed :—

				Rs.	c.
Talatu-oya bridge and Gonawatta ferry	5,300	0
Peradeniya bridge	2,500	0
Lewella ferry	2,900	0
Halloluwa ferry	250	0
Katugastota bridge, for six months	3,050	0

8. Read letter No. 40 of November 18 from the Colonial Secretary intimating that His Excellency the Governor in Executive Council had been pleased to sanction the Ordinance No. 2 of 1893 relating to the sale of opium and bhang being brought into operation in the town of Kandy.

Resolved,—That the licenses for the sale by retail of opium and bhang within the limits of the Municipality be limited at present to four in number, and that the Chairman's notice of sale dated November 20, which had been circulated, be confirmed.

9. On the motion of the Chairman it was unanimously resolved "That this Council desires to place on record their deep regret at the loss which they have sustained in the death of their colleague, the late Mr. Frederick van Langenberg, who had served the Municipality of Kandy well and faithfully for many years.

"The Council also desires to convey to the family of the late Mr. van Langenberg their heartfelt sympathy in the bereavement which has fallen on them

Confirmed this 16th day of December, 1893.

R. D. ORMSBY,
Chairman.

MUNICIPALITY OF GALLE.

Minutes of Proceedings of a Meeting of the Municipal Council of Galle held at the Municipal Office on November 11, 1893, at 4 p.m.

Present.—The Chairman; H. J. Deslandes, Esq.; Dr. W. Dias; W. E. de Vos, Esq.; W. Abeyasundera, Esq.; and N. Dias Abeyasinhe, Esq.

1. Read and confirmed Minutes of last Meeting.

2. The Chairman brought up for consideration the position of the Council in regard to the water supply, and invited an expression of the views of the Council on the question as it now stood.

Moved by Mr. W. E. de Vos, "that in view of the fact that a competent scientific authority has, after an analysis of the water, pronounced it unfit for human consumption, the Council is of opinion that water should no longer be issued to the public, nor the water-rate levied for the present; and further that measures be at once taken at the expense of the Council for the improvements of the water as advised by the Chief Engineer of the Colombo Waterworks."

Seconded by Mr. W. Abeyasundera.—Carried.

Resolved,—That Mr. Ewart be consulted as to the measures necessary to be taken.

Resolved,—That the water-rate collected be refunded to the payers.

3. The Administration Report for 1892 was laid on the table, after being duly circulated among the Members of the Council.

4. Submitted a report of the Attorney-General with connected papers recommending an alteration in the wording of the by-law, chapter XVIII., section 22 (6), proposed to be amended.

Resolved,—That the alteration suggested by the Attorney-General be agreed to.

5. Submitted for consideration the draft of a proposed Ordinance to amend the Municipal Councils Ordinance, 1887.

Resolved,—That the attention of Government be invited to the recommendations made by this Council in their letter to the Hon. the Colonial Secretary, No. 30 of June 27, 1892, with the request that they be incorporated in the proposed Ordinance.

6. The Chairman submitted an extract from a letter from the late Chairman, Municipal Council, Galle, recommending a loan of Rs. 10,000 being taken for carrying on necessary improvements in the town.

Resolved,—That the Council is unanimously of opinion that no loan be taken, however urgent the need, as long as the interest on the Waterworks loan has to be provided for from the general revenue.

7. Submitted a letter No. 2,013 of September 24 last, from the Superintendent of Police, Southern Province, proposing that certain conditions be introduced into the licenses issued for the sale of opium.

Resolved,—(1) That that the conditions proposed by the Superintendent of Police be approved and inserted in the licenses to be issued next year.

(2) That for the year 1894 one wholesale license and four retail licenses be issued.

(3) That the licenses be sold by auction in terms of Ordinance No. 2 of 1893.

(4) That the Superintendent of Police be consulted as to the most suitable positions for the retail shops, having regard to the convenience of those who use the drug.

8. Submitted the following recommendations of the Standing Committee:—

August 26, 1893.—Resolved that it be recommended to the Council in terms of 114 of the Municipal Councils Ordinance that the following transfer of votes be made:—

Rs. 1,800 from "Waterworks account" to head "Interest to Waterworks Loan."

Resolved,—That the offer of Don Daniel Samarawickrema of Rs. 1,925 for the Morawak korale road toll and that of Kumarawado Niccoris Arachchi of Rs. 5,560 for the Gintota toll be accepted.

10. Submitted results of sale of rents for 1894.

Resolved,—That the offer of Meepe Gamage Robert of Rs. 3,000 for the rent of the fish auction shed and that of Cassim Segosa of Rs. 185 for the rent of the Talbot Town bathing wells be accepted.

Confirmed :

R. W. IEVERS,
Chairman.

Sanitary Officer's Report for the Quarter ended September 30, 1893.

General Health.—The general health has been comparatively good. There was no smallpox during the quarter. Only two cases of chickenpox were reported in July. There were few cases of measles too. Dysentery was prevailing in the different wards.

My remarks in the last report about the different wards still hold good, as the defects pointed out have not been remedied as yet, and the improvements suggested have not been carried out except in a few instances.

The Drainage in the wards generally is most unsatisfactory, and very much neglected. In Hirimbura road the side drains are as a rule grievously neglected. In most places they are choked up by vegetation, and no longer serve as drains. After a heavy shower, on account of the incapacity of the drains to conduct the water, the roads get

under water, and these neglected drains become the cause of a public nuisance. In Ward No. 2 the road opposite the cattle-pound gets under water after a heavy shower. There should be a built drain opposite the cemetery and continued as far as the junction of Matara road.

The *Latrines* are kept clean, but they are not free from smells, and will remain so until cemented drains are provided to carry away the washings, which otherwise impregnate the surrounding soil and give off offensive smells. Another cause of the stench is the insufficiency of dry earth. A third cause is that those using the latrines wash into the tubs and constantly dirty the seat and floor.

Street Sweeping was on the whole satisfactory.

Scavenging.—The bulls for the carts used to be sent very late, and the overseer and the Inspector of Ward No. 2 complained to me that there was unnecessary delay on this account.

Slaughtering of Cattle.—The quality of the cattle in the pound was good.

CHARLES DE SILVA,
Sanitary Officer.
