**CEYLON GOVERNMENT 4 PER CENT. INSCRIBED STOCK.**

**Fourth Issue, Rs. 500,000.**

*Authorized by Ordinance No. 7 of 1892, "An Ordinance to empower the Ceylon Government to raise Four Million Rupees for the Construction of Railways and other Public Works."*

THE Treasurer of Ceylon, on behalf of the Government, invites Tenders for the above amount of Stock, to be issued and inscribed under the provisions of "The Ceylon Inscribed Rupee Stock Ordinance, 1892."

The Loan is secured on the general revenue of the Colony, and the principal will be repayable at par on the 1st March, 1944, by a sinking fund of 1 per cent. per annum, to be formed under the management of the Auditor-General and Treasurer, who are appointed Trustees. The interest, at the rate of 4 per cent. per annum, will be payable half-yearly on the 4th March and 4th September in each year, for the half-year ended with the last day of the month next preceding, the first payment being due on the 4th September next, by dividend warrants, which, if desired, may be transmitted by post, either to the stockholders or other person, bank, or firm within the Colony. Principal and interest will be payable at the Treasury at Colombo.

If the price of the Stock be below par at the time when the contributions to the sinking fund are received, the Trustees are empowered to purchase therewith the Stock in the market, cancelling in the register the Stock so purchased.

The Stock will be transferable by agreement in writing, without charge, and free of stamp duty.

Tenders will be received at the Treasury at Colombo until 1 P.M. on Thursday, the 15th February, 1894, and will be opened in the presence of such of the applicants as may attend.

Tenders must be for *even thousands* of Stock.

The purchase money will be required as follows:—

Five per cent. on application, and the balance on or before the 1st March, 1894.

The first payment must accompany the Tender, and the subsequent payment is to be made at the Treasury not later than the date above mentioned.

The allotments will be made to the highest bidders, provided the rates offered are not below Rs. 1,000 in money for every Rs. 1,000 of Stock. In the event of the receipt of Tenders in excess of the amount to be allotted at or above the minimum price, the Tenders at the lowest price accepted will be subjected to a *pro rata* diminution.

If no allotment be made, the amount forwarded with the Tender will be returned in full, and if a portion only of the amount applied for be allotted, the surplus will be appropriated towards the payment of the second instalment.

Forms of Tender may be obtained, and copies of the Ordinance may be seen, on application at the Treasury.

Particulars and description of clothing to be made can be ascertained on application at the Colonial Storekeeper's office.

A deposit, as noted above, will be required before any form of tender is issued; and should any person decline to enter into the contract and bond after he has tendered, or fail to furnish approved security, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

The deposit must be made at the Treasury or Kachcheri, and the deposit receipt must be produced to the officer issuing the form of tender as his authority for making the issue.

The amount of security to be given, and all other necessary information, can be ascertained on application at the Colonial Storekeeper's office.

The person whose tender has been accepted by Government will be required to bear the expense of having security bonds prepared for the due performance of his contract, which bonds will be subject to the approval of the Attorney-General, but may be drawn by the tenderer's own lawyers, in which case the name or stamp of the Proctor who drafted the bond should be affixed to the document. But if a contractor submits a security bond which does not bear the name or stamp of the lawyer who drafted it, he will be required to pay a fee of Rs. 10.50 to the Attorney-General for approving each bond.

All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

The Government reserves to itself the right, without question, to reject any or all tenders, and the right of accepting any portion of a tender.

*In default of Payment Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid.
