## MUNICIPAL COUNCIL NOTICES.

## MUNICIPALITY OF COLOMBO.

## Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Friday, January 26, 1894.

The Council met this day at 3 P.M., pursuant to notice dated January 20, 1894.

*Present*:—Mr. C. E. D. Pennycuik, Mayor and Chairman; Dr. W. R. Kynsey, C.M.G.; Major L. F. Knollys, C.M.G.; Captain F. Bayley; Mr. M. Finlay; Hon. A. de A. Seneviratne; Mr. M. I. M. Haniffa; Mr. C. Perera; Mr. C. P. Dias; Mr. Walter Pereira; Mr. R. H. Morgan; Mr. C. M. Fernando; and Mr. A. Alvis.

The Minutes of December 8, 1893, having been printed, and a copy sent to each Member of the Council, were taken as read.

Resolved,—That the Minutes of December 8, 1893, be confirmed.

1. The Council then proceeded to ballot for the election of five members to form a Standing Committee for 1894, in accordance with the 88th section of the Ordinance No. 7 of 1887, and the result of the ballot was declared by the Chairman to be in favour of Mr. C. Perera, Hon. A. de A. Seneviratne, Dr. W. R. Kynsey, Mr. C. P. Dias, and Mr. C. M. Fernando, who, with the Chairman, were thereupon appointed a Standing Committee for 1894.

2. The Statement of Receipts and Disbursements from January to December, 1893, was not ready. A Progress Report of Work done during December, 1893, was laid on the table.

3. A letter No. 180 of December 7, 1893, from the Hon. the Colonial Secretary, on the subject of a duplicate pipe from Labugama, was laid on the table, having been previously circulated amongst Members with a memorandum from the Chairman on the subject.

Hon. A. de A. Seneviratne moved "that the matter is one entirely for the Government to deal with, and that the Council do not feel called upon to express any opinion on the subject."

Mr. C. Perera seconded.

The Chairman moved as an amendment "that the Hon. the Colonial Secretary be informed, in reply to his letter No. 180 of December 7, that the Municipal Council see no immediate necessity for carrying out the duplication of the pipe from Labugama, as they find the supply of water is greatly in excess of the consumption, the average daily supply for 1893 being 2,560,344 gallons, and the average daily consumption only 1,974,928 gallons. The difference 585,416 gallons showing an excess of over 20 per cent. of supply over consumption. That the Council have already made arrangements for saving a considerable sum from their Assessment Revenue for 1894, and are prepared to continue to put by for investment such further sums as can be spared annually, with due regard to necessary extensions of gas and water in the town.

"That they hope the Rs. 10,000 derived annually from the tax on arrack taverns within the Municipality will be funded by Government until the question of duplication of the pipe is again ripe for discussion, with the view of the sums so funded being eventually spent in aid of the extension. That the Council gladly note that His Excellency the Governor is prepared to reconsider the question of the Kelani bridge tolls. That they trust, before depriving the Council of such an important source of general revenue, His Excellency will, irrespective entirely of the water question, consider how seriously the funds of the Council, as regards public works and for all purposes of general improvement, will be crippled, if the sum derived from these tolls is lost to them, and will consent to allow them to be retained when the new bridge is opened.

Mr. C. M. Fernando seconded.

The Council divided on the amendment:—

1. Mr. C. M. Fernando.
2. Mr. M. Finlay.

**T**HE subjoined circular despatch received from the Secretary of State for the Colonies is published for general information.

By His Excellency the Governor's command,  
 Colonial Secretary's Office, Colombo, March 7, 1894. E. NOEL WALKER,  
Colonial Secretary.

The Most Hon. the MARQUESS OF RIPON to Governor Sir A. E. HAVELOCK, K.C.M.G.

*Circular.* Downing street, January 16, 1894.

SIR,—I HAVE the honour to transmit to you, for the information of the Colony under your Government, a translation of a Spanish Royal Decree respecting the treatment to be accorded to British commerce from the 1st instant.

I have, &c.,  
RIPON.

The Secretary of State for Foreign Affairs has received from Her Majesty's Ambassador at Madrid the following translation, in précis, of a Royal Decree respecting the trade of Great Britain with Spain:—

*Extract from the Madrid Gazette of January 1, 1894.*

PRESIDENCY OF THE COUNCIL OF MINISTERS.

(Translation in Précis)

*Preamble.*

In view of the fact that the Conventions concluded with Norway, Sweden, Switzerland, and Holland come into operation on the 1st January, while the Commercial Treaties with Germany, Austria, and Italy, the Conventions with Great Britain and Denmark, and the Provisional Agreement concluded with France are awaiting ratification, it becomes necessary to adopt certain measures for establishing a legitimate reciprocity until the Cortes shall have met, discussed the Conventions, and submitted their suggestions for Royal sanction. These measures should not differ from those adopted in the case of nations with whom we have recently concluded Treaties, and those which, in virtue of past Agreements, are entitled to most-favoured-nation treatment, in view of the Conventions coming into force on the 1st January.

With regard to those nations which have not yet concluded new Commercial Agreements, and those coming under the Second Column of the Tariff in virtue of the Royal Order of the 29th June, 1892, it is impossible to introduce any change until a more satisfactory arrangement is arrived at.  
 Madrid, December 31, 1893. (Signed) PRAXIDES MATEO SAGASTA.

*Royal Decree.*

In the name of my august son, King Alphonso XIII., and as Queen-Regent of the Realm, at the instigation of the Council of Ministers, I hereby decree as follows:

Article 1. From the 1st January next, and pending the deliberations of the Cortes on the Project of Law to be immediately laid before them, the most reduced ("mas reducidos") Tariff and further advantages resulting from the Commercial Conventions with Sweden, Norway, Switzerland, and Holland shall be applied to the products of the soil and industries of Germany, Austria-Hungary, Denmark, France, Great Britain and her Colonies, and Italy, subject to the same conditions as those under which those benefits are conceded.

Article 2. Similar rights and immunities shall be applied to those nations possessing the most-favoured-nation clause in Treaties of Commerce, Peace, or Friendship, which have not been named.

Article 3. The duties of the Second Column of the Tariff shall continue to be levied in the form now applying to the products of the soil and industries of all other nations entitled to this advantage, in virtue of the Royal Order of the 29th June, 1892.

Article 4. The Government shall notify the provisions of this Decree to the Cortes.

Given at the Palace the 31st December, 1893.

(Signed) MARIA CHRISTINA.
