(2) After a ship has departed or proceeded on a voyage from a port or place so appointed, a person shall not be received on board as a passenger except at some other port or place so appointed.

Notice to be given of day of sailing.

7 (1) The master, owner, or agent of a ship so departing or proceeding shall give notice to an officer appointed in this behalf by the Local Government that the ship is to carry passengers, and of her destination, and of the proposed time of sailing.

(2) The notice shall be given not less than twenty-four hours before that time.

Power to enter on and inspect ship.

8 After receiving the notice, the officer aforesaid or a person authorized by him shall be at liberty at all times to enter on the ship and inspect her and her fittings and the provisions and stores in her.

Ship not to sail without two certificates.

9 (1) A ship intended to carry passengers shall not commence a voyage from a port or place appointed under this Act, unless the master holds two certificates to the effect mentioned in the two next following sections.

(2) The officer whose duty it is to grant a port-clearance for the ship shall not grant it unless the master holds those certificates.

Contents of certificate A.

10 The first of the certificates (hereinafter called "certificate A") shall state that the ship is seaworthy and properly equipped, fitted, and ventilated, and the number of passengers which she is capable of carrying.

Contents of certificate B.

11 The second of the certificates (hereinafter called "certificate B") shall state—

- (a) the voyage which the ship is to make, and the intermediate ports, if any, at which she is to touch ;
- (b) that she has the proper complement of officers and seamen ;
- (c) that food, fuel, and pure water over and above what is necessary for the crew, and the other things, if any, prescribed for the ship by the rules under this Act, have been placed on board, of the quality prescribed by the rules, properly packed, and sufficient to supply the passengers on board during the voyage which the ship is to make (including such detention in quarantine as may be probable) according to the scale for the time being prescribed by those rules ;
- (d) that the master holds certificate A ;
- (e) if the ship is to make a short voyage in a season of foul weather, and to carry upper-deck passengers, that she is furnished with substantial bulwarks and a double awning, or with other sufficient protection against the weather ;
- (f) if she is to carry passengers to any port in the Red Sea, that she is propelled principally by steam, and, if she is to carry more than one hundred passengers to any such port, that she has on board a medical officer licensed in accordance with the rules under this Act ; and
- (g) such other particulars, if any, as may be prescribed by those rules.

- Grant of certificates. 12 The person by whom certificate A and certificate B are to be granted shall be the officer appointed under section 7.
- Substitute for certificate A. 13 Where the master of a ship produces to that officer either of the following certificates, namely—
- (a) a valid certificate granted by the Board of Trade, or by a British Colonial Government, or
 - (b) a certificate granted under the authority of a British Indian Government, on a date not more than one year before the proposed day of sailing, and in force and applicable to the voyage on which the ship is to proceed, or the service on which she is about to be employed,
- the officer may, if the particulars required by section 10 are certified thereby, take the certificate as evidence of those particulars, and it shall then be deemed to be a certificate A for the purposes of this Act.
- Survey of ship. 14 (1) After receiving the notice required by section 7, the officer appointed under that section may, if he thinks fit, cause the ship to be surveyed at the expense of the master or owner by competent surveyors, who shall report to him whether the ship is, in their opinion, seaworthy and properly equipped, fitted, and ventilated for the voyage which she is to make :
- Provided that he shall not cause a ship holding a certificate mentioned in section 13, clause (a) or clause (b), to be surveyed, unless, by reason of the ship having met with damage or having undergone alterations, or on other reasonable ground, he considers it likely that she may be found unseaworthy or not properly equipped, fitted, or ventilated for the voyage.
- (2) If the officer causes a survey to be made of a ship holding any such certificate, and the surveyors report that the ship is seaworthy and properly equipped, fitted, and ventilated for the voyage, and that there was no reasonable ground why the officer should have thought it likely that she would be found unseaworthy or not properly equipped, fitted, or ventilated for the voyage, the expense of the survey shall be paid by the Local Government.
- Discretion as to grant of certificate. 15 (1) The officer authorized to grant a certificate under this Act in respect of a ship shall not grant it unless he is satisfied that she has not on board any cargo likely from its quality, quantity, or mode of stowage to prejudice the health or safety of the passengers.
- (2) But, save as aforesaid, and subject to the provisions of sub-section (3), it shall be in the discretion of the officer to grant or withhold the certificate.
- (3) In the exercise of that discretion that officer shall be subject to the control of the Local Government, and of any intermediate authority which that Government appoints in this behalf.
- Copy of certificates to be exhibited. 16 The master or owner shall post up in a conspicuous part of the ship, so as to be visible to persons on board thereof, a copy of each of the certificates granted under this Act in respect of the ship, and shall keep those copies so posted up throughout the voyage.
- Supply by passengers of their own food. 17 If an officer appointed in this behalf by the Local Government is satisfied that a passenger has brought on board a ship for his own use food of the quality and in the quantity for the time being prescribed by the rules under this Act, the requirements of this Act respecting the supply of food for passengers shall not apply so far as regards the supply of food for that passenger.

CHAPTER III.

- (a) the number of passengers so taken on board, and
- (b) that food, fuel, and pure water over and above what is necessary for the crew, and the other things, if any, prescribed for the ship by the rules under this Act, have been placed on board, of the quality prescribed by the rules, properly packed, and sufficient to supply the passengers on board during the voyage which the ship is to make (including such detention in quarantine as may be probable) according to the scale for the time being prescribed by those rules :

Provided that, if the certificate B held by the master of the ship states that food, fuel, and pure water over and above what is necessary for the crew, and the other things, if any, prescribed for her by the rules under this Act, have been placed on board, of the quality prescribed by the rules, properly packed, and sufficient to supply the full number of passengers which she is capable of carrying, the master shall not be bound to obtain any such supplementary certificate.

Penalty for not complying with requirements as to statements concerning passengers and certain other matters.

34 If a master fails to comply with any of the requirements of section 22 or section 23, as to the statements concerning passengers, or wilfully makes any false entry or note in or any such statement, or without reasonable excuse, the burden of proving which shall lie upon him, fails to obtain any such supplementary certificate as is mentioned in section 19, or to report deaths as required by section 20, or to obtain any such fresh certificate, or to make any such statement of the number of additional passengers as is mentioned in section 24, he shall be punished with fine which may extend to five hundred rupees for every such offence, or with imprisonment for a term which may extend to three months, or with both.

Penalty for bringing passengers from foreign port in excess of authorized number.

38 If a ship carrying passengers from any port or place beyond British India to any port or place in British India has on board a number of passengers greater either than the number allowed for the ship by or under this Act or than the number allowed by the license or certificate, if any, granted in respect of the ship at her port or place of departure, the master and owner shall, for every passenger in excess of that number, be each punished with fine which may extend to twenty rupees.

Penalty for landing passenger at a place other than that at which he has contracted to land.

35. *Exercise of Rights.*—No person shall exercise any rights of a Shareholder until his name shall have been entered in the register of Shareholders, and he shall have paid all calls and other moneys for the time being payable on every share in the Company held by him.

SHARES (SURRENDER AND FORFEITURE).

36. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

37. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, requiring him to pay the same, together with any interest that may have accrued and all expenses that may have been incurred by the Company by reason of such non-payment.

38. *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

39. *In default of payment Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalment, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

40. *Shareholder still liable to pay Money owing at time of forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture, until payment, at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

41. *Surrendered or forfeited Shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

44. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share, *bonâ fide* sold or re-allotted, or otherwise disposed of under Article 41 hereof, shall be redeemable after sale or disposal.

45. *Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders, for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not

have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons; and such lien shall extend to all dividends declared on such shares. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary that the power of sale given by clause 46 has arisen, and is exercisable by the Company under these presents shall be conclusive evidence of the facts therein stated.

49. *Transfer on sale how executed.*—Upon any such sale, two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

CALLS.

50. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment. Any such call may be made payable either in one sum or two or more instalments.

51. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

52. *Extension of time for payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

53. *Liability of Joint-holders.*—Joint-holders of a share should be severally as well as jointly liable for all instalments and calls in respect thereof.

54. *Payments in anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up, and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter, as exceeds the amount of the calls then made upon, and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholder and the Directors may agree upon, not exceeding, however, six per cent. per annum.

BORROWING POWERS.

55. *Power to Borrow.*—The Directors may from time to time at their discretion borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed rupees ten thousand (Rs. 10,000); only with the sanction of a General Meeting the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary or two Directors to the effect that in taking any loan the Directors are not exceeding their borrowing powers shall be sufficient and binding on the Company and all concerned.
