GOVERNMENT NOTIFICATIONS.

ABSTRACT OF SEASON REPORTS FOR MARCH, 1894.

WESTERN PROVINCE.

COLOMBO DISTRICT.

The maha harvest is over. The muttes paddy plants in Siyané Kóralé East and West have continued to suffer from drought, but those in Héwágam kóralé are in better condition.

The preparations for the yala cultivation, which had been retarded by the dry weather, have been facilitated by the rain that had recently fallen.

Other Food Supplies.—Breadfruit, jak, and plantains are fairly plentiful, but the weather has been unfavourable to the cultivation of vegetables. The cocoanut crop throughout the district is small. Medium price, about Rs. 37 a thousand, except in Héwágam kóralé, where it has fallen to about Rs. 29, owing to a decrease in the demand for oil.

KALUTARA DISTRICT.

The maha crop has been reaped, the dry weather being favourable for harvesting work. On the whole, the yield was good. The preparations for the ensuing yala have been retarded by the drought. Much-needed rain has recently fallen, and the yala cultivation is in progress. There had been no intermediate cultivation.

Vegetables are plentiful and cheap. Jak abundant in Rayigam and Pasdun kóralés, but not in the Totamunes. Breadfruit scarce. Cocoanut crop, fair; price Rs. 30 to Rs. 35 a thousand.

NEGOMBO DISTRICT.

The maha paddy crops in Alutkúru Kóralé North and Hápitigam kóralé have been reaped and threshed. The crops of the former were fair, and those of the latter short owing to drought.

The young muttes paddy crops of Alutkúru Kóralé North are doing well. There was no muttes crop in Hápitigam kóralé. The prospects of the few fields cultivated for second maha were not good owing to unfavourable weather.

Jakfruits have been plentiful in both the kóralés, and breadfruit and plantains scarce owing to drought; cocoanut crops are poor; the price of all the above is high. The fields are now being prepared for the yala harvest.

CENTRAL PROVINCE.

KANDY DISTRICT.

Udunuwara, Udapaláta, and Uda Bulatgama: maha paddy harvesting nearly over, crops good; yala paddy fields being ploughed. Yatinuwára: maha paddy being harvested, crops good; yala kurakkan and hill paddy chenas being cleared. Tumpane: maha paddy harvesting commenced, crops fair. Harispattu: maha paddy being harvested, crops fair; hill paddy harvested, crops fair; yala kurakkan chenas being cleared. Páta Dumbara: maha hatiyal paddy being harvested; hondarawala and bala-wi blossoming; kurakkan harvested, crops bad. Páta Héwáheta: maha paddy being harvested, maha kurakkan harvested; crops good. Uda Dumbara: maha paddy ripening, crops fair; maha kurakkan harvested, crops bad; yala kurakkan cultivation commenced.

MÁTALÉ DISTRICT.

Severe drought all over the district, and a large acreage of fields has died therefrom. Fields under streams gave a fair crop; maha chenas have all been reaped, crop was fine.

NUWARA ELIYA DISTRICT.

Kotmalé: paddy reaping continued; three-quarters good, one-quarter bad, owing to drought; chenas being cleared for kurakkan. Uda Héwáheta and Walapane: paddy young plants, kurakkan crops being reaped, half good.

NORTHERN PROVINCE.

JAFFNA DISTRICT.

Heavy rain throughout district on 15th and 16th accompanied by thunder and lightning, and partial showers on 17th, 19th, and 20th, which, it was feared, would interfere seriously with harvesting operations. Very little damage, however, reported, reaping having been mostly over before rain. Threshing of paddy continues in Vađamaradchy East, Punakary, and Karaichy divisions; advantage taken of rain to sow dry grains extensively, and plants looking well; tobacco in plants.

MANNAR DISTRICT.

Paddy and dry grain crops in Mantai division good, and reaped. Paddy in Muchali divisions failed, but dry grain good, and reaped. Dry grain in Mannár island reaped and threshed.

MULLAITTIVU DISTRICT.

Heavy rain in third week saved the paddy in Mullivalai and Tunukkai, where there will be a fair harvest. Very heavy paddy crop reaped in maritime pattus. Tobacco crops are doing well. General health good.

VAVUNIYA DISTRICT.

Heavy rains in third week saved many crops from withering in Kilakkumulai ; crops in blossom and ear doing well, especially under restored tanks ; fair crop reaped in Panankámam, and reaping continues. In Melpattu and Cheddikulam half to three quarter crop expected ; good crop of kurakkan reaped everywhere ; gingelly being sown. Health good.

SOUTHERN PROVINCE.

GALLE DISTRICT.

Cultivation for yala commenced, but the want of rain has interfered with the sowings ; crop too young to judge of condition.

MATARA DISTRICT.

Crop prospects good throughout the district.

HAMBANTOTA DISTRICT.

Paddy reaping and harvesting ; maha crops : outturn generally good, middling under small village tanks owing to deficient rainfall. Fine grain : small clearings in West Giruwa pattu for yala cultivation ; prices steady. Weather : partial drought for three weeks, succeeded by heavy rain towards end of month. Cattle : condition good ; supply of fodder average. Health : fever and dysentery among inland villages subsiding.

EASTERN PROVINCE.

BATTICALOA DISTRICT.

Crops on 50,000 acres early munmari ripe, and being reaped ; crop on whole fair ; unirrigable fields suffered slightly from drought ; rain middle of this month saved crop.

TRINCOMALEE DISTRICT.

Munmari crops, which survived the drought, stacked and partly threshed ; pinmari lands are being sown. Rainfall during this month not sufficient to moisten the soil for trampling ; more rain desirable.

NORTH-WESTERN PROVINCE.

KURUNEGALA DISTRICT.

Weather extremely hot ; a few light showers fell very unequally distributed ; clearing of chena lands proceeded sowing delayed for want of rain ; ploughing for yala delayed from same cause ; reaping of late maha continued ; harvesting will go on until after Sinhalese new year ; tanks in Wannu and Hiriyala still very low ; maha crop considerably below average as to crop and cropped area ; yala prospects so far not encouraging ; people and cattle healthy

OHILAW DISTRICT.

In the Northern and Central divisions maha crop mostly reaped and stacked. Threshing delayed owing to recent rains ; crops good ; cultivation for yala with dewareddiri paddy being carried on, and preparations for sowing bala-wi commenced in Central division ; fine grain in southern division gathered ; crop good. Cultivation for yala commenced ; sowing operations impeded by recent rains ; no fine grain cultivated.

PUTTALAM DISTRICT.

Paddy being reaped and stacked in all pattus of the district except Demala hatpattu, in some places of which paddy is earing, and prospects are good and fair. Fine grain gathered in Puttalam and Demala hatpattus ; crop moderate ; none in Kalpitiya division.

NORTH-CENTRAL PROVINCE.

In the North-Central Province there has been moderate rainfall from the beginning to the sixteenth of this month. Paddy crops cultivated for the maha harvest have ripened, while those cultivated later are maturing and blossoming ; condition, generally good ; a small extent of paddy chenas and fields are reported to have died ; kurakkan crops have been harvested. While late cultivations are being reaped the kurakkan chenas are being cultivated with gingelly. Some tanks are full, while others are half full and quarter full ; a few tanks have very little or no water. Cattle murrain prevails in some villages of Hurulupalata.

PROVINCE OF UVA.

Chena crops good throughout the Province, and now being harvested. Paddy extensively sown, and crop maturing.

PROVINCE OF SABARAGAMUWA.

RATNAPURA DISTRICT.

Paddy maha crop has been harvested throughout the district except in Kolonna koralé. Second maha crops coming on well in Kuruwiti, Atakalan, Kadawata, and Meda koralés. Cultivation for yala harvest progressing favourably. It is feared that owing to continued drought many yala fields in Nawadun koralé and many peramas fields in Kadawata and Meda korales will have to be abandoned. Fine grain : amu, kurakkan, and el-wi reaped and gathered throughout the district. No standing crop on chena lands now ; weather favourable for cultivation of yala chenas.

KÉGALLA DISTRICT.

Late maha fields being harvested ; crops generally poor owing to recent drought ; ploughing operations for yala just commenced in parts of Galboda and Kinigoda koralés, Beligal koralé and Three Koralés and Lower Bulatgama ; rain much needed ; chenas being prepared throughout the district for cultivation of fine grain ; district free from cattle disease.

(2) After a ship has departed or proceeded on a voyage from a port or place so appointed, a person shall not be received on board as a passenger except at some other port or place so appointed.

Notice to be given of day of sailing.

7 (1) The master, owner, or agent of a ship so departing or proceeding shall give notice to an officer appointed in this behalf by the Local Government that the ship is to carry passengers, and of her destination, and of the proposed time of sailing.

(2) The notice shall be given not less than twenty-four hours before that time.

Power to enter on and inspect ship.

8 After receiving the notice, the officer aforesaid or a person authorized by him shall be at liberty at all times to enter on the ship and inspect her and her fittings and the provisions and stores in her.

Ship not to sail without two certificates.

9 (1) A ship intended to carry passengers shall not commence a voyage from a port or place appointed under this Act, unless the master holds two certificates to the effect mentioned in the two next following sections.

(2) The officer whose duty it is to grant a port-clearance for the ship shall not grant it unless the master holds those certificates.

Contents of certificate A.

10 The first of the certificates (hereinafter called "certificate A") shall state that the ship is seaworthy and properly equipped, fitted, and ventilated, and the number of passengers which she is capable of carrying.

Contents of certificate B.

11 The second of the certificates (hereinafter called "certificate B") shall state—

- (a) the voyage which the ship is to make, and the intermediate ports, if any, at which she is to touch ;
- (b) that she has the proper complement of officers and seamen ;
- (c) that food, fuel, and pure water over and above what is necessary for the crew, and the other things, if any, prescribed for the ship by the rules under this Act, have been placed on board, of the quality prescribed by the rules, properly packed, and sufficient to supply the passengers on board during the voyage which the ship is to make (including such detention in quarantine as may be probable) according to the scale for the time being prescribed by those rules ;
- (d) that the master holds certificate A ;
- (e) if the ship is to make a short voyage in a season of foul weather, and to carry upper-deck passengers, that she is furnished with substantial bulwarks and a double awning, or with other sufficient protection against the weather ;
- (f) if she is to carry passengers to any port in the Red Sea, that she is propelled principally by steam, and, if she is to carry more than one hundred passengers to any such port, that she has on board a medical officer licensed in accordance with the rules under this Act ; and
- (g) such other particulars, if any, as may be prescribed by those rules.

- Grant of certificates. 12 The person by whom certificate A and certificate B are to be granted shall be the officer appointed under section 7.
- Substitute for certificate A. 13 Where the master of a ship produces to that officer either of the following certificates, namely—
 (a) a valid certificate granted by the Board of Trade or by a British Colonial Government, or
 (b) a certificate granted under the authority of a British Indian Government, on a date not more than one year before the proposed day of sailing, and in force and applicable to the voyage on which the ship is to proceed, or the service on which she is about to be employed,
 the officer may, if the particulars required by section 10 are certified thereby, take the certificate as evidence of those particulars, and it shall then be deemed to be a certificate A for the purposes of this Act.
- Survey of ship. 14 (1) After receiving the notice required by section 7, the officer appointed under that section may, if he thinks fit, cause the ship to be surveyed at the expense of the master or owner by competent surveyors, who shall report to him whether the ship is, in their opinion, seaworthy and properly equipped, fitted, and ventilated for the voyage which she is to make:
 Provided that he shall not cause a ship holding a certificate mentioned in section 13, clause (a) or clause (b), to be surveyed, unless, by reason of the ship having met with damage or having undergone alterations, or on other reasonable ground, he considers it likely that she may be found unseaworthy or not properly equipped, fitted, or ventilated for the voyage.
 (2) If the officer causes a survey to be made of a ship holding any such certificate, and the surveyors report that the ship is seaworthy and properly equipped, fitted, and ventilated for the voyage, and that there was no reasonable ground why the officer should have thought it likely that she would be found unseaworthy or not properly equipped, fitted, or ventilated for the voyage, the expense of the survey shall be paid by the Local Government.
- Discretion as to grant of certificate. 15 (1) The officer authorized to grant a certificate under this Act in respect of a ship shall not grant it unless he is satisfied that she has not on board any cargo likely from its quality, quantity, or mode of stowage to prejudice the health or safety of the passengers.
 (2) But, save as aforesaid, and subject to the provisions of subsection (3), it shall be in the discretion of the officer to grant or withhold the certificate.
 (3) In the exercise of that discretion that officer shall be subject to the control of the Local Government, and of any intermediate authority which that Government appoints in this behalf.
- Copy of certificates to be exhibited. 16 The master or owner shall post up in a conspicuous part of the ship, so as to be visible to persons on board thereof, a copy of each of the certificates granted under this Act in respect of the ship, and shall keep those copies so posted up throughout the voyage.
- Supply by passengers of their own food. 17 If an officer appointed in this behalf by the Local Government is satisfied that a passenger has brought on board a ship for his own use food of the quality and in the quantity for the time being prescribed by the rules under this Act, the requirements of this Act respecting the supply of food for passengers shall not apply so far as regards the supply of food for that passenger.

CHAPTER III.

Provided that, if the certificate B held by the master of the ship states that food, fuel, and pure water over and above what is necessary for the crew, and the other things, if any, prescribed for her by the rules under this Act, have been placed on board, of the quality prescribed by the rules, properly packed, and sufficient to supply the full number of passengers which she is capable of carrying, the master shall not be bound to obtain any such supplementary certificate.

Deaths on voyage.

20 When the ship reaches her final port or place of arrival, the master shall notify to such officer as the Governor-General in Council appoints in this behalf the date and supposed cause of death of every passenger dying on the voyage.

CHAPTER IV.

(2) A ship propelled by steam, or partly by steam and partly by sails, and performing a long voyage, shall, subject as aforesaid, contain in the between-decks at least nine superficial feet and fifty-four cubic feet of space available for every passenger.

Statements concerning passengers.

22 The master of a ship departing or proceeding on a long voyage from any port or place in British India shall sign two statements, specifying the number and the respective sexes of all the passengers, and the number of the crew, and shall deliver them to the officer appointed under section 7, who shall thereupon, after having first satisfied himself that the numbers are correct, countersign and return to the master one of the statements.

Deaths on voyage.

23 The master shall note in writing on the statement returned to him, and on any additional statement to be made under the next following section, the date and supposed cause of death of any passenger who may die on the voyage, and shall, when the ship arrives at her port or place of destination, or at any port or place at which it may be intended to land passengers, and, before any passengers leave the ship, produce the statement, with any additions thereto made, to a person lawfully exercising consular authority on behalf of Her Majesty at the port or place or to the Chief Customs Officer thereat or the officer (if any) appointed there under section 7.

Ship taking additional passengers at intermediate place.

24 (1) In either of the following cases, namely,—

(a) if after the ship has departed or proceeded on a long voyage any additional passengers are taken on board at a port or place within British India appointed under this Act for the embarkation of passengers, or

(b) if the ship upon her voyage touches or arrives at any such port or place, having previously received on board additional passengers at any place beyond British India,

the master shall obtain a fresh certificate to the effect of certificate B from the officer appointed at that port or place under section 7, and shall make additional statements specifying the number and the respective sexes of all the additional passengers.

(2) All the foregoing provisions of this Act with respect to certificate B and statements concerning passengers shall be applicable to any certificate granted or statement made under this section.

27 A ship carrying passengers from or to any port in British India other than Aden to or from any port in the Red Sea shall touch at Aden, and shall not leave that port without having obtained from the proper authority a clean bill of health.

Bill of health at Aden.

28 The authority at Aden empowered to grant the bill of health shall refuse to grant it if the ship has on board a greater number of passengers than the number allowed for the ship by or under this Act, and may refuse to grant it if the requirements of any rule under this Act are not complied with on board the ship.

Bond where ship clears for port in Red Sea.

29 In the case of a ship carrying passengers from any port in British India other than Aden to any port in the Red Sea, the officer whose duty it is to grant a port-clearance for the ship shall not grant the clearance unless and until the master, owner, or agent of the ship and two sureties resident in British India have executed in favour of the Secretary of State for India in Council a joint and several bond, for the sum of five thousand rupees, conditioned—

- (a) that the ship shall touch at Aden on the outward voyage and there obtain a clean bill of health, and shall do the same on the homeward voyage if the ship continues to carry more than sixty passengers, and
- (b) that the master and medical officer (if any) of the ship shall comply with, on the outward voyage, and also on the homeward voyage if the ship continues to carry more than sixty passengers, the provisions of this Act and of such rules relating to ships carrying passengers between ports in British India and ports in the Red Sea as the Governor-General in Council may make under this Act.

Power for Local Government to direct medical inspection of passengers.

30 (1) The Local Government may direct that no passengers shall be received on board any ship or any ship of a specified class carrying passengers from any port in British India to any port in the Red Sea unless and until the passenger has been inspected, at such time and place, and in such manner, as the Local Government may fix in this behalf, by a medical officer to be appointed by that Government for the purpose.

(2) If in the opinion of the officer making an inspection under this section a passenger is suffering from any dangerously infectious or contagious disease, the passenger shall not be permitted to embark.

CHAPTER V.

PENALTIES.

Penalty for ship unlawfully departing or receiving passengers on board.

31 If a ship departs or proceeds on a voyage from, or discharges passengers at, any port or place within British India in contravention of the provisions of section 6, sub-section (1), or section 9, or if a person is received as a passenger on board a ship in contravention of the provisions of section 6, sub-section (2), the master or owner shall, for every passenger carried in the ship, or for every passenger so discharged or received on board, be punished with fine which may extend to one hundred rupees, or with imprisonment for a term which may extend to one month, or with both, and the ship, if found within two years in any port or place within British India, may be seized and detained by a Chief Customs Officer until the penalties incurred under this Act by her master or owner have been adjudicated, and the payment of the fines imposed on him under this Act, with all costs, has been enforced, under the provisions of this Act:

Provided that the aggregate term of imprisonment awarded under this section shall not exceed one year.

Penalty for opposing entry on or inspection of ships.

32 If a person impedes or refuses to allow the entry or inspection authorized by or under this Act, he shall be punished with fine which may extend to five hundred rupees for each offence, or with imprisonment for a term which may extend to three months, or with both.

Penalty for not exhibiting copy of certificates.

33 If a master or owner without reasonable excuse, the burden of proving which shall lie upon him, fails to comply with the requirements of section 16 with respect to the posting of copies of certificates, he shall be punished with fine which may extend to two hundred rupees, or with imprisonment for a term which may extend to one month, or with both.

Penalty for not complying with requirements as to statements concerning passengers and certain other matters.

34 If a master fails to comply with any of the requirements of section 22 or section 23, as to the statements concerning passengers, or wilfully makes any false entry or note in or any such statement, or without reasonable excuse, the burden of proving which shall lie upon him, fails to obtain any such supplementary certificate as is mentioned in section 19, or to report deaths as required by section 20, or to obtain any such fresh certificate, or to make any such statement of the number of additional passengers as is mentioned in section 24, he shall be punished with fine which may extend to five hundred rupees for every such offence, or with imprisonment for a term which may extend to three months, or with both.

Penalty for fraudulent alteration in ship after certificate obtained.

35 If a master, after having obtained any of the certificates mentioned in section 9, section 19, or section 24, fraudulently does or suffers to be done anything whereby the certificate becomes inapplicable to the altered state of the ship, her passengers, or other matters to which the certificate relates, he shall be punished with fine which may extend to two thousand rupees, or with imprisonment for a term which may extend to six months, or with both.

- Penalty for failing to supply passengers with prescribed provisions. 36 If a master without reasonable excuse, the burden of proving which shall lie upon him, omits to supply to any passenger the allowance of food, fuel, and water prescribed by the rules under this Act, he shall be punished with fine which may extend to twenty rupees for every passenger who has sustained detriment by the omission.
- Penalty for having excessive number of passengers on board. 37 (1) If a ship carrying passengers to or from any port or place in British India has on board a number of passengers which is greater than the number allowed for the ship by or under this Act, the master and owner shall, for every passenger over and above that number, be each punished with fine which may extend to twenty rupees, and the master shall further be liable to imprisonment for a term which may extend to one week in respect of each such passenger :
Provided that the aggregate term of imprisonment awarded under this section shall not exceed six months.
(2) Any officer authorized in this behalf by the Local Government may cause all passengers over and above the number allowed by or under this Act to disembark, and may forward them to any port at which they may have contracted to land, and recover the cost of so forwarding them from the master or owner of the ship as if the cost were a fine imposed under this Act, and a certificate under the hand of that officer shall be conclusive proof of the amount of the cost aforesaid.
- Penalty for bringing passengers from foreign port in excess of authorized number. 38 If a ship carrying passengers from any port or place beyond British India to any port or place in British India has on board a number of passengers greater either than the number allowed for the ship by or under this Act or than the number allowed by the license or certificate, if any, granted in respect of the ship at her port or place of departure, the master and owner shall, for every passenger in excess of that number, be each punished with fine which may extend to twenty rupees.
- Penalty for landing passenger at a place other than that at which he has contracted to land. 39 If the master of a ship lands any passenger at any port or place other than the port or place at which the passenger may have contracted to land, unless with his previous consent, or unless the landing is made necessary by perils of the sea or other unavoidable accident, the master shall, for every such offence, be punished with fine which may extend to two hundred rupees, or with imprisonment for a term which may extend to one month, or with both.
- Penalty for making voyage in contravention of contract with passengers. 40 If a ship, otherwise than by reason of perils of the sea or other unavoidable accident, touches at any port or place in contravention of any express or implied contract or engagement with the passengers with respect to the voyage which the ship was to make and the time which that voyage was to occupy, whether the contract or engagement was made by public advertisement or otherwise, the master and owner shall each be punished with fine which may extend to five hundred rupees, or with imprisonment for a term which may extend to three months, or with both.
- Penalty on master and owner of certain ships not propelled by steam. 41 If a ship carrying passengers from or to any port in British India to or from any port in the Red Sea is not propelled principally by steam as required by section 25, the master and owner shall each be punished with fine which may extend to five hundred rupees, or with imprisonment which may extend to three months, or with both.
- Penalty on master of certain ships sailing without medical officer. 42 If a ship carrying more than one hundred passengers from or to any port in British India to or from any port in the Red Sea has not on board a medical officer as required by section 26, the master of the ship shall be punished with fine which may extend to five hundred rupees, or with imprisonment for a term which may extend to three months, or with both.
- Penalty for not obtaining bill of health at Aden. 43 If in the case of a ship to which section 27 applies the master without reasonable excuse, the burden of proving which shall lie upon him, fails to touch at Aden, or leaves that port without having obtained a bill of health under that section, he shall, for every such offence, be punished with fine which may extend to two thousand rupees, or with imprisonment for a term which may extend to six months, or with both.
- Penalty on master or medical officer of certain ships disobeying rules. 44 If in the case of any such ship as is referred to in the last foregoing section the master or the medical officer, if any, of the ship, without reasonable excuse, the burden of proving which shall lie upon him, breaks, or omits, or neglects to obey, any rule under this Act applicable to the ship, he shall be punished with fine which may extend to five hundred rupees, or with imprisonment for a term which may extend to three months, or with both.
- Penalty on master receiving passenger in contravention of section 30. 45 If the master of a ship to which a direction under section 30 applies knowingly receives on board the ship any person in contravention of that section, he shall be punished with fine which may extend to five hundred rupees for each person so received, or with imprisonment which may extend to three months, or with both.

Procedure.

- Adjudication of offences, and levy of fine by distress on ship. 46 (1) Offences against this Act shall be punishable by a Magistrate.
- (2) If the person on whom a fine is imposed under this Act is the master or owner of a ship, and the fine is not paid at the time and in the manner prescribed by the order of payment, the magistrate may, in addition to the ordinary means prescribed by law for enforcing payment, direct by warrant the amount remaining unpaid to be levied by distress and sale of the ship, her tackle, furniture, and apparel.
- Jurisdiction. 47 For the purpose of the adjudication of penalties under this Act, every offence against its provisions shall be deemed to have been committed within the limits of the jurisdiction of the magistrate of the place where the offender is found.
- Authority to institute proceedings for penalties. 48 The penalties to which masters and owners of ships are made liable by this Act shall be enforced only on information laid at the instance of officers appointed to grant certificates under this Act, or, at any port or place where there is no such officer, at the instance of the Chief Customs Officer.
- Application of fines. 49 A magistrate imposing a fine under this Act may, if he thinks fit, direct the whole or any part thereof to be applied in compensating any person for any detriment which he may have sustained by the act or default in respect of which the fine is imposed, or in or towards payment of the expenses of the prosecution.
- Depositions of absent witnesses. 50 (1) Whenever in the course of any legal proceeding under this Act the testimony of a witness is required in relation to the subject-matter of the proceeding, any deposition which he may have previously made in relation to the same subject-matter before any justice or magistrate in Her Majesty's dominions (including all parts of India other than those subject to the same Local Government as the port or place where the proceeding is instituted), or before any British consular officer elsewhere, shall be admissible in evidence on proof that the witness cannot be found within the jurisdiction of the court in which the proceeding is instituted :
- Provided that the deposition shall not be admissible unless—
- (a) it is authenticated by the signature of the justice, magistrate, or consular officer ;
 - (b) it was made in the presence of the person accused ; and
 - (c) the fact that it was so made is certified by the justice, magistrate, or consular officer.
- (2) It shall not be necessary in any case to prove the signature or official character of the person appearing to have signed any such deposition ; and in any criminal proceeding such certificate as aforesaid shall, unless the contrary is proved, be sufficient evidence of the accused having been present in manner thereby certified.

CHAPTER VI.

MUNICIPALITY OF GALLE.

Minutes of Proceedings of a Meeting of the Municipal Council of Galle held at the Municipal Office on February 24, 1894, at 3 p.m.

Present :—The Chairman ; Dr. W. Dias ; R. L. Symes, Esq. ; Hon. P. D. Anthonisz, C.M.G. ; C. P. Hayley, Esq. ; W. Abeyesundere, Esq. ; C. L. M. Abdul Carim, Esq. ; and D. G. Gunawardene, Esq.

1. Read and confirmed Minutes of Meeting held on December 16, 1893.

2. Before proceeding to the Order of the Day the Chairman expressed his pleasure in meeting the new Council, composed, as it was, of gentlemen eminently qualified to discharge the duties imposed on them by the Municipal Councils' Ordinance. He directed their attention to section 80 of the Ordinance, especially to sub-section (g), and said he would be happy if his colleagues on the Board will bring to his notice any neglect in the execution of Municipal work, any waste of Municipal property, the wants of any locality, and any suggestions for any improvements that may appear desirable.

3. Submitted correspondence with Government in regard to the regulations contemplated by sections 9 and 10 of the Rabies Ordinance.

The Chairman explained the aim and object of the Ordinance, and promised to draft out a set of regulations, which will be circulated among the Members previous to their being brought up for consideration at the next meeting.

4. Submitted a letter from the Director of Public Works to the Hon. the Colonial Secretary forwarded to the Government Agent, Southern Province, and referred by him to the Municipal Council on the subject of the Moragoda flood-outlet, with a reply from the Government Agent.

Resolved.—That the Council accepts the proposal of the Director of Public Works as to work on a section of the Moragoda-ela during the current year as a first instalment, and hopes that further provision will be made by Government for its completion. The resources of the Municipality are insufficient to undertake the work the Director of Public Works proposes to impose on it. The Council has frequently pressed on the Government the necessity for flood-outlets, and the answer His Excellency the Governor was graciously pleased to give on the last occasion, when his notice was called to it, led the Council to believe that the work will be done at the cost of Government. The Council is not aware that any arrangement was made by which a portion of the cost of the work was to be borne by the Municipality.

5. Submitted a letter from the Sanitary Officer recommending certain sites for the erection of public latrines. Resolved.—That the matter lie over for the present.

6. The Chairman submitted for the information of the Council a statement of works already undertaken for the current year, and of those he proposed to commence at an early date :—

Works undertaken.—(1) Clearing the bed of the Bikke reservoir ; (2) paving the channel to the reservoir ; (3) building a wall to separate the temple premises from the catchment area of the reservoir ; (4) clearing the catchment area of jungle ; (5) building a cart shed ; (6) building a betel shed opposite the Police Court ; (7) building a betel shed by the side of new China Garden road ; (8) clearing the Kepu-ela ; (9) building a smallpox cart ; (10) clearing the rampart walls ; (11) building a pigsty and slaughter-house ; (12) renewing sea bathing-place No. 2 ; (13) supporting Bope bridge ; (14) renewing Pedlar street sewer.

Works proposed to be undertaken.—(1) Improving the Petigalla-ela ; (2) erecting additional latrines ; (3) providing additional lamps to Ward No. 2 ; (4) improving the Municipal Office ; (5) repairing the foot-bridge over the Kepu-ela ; (6) improving the esplanade.

7. The Chairman informed the meeting of the action he had taken as Government Agent in selecting a site for a general cemetery. The land chosen lay on the east of the Colombo road near the 70th milestone, and consisted of about 12 acres.

Resolved.—That this Council approve of the choice made.

8. The Council proceeded in terms of section 88 of Ordinance No. 7 of 1887 to elect by ballot a Standing Committee for 1894, when the following were elected :—Mr. A. Murray, Hon. P. D. Anthonisz, Mr. C. P. Hayley, Mr. Abdul Carim, and Mr. R. L. Symes.

9. Submitted accounts up to December 31, 1893, and for January, 1894.

10. Submitted Superintendent's reports for December, 1893, and January, 1894.

Ordered.—That the accounts and reports be circulated among the Members of the Council.

Indian Ocean—Kerguelen, St. Paul, and Amsterdam Islands.—Establishment of Provision Depôts.

The British Admiralty has given notice (No. 79 of 1894) that depôts containing provisions and clothing for the use of ship-wrecked seamen have been established by the vessel-of-war *Eure* on Kerguelen, St. Paul, and Amsterdam islands.

1. *Kerguelen Island.*—The depôt is situated in the south-eastern part of Jachmann peninsula, Hillsborough bay, near the south-western shore of the eastern lake, and about half a mile northward of the coast, opposite Gazelle basin. It is in a cave at the foot of the west cliff of a rocky chasm, running north and south, and its position is indicated by a stone cairn, $11\frac{1}{2}$ ft. in height, and about 14 ft. broad at the base, erected on the summit of the west cliff of the chasm.

This cairn, visible from Gazelle basin, is painted black, and shows clearly against the gray rocks which form the background.

The entrance to the cave has been closed by large stones, and on cliff a few yards above it is the inscription "Vivres et Vêtements, *Eure*, Janvier, 1893."

Approximate position: lat. $49^{\circ} 16' 45''$ S., long. $69^{\circ} 40' 30''$ E.

This depôt contains:—

2,250 lb. of preserved beef in boxes of 9 lb.

1,125 lb. of biscuits.

20 swan-skin shirts.

20 pairs of woollen drawers.

20 woollen blankets.

4 packets of matches.

The boxes of preserved beef are stowed in a pile, coated with coal tar. The biscuits are in 4 iron-hooped barrels, thickly covered with coal tar. The clothes are in two similar barrels. The matches are in box, similar to the beef boxes, painted with minium (red lead) and with a label of the contents on it.

In the event of the cairn being destroyed the following directions should be followed to find the depôt. Land on the north side of the inlet opposite Gazelle basin, in a small creek, sheltered by a rocky point, where boats may go alongside under any circumstances of wind or tide. Proceed directly inland about half a mile as far as the shore of the lake, then turn to the westward and follow the lake to its western end, where the chasm in which the depôt is situated will be seen on the left hand.

2. *St. Paul Island.*—The depôt is in a hut of rough stones with a thatched roof, situated on the northern side of the crater, near the jetty and about 50 yards from the flagstaff.

Approximate position: lat. $38^{\circ} 42' 45''$ S., long. $77^{\circ} 34' 40''$ E.

This depôt contains:—

1,350 lb. of preserved beef in boxes of 9 lb.

1,125 lb. of biscuits.

10 woollen shirts.

10 blankets.

1 soldered metal box containing 4 packets of matches.

The provisions and clothes are in 13 iron-hooped barrels, coated with tar and sand, and placed under a tarpaulin. On the door of the hut is the inscription "France, Vivres et Vêtements pour naufragés, *Eure*, Janvier, 1893"; and a similar inscription is on a board within the hut.

3. *Amsterdam Island.*—The depôt is a large cavern, on the side of a hill, about W. by S. $\frac{1}{4}$ S. (S. 73° W.), 800 yards from Hosken Point, the north-east extreme of the island, and bears W. $\frac{1}{2}$ N. (N. 85° W.), distant about 600 yards from the first flagstaff southward of that point.

At the entrance to the cavern is a board, fixed to two upright tarred posts, with the inscription "France, Vivres, Vêtements pour naufragés, *Eure*, Janvier, 1893," on it.

This depôt contains:—

1,350 lb. of preserved beef.

1,125 lb. of biscuits.

10 woollen shirts.

10 pairs cotton drawers.

10 blankets.

1 soldered metal red box containing 4 packets of matches.

Approximate position: lat. $37^{\circ} 48' 50''$ S., long. $77^{\circ} 32' 30''$ E.

The landing place used by the *Eure* is about 400 yards southward of Hosken Point, and under the flagstaff mentioned above.

Directions for finding the Depôt on Amsterdam.—Having landed, go to either of the flagstaffs, from whence a cross will be seen; from the cross follow the direction of its arms, leading past two ruins of rough stones, and then directly to the cavern, the entrance to which faces seaward. In the cavern, besides the provisions and clothing, there are cots, a cooking pot, and dry wood left by the fishermen who sometimes live there. Cabbage and celery will be found near, and fish and lobsters (crawfish) abound near the landing place.

Variation (3°) 21° Westerly in 1894.

BENGAL.—No. 54.

Pacific Ocean—Gilbert Islands—Sunken Rocks in Peacock Anchorage—Taputeua.

The British Admiralty has given notice (No. 85 of 1894) of the existence of a dangerous patch of rocks, about 4 cables in extent, north and south, and on which a depth of 16 ft. was obtained (although probably there

is less water), lying in the south-eastern part of Peacock anchorage, west side of Taputeuca (Drummond atoll).

From these rocks, locally known as Horses' heads, the sandbank marked Cov. H. W. Sp. bears E.S.E. (S. 67° E.), distant three-quarters of a mile; and the west extreme of Utiroa N.N.W. $\frac{3}{4}$ W. (N. 31° W.).

Approximate position: lat. 1° 13' S., long. 174° 41 $\frac{1}{4}$ ' E. Variation 9° easterly in 1894.

TRANSFER OF SHARES.

22. *Transfer of Shares.*—Subject to the restriction of these Articles any Shareholder may transfer all or any of his shares. The instrument of transfer of any share shall be in writing signed both by transferor and transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the register in respect thereof.

28. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor or his right to transfer his shares, and a fee of rupees two and cents fifty (Rs. 2.50), or such other sum as the Directors shall from time to time determine, must be paid; and thereupon the Directors, subject to the powers vested in them by Articles 26 and 27 and 29 shall register the transferee as a Shareholder and retain the instrument of transfer.

29. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

30. *Directors not bound to inquire as to validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

31. *When Transfer Books may be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the first General Meeting, also when a dividend is declared for the three next days ensuing the meeting.

TRANSMISSION OF SHARES.

32. *Title to Shares of Deceased Holder.*—The executors or administrators of a deceased Shareholder shall be the only persons recognized by the Company as having any title to the shares of such Shareholder.

33. *Registration of Persons entitled to Shares otherwise than by transfer.*—Any guardian of any infant Shareholder, or any committee of a Lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title as the Company think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares, or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

34. *Failing such registration Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 33 shall not, from any cause whatever, within twelve calendar months after the event of the happening of which his title shall accrue, be registered in respect of such share, or if, in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

35. *Exercise of Rights.*—No person shall exercise any rights of a Shareholder until his name shall have been entered in the register of Shareholders, and he shall have paid all calls and other moneys for the time being payable on every share in the Company held by him.

SHARES (SURRENDER AND FORFEITURE).

36. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

37. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, requiring him to pay the same, together with any interest that may have accrued and all expenses that may have been incurred by the Company by reason of such non-payment.

38. *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

39. *In default of payment Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalment, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

40. *Shareholder still liable to pay Money owing at time of forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture, until payment, at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

41. *Surrendered or forfeited Shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

44. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share, *bonâ fide* sold or re-allotted, or otherwise disposed of under Article 41 hereof, shall be redeemable after sale or disposal.

45. *Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders, for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not

have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons, and such lien shall extend to all dividends declared on such shares. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary that the power of sale given by clause 46 has arisen, and is exercisable by the Company under these presents shall be conclusive evidence of the facts therein stated.

49. *Transfer on sale how executed.*—Upon any such sale, two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

CALLS.

50. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment. Any such call may be made payable either in one sum or two or more instalments.

51. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

52. *Extension of time for payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

53. *Liability of Joint-holders.*—Joint-holders of a share should be severally as well as jointly liable for all instalments and calls in respect thereof.

54. *Payments in anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up, and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter, as exceeds the amount of the calls then made upon, and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholder and the Directors may agree upon, not exceeding, however, six per cent. per annum.

BORROWING POWERS.

55. *Power to Borrow.*—The Directors may from time to time at their discretion borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed rupees ten thousand (Rs. 10,000); only with the sanction of a General Meeting the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary or two Directors to the effect that in taking any loan the Directors are not exceeding their borrowing powers shall be sufficient and binding on the Company and all concerned.

56. *Security for repayment.*—For the purposes of securing the repayment of any such moneys so borrowed or raised or for any other purpose the Directors may create and issue any mortgages, debentures, debenture stock, bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights of the Company, both present and future, including uncalled capital or unpaid calls, or by giving, accepting, or endorsing on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium of discount, and may from time to time be varied or exchanged, as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares or otherwise.

57. *Assignment of Security.*—Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may have been issued.

GENERAL MEETINGS.

58. *First General Meeting.*—The first General Meeting shall be held at such time not being more than twelve months after the registration of the Company as the Directors may determine.

59. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

60. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in clauses 58 and 59 shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

61. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, convene an Extraordinary General Meeting, and shall do so upon a requisition being made in writing by one or more Shareholders holding in the aggregate not less than one-fourth of the issued capital.

62. *Requisition to state object of Meeting; if Directors fail to call Meeting, Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, shall be signed by the Shareholders making the same, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. *Seven days' notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and, save as hereinafter provided, the objects and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

PROCEEDINGS AT GENERAL MEETINGS

64. *Business not requiring Notification.*—Every Ordinary General Meeting shall be competent without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and auditors retiring in rotation, and to fix the remuneration of the auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

65. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

66. *Quorum.*—No business shall be transacted at any General Meeting except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present in person at the commencement of the business five or more Shareholders entitled to vote.

67. *If Quorum not Present.*—If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved; but in any other case it shall stand adjourned to the same day in the next week at the same time and place. And if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

68. *Chairman of General Meeting.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman, and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

69. *Business confined to election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting, except the election of a Chairman whilst the chair is vacant.

70. *Chairman with consent may adjourn Meeting.*—The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

71. *Minutes of General Meeting.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

72. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately demanded in writing by at least three members present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company shall be sufficient evidence of the fact, without proof of the number of votes recorded in favour of or against such resolution.

73. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

74. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing, signed by three Shareholders present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

75. *No Poll on election of Chairman or on question of Adjournment.*—No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

76. *Number of votes to which Shareholder entitled.*—On a show of hands every Shareholder shall have one vote only. In case of a poll every Shareholder shall have one vote for every share up to ten, an additional vote for every five shares beyond the first ten up to one hundred, and an additional vote for every ten shares beyond the first hundred up to four hundred, beyond which shares will not carry votes.

77. *Guardian of Infant, &c., when not entitled to vote.*—The parent or guardian of an infant Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

78. *Voting in Person or by Proxy.*—Votes may be given personally or by proxy. The instrument appointing a proxy shall be in print or in writing, and shall be under the hand of the appointor, or if such appointor is a corporation under its common seal. Except that a corporation being a Shareholder may appoint as proxy a member or officer of its own, no person shall be appointed a proxy who is not a member of the Company and qualified to vote. Any Shareholder residing in foreign parts may deposit in the office of the Company an instrument of proxy (properly stamped for this purpose) valid for all meetings whatever during such absence and until revocation.

79. *When Proxy to be deposited.*—The instrument appointing a proxy shall be deposited at the registered office of the Company not less than twenty-four hours before the time for holding the meeting at which the person named in such instrument proposes to vote, but no instrument appointing a proxy shall be valid after the expiration of twelve months from the date of its execution, except that it may be used on the adjournment of the meeting for

which it was originally intended to be given, and except that any member absent abroad may deposit an instrument of proxy in the office as provided by clause 77.

80. *Validity of vote in event of death of Principal.*—A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death of the principal or revocation of the appointment, unless notice in writing of the death or revocation shall have been received at the office of the Company twenty-four hours at least before the meeting.

81. *Member in Arrear not to vote.*—No Shareholder shall be entitled to be present or vote on any question, either personally or by proxy, or as proxy for another Shareholder, except only as proxy for a corporation of which he is a member or officer, at any General Meeting, or upon a poll, or be reckoned in a quorum whilst any call or other sum shall be due and payable to the Company in respect of any shares of such Shareholder.

82. *Form of Proxy.*—Any instrument appointing a proxy shall be as nearly as circumstances will admit in the following form:—

The New Colombo Ice Company, Limited.

I _____, of _____, appoint _____, of _____ (a Shareholder in the Company), as my proxy to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the _____ day of _____, one thousand eight hundred and _____, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this _____ day of _____, one thousand eight hundred and _____.

Signed in the presence of _____

83. *Objection to validity of vote.*—No objection shall be made to the validity of any vote (whether given personally or by proxy) except at the meeting or poll at which such vote shall be tendered, and every vote (whether given personally or by proxy) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

84. *No Shareholder to be prevented from voting by being personally interested in result.*—No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

85. *Shareholder should be registered for three months previous to Meeting before he can vote.*—Every Shareholder not disqualified by the preceding Articles, who has been duly registered for three months previous to the General Meeting, shall be entitled to be present and to speak and vote at all meetings.

86. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such guarantee or any such right of preference, whether in respect of dividend or of repayment of capital or both, or any such other privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, or with any such right of voting, and generally on such terms as the Company may from time to time determine in General Meeting.

87. *Resolutions affecting a particular class of Shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders consent on behalf of all the holders of shares of the class to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares, and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolution could have been effected without it.

88. *Meeting affecting a particular class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director shall be entitled to notice thereof, or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any five members personally present and entitled to vote at the meeting.

A first Director may act before acquiring his qualification, but shall in any case acquire the same within one month from his appointment. As a remuneration for their services the Directors shall be entitled to appropriate a sum not exceeding rupees three thousand (Rs. 3,000) annually to be divided between them in such manner as they may determine, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered as including any remuneration for special or extra services hereinafter referred to, nor any extra remuneration to the Managing Directors of the Company.

91. *Appointment of First Directors, and duration of their Office.*—The first Directors shall be Stanley Bois of Colombo, Archibald Forsyth of Colombo, Villiers Alexander Julius of Colombo, the Honourable William Wilson Mitchell of Colombo, William Stephen Tudor Saunders of Dikoya, and Garlick Wilhelm Suhren of Colombo, who shall hold office till the first Ordinary Meeting, when they shall all retire, but shall be eligible for re-election.

97. *Retiring Directors how determined.*—The Directors to retire from office at the second and third Ordinary General Meeting shall, unless the Directors otherwise arrange among themselves, be determined by ballot; in every subsequent year the Directors to retire shall be those who have been longest in office, but a Managing Director shall not, while he holds such office, be subject to retire by rotation.

98. *Retiring Directors eligible for re-election.*—Retiring Directors shall be eligible for re-election.
