23. *No transfer to Infant or Person of Unsound Mind.*—No transfer of shares shall be made to an infant or person of unsound mind.

24. *Form of Transfer.*—Shares when transferable may be transferred by any usual common form of instrument of transfer.

35. *Exercise of Rights.*—No person shall exercise any rights of a Shareholder until his name shall have been entered in the register of Shareholders, and he shall have paid all calls and other moneys for the time being payable on every share in the Company held by him.

SHARES (SURRENDER AND FORFEITURE).

36. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

37. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call, or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, requiring him to pay the same, together with any interest that may have accrued and all expenses that may have been incurred by the Company by reason of such non-payment.

38. *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

39. *In default of payment Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalment, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

40. *Shareholder still liable to pay Money owing at time of forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture, until payment, at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

41. *Surrendered or forfeited Shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

44. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share, *bonâ fide* sold or re-allotted, or otherwise disposed of under Article 41. hereof, shall be redeemable after sale or disposal.

45. *Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders, for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not

have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons, and such lien shall extend to all dividends declared on such shares. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary that the power of sale given by clause 46 has arisen, and is exercisable by the Company under these presents shall be conclusive evidence of the facts therein stated.

49. *Transfer on sale how executed.*—Upon any such sale, two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

CALLS.

50. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment. Any such call may be made payable either in one sum or two or more instalments.

51. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

52. *Extension of time for payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

53. *Liability of Joint-holders.*—Joint-holders of a share should be severally as well as jointly liable for all instalments and calls in respect thereof.

54. *Payments in anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up, and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter, as exceeds the amount of the calls then made upon, and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholder and the Directors may agree upon, not exceeding, however, six per cent. per annum.

BORROWING POWERS.

55. *Power to Borrow.*—The Directors may from time to time at their discretion borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed rupees ten thousand (Rs. 10,000); only with the sanction of a General Meeting the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary or two Directors to the effect that in taking any loan the Directors are not exceeding their borrowing powers shall be sufficient and binding on the Company and all concerned.

56. *Security for repayment.*—For the purposes of securing the repayment of any such moneys so borrowed or raised or for any other purpose the Directors may create and issue any mortgages, debentures, debenture stock, bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights of the Company, both present and future, including uncalled capital or unpaid calls, or by giving, accepting, or endorsing on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be varied or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares or otherwise.

57. *Assignment of Security.*—Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may have been issued.

GENERAL MEETINGS.

58. *First General Meeting.*—The first General Meeting shall be held at such time not being more than twelve months after the registration of the Company as the Directors may determine.

59. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

60. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in clauses 58 and 59 shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

61. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, convene an Extraordinary General Meeting, and shall do so upon a requisition being made in writing by one or more Shareholders holding in the aggregate not less than one-fourth of the issued capital.

62. *Requisition to state object of Meeting; if Directors fail to call Meeting, Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, shall be signed by the Shareholders making the same, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. *Seven days' notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and, save as hereinafter provided, the objects and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

PROCEEDINGS AT GENERAL MEETINGS.

64. *Business not requiring Notification.*—Every Ordinary General Meeting shall be competent without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and auditors retiring in rotation, and to fix the remuneration of the auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

65. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

66. *Quorum.*—No business shall be transacted at any General Meeting except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present in person at the commencement of the business five or more Shareholders entitled to vote.

67. *If Quorum not Present.*—If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved; but in any other case it shall stand adjourned to the same day in the next week at the same time and place. And if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

68. *Chairman of General Meeting.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman, and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

69. *Business confined to election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting, except the election of a Chairman whilst the chair is vacant.

70. *Chairman with consent may adjourn Meeting.*—The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

71. *Minutes of General Meeting.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

72. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately demanded in writing by at least three members present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company shall be sufficient evidence of the fact, without proof of the number of votes recorded in favour of or against such resolution.

73. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

74. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing, signed by three Shareholders present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

75. *No Poll on election of Chairman or on question of Adjournment.*—No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

76. *Number of votes to which Shareholder entitled.*—On a show of hands every Shareholder shall have one vote only. In case of a poll every Shareholder shall have one vote for every share up to ten, an additional vote for every five shares beyond the first ten up to one hundred, and an additional vote for every ten shares beyond the first hundred up to four hundred, beyond which shares will not carry votes.

77. *Guardian of Infant, &c., when not entitled to vote.*—The parent or guardian of an infant Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

78. *Voting in Person or by Proxy.*—Votes may be given personally or by proxy. The instrument appointing a proxy shall be in print or in writing, and shall be under the hand of the appointor, or if such appointor is a corporation under its common seal. Except that a corporation being a Shareholder may appoint as proxy a member or officer of its own, no person shall be appointed a proxy who is not a member of the Company and qualified to vote. Any Shareholder residing in foreign parts may deposit in the office of the Company an instrument of proxy (properly stamped for this purpose) valid for all meetings whatever during such absence and until revocation.

79. *When Proxy to be deposited.*—The instrument appointing a proxy shall be deposited at the registered office of the Company not less than twenty-four hours before the time for holding the meeting at which the person named in such instrument proposes to vote, but no instrument appointing a proxy shall be valid after the expiration of twelve months from the date of its execution, except that it may be used on the adjournment of the meeting for

which it was originally intended to be given, and except that any member absent abroad may deposit an instrument of proxy in the office as provided by clause 77.

80. *Validity of vote in event of death of Principal.*—A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death of the principal or revocation of the appointment, unless notice in writing of the death or revocation shall have been received at the office of the Company twenty-four hours at least before the meeting.

81. *Member in Arrear not to vote.*—No Shareholder shall be entitled to be present or vote on any question, either personally or by proxy, or as proxy for another Shareholder, except only as proxy for a corporation of which he is a member or officer, at any General Meeting, or upon a poll, or be reckoned in a quorum whilst any call or other sum shall be due and payable to the Company in respect of any shares of such Shareholder.

82. *Form of Proxy.*—Any instrument appointing a proxy shall be as nearly as circumstances will admit in the following form:—
