2. Applications for admission to the examination by persons not now in the Public Service must be addressed to the Director of Public Instruction, must bear a duly cancelled stamp of Rs. 10 with the words "Ceylon Stamp Duty" only, without the words "Judicial" or "Warehouse Warrant" printed thereon, and must be in the form (Schedule A) attached to this notice. Forms are to be obtained at any Post Office on application, or within four days' notice. A certificate of the registration of the candidate's birth showing him to be on March 29, 1909, between the ages of 18 and 21, and a certificate of good character signed by a responsible person,* to the satisfaction of the Director of Public Instruction, must be attached to the form of application. If a certificate of birth for a previous examination was sent in, reference may be made to it by mentioning name and date of examination. Affidavits will in no circumstances be accepted. In the case of candidates who submit certificates of registration in the register of past birth, the certificates will only be accepted after consideration of the evidence by which the dates of birth were established. If the name appearing in the birth register differs, either by alteration or addition, from the name by which the candidate is known, the parent or guardian should, before obtaining a certificate, apply to the Registrar-General or his Assistant for such alteration in the manner set forth in section 7 of Ordinance No. 23 of 1900.

3. Clerks in Government service, from whatever funds they may be paid, who have completed three years' satisfactory service and are not members of the Customs, Postal, Survey, or Railway Departments, and those clerks employed by Provincial and District Road Committees whose appointments date prior to July 1, 1875, are eligible for examination irrespective of age and without fee. Their applications (in the same form, Schedule A) for admission to the examination should be forwarded to the Director of Public Instruction through the Heads of their Departments.

If a person convicted of a crime is sentenced to imprisonment, the court officer or other police officer at the court of conviction shall note on the back of his committal the prisoner's number in the Identification Office, and all his previous convictions of crime if there are such. The Jailer of the prison to which such prisoner is admitted shall note such number in the Admission Register. If there is no number on the committal, the Jailer shall inform the Provincial or District Registrar, who will see that the prisoner is measured forthwith.

Persons who have escaped measurement may be required by the Police Magistrate to be measured.

WITH reference to the Notification dated August 5, 1908, published in the *Gazette* of August 7, 1908, the following revised Regulations regarding Tenders, which have been approved by His Excellency the Governor, are published for general information.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, January 30, 1909.

HUGH CLIFFORD,
Colonial Secretary.

TENDER REGULATIONS.

I.—FOR THE PERMANENT TENDER BOARD.

1. Subject to certain reservations hereinafter made, all Supplies and Services over Rs. 1,500 required by the several Departments of the Public Service in Ceylon, payment for which is made from Public Funds, shall, unless otherwise ordered, be offered, as far as possible, to public competition. Every publicity shall be given to notices inviting Tenders, by advertisement in the *Gazette* and in one or more local Newspapers.

2. The permanent Tender Board shall consist of the following officers:—

The Controller of Revenue	Chairman.
The Controller of Government Stores	} Members.
The Head of the Department calling for Tenders	

The Principal Collector of Customs will be Additional Member, to act in the absence of the Controller of Revenue, or when the Controller of Government Stores Officer is himself the Head of the Department calling for Tenders.

In the unavoidable absence of any of the permanent members, the Colonial Secretary will appoint other members.

Three members to form a quorum.

3. All Tenders shall be in duplicate and addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo, and shall either be sent through the post, in which case they must be sealed, or deposited in a box provided for that purpose in the Office of the Controller of Revenue. Any Tender which is brought before the Board through any other channel will not be taken into consideration.

4. (i.) Tenders shall be called for by the Head of the Department concerned, and a copy of the Notice calling for Tenders shall forthwith be sent to the Chairman and all Members of the Tender Board. The sending of such Notice shall be sufficient notification for the meeting of the Tender Board, and the Members shall assemble at the Office of the Controller of Revenue at the hour of the closing of the Tenders, unless otherwise notified.

(ii.) The presence of all the three Members of the Board is not necessary at the first meeting of the Board (*i.e.*, the meeting for opening Tenders), except when in their opinion the service is of such a nature that it can be dealt with finally without a further sitting. When, however, Heads of Departments are absent from the first meeting, they should see that the Comparative Schedule referred to in paragraph 6 below is furnished to the Chairman of the Board before the opening of Tenders.

5. At the hour of closing, the box shall be cleared and the Tenders opened by or under the immediate supervision of the Chairman, or a Member deputed by him and one other Member, and they shall forthwith be authenticated by the Chairman, together with the date on which the same were opened.

6. The Head of the Department calling for Tenders shall bring with him to the Meeting of the Board the "Comparative Schedule" (on Form T.B. 1), giving the rates under the existing Contract and all other information required on that Form.

7. The original Tenders must be locked in the Chairman's safe, and the duplicates must be scheduled on the Form T.B. 1 (supplied by the Head of the Department) by the Clerk to the Tender Board, numbers being given to the various Tenders in order that the name of the Tenderer shall not appear on the Schedule. On no account are original or duplicate Tenders to be allowed to be taken out of the Tender Board Office. The Schedule when prepared must be referred to the Head of the Department concerned for report.

8. (i.) When the Schedule and the report of the Head of the Department are returned to the Chairman, he shall summon a meeting of the Board.

(ii.) The Board will then check the Schedule with the original Tenders kept by the Chairman and finally consider the Tenders.

9. (i.) The Board shall, in every case, transmit to the Colonial Secretary the following documents:—

- (a) A copy of the advertisement inviting Tenders.
- (b) The original Tenders received.
- (c) A Comparative Schedule giving the rates under existing Contract (if there be one) and those of all Tenders submitted, and embodying the recommendations of the Tender Board. In cases where there is no existing Contract and only one Tender has been received, this form is unnecessary.
- (d) In cases of Public Works, the sanctioned estimate of the probable cost of the work to be executed.

(ii.) The Chairman of the Tender Board shall also forward to the Colonial Auditor the duplicate copies of the Tenders which Government has decided to accept, certifying that such duplicates have been verified with the original copies.

10. In cases of Tenders for purely local requirements, such as small works, or supplies amounting to a less sum than Rs. 1,500, Tenders will not be dealt with by the Permanent Tender Board, but by the Departmental Officer responsible for the Service, subject to the approval of the Head of the Department.

11. It is expedient that all Tenders should, as far as practicable, and unless otherwise ordered, be invited for the term of the financial year, commencing on the 1st January and terminating on the 31st December.

12. The Tender Board is authorized and empowered, when occasion arises, to call in the aid of professional or other expert advisers, to whom such remuneration may be paid as the Board shall consider fair and reasonable.

13. A money deposit (the amount to be notified in the advertisement calling for Tenders for the service in question) will be required before any form of Tender is issued, and should any person decline to enter into the Contract and Bond after he has tendered, or fail to furnish approved security, such deposit will be forfeited to the Crown; all other deposits will be returned after the Contract has been signed. The deposit must be made at the Treasury or Kachcheri and the deposit receipt must be produced to the Officer issuing the Form of Tender, as his authority for making the issue, as an indication that this deposit has been made. The words "Deposit Receipt seen," or "D. R. seen," as indicating these words, must be endorsed on the margin of the Form issued, and initialled and dated by such officer.

14. No Tender will be considered unless it is on the appropriate printed form (*vide annexures*), and unless, when so desired, accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the Contract.

15. Before the recommendation of any Tender for acceptance, the tenderer may, if the Board thinks it necessary, be required to deposit sealed samples with the Head of the Department.

16. As soon as the acceptance of a Tender is notified to the Head of the Department concerned, he will cause a letter in the accompanying Form T.B. 2 to be addressed to each of the parties whose Tenders have been accepted, and will take the further necessary steps for the completion of the Contract by causing the security required to be lodged and verified in the usual manner, and the Bond signed by the Contractor and, where a cash security is not given, by his Sureties. The letter from the party tendering, the Schedule of prices, and the Bond with Conditions of Contract will then form the complete Contract, and should be retained by the Head of the Department concerned, copies thereof being at once forwarded to the Colonial Auditor. No copies of contracts need, however, be furnished when the conditions of these contracts are already attached to the duplicate tenders forwarded by the Chairman of the Tender Board to Audit, as in the case of the Jail and Hospital tenders, and when no modifications of such conditions have subsequently been made.

17. Services connected with Salt will be exempt from the operation of the above regulations, and will continue to be dealt with as heretofore. Those costing under Rs. 500 will be finally decided upon by the Government Agent, and those above that amount by the Hon. the Controller of Revenue. The Regulations appearing in Part III. will apply to Tenders invited for Salt services, with the exception that duplicate Tenders will be sent to the Controller of Revenue in all cases which are to be dealt with by him.

II.—FOR HEADS OF DEPARTMENTS.

1. Notices calling for Tenders should be substantially in the annexed Form T.B. 3, further conditions and explanation being added where necessary.

2. (i.) Notices should, as far as practicable, be forwarded to the Controller of Revenue in sufficient time to allow of three clear months between the date fixed for receipt and opening of Tenders and the day on which the service is to commence, provision being made for the publication of the advertisement in the *Government Gazette* and in one or more local Newspapers.

(ii.) The notice should appear in full three times in the *Gazette*, but it is not necessary to advertise more than the substance of the notice in the Newspapers, nor need the advertisement necessarily appear in more than one issue thereof.

3. In case of Tenders for Postal Service (Conveyance of Mails) eight months should be allowed between the day of opening Tenders and the day of the commencement of the service.

4. It is expedient that all Tenders should, as far as practicable, and unless otherwise ordered, be invited for the term of the financial year, commencing on the 1st January in each year, and terminating on the 31st December. Attention is directed to the annexed Schedule showing the dates on which Tenders for fixed services will be closed.

5. Immediately on the appearance of the advertisements calling for Tenders, the Head of Department concerned will, in order to save time, cause Schedules in duplicate in the prescribed Form T.B.1 to be prepared for each distinct service as specified in the advertisement, with the information required by the footnotes on the Form inserted therein, and will bring it to the Board on the day fixed for the opening of Tenders.

6. The Head of the Department calling for Tenders should require all persons tendering for the supply of articles, samples of which are required to be produced, to deposit with him such samples in

sealed packets or bottles, labelled with the name of the Tenderer, before the date on which the Tenders are opened; these samples are to be kept intact, and are to be deposited with the Chairman for submission to the Tender Board.

7. A money deposit (the amount to be notified in the advertisement calling for Tenders for the Service in question) will be required before any Form of Tender is issued, and should any person decline to enter into the Contract and Bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his Tender has been accepted, such deposit will be forfeited to the Crown, unless the delay is satisfactorily explained; all other deposits will be returned after the Contract has been signed. The deposit must be made at the Treasury or Kachcheri, and the deposit receipt must be produced to the Officer issuing the Form of Tender, as his authority for making the issue, as an indication that this deposit has been made. The words "Deposit Receipt seen," or "D. R. seen," as indicating these words, must be endorsed on the margin of the Form issued, and initialled and dated by such Officer.

8. In cases of Tenders for purely local requirements, such as small works or supplies amounting to a less sum than Rs. 1,500, Tenders will not be dealt with by the Permanent Tender Board, but by the Departmental Officer responsible for the service, subject to the approval of the Head of the Department.

9. As soon as the acceptance of a Tender is notified to the Head of the Department concerned, he will cause a letter in the accompanying Form T.B. 2 to be addressed to each of the parties whose Tenders have been accepted, and will take the further necessary steps for the completion of the Contract by causing the security required to be lodged and verified in the usual manner, and the Bond signed by the Contractor and his Sureties. The letter from the party tendering, the Schedule of prices, and the Bond with Conditions of Contract will then form the complete Contract, and should be retained by the Head of the Department concerned, copies thereof being at once forwarded to the Colonial Auditor.

10. Contracts once entered into are on no account to be assigned or sub-let without the authority of Government.

III.—FOR OFFICERS DEALING WITH LOCAL TENDERS.

1. The form of Notice calling for Tenders and the form of Tender must be similar to those referred to in section I. The terms appearing in the notice should in no way be changed after the receipt of Tenders without the authority of Government.

2. If the Officer calling for Tenders is unavoidably absent from his station at the day and hour fixed for closing of Tenders, his Head Clerk must punctually *at that hour* enclose all the Tenders received in an envelope *unopened* and seal the same, stating on the cover the number of Tenders enclosed. This sealed envelope he must deposit in the safe of the local Postmaster, and obtain from that officer a Certificate of the date and hour of depositing.

3. At the hour of closing, or (in the circumstances described in the last section) immediately on the return of the Officer to his station, the Tenders must be opened personally by the Officer who called for them, and they must forthwith be dated and authenticated by his signature. No subsequent alteration in the rates of Tenders should under any circumstances be allowed or suggested.

4. The Officer shall, in every case, transmit to the Head of his Department the following documents:—

(a) A copy of the advertisement inviting Tenders.

(b) The original Tenders received.

(c) A Comparative Schedule giving the rates under existing Contract (if there be one) and those of all Tenders submitted, together with his recommendations. In cases where there is no existing Contract and only one Tender has been received, this form is unnecessary.

(d) In cases of Public Works, the sanctioned estimate of the probable cost of the work to be executed.

5. It is expedient that all Tenders should, as far as practicable, and unless otherwise ordered, be invited for the term of the financial year, commencing on the 1st January and terminating on the 31st December.

6. A money deposit (the amount to be notified in the advertisement calling for Tenders for the Service in question) will be required before any Form of Tender is issued, and should any person decline to enter into the Contract and Bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his Tender has been accepted, such deposit will be forfeited to the Crown, unless the delay is satisfactorily explained; all other deposits will be returned after the Contract has been signed. The deposit must be made at the Treasury or Kachcheri, and the deposit receipt must be produced to the Officer issuing the Form of Tender, as his authority for making the issue, as an indication that this deposit has been made. The words "Deposit Receipt seen," or "D. R. seen," as indicating these words, must be endorsed on the margin of the Form issued, and initialled and dated by such Officer.

7. No Tender will be considered unless it is on the appropriate printed form, and unless, when so desired, accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the Contract.

8. Before the recommendation of any Tender for acceptance, the tenderer may, if the Officer, thinks it necessary, be required to deposit samples.

9. As soon as the acceptance of a Tender is notified to the Officer concerned by the Head of his Department, he will cause a letter in the accompanying Form T. B. 2 to be addressed to each of the parties whose Tenders have been accepted, and will take the further necessary steps for the completion of the Contract by causing the security required to be lodged and verified in the usual manner, and the Bond signed by the Contractor and, where cash security is not given, by his Sureties. The letter from the party tendering, the Schedule of prices, and the Bond with Conditions of Contract will then form the complete Contract, and should be retained by the Officer concerned, copies thereof being at once forwarded to the Colonial Auditor.

IT is hereby notified that HIS EXCELLENCY THE GOVERNOR, in pursuance of sub-section (1) of section 124 of the Municipal Councils' Ordinance, No. 7 of 1887 (as amended by Ordinance No. 8 of 1901), has been pleased to confirm the following by-law made by the Municipal Council of Colombo in substitution for by-law 13 of chapter XIII. proclaimed on October 12, 1905.

Colonial Secretary's Office,
Colombo, January 27, 1909.

By His Excellency's command,

HUGH CLIFFORD,
Colonial Secretary.

BY-LAW REFERRED TO.

13. It shall be lawful for the Chairman to levy a tax not exceeding Rs. 15 for every special license mentioned in this chapter for every year or part of a year for which it is granted.

THE Government of Ceylon, being anxious to promote the cultivation of land in the Wannai in the Northern Province, is prepared to consider applications for acquiring on lease and by purchase exceptionally favourable terms land in the Wannai.

2. The following liberal conditions are offered mainly with the object of attracting settlers to the Wannai, and, therefore, are not offered to those residents of the Wannai who already possess sufficient land for the support of themselves and their families.

3. Application should be made to the Government Agent or to the Assistant Agent of the district in which the land applied for is situated. Each application should state approximately the extent of the land applied for, and should describe the situation as accurately as possible. The description should be sufficient to enable Government officers to identify the land.

4. The Government reserves to itself absolutely the right of accepting or refusing any application without giving any reason therefor.

5. The Government Agent or Assistant Agent will offer the land applied for at public auction, and will grant to the highest bidder a lease of the land on the following conditions, provided that the price bid be not less than Rs. 15 per acre.

6. The lessee shall open the whole of the land for the cultivation of paddy or such other crop approved by the Government Agent in writing within a period of five years, and in the meantime may cultivate the land with dry grain or with paddy at his option.

7. All valuable timber (viz., ebony, satinwood, and palai) standing on the land shall be deemed to be the property of the Crown (which may remove the same whenever convenient); and all ruins and ancient remains shall likewise be deemed to be the exclusive property of Government.

8. The lessee shall deliver to the Government Agent or Assistant Agent as rent one-fourth of the produce raised on the land if cultivated with dry grain or the value thereof, and one-fifth of the produce if cultivated with paddy or the value thereof, within one month from the date upon which the said crop was harvested, such payments being made either on the land at the time of harvest or at the District Kachcheri, at the option of the Government Agent or Assistant Agent.

9. The amount of crop raised on the land shall be estimated by a person appointed by the Government Agent or Assistant Agent, and the estimate of such person shall be final. The share due to Government shall be delivered to the Government Agent or Assistant Agent, who shall forthwith sell the same by public auction, provided, however, that the Government Agent or Assistant Agent and the lessee may agree upon the value of the one-fourth or the one-fifth share of the crop, and in such case it shall be at the option of the lessee forthwith to pay such value to the Government Agent or Assistant Agent in lieu of delivering the said one-fourth or one-fifth share of crop.

10. When the sums received in this manner and acknowledged by the Government Agent or Assistant Agent shall be equal to the full purchase amount, a Crown grant shall be issued to the lessee for the land, provided that, if the land is irrigable under a tank restored by Government, the water-rate payable for the land has been duly paid.

11. If the land is irrigable under a tank restored by Government, the lessee shall pay such water-rate per acre per annum on the extent cultivated by him as may from time to time be determined.

12. The lease shall be determinable if—

- (1) The land remains wholly uncultivated for two years.
- (2) One-fifth of the land has not been brought under paddy cultivation within any two consecutive years.
- (3) The Government share of the crop or its value has not been paid as provided in paragraphs 8 and 9.
- (4) The valuable timber on the land has been appropriated in infringement of paragraph 7
- (5) The water-rate due, if any, has not been paid.

13. The lessee shall forfeit his right to a Crown grant for the land—

- (1) If he has failed to bring the whole extent of the land under paddy cultivation within five years from the date of his purchase.
- (2) If he has failed to pay the purchase amount in full.

14. In addition to the concessions and conditions specified above, the Government is also prepared to make grants of land under abandoned Crown tanks in the Wannu at the rate of one acre for every five rupees' worth of work done in the restoration of the bunds, provided that the Chief Irrigation Inspector certifies that a reasonable amount of work has been done, and that there is sufficient land available under the tank.

15. Applicants for land under the preceding condition No. 14 will be treated *en bloc*, and not individually, in respect of all the land available under any one tank. Pending the completion of all the work of restoration in connection with any one tank, no Crown grant for any land will be issued to any individual in respect of the work done by that individual.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, February 2, 1909.

HUGH CLIFFORD,
Colonial Secretary.
