### NOTIFICATIONS UNDER "THE PATENTS ORDINANCE, 1906."

THE following specifications have been accepted:—

*No. 1,025 of March 27, 1908.*

*William Jackson.*—"Improvements in apparatus for drying tea-leaf, or other produce."

*Abstract.*—Air is forced by a fan or other blower, first through the air heater and then through the drying chamber. The air supply to the fan is taken from a casing round the sides and the top of the drying chamber. The sides of the casing are made removable preferably by being made flexible so that they can be rolled on rollers. A bye pass from the air supply to the heater may be made when required for forcing the draught of the furnace of the heater.

Five claims: two sheets of drawings.

*No. 1,026 of March 27, 1908.*

*William Jackson.*—"Improvements in apparatus for drying tea-leaf, or other produce."

*Abstract.*—The improvements claimed are in combination with drying apparatus of the kind in which hot air is supplied to a drying chamber containing superposed endless travelling reticulated webs or tilting louvre trays or the equivalent, and consist of: (1) an inlet for heated air to the drying chamber at one end controlled by an adjustable baffle plate for regulating the effective position of that inlet; (2) an outlet or outlets towards the lower part of the drying chamber communicating with a casing over the exterior or part of the exterior of the drying chamber to carry off the air.

Four claims: one sheet of drawings.

*No. 1,029 of April 15, 1908.*

*William Jackson.*—"Improvements in tea-rolling machines."

*Abstract.*—The improvements claimed apply to tea-rolling machines of the kind where the receptacle containing the tea-leaf being rolled has an eccentric motion in a horizontal plane imparted to it, and the object is to enable the application of presser raising and lowering gear, analogous to that described in Patent No. 972, to be made to it notwithstanding its eccentric motion. To do that the inventor mounts a driving pulley on one of the cranks or crank pins which impart the eccentric motion to the receptacle and by means of it and a belt he drives fast and loose pulleys operating (or not operating) presser lifting and lowering gear mounted on that receptacle.

Two claims: two sheets of drawings.

*No. 1,030 of April 15, 1908.*

*William Jackson.*—"Improvements in apparatus for drying tea-leaf, or other produce."

*Abstract.*—The improvements are in addition to those of Patent No. 1,026, and in combination with drying apparatus of the kind described therein, and consist of providing outlets for the air from the drying chamber in addition to those described in Patent No. 1,026, viz., an outlet or outlets in the upper part of the drying chamber provided with a regulating shutter or grid for the purpose of allowing some of the moisture-laden air to escape from the drying chamber and prevent stewing of the material in the drying chamber.

Two claims: one sheet of drawings.

*No. 1,052 of October 2, 1908.*

*William Jackson.*—"Improvements in drying apparatus, more especially intended for drying tea-leaf, or other produce."

*Abstract.*—The improvements are additions to and in combination with Patent No. 1,026, and consist of: (1) providing in the feeding hopper a hinged valve, operated by a handle outside the hopper, for the purpose of admitting the material to be dried to the drying chamber and preventing the escape of heated air; (2) providing a conveyor for delivering the dried material out of the bottom of the drying chamber and at a convenient height by means of a helical screw arranged transversely in the bottom of the drying chamber so as to receive the dried material from the last of the webs and to deliver it, through the side of the drying chamber, to an elevator which delivers it at a convenient height above the floor.

Four claims: two sheets of drawings.

No. 1,063 of January 15, 1909.

Charles Northway.—“Artificial Channels for conveying Latex from Trees.”

*Abstract.*—An artificial channel or gutter in the form of a circular or spiral hoop in one length or in sections is sprung round against or set into the bark of the tree for the purpose of leading the latex from the tapping incisions and punctures in the tree to one main receptacle. Several forms of section for the hoop are described.

40. *Failing such registration, shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 39 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitle the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

## SHARES (SURRENDER AND FORFEITURE).

41. *The Directors may accept surrender of shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. *If call or instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, or his executors or administrators, or the trustee or assignee in his bankruptcy, requiring him to pay the same together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

*Terms of notice.*—The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

*In default of payment, shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

*Shareholder still liable to pay money owing at time of forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

43. *Surrendered or forfeited shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights, incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence, of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such shares discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

*Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money, by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls; resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons; and the Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The nett proceeds of any such sale as aforesaid under the provision of Articles 43 and 47 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

49. *Certificate of sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that the power of sale given by clause 47 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

50. *Transfer on sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

## PREFERENCE SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued, or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued, or then about to be issued, or subject to any such conditions or provisions, and with any such right, or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

52. *Resolutions affecting a particular class of shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares, and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which, but for this Article, the object of the resolution could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

## CALLS.

54. *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholder of the time and place appointed for payment of each call.

*Calls, time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

*Extension of time for payment of call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call, or part thereof, on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

## BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise; also from time to time at their discretion to borrow or raise at interest from the Directors or other persons any sum or sums of money in local currency or in sterling money of Great Britain upon such terms and conditions as they shall think proper for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Ten thousand Pounds (£10,000) sterling, lawful money of Great Britain, or its equivalent in the currency of this Island. With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money borrowed or raised, create and issue any bonds, mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in, or endorsed upon, any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Secretary or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted. In the event of any mortgage debentures being issued, the Colombo Commercial Company, Limited, whose registered office is at No. 5, Dowgate Hill, in the City of London, shall be Trustees for the Debenture holders, and so long as the said Colombo Commercial Company, Limited, shall act as such Trustees they shall be the Agents and Secretaries of the said Hingurugama Tea and Rubber Company, Limited, and the said Colombo Commercial Company, Limited, shall be paid an annual fee of One thousand Rupees, (Rs. 1,000) as remuneration for their services, besides the usual and customary charges invariably made by Estate Agents, and further as long as the said Colombo Commercial Company, Limited, shall be the Trustees for the Debenture holders they shall have the power to nominate and appoint a Director of the said Hingurugama Tea and Rubber Company, Limited.

65. *Business requiring and not requiring notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been given in the notice or notices upon which the meeting was convened.
