24. *Not bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

25. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transfer, and a fee of rupees two and cents fifty, or such other sum as the Directors shall from time to time determine, must be paid; and thereupon the Directors, subject to the powers vested in them by Articles twenty-three, twenty-four, and twenty-six, shall register the transferee as a Shareholder, and retain the instrument of transfer.

26. The Directors may, by such means as they shall deem expedient, authorise the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

27. *Directors not bound to inquire as to validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming as transfer of any share in accordance with these articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

28. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the first General Meeting; also, when a dividend is declared, for the three next days ensuing the meeting.

30. *Registration of Persons entitled to Shares otherwise than by Transfer.*—Any guardian of any infant Shareholder or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Company think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

31. *Failing such registration Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause thirtieth shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share; or if in the case of the death of any Shareholder no person shall within twelve calendar months after such death be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to Pay Money owing at time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture, until payment at nine per cent. per annum; and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or Forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

35. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share, *bona fide* sold or re-allotted, or otherwise disposed of under Article 34 hereof shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint holders, for all moneys for the time being due to the Company by such holder, or by all or any of such joint holders respectively, either in respect of such shares or of other shares held by such holder or joint holders, or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such person. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale, two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

CALLS.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment.

Calls, time when made.—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board meeting of the Directors.

Extension of time for payment of Call.—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof, on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

43. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up, and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter, as exceeds the amount of the calls then made upon, and due in respect of, the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholder and the Directors may agree upon, not exceeding, however, six per cent. per annum.

BORROWING POWERS.

44. *Power to Borrow.*—The Directors may from time to time, at their discretion, borrow any sum or sums of money for the purposes of the Company, and may raise or secure the re-payment of such moneys in such manner and upon such terms and conditions in all respects as they think fit, and may issue debentures of the Company charged upon all or any part of the property of the company (both present and future) including its uncalled capital for the time being.

The General Meeting shall take place at such time and place as the Directors shall appoint, provided, nevertheless, that a General Meeting of the Company shall be held within six months after the date of the registration of the Company, but such General Meeting shall not (unless otherwise determined at such meeting) be considered to have been in lieu of that hereby appointed to be held in the first year after the incorporation of the Company.

46. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders holding not less than one-eighth of the issued capital, and entitled to vote.

If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

48. *Seven days' notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, ordinary or extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the objects and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

49. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

58. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Directors shall have power to make and may make, such regulations for the management of the business and property of the Company as they may from time to time think proper, and for that purpose may appoint such managers, agents, secretaries, officers, clerks, and servants for such period or periods, and with such remuneration, and at such salaries, and upon such terms and conditions as they may consider advisable, and may pay the expenses occasioned thereby out of the funds of the Company, and may from time to time remove or suspend all or any of the managers, agents, officers, clerks, or servants for such reasons as they may think proper and advisable, and without assigning any cause.

They shall not, however, be entitled to delegate any powers of borrowing or charging the property of the Company to any agent of the Company or other person, except by instrument in writing, which shall specifically state the extent to which such powers may be used by the person or persons to whom they are so delegated, and the conditions under which they may be so used; and such limitations and conditions shall be an essential part of the powers so delegated, and compliance therewith shall be a condition precedent to the exercise of these powers. The Directors shall also have the power to bring or defend any action, suit, prosecution, or other legal proceedings in the name of the Company.

95. It shall be lawful for the Directors, if authorised so to do by the Shareholders in General Meeting, to arrange terms for the amalgamation of the Company with any other Company or individual or individuals, or for the sale or disposal of the business, estate, and effects of the Company, or any part thereof, respectively, to any Company or person, upon such terms and in such manner as the Directors shall think fit; and the Directors shall have power to do all such things as may be necessary for carrying such amalgamation, sale, or other disposition into effect, so far as a resolution or special resolution of the Company is not by law necessary for such purpose; and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall thereupon be dissolved.
