Conditions subject to which Retail Licenses are issued.

(1) The purchaser of a license to sell opium by retail shall, immediately on his being declared by the proper authority to be the purchaser, pay in cash one-third of his bid or tender, which sum shall be held by the proper authority as security, but cannot be used for payment of any of the instalments of the amount of the bid or tender, except those for the last two months. He shall pay the amount of the bid or tender, in six equal monthly instalments, on the last day of every month during the currency of his rent, the first instalment to be paid on January 31, 1910, and shall pay interest at 9 per cent. per annum for every day for which an instalment is in arrear. The security money may be, at the request of the purchaser, placed in fixed deposit at any bank to be selected by him, and shall be at the risk of the purchaser. Should any instalment not be paid on the due date the proper authority may re-sell the license, or so much of the term thereof as may be unexpired at the risk of the purchaser.

(2) The store or premises hereby licensed must be fully described in the body of this license, which shall apply to the premises so described and nothing more.
