1. Read Minutes of last Meeting.  
Dr. Dias moved "That as the Minutes of the Meeting just read are meagre and misleading they be not confirmed."  
The motion was not seconded.  
The Minutes were confirmed.  
Dr. Dias handed in a written protest (see Appendix).  
Dr. Dias admitted that the protest was prepared and written before the Minutes were read.  
The protest read. The Chairman replied.
2. Submitted letter from the Hon. the Colonial Secretary intimating that Mr. H. F. Jansz has been nominated Auditor of the Galle Municipality for the current year.
3. Submitted letter from the Hon. the Colonial Secretary intimating that the Ordinances Nos. 1 and 2 of 1894 will be brought into operation from July 1, 1894.  
Resolved,—That no action be taken until a general cemetery is established in Galle.
4. Submitted a memorandum from the Chairman recommending the erection of latrines out at sea in a few feet of water.  
Resolved,—That temporary structures of the kind be erected at Kaluwella and the bazaar.

## MOTIONS.

5. Moved by the Hon. P. D. Anthonisz, C.M.G., "That until sanitary improvements so urgently called for, and which are of vital importance, have received the required attention—as the supply of pure water to the Fort, the improvement of the Fort drainage, the substitution of dry-earth closets for the cesspits now in use—no expenditure be incurred in widening Middle street, as this is not a work of urgent necessity."

Seconded by Mr. W. Abeyesundera.

Mr. C. P. Hayley moved as an amendment, "That the work be not deferred, but taken in hand at once."

Seconded by Mr. R. L. Symes.

The Chairman put the amendment to the vote, with the following result:—Ayes, 2; Noes, 5; Chairman not voting. The Chairman declared the motion carried.

6. Moved by R. L. Symes, Esq., "That the cesspits in the Fort be closed at the earliest possible date, the dry-earth system being substituted, and that a Sub-Committee be appointed to devise means for best carrying this into effect."

Seconded by Mr. C. P. Hayley.

After a brief discussion Mr. Symes, by leave of Council, amended the motion thus: "That the cesspits in the Fort be closed at the earliest possible date, and that a Sub-Committee be appointed to consider what other system of sanitation it would be best to adopt, and to devise means for carrying it into effect."

Seconded by Mr. C. P. Hayley.—Carried.

Resolved,—That the Sub-Committee consist of the Hon. Dr. Anthonisz, the Colonial Surgeon, the Provincial Engineer, and Messrs. R. L. Symes, C. P. Hayley, and C. L. M. Abdul Carim.—Three to form a quorum

7. Moved by Mr. W. Abeyesundera "That the erection of a side wall to the Kepu-ela opposite the railway station is urgently needed, and to ask why the improvements to the same proposed some time ago have not yet been carried out."

Seconded by Mr. N. Dais Abeyasinha.—Carried.

The Chairman in reply stated the reason why the work could not have been carried out.

Resolved,—That the side wall be built in sections as funds are available.

8. Mr. Abeyesundera, by leave of Council, withdrew the next motion, notice of which he had given.

## REPORTS.

9. Submitted Auditor's report for the past six months of the current year, with a memorandum thereon by the Chairman.

10. Submitted Sanitary Officer's report for the first quarter of 1894.

Ordered that it be circulated among the Members of the Council.

11. Submitted report on progress of work and accounts for the month of June, 1894.

Confirmed:

R. W. LEVERS,

Chairman.

## APPENDIX.

I beg to protest the adoption of the report of the proceedings of this Council held at its Meeting on the 23rd ultimo as just read, as most meagre and misleading. I beg to point out two facts not brought out in the report read: in the discussion on the second subject in the Order of the Day the Chairman read a letter from Councillor (*sic*) Mr. Hayley, charging me with incompetence. The grounds on which he founds this charge is undisclosed. I presume he does not aspire to inspiration. (He has also hitherto not disclosed his qualifications to be a judge of the competence or otherwise of Sanitary Officers.) But light was thrown on the matter by a question put by the Chairman to Dr. Anthonisz, "Have you not seen the papers circulated, including my reply to the Colonial Secretary." These papers were not sent to me—perhaps purposely withheld so as to take me by surprise in the discussion. Again, the admission of the Chairman that a certain document (the Sanitary Officer's Quarterly Report for Second Quarter of 1893) has been tampered (*sic*) with and then printed by the Municipality as the original, with his name affixed as if he had signed it.
