Colombo, February 8, 1910.

IT is hereby notified that Mr. SOLOMON RODRIGO PULLENAYAGAM, Registrar of General Marriages of the town within the gravets of Colombo division, in the Colombo District of the Western Province, will, with effect from February 7, 1910, hold his office at No. 85, Chekku street, instead of at No. 43, Pickering's road.

P. ARUNACHALAM,
Registrar-General's Office, Registrar-General.
Colombo, February 8, 1910.

GOVERNMENT NOTIFICATIONS.

IT is hereby notified that the Board of Health of the Kandy District has, in terms of section 7 of "The Small Towns Sanitary Ordinance, 1892," as amended by section 2 (3) of Ordinance No. 13 of 1905, made and assessed a rate of 4 per cent. per annum for the year 1910 on the annual value of all houses and buildings of every description and all lands and tenements whatsoever within the towns of Wattedgama, Pussellawa, Norwood, Bogawantalawa, Maskeliya, Kadugannawa, Teldeniya, Mailapitiya, Huluganga, and Galaha, in the Kandy District, save such as are by the said section of the Ordinance exempted from the payment of such rate.

Colonial Secretary's Office,
Colombo, February 4, 1910.

By His Excellency's command,
HUGH CLIFFORD,
Colonial Secretary.

THE CUSTOMS DUTIES AMENDMENT ORDINANCE, NO. 20 OF 1898.

IT is hereby notified that His Excellency the Governor, in exercise of the power vested in him by section 6 of the above-named Ordinance, and with the advice of the Executive Council, has been pleased to make the following rules, to be numbered 9 and 10, in addition to the rules notified on January 23, 1907, and published in the *Government Gazette* of February 1, 1907, with effect from March 1, 1910.

Colonial Secretary's Office,
Colombo, February 4, 1910.

By His Excellency's command,
HUGH CLIFFORD,
Colonial Secretary.

RULES.

9. For the purposes of sale of kerosine oil or petrol under rule 8, the Principal Collector of Customs shall issue licenses to persons desirous of selling kerosine oil or petrol for use in motor vehicles.

10. If a licensed vendor is the owner of one or more motor vehicles, he shall keep a register showing the daily receipts and issues of kerosine oil or petrol from his store in a form to be prescribed by the Principal Collector of Customs, and such register shall, at all reasonable times, be open to inspection by the Principal Collector of Customs or by any person authorized by the Principal Collector of Customs.

IT is hereby notified that His Excellency the Governor, in exercise of the power vested in him by section 124 (1) of the Municipal Councils' Ordinance, No. 7 of 1887 (as amended by Ordinance No. 8 of 1901), and with the advice of the Executive Council, has been pleased to confirm the following by-laws made by the Municipal Council of Colombo, and to add the same to the by-laws published in the *Government Gazette* of October 20, 1905.

Colonial Secretary's Office,
Colombo, February 7, 1910.

By His Excellency's command,
HUGH CLIFFORD,
Colonial Secretary.

BY-LAWS REFERRED TO.

1. The annual tax prescribed by section 128 of "The Municipal Councils' Ordinance, 1887," shall be paid before February 1 in each year in respect of all carts and hackeries kept or used within the Municipality and in respect of the animals employed in drawing them, whether these vehicles and animals have or have not been licensed under "The Vehicles Ordinance, 1901."

2. On payment of the annual tax the proper officer of the Municipal Council will issue a metal plate marked with the letter "C" and with figures denoting the year for which the license is issued and the corresponding number in the register of vehicles kept by the Municipal Council. The proper officer of the Municipal Council before issuing a plate for a cart or hackery may, if he thinks fit, require the owner to paint in a conspicuous place on the cart or hackery the year and the registered number of the vehicle.

3. The owner or person in charge of any cart or hackery in respect of which a license has issued shall keep, in addition to any plate which he is required to exhibit by "The Vehicles Ordinance, 1901," the plate issued under these by-laws affixed in a conspicuous place on the body of the cart or hackery.

4. Where the plate prescribed by these by-laws is not duly affixed in accordance with these by-laws to any cart or hackery kept or used within the Municipality, the owner and the person in charge of such vehicle shall each be liable to a penalty not exceeding Rs. 10.

5. Any Municipal Inspector or Police Officer may detain any cart or hackery kept or used within the Municipality to which the prescribed plate is not duly affixed in accordance with these by-laws, and in such case shall forthwith bring the owner or person in charge of the vehicle before the Municipal or Police Magistrate.

IN terms of section 24 of the Minute of December 9, 1908, it is hereby notified that the under-mentioned officer, seconded for service, will be allowed to count the period of his temporary employment for pension purposes :—

Name.	Pensionable Appointment.	Seconded Service.
W. THOMAS	A. Class Under Guard	For work in connection with the Construction Department.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, February 3, 1910.

HUGH CLIFFORD,
Colonial Secretary.

WITH reference to the Notification dated December 21, 1909, appearing in the *Gazette* of December 22, 1909, it is hereby notified that His Excellency the Governor has been pleased to appoint the persons whose names appear in the subjoined schedule to be Registrars of Births and Deaths for the divisions noted opposite their respective names, with effect from January 1, 1910.

2. The Notification dated December 29, 1909, and appearing in the *Gazette* of December 31, 1909, is hereby cancelled in respect of the Central Province.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, February 3, 1910.

HUGH CLIFFORD,
Colonial Secretary.

THE COLOMBO SUBURBAN DAIRIES AND LAUNDRIES ORDINANCE, No. 38 OF 1908.

THE regulations set out in the schedule hereto made by the Principal Civil Medical Officer in exercise of the powers vested in him by section 20 (1) of the above-named Ordinance, and approved by His Excellency the Governor in Executive Council, are hereby, in pursuance of sub-section (2) of section 20 of the said Ordinance, published for general information.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, January 29, 1910.

HUGH CLIFFORD,
Colonial Secretary

SCHEDULE.

REGULATIONS REFERRED TO.

1. The license which the Government Agent shall issue to every dairyman engaged in selling milk, or to any laundryman washing for persons resident within the Municipality of Colombo, either directly or indirectly, shall be in the following form (see Appendix Y).
2. All dairymen shall keep their cow sheds and premises clean and free from accumulations of dung and urine. The dejecta shall be removed daily to a place approved by the Health Officer.
3. The floors of all rooms where milk is stored shall be cemented, with rounded corners at their junction with wall. The wall shall be plastered and have rounded corners or be constructed of smooth boards, to be painted or limewashed periodically as directed by the Health Officer.
4. The floors of all byres or cow sheds shall have an unbroken surface of cement, with a proper fall sloping to a suitable drain, which shall discharge into a cement pit, which shall be provided with an iron pail or bucket, to be removed and emptied as often as required, but not less than once daily, at a place approved of by the Health Officer.
5. The ceilings of milk stores in dairies shall be impervious to dust, and constructed of wood or metal or other material approved of by the Health Officer.
6. All dairymen shall see that the cattle are washed as to udders and teats before milking, and the milker is to wash his hands thoroughly with soap and water before milking. Every precaution shall be taken to prevent contamination of milk by urine and faeces of cattle.
7. All vessels used for the storage, collecting, and transport of milk shall be of glazed earthenware, or zinc, or block tin, with an opening large enough to admit a hand; all such vessels shall be scalded once daily with boiling water, and rendered scrupulously clean before being re-filled. All vessels containing milk shall be covered with a non-absorbent material so as to prevent the entry of dust, flies, &c.
8. All vessels used in the transport of milk from dairy to consumer shall be as above defined (see clause 7 above), and in addition be provided with a seal or lock. In the case of bulk vessels from which small supplies are retailed, such vessels shall be provided with a small stop-cock.
9. No laundryman shall store soiled linen in any living room, nor in any place where it may come in contact with clean linen.

APPENDIX Y.

* License to _____.

No. _____.

Under the provisions of the Ordinance No. _____ of _____, clause _____, I, _____, Government Agent for the _____ Province, do hereby license _____ of _____ to † _____.

This license is to remain in force until _____.

Government Agent's Office.

Government Agent.

* With this license a brass numbered arm plate or card is to be issued, which is to be worn by the dairyman, laundryman, or their servants when following their trade within the gravets of Colombo. Any extra plates required are to be paid for.

† In the case of either a dairy or laundry, the number of the house in the street, its exact location, with a short description of the premises and its sanitary condition and suitability for the purpose desired is to be entered.

IT is hereby notified that the Board of Health of the Hambantota District has, in terms of section 7 of "The Small Towns Sanitary Ordinance, 1892," as amended by section 2 (3) of Ordinance No. 13 of 1905, made and assessed a rate of 4 per centum per annum for the year 1910 on the annual value of all houses and buildings of every description and all lands and tenements whatsoever within the town of Beliatta, in the Hambantota District, save such as are by the said section of the said Ordinance exempted from the payment of such rate.

Colonial Secretary's Office,
Colombo, February 8, 1910.

By His Excellency's command,
HUGH CLIFFORD,
Colonial Secretary.

IT is hereby notified that the following by-laws made by the Sanitary Board of the Ratnapura District for the small towns of Balangoda and Rakwana, in exercise of the powers vested in it by sub-section (1) of section 7 of Ordinance No. 5 of 1906, have been confirmed by His Excellency the Governor, with the advice of the Executive Council.

Colonial Secretary's Office,
Colombo, February 4, 1910.

By His Excellency's command,
HUGH CLIFFORD,
Colonial Secretary.

By-laws made under Sections 7 and 8 of "The Town Schools Ordinance, 1906," for the Area described in the Schedule A hereto by the Sanitary Board of the District of Ratnapura.

1. In these by-laws—

The terms "boy," "girl," and "child" mean respectively a boy, or a girl, or a child residing in the area described in the Schedule A hereto.

The term "parent" includes a guardian and any person who has the actual custody of a child.

The term "Code" means the Code for Aided Schools for the time being sanctioned by His Excellency the Governor in Executive Council.

The term "attendance" means an attendance for the period defined by the Code as constituting a full attendance recorded in an Attendance Register in the manner prescribed by the Code.

The term "local authority" means the Sanitary Board of the District of Ratnapura.

The term "school" means a school specified in the Schedule B hereto.

The terms "adequate and suitable provision for the education of a child" and "reasonable excuse" shall bear the meaning defined in section 8 (1) (b) of "The Town Schools Ordinance, 1906."

The term "Inspector of Schools" means an Inspector of Schools appointed by His Excellency the Governor.

2. The parent of every boy of not less than 6 nor more than 12 years of age, and the parent of every girl of not less than 6 nor more than 12 years of age, or in the case of Muhammedan and Tamil girls the parent of every girl of not less than 6 nor more than 10 years of age, shall cause such boy or girl to attend one of the schools specified in Schedule B, unless he has made other adequate and suitable provision for the education of such boy or girl, or unless there is a reasonable excuse for non-attendance.

3. The time during which a boy or girl shall attend school shall be the whole time on each day for which the school shall be open for the instruction of children of the age of such boy or girl.

4. Provided always that nothing in these by-laws—

(a) Shall prevent the presence of children being excused during the hours when religious instruction is given, as provided by section 9 (2) (d) of "The Town Schools Ordinance, 1906."

(b) Shall require any child to attend school on any day exclusively set apart for religious observance by the religious body to which its parent belongs.

5. And provided always that when a child between 10 and 12 years of age, being beneficially employed to the satisfaction of the Chairman of the Sanitary Board of the District of Ratnapura, has received a certificate from an Inspector of Schools that it has passed in Reading, Writing, and Arithmetic, the Fourth Standard prescribed by the Code for the time being, it shall not be required to attend school.

6. Every parent who shall not observe, or shall neglect or violate, these by-laws or any of them, shall upon conviction be liable to a penalty not exceeding twenty rupees for each offence, and an additional fine not exceeding ten rupees per day in the case of a continuing offence.

NOTE.—The following are the portions of the Town Schools Ordinance referred to in sections 1 and 4 of these by-laws :—

Section 8 (1) (b).—A parent shall be deemed to have made adequate and suitable provision for the education of his child if he proves that his child is in regular attendance at a school registered by the Director of Public Instruction for the

receipt of a grant in aid, or at a school with regard to which an application for a grant in aid is under consideration, or at a school certified by the Director of Public Instruction to provide adequate and suitable instruction; or if he proves that he has made such other provision for his child's education as the Director of Public Instruction shall certify to be adequate and suitable, or if he produces a certificate from the Director of Public Instruction recommending that the child shall be exempted from compulsory attendance. Provided that no parent shall be convicted for not causing his child to attend such school if he proves to the satisfaction of the Magistrate that he has reasonable excuse for not causing such child to attend. A parent shall be deemed to have a reasonable excuse for not causing his child to attend school if he proves that the child is prevented from attending by sickness or other unavoidable cause.

Section 9 (2).—No school in which religious instruction is given shall be named in any by-law made under clause (a) of the last preceding section as a school in which efficient provision is made for a vernacular education, unless the local authority is satisfied—

- (a) That religious instruction is given only during the times specified in the school time table;
- (b) That religious instruction is not given to pupils of other denominations than that to which the school belongs if the parents object;
- (c) That pupils who do not attend religious instruction are employed in other studies during the hours allotted to religious instruction;
- (d) That such pupils, if their parents object to their being present in the room where religious instruction is given, are either allowed to study in some other part of the school premises during the hours when such instruction is given, or their presence in the school during such hours is excused; and
- (e) That a copy of sub-section (2) of this section in the English, Sinhalese, and Tamil languages is conspicuously posted up in the school.

The above by-laws were made by the Sanitary Board of the District of Ratnapura at a meeting held on December 13, 1909.

R. B. HELTINGS,
Chairman.

SCHEDULE A.

Description of the Area of the Small Town of Balangoda referred to in the foregoing By-laws.

A straight line drawn from the 82½ milepost on the Government cart road to the land known as Kotugodella, from thence a straight line to the old path to Petigala, along this road to the Gama-ela, along the Gama-ela to its junction with the Dorawel-oya, from the Dorawel-oya along the Ranawinna Amara-ela to the road to Agar's land, along the road to Agar's land to its junction with the village path to Weliharanawa, and along this path to its junction with the Government cart road near the Roman Catholic Church at the 83½ milepost, thence a line 30 yards from the centre of the cart road, and along the road to the iron bridge over the Dorawel-oya, and thence the Dorawel-oya as far as the bathing place known as Kekunagahayatawala, and from thence a straight line to join the afore-mentioned 82½ milepost on the Government cart road.

Description of the Area of the Small Town of Rakwana referred to in the foregoing By-laws.

On the north by the northern boundary of lot R 636½ in preliminary plan 4,428; west, a line drawn from the western boundary of lot 636½ in preliminary plan 4,428 to the northern boundary of lot J 60 in preliminary plan 2,744, and from thence a line forty yards from the minor road from Rakwana to Bulutota and parallel with it as far as the junction of the southern boundary of lot 482 in preliminary plan 7,808 to the Rakwana-oya; east, a straight line drawn from the eastern boundary of lot R 636½ in preliminary plan 4,428 to the point of junction of the northern boundary of lot 842 in preliminary plan 2,744 with the Rakwana-oya, and thence the oya as far as the junction with it of the line described as the southern boundary.

SCHEDULE B.

List of Schools in the Small Town of Balangoda.

1. Government Boys' School.
2. Government Girls' School.
3. Roman Catholic Mixed School (Sinhalese).
4. Tamil Cooly Mission Society's Mixed School (Tamil).

List of Schools in the Small Town of Rakwana.

1. Government Mixed School.
2. Tamil Cooly Mission Society's Mixed School (Tamil).

WITH reference to the Notification dated January 16, 1908, published in the *Gazette* of the 24th idem regarding the Edward Medal to be bestowed for courage in saving or attempting to save life in mines or quarries within His Majesty's Dominions, Protectorates, &c., the following copy of a further Royal Warrant extending the scope of that Medal, so as to admit of its being awarded to those of His Majesty's subjects who in course of industrial employment endanger their own lives in saving or endeavouring to save the lives of others from perils incurred in connection with such employment, is published for general information.

Colonial Secretary's Office,
Colombo, February 4, 1910.

By His Excellency's command,
HUGH CLIFFORD,
Colonial Secretary.

The King's Warrant of 1st December, 1909, extending the scope of the Edward Medal to Persons in Industrial Employment.

Whitehall, December 2, 1909.

The KING has been pleased to issue a Warrant under His Majesty's Royal Sign Manual to the following effect:—

EDWARD, R. & I.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these Presents shall come,

GREETING.

Whereas We, by a Warrant under Our Royal Sign Manual, bearing date the Thirteenth day of July, One thousand Nine hundred and Seven, in the seventh year of Our reign, did institute and create a new medal to be entitled the Edward Medal, to be awarded for heroic acts performed by miners and quarrymen and others who endanger their own lives in saving or endeavouring to save the lives of others from perils in mines and quarries within Our Dominions and Territories under Our protection and jurisdiction

And whereas We are desirous of extending the scope of this decoration:

It is ordained that the Edward Medal of the First Class and the Edward Medal of the Second Class shall be awarded to those of Our faithful subjects who in course of industrial employment endanger their own lives in saving or endeavouring to save the lives of others from perils incurred in connection with such industrial employment in these Our Dominions and in Territories under Our protection or jurisdiction, and such awards shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Where the said medal is granted otherwise than for acts performed in mines, the medal shall bear Our effigy on the obverse, and on the reverse a suitable design with the words "For Courage."

Given at Our Court at Sandringham, the First day of December, One thousand Nine hundred and Nine, in the Ninth year of Our reign.

By His Majesty's command,
H. J. GLADSTONE.

UNIVERSITY SCHOLARSHIP.

105. Two scholarships of the annual value of £200 tenable for three years, together with an outfit allowance of £50, passage money Rs. 500 to proceed to the British Isles, and £50 for return passage to Ceylon after completion of a course of study in the British Isles, will be awarded annually, one on the results of the Intermediate Examination in Arts of the University of London, and the other on the results of the Intermediate Examination in Science of the University of London, to the candidates recommended by the authorities of the University of London.

No candidate will be eligible for one of these scholarships who has not been resident in the Island for the five years next before the examination, or who has completed his twentieth year before the first day of the month fixed for the examination, or who has not been registered as a matriculated student of the University of London.

A scholar will be permitted to postpone his return for three years after the expiration of the scholarship without special permission to do so, and with permission of his Excellency the Governor or the Right Hon. the Secretary of State for the Colonies to remain in Europe for a further period not exceeding four years, on the distinct understanding that such permission will be given only to enable the scholar to pursue a course of study or to acquire professional qualifications likely to be of benefit to the Colony on his eventual return.

SUBJECTS FOR THE INTERMEDIATE EXAMINATION IN ARTS.

Candidates shall not be approved by the Examiners unless they have shown a competent knowledge in the following subjects :—

- (1) Latin with Roman History, or Greek with Greek History.
- (2) One of the following subjects :—Latin, with Roman History, if not already taken under (1); Greek, with Greek History, if not already taken under (1); French; German.
- (3) One of the following subjects :—Pure Mathematics; Applied Mathematics; Physics; Chemistry; Botany; Logic.
- (4) Any one of the previous subjects not already taken or History.
- (5) English Literature and Essay (this subject may be taken at the Intermediate Examination for which the candidate first presents himself, at a subsequent Intermediate Examination for a Pass only; or for the Pass only at the final examination).

In the Physics, Chemistry, and Botany papers questions will be set involving (1) the translation of passages in French or German, and (2) answers with regard to the subject matter thereof. These questions will be optional in the examinations as held in the Colonies.

Latin with Roman History (Two Papers).

- (1) Prepared prose book* with questions on Roman History (including Historical Geography) from 390 B.C. to the death of Augustus, Translation of English sentences into Latin.
- (2) Prepared verse book.* Questions on Grammar. Translation into English of easy passages not prescribed.

Greek with Greek History (Two Papers).

- (1) Prepared books or portions of books, prose and verse † with Questions on Greek History (including Historical Geography) from 560 B.C. to the death of Alexander.
- (2) Simple Unseen Translation. Easy sentences for translation into Greek. Grammatical questions dealing with common words, forms, and constructions. (Candidates are required to satisfy the examiners in both (1) and (2)).

French (One Paper).

Grammar; Translation; Composition.

Composition to be either (i.) translation from English, or (ii.) some form of free composition, such as reproduction of a narrative read in English.

Note.—Books will not be prescribed.

The examination will include a test in writing from dictation, in correct reading, and in simple conversation.

German (One Paper).

Grammar; Translation; Composition.

Composition to be either (i.) translation from English, or (ii.) some form of free composition, such as reproduction of a narrative read in English.

Note.—Books will not be prescribed.

The examination will include a test in writing from dictation, in correct reading, and in simple conversation.

* In 1910—Tacitus: Germania (Frietag text of 1906).
Vergil: Aeneid, viii. and xi.
In 1911—Cicero: Pro Roscio Amerino.
Ovid: Heroides, i. to x. inclusive.

† In 1910—Lysias; Eratosthenes.
Sophocles; Ajax to v. 885.
In 1911—Plato; Laches.
Homer; Odyssey v.

Pure Mathematics (Two Papers).

Algebra.—The Arithmetic and the Algebra of the Matriculation Examination, and further Algebra, including the theory of Quadratic Equations, the Convergency of Geometric Series, Permutations and Combinations, the Binomial Theorem for Positive Integral Indices, the Graphs of Simple Algebraic Functions, the Theory of Indices, the Nature and Use of Logarithms and of Logarithmic Tables, Interest, and Annuities.

Geometry.—The Geometry of the Matriculation Examination, together with the Geometry of Similar Rectilinear Figures, Mensuration of Plane Rectilinear Figures and of the Circle, the Elementary Properties of the plane, including those of the angles made by planes with straight lines and with one another, the Elementary Properties of the Sphere and Plane Sections thereof, Mensuration of Simple Solid Figures, including the Cylinder, Cone, and Sphere.

Trigonometry.—The meaning of and elementary exercises in the use of Rectangular and Polar Co-ordinates, Measurements of Angles, Trigonometrical Functions and their Graphs, Approximate Values of the Trigonometrical Functions of Small Angles, Elementary Trigonometrical Formulæ and their Applications, Properties of Triangles, and easy properties of the Circles circumscribed to, and touching the sides of, a Triangle, Practical Solutions of Triangles and Applications, with numerical examples involving the use of Logarithmic and other Tables.

Applied Mathematics (Two Papers).

Equilibrium of one or more bodies under the action of forces in one Plane or of Parallel Forces.

Properties of the Centre of Mass and its determination in simple cases.

Statics of Simple Mechanisms. The Simpler Linkages.

Velocities and Accelerations, including their Resolution and Composition. Mass, Momentum, Force, Work, Energy, Power. Change of Units. Dimensions.

Motion under the Action of a Force which is constant in magnitude and direction, and Simple Problems on the Motion of Projectiles.

Circular Motion. Simple Harmonic Oscillations. Simple Pendulum.

Simple cases of Direct and Oblique Impact.

Simple applications of the foregoing subjects.

Experimental Physics (Two Papers and a Practical Examination).

The following Syllabus is intended to indicate the general scope and character of the examination, without being exhaustive of all parts of the subject. Candidates are expected to show a general acquaintance with the apparatus by which the elementary principles of Physics are illustrated and applied :—

General Properties of Solids, Liquids, and Gases.

Relation between Volume and Pressure in Gases.

Diffusion in Liquids and Gases.

Heat.—Definition of Temperature. Construction and Use of Instruments for the measurements of Temperature.

Expansion of Solids, Liquids, and Gases with rise of Temperature. Convection in Fluids.

Quantity of Heat. Specific Heat.

Change of State. Latent Heat. Vapour Pressure. Boiling point.

Dew-point. Formation of Cloud, Fog, and Dew.

Conduction. Definition of Thermal Conductivity.

Radiation: its Emission, Propagation, Reflection, Refraction, and Absorption; its Relation to

Light.

The Mechanical Equivalent of Heat and Modes of Determination. The Conservation of Energy.

Sound.—The Production and Propagation of Sound.

Nature of Wave-motion. Amplitudes, Wave-length. Frequency.

Experimental determination of the Velocity of Sound in Air. Echoes. Effect of change of Temperature on the Velocity.

Determination of Frequency by simple methods.

Experimental investigation of the modes of Vibration of Strings by means of the Sonometer.

Experimental investigation of the Vibrations of Air in Pipes by Resonance to Tuning Forks.

Organ Pipes. Position of Nodes and Antinodes.

Optics.—Propagation of Light. Measurement of Velocity. Laws of Reflection and Refraction. Photometry.

Reflection at Plane and Spherical Surfaces, and the formation of Images.

Refraction at Plane Surfaces and by Prisms. Minimum Deviation. Chromatic Dispersion.

The formation of Images by Single Lenses. Long and Short Sight and their correction by Lenses.

The combination of Two Lenses to form a simple Telescope or Microscope.

Magnetism and Electricity.

Properties of Magnets. Simple Phenomena of Magnetism and of Magnetic Induction (Influence).

The Magnetic Field. Lines of Force. The Law of Magnetic Force.

The Earth as a Magnet.

The Simpler Phenomena of Electrified Bodies. Conduction and Insulation. Electrification by Friction and by Induction (Influence).

Distribution of Electrification on Conductors.

Electric Field. Strength of Field.

The Law of Electric Force.

Potential. Capacity. Energy of Charge.

Electric Discharge and Electric Current.

Primary and Secondary Batteries.

Magnetic Field of Current. Magnetic Measurement of Current. Galvanometers.

Work done by an Electric Current.

Electromotive Force. Difference of Potential. Resistance.

Ohm's Law : Volt ; Ohm ; Ampere ; Watt ; Joule.

Heating Effects of Currents.

Elementary Phenomena of Electrolysis. Faraday's Law.

Action on Current Circuits in a Magnetic Field.

Electro-magnetic Induction. Faraday's Law. Lenz's Law.

Induction Coil.

Practical Examination.

The following scheme is not exhaustive, and is intended merely to show the general nature of the exercises at the Practical Examination. The Examiners are not precluded from setting other exercises and practical problems illustrative of the principles set forth in the Syllabus :—

Length Measurements by Millimetre Rule.

Eye-estimation of tenths of a Division.

Use of Vernier, Linear, and Angular.

Determination of Areas and Volumes by Measurement of Linear Dimensions.

Use of the Balance, weighing to one centigramme.

Determination of Volumes by weighing in Water.

Specific Gravities of Solids, Powders, and Liquids.

Use of the Hydrometer.

Verification of Boyle's Law.

Reading the Barometric Height.

Determination of the Centre of Gravity of a Plate.

Use of Atwood's Machine.

Time of Swing of a Simple Pendulum and Verification of the Formula $t \propto \sqrt{l}$

Determination of Velocity of Sound in a Tube by Resonance with a Fork.

Use of the Sonometer.

Use of Thermometers, and Determination of Fixed Points.

Simple methods of determining Specific Heat and Latent Heat of Fusion.

Determination of Dew-point.

Use of Simple Photometers.

Focal Lengths of Concave Mirrors.

Focal Lengths of Convex Lenses.

Arrangement of two Lenses to make simple forms of Telescope, Microscope, and Magic Lantern.

Arrangement of a Slit, Lens, and Prism to get a pure Spectrum.

Tracing the path of a Ray of Light through a block of glass and Deduction of Refractive Index.

Tracing the lines of force in the neighbourhood of a Magnet.

Mode of making a simple Electro-magnet.

Gold Leaf Electroscope and its use to find the sign of a given charge.

Mode of setting up common Voltaic Cells. Modes of joining up Cells.

Determination of the signs of the terminals of a Cell.

Use of Simple Galvanometers.

Measurement of Resistance.

Simple Experiments on Induced Currents.

Candidates must bring to the practical examination the notebooks containing the record of their laboratory work.

Chemistry (Two Papers and a Practical Examination).

The following outline is given for the general guidance of candidates as indicating the range of the Written Part (I.) and Experimental Part (II.) of the Examination in Chemistry :—

I.

The methods which lead to the discovery of the composition of common materials occurring in nature.

The determination of molecular weights, equivalents, and of atomic weights. Valency and structural formulæ.

Classification of the elements, including the Periodic Scheme.

General characters of the chief types of compounds, including acids, bases, and salts, and a few prominent carbon compounds, especially as illustrating the relations of properties to composition and structure. No distinction will be admitted between Organic and Inorganic Chemistry.

History, production, and properties of the more important and typical elements and their most familiar compounds.

The character of chemical changes, including combustion, thermal dissociation, and electrolysis; the conditions which determine and influence them, and the attendant phenomena.

The whole of the above to be treated in an elementary manner.

Candidates will be required to show that they have seen and practised a great variety of experiments, and are familiar with the appearance of common laboratory materials.

II.—*Practical Examination.*

Candidates will be required to show that they are familiar with easy quantitative operations, gravimetric and volumetric, with the rudiments of qualitative analysis, and that they have prepared a number of elements or compounds by processes involving the manipulation of gases and the purification of substances by crystallization, distillation, &c. Candidates must bring to the practical examination the notebooks which contain the record of the experimental work they have performed. Specimens made by the candidate, duly attested by the teacher, if any, may be submitted to the examiners.

Botany (Two Papers and a Practical Examination).

Morphology.—The structure and properties of the cell and of the various kinds of tissue; cell formation and the development of the tissues; the Plant body; its structure; development and various modifications.

Special Morphology, Reproduction, and Taxonomy.

The morphological and physiological characteristics of Angiosperms as exemplified by plants belonging to the following natural orders:—

Dilliniaceæ, Malvaceæ, Portulacaceæ, Myrtaceæ, Leguminosæ, Cucurbitaceæ, Compositæ, Convolvulaceæ, Acanthaceæ, Scrophulariaceæ, Euphorbiaceæ, Palmaceæ, or Commelinaceæ, Orchidaceæ, Gramineæ.

The morphological and physiological characteristics of Gymnosperms as exemplified by *Cycas*.

The morphological and physiological characteristics of Pteridophyta as exemplified by *Selaginella Aspidium*, *Asplenium*, or *Adiantum*.

The morphological and physiological characteristics of Bryophyta as exemplified by *Polytrichum* (or *Funaria*) and by *Marchantia* (or *Lunularia*).

The morphological and physiological characteristics of Algæ as exemplified by *Fucus*, *Ophiocytium*, *Coleochæta*, and *Spirogyra*.

The morphological and physiological characteristics of Fungi as exemplified by *Agaricus*, *Eurotium*, *Pythium*, *Saccharomyces*, *Bacillus*.

Elementary Physiology.

The chemical nature of the food elements of plants. Their sources, the modes in which they are respectively absorbed by the organism.

The absorption of water—turgescence, transpiration, root-pressure.

Movements of water in plants.

Aeration and respiration.

Photosynthesis. Outlines of metabolic changes within the plant.

Growth.

Irritability, Geotropism, Heliotropism.

Practical Examination.

The practical work will include the dissection and examination of plants or parts of plants, and the reference to their systematic position of plants or parts of plants comprised in the foregoing syllabus. Simple experiments in Practical Physiology may be set.

Candidates must bring to the practical examination the notebook containing the record of their laboratory work.

Logic (Two Papers).

This Syllabus is intended to indicate the general scope and character of the curriculum without being exhaustive of all parts of the subject.

Note.—Candidates who enter for Philosophy at the B.A. Pass Examination must either have taken Logic as one of their alternative subjects at the time of passing the Intermediate Examination in Arts or must take an equivalent paper at the B.A. Examination.

1. Scope of Logic. Laws of Thought.
2. Terms. Formal Division and Definition. Predicables.
3. Propositions and their Import. Forms of Immediate Inference.
4. Syllogism and other varieties of Deductive Reasoning. Trains of Reasoning. Functions of Syllogism.
5. Inductive Inference. Postulates of Induction. Induction and Analogy. The Relation of Induction to Deduction.
6. Theory of Scientific Method. Observation and Experiment. Hypothesis. Empirical and Causal Laws. Methods of Scientific Explanation. Elimination of Chance.
7. Scientific Definition and Classification. Nomenclature and Terminology.
8. Fallacies.

History (Two Papers).

English History treated generally, with a special study of a standard work to be prescribed two years previously.*

English Literature and Essay (Two Papers).

Composition ; History of Literature ; Texts.

History of Literature† to include, at the selection of the Senate, either (1) the outlines of literary history from 1500 to 1800 with selected works, or (2) one or more great authors and the literary history of their time, with certain of their works to be studied particularly.

Selected works to be studied from a literary and linguistic point of view.

A certain amount of 14th century literature,† e.g., some of the *Canterbury Tales* or some of *Piers Plowman*.

Note.—Anglo-Saxon will not be required.

ALTERNATIVE SUBJECTS.

One of the following subjects may be taken in place of one of the languages, French or German :—

- (a) Advanced Modern English Literature (two papers).
- (b) Sanskrit (two papers).
- (c) The existing British Constitution as defined in the Syllabus for the Intermediate Examination in Economics, but with special reference to the Government of the Colonies and Dependencies (two papers).

The Syllabus for each of the above is as follows :—

(a) *Advanced Modern English Literature.*

I.—History of English Literature from 1660 to 1900, the special study of prescribed books.‡

II.—Shakespeare, with selected plays to be specially studied.

The special subjects in each year will be those assigned to Sections (a) and (c) of the B.A. Examination for Honours in English. See Regulations for Degrees in Arts for External Students and the Appendix of special subjects.

(b) *Sanskrit.*

I.—(a) Passages for translation from Sanskrit into English from the following books : Story of Nala, Books I.—VII. Hitopadesa, Books I. and II. (Peterson's Edition—Bombay Sanskrit Series with annotations).

(b) Questions on Sanskrit Grammar.

II.—(a) Passages of easy Sanskrit (unseen) for translation into English.

(b) A passage of English Prose to be translated into Sanskrit.

* In 1910—Life and Letters of Oliver Cromwell (Carlyle) ed C. Lomas introduction by C. H. Firth. 3 vols. 18s. (Methuen).

In 1911—Letters of Queen Victoria, 1837 to 1861, 3 vols. (ed. A. C. Benson and Viscount Esher. Murray).

† In 1910—Outlines of Literary History, 1500 to 1800 inclusive, with special study of—
Chaucer : Prologue to the *Canterbury Tales* ; Nun's Priest's Tale.
Shakespeare : Hamlet ; The Tempest.
Bacon : Essays (I.—XX. inclusive).
Golden Treasury, Book III.

In 1911—Outlines of Literary History, 1500 to 1800 inclusive, with special study of—
Chaucer : Prologue to the *Canterbury Tales*.
Langland : *Piers the Plowman* (Prologue and Passus I.).
Shakespeare : *Midsummer Night's Dream* ; *Coriolanus*.
Milton : *Lycidas*.
Johnson : *Rasselas*.
Shelley : *Adonais*.

‡ In 1910—(I.) Milton : *Samson Agonistes*.
Dryden : *Absalom and Achitophel I.* ; *Essay of dramatick poesie*.
Swift : *Selections* (Craik), Vol. I.
Pope : *Rape of the Lock*.
Johnson : *Lives of Dryden, Pope and Gray*.
Wordsworth : *Poems of 1807*.
Keats : *Odes*.
Shelley : *Adonais*.
Tennyson : *Poems of 1842*.

(II.) Shakespeare : *Romeo and Juliet* ; *Much Ado about nothing* ; *Hamlet* ; *Cymbeline* ; *Henry VIII.*

In 1911—(I.) Milton : *Samson Agonistes*.
Swift : *Selections*, Vol. I. (ed. Craik).
Pope : *Rape of the Lock*.
Johnson : *Lives of Dryden, Pope and Gray*.
Wordsworth : *Poems of 1807*.
Shelley : *Prometheus Unbound*.
Keats : *Hyperion*.
Tennyson : *Poems of 1842*.
Carlyle : *Past and Present*.
(II.) Shakespeare : *Love's Labour's Lost* ; *Much Ado about nothing* ; *Hamlet* ; *Antony and Cleopatra* ; *Henry VIII.*

(c) *The Existing British Constitution.*

Outlines of the Constitution and the Public Administration of the United Kingdom present day, including the Organization and Working of Parliament, the Executive (Crown, Ministers, and Civil Service), and the Judiciary; the constitution and powers of the Local Authorities in England; the relation between the United Kingdom and its Colonies and Dependencies.

Candidates will be expected to have some acquaintance with the chief events in the developments of British political institutions since 1832.

The above will be treated with special reference to the Government of Colonies and Dependencies.

CERTIFICATES IN ENGLISH.

Any person who has obtained the English Certificate at a Matriculation Examination will be admitted to take the English papers at the Intermediate Examination in Arts (Pass) for External Students and a *viva voce* test, on payment of a fee of £3, and subject to the General Regulations affecting that examination.

A certificate will be issued to each successful candidate stating that he has shown an adequate knowledge of the English language, and of the period of English Literature and of the Texts prescribed for that examination.

SPECIAL REGULATIONS FOR THE UNIVERSITY SCHOLARSHIP.

No candidate will be eligible for the Scholarship awarded on the Intermediate Arts Examination who does not take up the two subjects, Latin and Greek.

Candidates for the University Scholarship will, if they wish to do so, be allowed to take either two higher Classical papers, or two higher Mathematical papers, and their work in these papers will (for the purpose of awarding the Scholarship) be considered instead of their work in either French or German, or the alternative subjects (a), (b), (c). Candidates who take these higher papers will be allowed, for the purpose of passing the Intermediate Examination, to take also the papers on either French or German or one of the alternative subjects (a), (b), (c); but the marks obtained by such candidates in these subjects will not be considered in awarding the Scholarship.

SYLLABUS OF HIGHER CLASSICAL AND MATHEMATICAL PAPERS.

Latin.

1. (a) One unprepared passage for translation into English of greater difficulty than those set for the Intermediate Pass Examination in Arts.

(b) A piece of continuous prose for translation from English into Latin of the standard of difficulty of that set for the Intermediate Honours Examination in Arts, but not quite so long.

(c) Two or three critical questions.

Greek.

2. (a) Two short passages for translation into English, one prose and one verse, from authors of the period from Homer to Demosthenes, but excluding pure Doric writers.

(b) A short piece of continuous English prose for translation into Greek of an easier standard of difficulty than that set for the Intermediate Honours Examination in Arts.

(c) Two or three critical questions.

Mathematics.

3. (1) Analytical Geometry.

(a) Equations in rectangular and polar co-ordinates of (1) the straight line, (2) the circle, (3) the parabola, (4) the ellipse, (5) the hyperbola and the properties of the same; (b) change of axes.

(2) Applied Mathematics.

Statics.—Composition, Resolution, and Equilibrium of Forces; (1) acting at a point; (2) acting in a plane; (3) acting in parallel lines. The properties of the Centre of Gravity; the Laws of Friction; the Mechanical Powers; and the principle of Virtual Work.

Dynamics.—Definition and Measurement of Mass, Force, Velocity, Acceleration, Momentum, Work, and Energy. Composition and Resolution of Velocities and Accelerations.

Laws of Motion.—Uniform and uniformly accelerated motion in a straight line. Free motion of projectiles under the action of gravity. Circular motion of particles. Simple cases of impact.

Hydrostatics.—Nature, intensity, and transmission of pressure in Liquids. Pressure of Liquids in equilibrium under the action of gravity. Equilibrium of Solids floating or immersed in gravitating Liquids. Specific gravities of substances, Solid and Liquid. The laws of Elastic Fluids and the principle of the barometer, thermometer, siphon, diving bell, manometer, and the various pumps.

SUBJECTS FOR THE INTERMEDIATE EXAMINATION IN SCIENCE.

Candidates shall be examined for a pass in any four subjects selected by themselves out of the following seven subjects of examination, viz., (1) Pure Mathematics, (2) Applied Mathematics, (3) Experimental Physics, (4) Chemistry, (5) Botany, (6) Zoology, and (7) Geology (one at least of the four subjects selected from the foregoing list to be taken from amongst the first three).

Questions will be set involving (1) the translation of passages in French or German, and (2) answers with regard to the subject matter thereof.

The questions in French or German, which by the regulations are set for the home candidates, will be made optional in the examinations as held in the Colonies.

N.B.—Candidates for the University Scholarship will, in addition to the papers prescribed above, be required to take English Literature and Essay, which from the last section of the Intermediate Examination in Arts.

Pure Mathematics (Two Papers).

Algebra.—The Arithmetic and Algebra of the Matriculation Examination, and further Algebra, including the theory of Quadratic Equations, Convergency of Geometric Series, Permutations and Combinations, the Binomial Theorem for Positive Integral Indices, the Graphs of Simple Algebraic Functions, the Theory of Indices, the Nature and Use of Logarithms and of Logarithmic Tables, Interest and Annuities.

Geometry.—The Geometry of the Matriculation Examination, together with the Geometry of Similar Rectilinear Figures, Mensuration of Plane Rectilinear Figures and of the Circle, the Elementary Properties of the Plane, including those of the angles made by planes with straight lines and with one another, the Elementary Properties of the Sphere and Plane Sections thereof, Mensuration of Simple Solid Figures, including the Cylinder, Cone, and Sphere.

Trigonometry.—The meaning of and elementary exercises in the use of Rectangular and Polar Co-ordinates, Measurements of Angles, Trigonometrical Functions and their Graphs, Approximate Values of the Trigonometrical Functions of Small Angles, Elementary Trigonometrical Formulæ and their Applications, Properties of Triangles, and easy properties of the Circles circumscribed to, and touching the sides of, a Triangle, Practical Solutions of Triangles and Applications, with numerical examples involving the use of Logarithmic and other Tables.

Applied Mathematics (Two Papers).

Statics.—Equilibrium of one or more bodies under the action of Uniplanar Forces or of Parallel Forces.

Properties of the Centre of Mass and its determination in simple cases.

Statics of Simple Mechanisms.

The Simpler Linkages.

The Elementary Laws of Friction.

Dynamics.—Velocities and Accelerations, including their Resolution and Composition.

Mass, Momentum, Force, Work, Energy, and Power.

Change of Units. Dimensions.

Motion under the action of a Force which is constant in Magnitude and Direction.

Simple Problems on the Motion of Projectiles.

Circular Motion.

Simple Harmonic Oscillations. The Simple pendulum.

Simple Cases of Direct and Oblique Impact.

Hydrostatics.—Pressures of Liquids on Plane Areas.

Pressures of Liquids on Solid Bodies, partially or wholly immersed, and Conditions of Equilibrium of such Bodies.

Specific Gravities and Densities of Substances, Solid and Liquid, and methods of determining them.

Simple applications of the foregoing subjects.

Experimental Physics (Two Papers).

The following Syllabus is intended to indicate the general scope and character of the examination, without being exhaustive of all parts of the subject. Candidates are expected to show a general acquaintance with the apparatus by which the elementary principles of Physics are illustrated and applied.

General Properties of Solids, Liquids, and Gases.

Relation between Volume and Pressure in Gases.

Diffusion in Liquids and Gases.

Heat.—Definition of Temperature. Construction and use of Instruments for the measurements of Temperature.

Expansion of Solids, Liquids, and Gases with rise of Temperature. Convection in Fluids.

Quantity of Heat. Specific Heat.

Change of State. Latent Heat. Vapour Pressure. Boiling Point.

Dew-point. Formation of Cloud, Fog, and Dew.

Conduction. Definition of Thermal Conductivity.

Radiation: its Emission, Propagation, Reflection, Refraction, and Absorption; its Relation to Light.

The Mechanical Equivalent of Heat and Modes of Determination. The Conservation of Energy.

Sound.—The Production and Propagation of Sound.

Nature of Wave-motion. Amplitudes, Wave-length. Frequency.

Experimental determination of the Velocity of Sound in Air. Echoes. Effect of change of Temperature on the Velocity.

Determination of Frequency by simple methods.

Experimental investigation of the modes of Vibration of Strings by means of the Sonometer.

Experimental investigation of the Vibrations of Air in Pipes by Resonance to Tuning Forks.

Organ Pipes. Position of Nodes and Antinodes.

Optics.—Propagation of Light. Measurement of Velocity. Laws of Reflection and Refraction.

Photometry.

Reflection at Plane and Spherical Surfaces, and the formation of Images.

Refraction at Plane Surfaces and by Prisms. Minimum deviation. Chromatic dispersion.

The formation of Images by single Lenses. Long and Short Sight and their correction by Lenses.

The Combination of Two Lenses to form a simple Telescope or Microscope.

Magnetism and Electricity.

Properties of Magnets. Simple Phenomena of Magnetism and of Magnetic Induction (Influence).

The Magnetic Field. Lines of Force. The Law of Magnetic Force.

The Earth as a Magnet.

The Simpler Phenomena of Electrified Bodies. Conduction and Insulation. Electrification by Friction and by Induction (Influence).

Distribution of Electrification on Conductors.

Electric Field. Strength of Field.

The Law of Electric Force.

Potential. Capacity. Energy of Charge.

Electric Discharge and Electric Current.

Primary and Secondary Batteries.

Magnetic Field of Current. Magnetic Measurement of Current. Galvanometers.

Work done by an Electric Current.

Electromotive Force. Difference of Potential. Resistance.

Ohm's Law: Volt; Ohm; Ampere; Watt; Joule.

Heating Effects of Currents.

Elementary Phenomena of Electrolysis. Faraday's Law.

Action on Current Circuits in a Magnetic Field.

Electro-magnetic Induction. Faraday's Law. Lenz's Law. Induction Coil.

Practical Examination.

The following scheme is not exhaustive, and is intended merely to show the general nature of the exercises at the practical examination. The examiners are not precluded from setting other exercises and practical problems illustrative of the principles set forth in the Syllabus:—

Length Measurements by Millimetre Rule.

Eye-estimation of tenths of a Division.

Use of Vernier, Linear, and Angular.

Determination of Areas and Volumes by Measurement of Linear Dimensions.

Use of the balance, weighing to one centigramme.

Determination of Volumes by Weighing in Water.

Specific Gravities of Solids, Powders, and Liquids.

Use of the Hydrometer.

Verification of Boyle's Law.

Reading the Barometric Height.

Determination of the Centre of Gravity of a Plate.

Use of Atwood's Machine.

Time of Swing of a Simple Pendulum and Verification of the Formula $t \propto \sqrt{l}$.

Determination of a Velocity of Sound in a Tube by Resonance with a Fork.

Use of the Sonometer.

Use of Thermometers, and Determination of Fixed Points.

Simple Methods of determining Specific Heat and Latent Heat of Fusion.

Determination of Dew-point.

Use of Simple Photometers.

Focal Lengths of Concave Mirrors.

Focal Lengths of Convex Lenses.

Arrangement of two Lenses to make simple forms of Telescope, Microscope, and Magic Lantern.

Arrangement of a Slit, Lens, and Prism to get a pure Spectrum.

Tracing the path of a Ray of Light through a block of glass and Deduction of Refractive Index.

Tracing the lines of force in the neighbourhood of a Magnet.

Mode of making a simple Electro-magnet.

Gold Leaf Electroscope and its use to find the sign of a given charge.

Mode of setting up common Voltaic Cells. Modes of joining up Cells.

Determination of the signs of the terminals of a Cell.

Use of simple Galvanometers.

Measurement of Resistance.

Simple experiments on Induced Currents.

Candidates must bring to the practical examination the notebooks containing the record of their laboratory work.

Chemistry (Two Papers).

The following outline is given for the general guidance of candidates as indicating the range of the Written Part (I.) and Experimental Part (II.) of the Examination in Chemistry :—

I.

The methods which lead to the discovery of the composition of common materials occurring in nature.

The determination of molecular weights, equivalents, and of atomic weights. Valency and structural formulæ.

Classification of the elements including the Periodic Scheme.

General characters of the chief types of compounds, including acids, bases, and salts, and a few prominent carbon compounds, especially as illustrating the relations of properties to composition and structure. No distinction will be admitted between Organic and Inorganic Chemistry.

History, production, and properties of the more important and typical elements and their most familiar compounds.

The character of chemical changes, including combustion, thermal dissociation, and electrolysis; the conditions which determine and influence them, and the attendant phenomena.

The whole to be treated in an elementary manner.

Candidates will be required to show that they have seen and practised a great variety of experiments, and are familiar with the appearance of common laboratory materials.

II.—*Practical Examination.*

Candidates will be required to show that they are familiar with easy quantitative operations, gravimetric and volumetric, with the rudiments of qualitative analysis, and that they have prepared a number of elements or compounds by processes involving the manipulation of gases and the purification of substances by crystallization, distillation, &c. Candidates must bring to the practical examination the notebooks which contain the record of the experimental work they have performed. Specimens made by the candidate, duly attested by the teacher, if any, may also be submitted to the examiners.

Botany (Two Papers, and a Practical Examination).

Morphology.—The structure and properties of the cell and of the various kinds of tissues; cell formation and the development of the tissues. The plant body; its structure, development, and various modifications.

Special Morphology, Reproduction, and Taxonomy.

The morphological and physiological characteristics of Angiosperms as exemplified by plants belonging to the following natural orders :—Dilliniaceæ, Malvaceæ, Portulacaceæ, Myrtaceæ, Leguminosæ, Cucurbitaceæ, Compositæ, Convolvulaceæ, Acanthaceæ, Scrophulariaceæ, Euphorbiaceæ, Palmaceæ, or Commelinaceæ, Orchidaceæ, Gramineæ.

The morphological and physiological characteristics of Gymnosperms as exemplified by *Cycas*.

The morphological and physiological characteristics of Pteridophyta as exemplified by *Selaginella*, *Aspidium*, *Asplenium*, or *Adiantum*.

The morphological and physiological characteristics of Bryophyta as exemplified by *Polytrichum* (or *Funaria*) and by *Marchantia* (or *Lunularia*).

The morphological and physiological characteristics of Algæ as exemplified by *Fucus*, *Ophiocytium*, *Coleochæte*, and *Spirogyra*.

The morphological and physiological characteristics of Fungi as exemplified by *Agaricus*, *Eurotium*, *Pythium*, *Saccharomyces*, *Bacillus*.

Elementary Physiology.

The chemical nature of the food elements of plants. Their sources, the modes in which they are respectively absorbed by the organism.

The absorption of water: turgescence, transpiration, root-pressure.

Movements of water in plants.

Aeration and respiration.

Photosynthesis. Outlines of metabolic changes within the plant.

Growth.

Irritability, Geotropism, Heliotropism.

Practical Examination.

The practical work will include the dissection and examination of plants or parts of plants, and the reference to their systematic position of plants, or parts of plants comprised in the foregoing syllabus. Simple experiments in Practical Physiology may be set.

Candidates must bring to the practical examination the notebooks containing the record of their laboratory work.

Zoology (Two Papers).

1. The fundamental facts and laws of Zoology, as exhibited in the following types :—*Amœba*, *Euglena*, *Paramecium*, *Monocystis*, *Hydra*, *Obelia*, *Lumbricus*, *Distomum*, *Astacus*, *Amphioxus*, *Scyllium*, *Rana*, *Lepus*.

2. The student will be expected to acquire a practical knowledge of the general organization of each of the types above specified and an elementary knowledge of—

- (a) The chief biological laws which the structural phenomena illustrate.
- (b) The structure and properties of the Cell, and the general characters of the Tissues, including Epithelia, Blood, Lymph; Nervous, Muscular, Connective, and Skeletal Tissues; and the microscopic structure of the more important organs of the body.
- (c) The phenomena of the Sexual and Asexual Reproduction, including the general history and characters of the Germ Cells, the chief types of Segmentation of the fertilized Ovum, the Metamorphosis of the Frog, and an elementary knowledge of the Development of the Chick up to the third day of incubation, and the formation of the Fœtal Membranes in the Bird and Mammal.

3. A knowledge of the diagnostic characters of the following groups:—Protozoa: Lobosa, Foraminifera, Radiolaria, Sporozoa, Flagellata, Ciliata; Coelenterata: Hydrozoa, Anthozoa; Platyhelminia; Turbellaria, Trematoda, Cestoda; Annelida: Oligochaeta, Polychaeta; Articulata: Crustacea, Insecta, Arachnida; Chordata: Urochorda, Cephalochorda; Craniata: Pisces, Reptilia, Amphibia, Aves, Mammalia.

Practical Examination.

The candidate must be prepared to examine microscopically, to dissect, and to describe specimens or parts of the animals comprised in paragraphs 1 and 2 in the foregoing Syllabus (with the exception that for the skull of *Lepus* will be substituted that of *Canis*), and the determination of the zoological position of specimens in accordance with paragraph 3.

Candidates must bring to the practical examination the notebooks containing the record of their laboratory work.

Geology (Two Papers).

(I.) *Physical Geology.*—The Earth as a Planet. Its larger surface features.

Atmospheric Agents and their Effects. Action of surface and underground waters and of ice.

The Ocean, its Movements and Works.

Distribution of Temperature and Pressure in the Earth, and its Density. The Internal Forces and their Effects. Subsidence and Elevation. Volcanoes and Earthquakes.

Characters and Relations of Rock Masses. The nature of Aqueous and Igneous Rocks and their Modes of Occurrence (Strike, Dip, Jointing, Folding, Faulting, Cleavage, Foliation; Interbedding, and Intrusion of Igneous Rocks). Features produced by Denudation (Outcrop Escarpments, Outliers, Inliers, Unconformity Overlap).

(II.) *Mineralogy relating to the important rock-forming Minerals.*—The common crystal forms and combinations, with the principles of crystallographic notation.

Minerals, their Physical Properties and Chemical Composition. Silica in its different forms. The chief minerals of the following groups:—Pyroxenes, Amphiboles, Felspars, Micas, Garnets, Zeolites, Chlorites. Also Olivine, Zircon, Beryl, Epidote, Zoisite, Cordierite, Leucite, Nepheline, Sodalite, Nosean, Häüyne, Tourmaline, Andalusite, Fibrolite, Kyanite, Staurolite, Sphene, Serpentine, Talc, Kaolin, Native Elements [Carbon, Sulphur]. Oxides [Iron Oxides, Spinels, Corundum, Rutile]. Rock Salt. Fluor Spar. Apatite. The Rock-forming Carbonates, Sulphides, and Sulphates.

Practical Examination.

Interpretation of Weather Charts. Physical Maps with contour lines and the method of drawing sections across them.

Drawing sections across some simple Geological Map.

Identification and Description of simple crystal forms and combinations by means of models or from actual specimens. Determination of the important Rock-forming Minerals in hand-specimens, and in thin slices under the microscope.

Candidates must bring to the practical examination the notebooks containing the record of their laboratory work.

Statement of Receipts and Expenditure during the Year 1909 of the Badulla District School Committee under the Rural Schools Ordinance, No. 8 of 1907.

RECEIPTS.		Rs. c.	PAYMENTS.		Rs. c.
Balance on January 1, 1909	..	764 36	New buildings	..	1,011 21
Government contribution	..	2,646 0	Repairs to buildings	..	1,186 59

Office of Public Instruction,
Colombo, February 5, 1910.

J. HARWARD,
Director.

NOTICES CALLING FOR TENDERS.

TENDERS are hereby invited for conversion of two temporary wards, Anuradhapura Hospital, into permanent ones.

2. All tenders must be in duplicate, both copies being sealed in the same envelope and addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders must be marked "Tender for conversion of two temporary wards, Anuradhapura Hospital, into permanent ones" in the left hand top corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on February 15, 1910.

4. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue, or be sent to him through the post.

5. Tenders must be on forms which may be obtained at the Office of the Provincial Engineer, North-Central Province, Anuradhapura, and no tender will be considered unless it is furnished on the recognized form thus obtained. Any alterations made in tenders should bear the initials of the tenderer, and all tenders containing alterations not so initialled will be treated as informal and rejected.

6. Parties applying for form of tender will be required to deposit the sum of Rs. 50 either at the Treasury or the Kacheheri, and produce a receipt for the same. Should the party fail to submit in accordance with the terms of the specification a *bona fide* tender, or to enter into the necessary contract, the sum of Rs. 50 deposited will be forfeited by way of ascertained and liquidated damages. Upon a contract being entered into, the deposits of unsuccessful *bona fide* tenderers will be returned.

7. Plans and specifications may be seen, and further information obtained, on application at the office of the Provincial Engineer, North-Central Province, Anuradhapura.

8. Before any tender is accepted the contractor will be required to sign a contract to execute and perform the works in accordance with the specification and the general conditions therein set forth, and to deposit a sum of Rs. 1,000 only for the due and faithful performance of the contract, within ten days of receiving notice in writing signed by the Provincial Engineer, North-Central Province, Anuradhapura, that the Government is prepared to accept his tender.

9. The Government does not bind itself to accept the lowest or any tender, and reserves to itself the right of accepting any portion of a tender.

T. H. CHAPMAN,
for Director of Public Works,
Public Works Office,
Colombo, January 26, 1910.

TENDERS are hereby invited for building police lock-up and quarters, Pelmadulla.

2. All tenders must be in duplicate, both copies being sealed in the same envelope, and addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders must be marked "Tender for building Police Lock-up and Quarters, Pelmadulla," in the left hand top corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on March 15, 1910.

4. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue or be sent to him through the post.

5. Tenders must be on forms which may be obtained at the office of the Provincial Engineer, Province of Sabaragamuwa, Ratnapura, and no tender will be considered unless it is furnished on the recognized form thus obtained. Any alterations made in tenders should bear the initials of the tenderer, and all tenders containing alterations not so initialled will be treated as informal and rejected.

6. Parties applying for form of tender will be required to deposit the sum of Rs. 50 either at the Treasury or the Kacheheri, and produce a receipt for the same. Should the party fail to submit in accordance with the terms of the specification a *bona fide* tender, or to enter into the necessary contract, the sum of Rs. 50 deposited will be forfeited by way of ascertained and liquidated damages. Upon a contract being entered into, the deposits of unsuccessful *bona fide* tenderers will be returned.

7. Plans and specifications may be seen, and further information obtained, on application at the office of the Provincial Engineer, Province of Sabaragamuwa, Ratnapura.

8. Before any tender is accepted the contractor will be required to sign a contract to execute and perform the works in accordance with the specification and the general conditions therein set forth, and to deposit a sum of Rs. 250 for the due and faithful performance of the contract, within ten days of receiving notice in writing signed by the Provincial Engineer, Province of Sabaragamuwa, Ratnapura, that the Government is prepared to accept his tender.

9. The Government does not bind itself to accept the lowest or any tender, and reserves to itself the right of accepting any portion of a tender.

T. H. CHAPMAN,
for Director of Public Works.

Public Works Office,
Colombo, January 31, 1910.

TENDERS are hereby invited for the conveyance of materials by boat from July 1, 1910, to June 30, 1912, to and from the under-mentioned places:—

To and from Colombo and Puttalam and intermediate stations and branch canals and backwaters, at Rs. _____ per mile per cwt.

To and from Colombo and Bolgoda and intermediate stations and branch canals and backwaters, at Rs. _____ per mile per cwt.

To and from Colombo and Digarolla and intermediate stations and branch canals and backwaters, at Rs. _____ per mile per cwt.

To and from Colombo and Ratnapura and intermediate stations and branch canals and backwaters, at Rs. _____ per mile per cwt.

Two tons to be taken as a boat load.

2. All tenders must be in duplicate, both copies being sealed in the same envelope and addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders must be marked "Tender for Conveyance of Materials by Boat during 1910-1912" in the left hand top corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on March 8, 1910.

4. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue or be sent to him through the post.

5. Tenders must be on forms which may be obtained at the Office of the Director of Public Works, and no tender will be considered unless it is furnished on the recognized form thus obtained. Any alterations made in tenders should bear the initials of the

tenderer, and all tenders containing alterations not so initialled will be treated as informal and rejected.

6. Parties applying for form of tender will be required to deposit the sum of Rs. 50 either at the Treasury or the Kacheheri, and produce a receipt for the same. Should the party fail to submit in accordance with the terms of the specification a *bona fide* tender, or to enter into the necessary contract, the sum of Rs. 50 deposited will be forfeited by way of ascertained and liquidated damages. Upon a contract being entered into, the deposits of unsuccessful *bona fide* tenderers will be returned.

7. Further information may be obtained on application at the Office of the Director of Public Works.

8. Before any tender is accepted the contractor will be required to sign a contract to execute and perform the works in accordance with the specification and the general conditions therein set forth, and to deposit a sum of Rs. 300 for the due and faithful performance of the contract, within ten days of receiving notice in writing signed by the Director of Public Works, that the Government is prepared to accept his tender.

9. The Government does not bind itself to accept the lowest or any tender, and reserves to itself the right of accepting any portion of a tender.

T. H. CHAPMAN,
for Director of Public Works.

Public Works Office,
Colombo, February 5, 1910.

TENDERS are hereby invited for building Police Court and Police Station, Balangoda.

2. All tenders must be in duplicate, both copies being sealed in the same envelope and addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders must be marked "Tender for Building Police Court and Police Station, Balangoda," in the left hand top corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on March 15, 1910.

4. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue or be sent to him through the post.

5. Tenders must be on forms which may be obtained at the Office of the Provincial Engineer, Province of Sabaragamuwa, Ratnapura, and no tender will be considered unless it is furnished on the recognized form thus obtained. Any alterations made in tenders should bear the initials of the tenderer, and all tenders containing alterations not so initialled will be treated as informal and rejected.

6. Parties applying for form of tender will be required to deposit the sum of Rs. 50 either at the Treasury or the Kacheheri, and produce a receipt for the same. Should the party fail to submit in accordance with the terms of the specification a *bona fide* tender, or to enter into the necessary contract, the sum of Rs. 50 deposited will be forfeited by way of ascertained and liquidated damages. Upon a contract being entered into, the deposits of unsuccessful *bona fide* tenderers will be returned.

7. Plans and specifications may be seen, and further information obtained, on application at the Office of the Provincial Engineer, Province of Sabaragamuwa, Ratnapura.

8. Before any tender is accepted the contractor will be required to sign a contract to execute and perform the works in accordance with the specification and the general conditions therein set forth, and to deposit a sum of Rs. 1,500 for the due and faithful performance of the contract, within ten days of receiving notice in writing signed by the Provincial

Engineer, Province of Sabaragamuwa, Ratnapura, that the Government is prepared to accept his tender.

9. The Government does not bind itself to accept the lowest or any tender, and reserves to itself the right of accepting any portion of a tender.

T. H. CHAPMAN,
for Director of Public Works.

Public Works Office,
Colombo, February 4, 1910.

TENDERS are hereby invited for fence repairs (Salt Pans, Chiviyateru).

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Government Agent, Northern Province, Jaffna.

3. Tenders should be marked "Tender for fence repairs, Salt Pans," in the left hand top corner of the envelope, and should reach the office of the Government Agent, Jaffna, not later than midday on February 15, 1910.

4. The tenders are to be made upon forms which will be supplied upon application at the Jaffna Kachcheri, and no tender will be considered unless it is on the recognized form.

5. A deposit of Rs. 25 will be required to be made at the Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Government Agent or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

6. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

7. The tenderers should state the period within which they will complete the work. The materials to be used must be of good quality, and must be approved by a representative of the Government Agent.

8. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of each bond, and all other necessary information, can be ascertained upon application at the office referred to in section 5.

9. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

10. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

E. T. HUGHES,
for Government Agent.

January 25, 1910.

TENDERS are hereby invited for the supply of logs of hardwood, kappus, valais, pachchus, and warichchus from forests near Parappukkadanthan to the Forest Department Depot in the Fort of Mannar. The total amount on the contract will be Rs. 180, and the time allowed for completion of supply will be three months from the date of contract.

2. Tenders should be in duplicate, the original being sent to the Assistant Conservator of Forests, Jaffna Division, Jaffna, and the duplicate to the Conservator of Forests, Kandy.

3. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue or be sent through the post.

4. Tenders should be marked "Tender for Mannar Depot Supplies" in the left hand top corner of the envelope, and should reach the Office of the Assistant Conservator of Forests, Jaffna, not later than midday on Friday, February 18, 1910.

5. The tenders are to be made upon forms which will be supplied upon application at the Forest Office, Jaffna, and no tender will be considered unless it is on the recognized form.

6. A deposit of Rs. 20 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

7. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

8. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of security required will be Rs. 20. All other necessary information can be ascertained upon application at the offices referred to in section 5.

9. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

10. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

11. Contractor will be required to pay all tolls and ferry dues.

12. Tenders should quote both in words and figures rates as follows:—

Logs	..	per cubic foot
Kappus	..	per kappu
Valais	..	per valai
Pachchus	..	per 100 pachchus
Warichchus	..	per 1,000 warichchus

FRED. J. TURNER,
Forest Office, Assistant Conservator of Forests.
Jaffna, January 17, 1910.

TENDERS are hereby invited for the supply of carts to the Civil Medical Stores, Colombo, for the period of one year, commencing from July 1, 1910, and terminating on June 30, 1911.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue or be sent through the post.

4. Tenders should be marked "Tenders for the supply of carts to the Civil Medical Stores" in the left hand top corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on February 15, 1910.

5. The tenders are to be made upon forms which will be supplied upon application at the Office of the Principal Civil Medical Officer and Inspector-General of Hospitals, Colombo, and no tender will be considered unless it is on the recognized form. Alterations must be initialled, otherwise the tenders may be treated as informal and rejected.

6. A cash deposit of Rs. 50 will be required to be made at any Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond after he has tendered, or fail to furnish the approved security, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of the contract.

7. The successful tenderer will be required to furnish cash security to the extent of Rs. 100, and to

sign the bond given in the tender for the due fulfilment of the contract. The amount deposited for tender forms will form part of the security.

8. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

9. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

10. Any further information can be obtained on application to the Principal Civil Medical Officer and Inspector-General of Hospitals, Colombo.

C. T. GRIFFIN,
for Principal Civil Medical Officer and
Inspector-General of Hospitals.

Colombo, January 21, 1910.

TENDERS are hereby invited for the privilege of selling fruits, &c., on the platforms to Third Class Passengers, at Henaratgoda, Veyangoda, Gampola, Nawalapitiya, Talawakele, Wattagama, Moratuwa, Panadure, Kalutara South, Ambalangoda, Galle, Weligama, Matara, Kankasanturai, Chavakachcheri, Kodikamam, Pallai, Anuradhapura, Galagamuwa, Ganewatta, Kurunggala, Avisawella, Dehiowita, and Yatiyantota, from July 1, 1910, to June 30, 1911, from persons willing to tender for the same.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the General Manager of the Railway, Colombo.

3. Tenders should either be deposited in the Office of the General Manager of the Railway, or be sent through the post.

4. Tenders should be marked "Tender for the privilege of selling Fruits, &c., on the Platforms to Third Class Passengers" in the left hand corner of the envelope, and should reach the Office of the General Manager of the Railway not later than midday on Tuesday, February 22, 1910.

5. The tenders are to be made upon forms which will be supplied upon application at the Office of the General Manager of the Railway, and no tender will be considered unless it is on the recognized form.

6. A deposit of Rs. 10 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

7. The amount of security required will be a month's rent in cash. All other necessary information can be ascertained upon application at the office referred to in section 5.

8. The security should be furnished within ten days of acceptance of tender being notified.

9. All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

10. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

11. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

12. Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence if called for.

General Manager's Office, G. P. GREENE,
Colombo, January 26, 1910. General Manager.

TENDERS are hereby invited for the supply of the under-mentioned tiles for the use of the Railway Department from persons willing to contract from July 1, 1910, to June 30, 1911, viz. :—

Half-round tiles (native).

Mangalore or Calicut, flat, whole, and half, and ridge tiles of best quality.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue, or be sent through the post.

4. Tenders should be marked "Tender for Tiles to the Railway Department" in the left hand corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on Tuesday, February 22, 1910.

5. The tenders are to be made upon forms which will be supplied upon application at the office of the General Manager of the Railway, and no tender will be considered unless it is on the recognized form. Tender forms will be issued *till February 17, 1910*.

6. A deposit of Rs. 25 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

7. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given engaging to become security for the due fulfilment of the contract.

8. Samples must be deposited with the General Manager of the Railway before the dates on which the tenders are due. No tenders will be considered if the samples are not so deposited.

9. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of security required will be Rs. 1,000. All other necessary information can be ascertained upon application at the office referred to in section 5.

10. The security should be furnished within ten days of acceptance of tender being notified.

11. All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

12. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

13. Fines will be inflicted for delays in complying with orders.

14. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

15. Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence if called for.

G. P. GREENE,
General Manager.

General Manager's Office,
Colombo, January 26, 1910.

TENDERS are hereby invited for the supply of bricks to the Lower District of the Railway from persons willing to contract from July 1, 1910, to June 30, 1911, to be delivered at any place within the gravets of Colombo as required by the Railway Department, and to be as per under-mentioned specification, viz. :—

Bricks.—To be the best stock bricks, size $8\frac{1}{2}$ in. by $4\frac{1}{2}$ in. by 2 in. ; sound, clean cut, hard, and well burned, of uniform size and shape.

5. The tenders are to be made upon forms which will be supplied upon application at the office of the General Manager of the Railway, and no tender will be considered unless it is on the recognized form. Tender forms will be issued till February 17, 1910.

6. A deposit of Rs. 50 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

7. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given engaging to become security for the due fulfilment of the contract.

8. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of security required will be Rs. 1,000. All other necessary information can be ascertained upon application at the office referred to in section 5.

9. The security should be furnished within ten days of acceptance of tender being notified.

10. All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

11. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

12. Fines will be inflicted for delays in complying with orders.

13. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

14. Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence if called for.

G. P. GREENE,
General Manager's Office, General Manager.
Colombo, January 26, 1910.

TENDERS are hereby invited for the right to supply refreshments to 1st and 2nd class passengers in the refreshment room and also to the 3rd class passengers on the platform at Vavuniya Railway Station from July 1, 1910, to June 30, 1911, from persons willing to tender for the same.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the General Manager of the Railway, Colombo.

3. Tenders should either be deposited in the Office of the General Manager of the Railway, or be sent through the post.

4. Tenders should be marked "Tender for sale of Refreshments, &c., at Vavuniya Railway Station" in the left hand corner of the envelope, and should reach the Office of the General Manager of the Railway not later than midday on Tuesday, February 22, 1910.

5. The tenders are to be made upon forms which will be supplied upon application at the Office of the General Manager of the Railway, and no tender will be considered unless it is on the recognized form.

6. A deposit of Rs. 20 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

7. The amount of security required will be Rs. 50 in cash. All other necessary information can be ascertained upon application at the office referred to in section 5.

8. The security should be furnished within ten days of acceptance of tender being notified.

9. The sales are to take place only at train times, and then only to *bona fide* 1st and 2nd class passengers in the refreshment room and to 3rd class passengers on the platform. Under no circumstances are liquors to be sold to 3rd class passengers.

10. The prices charged for refreshments are to be moderate and to the satisfaction of the General Manager.

11. The successful tenderer will not be called upon to take out liquor license, provided he strictly adheres to the conditions above stated.

12. Any failure to observe the conditions will render the successful tenderer liable to prosecution for selling liquor without a license.

13. All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

14. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

15. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

16. Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence if called for.

G. P. GREENE,
General Manager.

General Manager's Office,
Colombo, January 26, 1910.

TENDERS are hereby invited for landing and delivering teak to the Railway Department from July 1, 1910, to June 30, 1911.

Each tenderer should specify the rate per ton at which he is prepared to undertake the following work:—

- (a) Landing and delivering to the Railway Yard at Maradana, per ton.
- (b) Landing and delivering within the gravets of Colombo, as may be directed, per ton per mile.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue, or be sent through the post.

4. Tenders should be marked "Tender for landing and delivering Teak to the Railway Department" in the left hand corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on Tuesday, February 22, 1910.

5. The tenders are to be made upon forms which will be supplied upon application at the Office of the General Manager of the Railway, and no tender will be considered unless it is on the recognized form. Tender forms will be issued till February 17, 1910.

6. A deposit of Rs. 50 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

7. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given engaging to become security for the due fulfilment of the contract.

8. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of security required will be Rs. 500. All other necessary information can be ascertained upon application at the office referred to in section 5.

9. The security should be furnished within ten days of acceptance of tender being notified.

10. The teak should be landed and delivered with the utmost despatch by carts at the Railway Yard at Maradana, or elsewhere as may be directed, and is to be deposited and properly stacked at a place or places pointed out by the Railway Officers concerned.

11. No payment will be made until the Locomotive, Carriage, and Wagon Superintendent, or Engineer of Way and Works has given a certificate that the teak has been stacked to his satisfaction.

12. All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

13. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

14. Fines will be inflicted for delays in complying with orders.

15. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

16. Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence if called for.

General Manager's Office, G. P. GREENE,
Colombo, January 26, 1910. General Manager.

5. The tenders are to be made upon forms which will be supplied upon application at the Office of the General Manager of the Railway, and no tender will be considered unless it is on the recognized form.

6. A deposit of Rs. 20 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

7. The amount of security required will be Rs 50. in cash. All other necessary information can be ascertained upon application at the office referred to in section 5.

8. The security should be furnished within ten days of acceptance of tender being notified.

9. The sale of liquor to take place only at train time, and then only to *bona fide* 1st and 2nd class passengers travelling by train. Under no circumstances are liquors to be sold to 3rd class passengers.

10. The prices charged for liquors and waters are to be moderate and to the satisfaction of the General Manager.

11. The successful tenderer will not be called upon to take out liquor license, provided he strictly adheres to the conditions above stated.

12. Any failure to observe the conditions will render the successful tenderer liable to prosecution for selling liquor without a license.

13. All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

14. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

15. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

16. Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence if called for.

G. P. GREENE,
General Manager.

General Manager's Office,
Colombo, January 26, 1910.

SEALED Tenders, marked on the envelopes "Tender for the supply of Bricks to the Upper District of the Railway," will be received up to 12 noon on Tuesday, February 22, 1910, from persons willing to contract for the supply of bricks from the date of acceptance of tender to June 30, 1911, to be delivered at any Railway Station above Kadugannawa as per under-mentioned specification, viz. :—

Bricks.—To be the best stock bricks, size 9 in. by 4½ in. by 3 in. ; sound, clean cut, hard, and well burned, of uniform size and shape.

The quantity of bricks required will be about 7,500 a week, and the contractor must specify the minimum number he is prepared to supply, and at what station the bricks are to be supplied.

Each tender must specify the rate per 1,000, and samples of same must be forwarded to the General Manager of the Railway.

All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

Tenders should either be deposited in the tender box in the Office of the Controller of Revenue or be sent through the post.

The tenders are to be made on forms which will be supplied upon application at the Office of the General Manager, and no tender will be considered unless it is furnished on the recognized form. Tender forms will be issued *till February 17, 1910*.

A deposit of Rs. 50 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

The security required will be Rs. 100 in cash, and any further information required can be obtained on personal application at the Office of the General Manager.

The Government reserves to itself the right, without question, of rejecting any or all tenders, and is further not bound to accept the lowest tender.

The person whose tender is accepted by the Government will be required to bear the expenses of having the security bond prepared for the due performance of the contract, which bond will be subject to the approval of the Attorney-General, but may be drawn by the tenderer's own lawyers, the name or stamp of whom should be affixed to the document.

Every alteration should bear the initials of the tenderer, and all tenders containing alterations not bearing the tenderers' initials will be treated as informal and rejected.

Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence if called for.

G. P. GREENE,
General Manager's Office, General Manager.
Colombo, February 2, 1910.

General Manager's Office,
Colombo, February 7, 1910.

SEALED Tenders for the contract of daily scavenging the town of Teldeniya, within the Sanitary Board limits, for one year from March 1, 1910, will be received by the Chairman, Sanitary Board, Kandy District, at Kandy Kachcheri, up to noon on February 15, 1910.

For particulars of work and conditions of contract apply to the Chairman, Sanitary Board, Kandy.

G. S. WOODMAN,
for Chairman.

Sanitary Board Office,
Kandy, January 26, 1910.

SEALED Tenders, marked "Tender for the License of the Two Mutton Stalls at Nawalapitiya for 1910," will be received at the Kandy Kachcheri only up to noon on February 12, 1910, stating price per pound for which mutton will be sold at each stall.

The Board reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

By order,
MASS RAHIM,
Secretary.

Local Board Office,
Nawalapitiya, February 3, 1910.

VITAL STATISTICS.

Registrar-General's Weekly Health Report of the City of Colombo for the Week ended February 5, 1910.

Births.—The total births registered were 100 (3 Europeans, 17 Burghers, 46 Sinhalese, 14 Tamils, 14 Moors, 3 Malays, and 3 Others). The birth-rate per 1,000 per annum (calculated on the estimated population on January 1, 1910, viz., 185,704) was 28.1 as against 25.3 in the preceding week, 22.3 in the corresponding week of last year, and 25.1 the weekly average for last year.

Deaths.—The total deaths registered were 120 (1 European, 6 Burghers, 63 Sinhalese, 26 Tamils, 20 Moors, 3 Malays, and 1 Other), including the death of a town resident who died in the Enteric Hospital at Kanatta. The death-rate per 1,000 per annum was 33.7, as against 37.3 in the previous week, 43.0 in the corresponding week of last year, and 33.7 the weekly average for last year.

Infantile Deaths.—Of the 120 total deaths, 35 were of infants under one year of age, as against 25 in the preceding week, 27 in the corresponding week of the previous year, and the average for last year.

Still Births.—The number of still births registered during the week was 5.

Selected Causes of Death.—Twelve deaths were registered from *Phthisis* (against 11 in the previous week and 15 the weekly average for last year), of which 2 each were in San Sebastian, St. Paul's, Maradana (exclusive of hospitals), and Slave Island, and 1 each in Pettah, New Bazaar, Maradana hospitals, and Kollupitiya.

2. Ten deaths were registered from *Pneumonia* as in the previous week (against 15 the weekly average for last year), of which 4 were in Kotahena, 3 in St. Paul's, 2 in Maradana (exclusive of hospitals), and 1 in Kollupitiya. Five deaths were registered from *Bronchitis*.

3. Fourteen deaths were registered from *Infantile Convulsions*, 12 from *Dysentery* (including 1 infant), 10 *Debility* (9 infants), 6 *Enteritis* (4 infants), 5 *Diarrhoea* (1 infant), 5 *Old Age*, 4 *Tetanus* (3 infants), and 32 from *Other Causes*.

4. Five deaths were registered from *Enteric Fever* (against 6 in the previous week, which was also the weekly average for last year), of which 2 were in Kotahena, and 1 each in Pettah, San Sebastian, and Maradana (exclusive of hospitals). There were 10 cases reported during the week, against 14 in the previous week.

5. Thirty-eight cases of *Chickenpox* were reported, against 20 in the previous week; and 12 of *Measles*, against 13 in the previous week.

State of the Weather.—The mean temperature of air was 80.6°, against 80.0° in the preceding week and 79.4° in the corresponding week of the previous year. The mean atmospheric pressure was 29.971 in., against 29.998 in. in the preceding week and 29.960 in. in the corresponding week of the previous year. The total rainfall in the week was 0.09 in. against nil in the preceding week and in the corresponding week of the previous year.
