section 4 of
Ordinance No. 9

It shall be the duty of "The Medical Wants Committee" from time to time to submit their recommendations for the consideration of the Governor.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, April 1, 1910.

HUGH CLIFFORD,
Colonial Secretary.

Statement of Objects and Reasons.

THE general object of this Ordinance is to introduce a new system of defraying the expenses incurred under "The Medical Wants Ordinances of 1880 and 1882." The essential points in the new system are the following:—

- (a) Estates are relieved of the liability to pay for the treatment of labourers and for the visits of the District Medical Officer.
- (b) The costs of carrying the Ordinance into effect are defrayed by—
 - (i.) An annual contribution from public revenue equal to 15 per cent. of the total cost of carrying the Ordinance into effect during the last preceding year.
 - (ii.) The proceeds of export duties on certain agricultural products, the rate of duty being adjusted triennially.

2. With this object the Draft Ordinance makes provision—

- (1) For the preparation by the Treasurer of an annual statement of the expenditure incurred in carrying into effect the Medical Wants Ordinances during the preceding year.
- (2) For the passing by the Legislative Council triennially of resolutions imposing duties on the exportation of tea, rubber, coffee, cacao, and cinchona at such respective rates as shall, in the opinion of the Council, be sufficient to cover the estimated cost of carrying into effect the Medical Wants Ordinances during a period of three years, after deducting therefrom the Government contribution of 15 per cent.

3. The Ordinance also provides for the creation of a Medical Wants Committee, consisting of the Colonial Secretary, the Principal Civil Medical Officer, the Government Agent of the Central Province, and two members to be nominated by the Planters' Association, for the purpose of advising the Governor as to the requirements of immigrant labourers, as regards the construction of hospitals and dispensaries, and as regards other matters connected with the administration of the Medical Wants Ordinances.
