The cultivation in this division is more satisfactory, the fields being irrigated by rivers and hillstreams. The chenas and fields show good signs of favourable crops for maha, having been cultivated in due time In Kohonsiyapattu especially

there was a great scarcity of paddy owing to the failure of the vala crop caused by the ravages of flies. Numbers of the people lived on Coast rice, which for the last five months has fetched a high rate in the bazaar. In Udasiya and Medasiyapattus the yala crop was also damaged by flies, but not to the same extent as in Kohonsiyapattu. The two Asgiri korales suffered very seriously, partly by ravages of flies and chiefly owing to the limited extent of mudland put under cultivation for yala, owing to the scarcity of rain. Several of the people of these korales being unable to afford Coast rice at bazaar prices went to Amhena and Gangala, where they were able to buy paddy at a less price for their own consumption as well as to pound and sell at a small profit. Gampahasiyapattu had a fairly good crop for yala, although not altogether free from damage by flies. - The fieldowners have had an advantage over the rest, having been able to sell their paddy at an enhanced rate owing to the demand in Asgiri koralés. The maha sowing in Matale South was begun in due time and shows indication of good prospects. Rainfall was limited, and therefore the cultivation on the

whole is less than last year

# LAND RESUMPTION NOTICES.

HEREAS the following allotment of land, situated in the village of Koggalla, in the Magam pattu of the Hambantota District in the Southern Province, described as lot 15 in Government preliminary plan 1, surveyed by Mr. J. Braybrooke in 1844, and forming a portion of the land called Punchinenayagama, which allotment is bounded on the north by lot 16, on the east by Koggala tank and field and Crown tank, on the south by the lot 14, and on the west by Walawe-ganga; and which has been alienated by and on behalf of the Crown, and sold originally to Mr. C. Shand on behalf of Messrs. C. King & Co. on January 11, 1846, appears to me to have been abandoned by the owner thereof for the last forty years and upwards; and whereas such owner or any person lawfully claiming under him cannot be ascertained notwithstanding all reasonably diligent inquiries made by me:

Now Know all Men that I, Edward Elliott, Government Agent for the Southern Province, by virtue of the powers vested in me by Ordinance No. 4 of 1887, and with the sanction of His Excellency the Governor, do hereby declare that, if no claim to the said land by or on behalf of any person able to establish a title thereto is made to me within twelve months from this date, the same will be resumed by the Crown, in terms of the 2nd section of the said

Given under my hand at Galle this Fifteenth day of February, 1893.

E. Elliott, Government Agent.
