DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend the Ordinances relating to the Medical Wants of Immigrant Labourers in Planting Districts.

Preamble.	<p>WHEREAS it is expedient to amend the Ordinances relating to the medical wants of immigrant labourers in planting districts: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:</p>
Short title and commencement.	<p>1 This Ordinance may be cited as "The Medical Wants Ordinance, 191," and shall be read and construed as one with "The Medical Wants Ordinances, 1880, 1882, and 1905"; and this Ordinance and the said Ordinances may be cited together as "The Medical Wants Ordinances, 1880 to 191."</p> <p>(2) This Ordinance shall come into force at such date as the Governor, by Proclamation in the "Government Gazette," shall appoint.</p>
Repeal.	<p>2 Sections 4 and 5 of "The Medical Wants Ordinance, 1880, Amendment Ordinance, 1882," are hereby repealed, but the duty leviable under section 4 shall continue to be levied until the duties provided for by section 7 of this Ordinance have been imposed.</p>
Interpretation.	<p>3 In this Ordinance "The Medical Wants Ordinance, 1880," and "The Medical Wants Ordinance, 1880, Amendment Ordinance, 1882," are collectively referred to as "The Medical Wants Ordinances."</p>

4 (1) All moneys paid into any kacheheri under sections 15 and 19 of "The Medical Wants Ordinance, 1880," shall, after the commencement of this Ordinance, be carried to the credit of "The Estates Medical Fund" mentioned in the next following section.

(2) All moneys standing to the credit of the fund known as "The Medical Aid Fund" shall, on the commencement of this Ordinance, be carried to the credit of "The Estates Medical Fund."

Estates Medical Fund.

5 The expenses of carrying into effect the Medical Wants Ordinances shall, after the commencement of this Ordinance, be defrayed from a special fund (in this Ordinance called "The Estates Medical Fund"), which shall consist of—

- (a) The proceeds of the duties levied as hereinafter provided upon the export of the agricultural products mentioned in section 7 (1).
- (b) The moneys transferred from "The Medical Aid Fund" under section 4 (2), and all moneys paid or recovered after the commencement of this Ordinance under sections 15 and 19 of "The Medical Wants Ordinance, 1880."
- (c) An annual contribution from moneys provided by the Legislative Council of an amount equal to fifteen per centum of the total cost of carrying into effect the Medical Wants Ordinances during the last preceding year.

Annual accounts of expenditure on Medical Wants Ordinances.

6 (1) In order to ascertain for the purposes of the last preceding section the annual expenditure incurred in carrying into effect the Medical Wants Ordinances, the Treasurer shall in each year prepare a statement of the expenses so incurred during the preceding year; and such statement, after having been duly audited and certified as correct by the Colonial Auditor, shall be embodied in a Sessional Paper and shall be laid on the table of the Legislative Council.

(2) The first of such annual statements shall show the expenditure incurred during the twelve months ending the thirtieth day of June, 1911, and shall be submitted to the Legislative Council not later than the thirty-first day of December next following. Thereafter such annual statements shall show the expenditure for the twelve months ending the thirtieth day of June in each year, and shall be submitted to the Legislative Council not later than the thirty-first day of December next following.

(3) In preparing such annual statements the Treasurer shall bring to account expenditure on the construction of buildings and other expenditure which would properly be chargeable to a capital account by including in each annual statement, until the total amount of the expenditure has been liquidated, such an amount as would be sufficient to liquidate the principal amount, together with interest at four per centum per annum on unliquidated amounts, in twenty-five equal annual instalments.

(4) The said annual statements shall not include any charge in respect of capital expenditure incurred before the commencement of this Ordinance.

Duties on the export of certain products.

7 (1) The Legislative Council shall as soon as may be after the commencement of this Ordinance impose by resolution duties on the exportation of tea, rubber, coffee, cacao, cardamoms, coca, camphor, pepper, and cinchona at such respective rates as shall in the opinion of the Council be sufficient to cover the estimated cost of carrying into effect the Medical Wants Ordinances during a period of three years from the first day of July then next following, after deducting therefrom the contribution mentioned in section 5 (b).

The rates of duty so determined shall remain in force for a period of three years. At the conclusion of the said period, and thereafter at the conclusion of each succeeding period of three years, the Legislative Council shall by resolution re-impose such duties with such alterations as circumstances may require, in order to carry into effect the Medical Wants Ordinances for a further period of three years.

(2) In re-imposing such duties the Legislative Council may increase or decrease the rates thereof accordingly as the moneys paid into the Estates Medical Fund during the preceding period of three years have fallen short of, or exceeded, the total cost of carrying into effect the Medical Wants Ordinances during that period.

(3) The duties imposed under this section shall be payable to, and shall be collected and received by the proper officers of the Customs Department; and the payment thereof shall be levied and enforced under the provisions of "The Customs Ordinances, 1869 to 1909."

(4) The duties collected under this section shall be paid into the Treasury, and shall be carried to the credit of the Estates Medical Fund in such manner as the Governor may direct.

(5) The Legislative Council may from time to time determine by resolution that duties shall be imposed for the purposes of this Ordinance upon the exportation of agricultural products other than those enumerated in sub-section (1); and upon such resolution such duties shall be levied, collected, and brought to account as by this section provided.

Abolition of
export duties
imposed by
section 4 of
Ordinance No. 9
of 1882.

8 Whenever the duties provided for in the last preceding section have been imposed, the duties chargeable under section 4 of "The Medical Wants Ordinance, 1880, Amendment Ordinance, 1882," shall, as from the date when such first-named duties are leviable, cease to be levied.

Payment of
Government
contribution to
Estates Medical
Fund.

9 (1) The Treasurer shall, in each year, pay from the public revenue to the credit of the Estates Medical Fund an amount equal to fifteen per centum of the amount shown by the annual statement mentioned in section 6 to have been expended during the last preceding year in carrying into effect the provisions of the Medical Wants Ordinances.

(2) If, at the conclusion of any of the triennial periods mentioned in section 7, it appears that, during such period, there has been a substantial increase or decrease in the extent to which hospitals and dispensaries established under the Medical Wants Ordinances have been used for the treatment of persons who are not labourers, it shall be lawful for the Governor, with the sanction of the Secretary of State, to direct that the contribution from the public revenue to the Estates Medical Fund provided for in sub-section (1) shall be increased or decreased in such proportion and for such period as the Governor shall direct.

Constitution of
Medical Wants
Committee.

10 For the purpose of the following section and in order to advise the Governor as to the requirements of immigrant labourers as regards the construction of hospitals and dispensaries and as regards other matters connected with the administration of the Medical Wants Ordinances, there shall be a Committee, to be called "The Medical Wants Committee," consisting of the Colonial Secretary, who shall be the Chairman, the Principal Civil Medical Officer, the Government Agent for the Central Province, and two members to be nominated by the Planters' Association of Ceylon.

It shall be the duty of "The Medical Wants Committee" from time to time to submit their recommendations for the consideration of the Governor.

Allowance of
rebate of duty
to proprietors.

11 (1) When the proprietor of an estate or group of estates has at his own cost made provision to the satisfaction of the Principal Civil Medical Officer for the medical treatment of the labourers employed on such estate or group of estates, the Medical Wants Committee may, at their discretion and subject to the rules made under the next following sub-section, allow to such proprietor a rebate of the duties paid under section 7 on the exportation of the produce of such estate or group of estates.

ජාතික ප්‍රජාවකාල හා ප්‍රජාවේන

(2) The Medical Wants Committee may from time to time make, and when made, may revoke, vary, or amend rules prescribing:—

- (a) The conditions subject to which rebate will be allowed and the evidence which will be required in support of applications for rebate;
- (b) The form at which, and the time when, applications should be made;
- (c) The manner in which rebates shall be made; and generally on all matters connected with the allowance of rebates under this section.

(3) No rule or revocation, variation or amendment of a rule, shall have effect until the same has been confirmed by the Governor in Executive Council, and all rules, or revocations, variations or amendments of rules, when so confirmed, shall be published in the "Government Gazette."

By His Excellency's command,

H. L. CRAWFORD,
Acting Colonial Secretary.
Colonial Secretary's Office,
Colombo, July 1, 1910.

Statement of Objects and Reasons.

The general object of this Bill is to revise the system of defraying the expenses incurred in carrying the Medical Wants Ordinances into effect. The Bill proceeds on the principle that the total cost, less an annual contribution of 15 per cent. from public revenue, shall be borne by the estates.

2. Under the Bill, the expenses are payable out of an Estates Medical Fund which is composed of—

- (a) The proceeds of an export duty on the exportation of tea, rubber, coffee, cacao, cardamoms, coca, camphor, pepper, and cinchona
- (b) Payments and recoveries under sections 15 and 19 of the Ordinance of 1880 for the treatment of labourers in hospital; and
- (c) An annual contribution from public revenue equal to 15 per cent. of the costs of carrying the Ordinance into effect during the preceding year.

3. The Bill provides for the levy of export duties upon the products named in the preceding paragraph (2 (a)) at such rates as are considered sufficient to cover the cost of carrying into effect the Medical Wants Ordinances during a period of three years after deducting the annual contribution of 15 per cent. from Government.

4. In preparing his statement of the annual cost of the administration of the Ordinances, the Treasurer is directed by section 6 (3) to bring to account expenditure on buildings, &c., by including in each annual statement such an amount as would be sufficient to liquidate the capital expenditure with interest at 4 per cent. in twenty-five annual instalments.

5. The Bill provides for the creation of a Medical Wants Committee consisting of the Colonial Secretary, the Principal Civil Medical Officer, the Government Agent of the Central Province, and two members nominated by the Planters' Association.

6. The Medical Wants Committee will advise the Governor as regards the construction of hospitals and dispensaries, and generally on matters connected with the administration of the Ordinances. The Committee will also perform the duties referred to in the next paragraph.

7. By section 11 of the Bill it is provided that the Medical Wants Committee may allow proprietors who have made provision to the satisfaction of the Principal Civil Medical Officer a rebate of the duty on the produce of their estate.

The allowance of the rebate is subject to rules to be made by the Committee and confirmed by the Governor.

8. The Bill differs from the draft previously published (a) by allowing a rebate to proprietors who have made satisfactory provision for the medical treatment of their labourers; (b) by adding cardamoms, camphor, coca, and pepper to the dutiable products; and (c) by retaining sections (15) and (19) of "The Medical Wants Ordinance, 1880," which were repealed by the earlier draft. These sections provide for payment by the estate for the treatment of labourers in hospital and for medical visits to the estate.
