CEYLON GOVERNMENT 4 PER CENT. INSCRIBED STOCK.

Second issue of Rs. 1,000,000.

Authorised by Ordinance No. 7 of 1892, "An Ordinance to empower the Ceylon Government to raise Four Million Rupees for the Construction of Railways and other Public Works."

THE Treasurer of Ceylon, on behalf of the Government, invites Tenders for the above amount of Stock, to be issued and inscribed under the provisions of "The Ceylon Inscribed Rupee Stock Ordinance, 1892."

The Loan is secured on the general revenue of the Colony, and the principal will be repayable at par on the 1st July, 1943, by a sinking fund of 1 per cent. per annum, to be formed under the management of the Auditor-General and Treasurer, who are appointed Trustees. The interest, at the rate of 4 per cent. per annum, will be payable half-yearly on the 4th January and 4th July in each year, for the half-year ended with the last day of the month next preceding, the first payment being due on the 4th January next, by dividend warrants, which, if desired, may be transmitted by post, either to the stockholders, or other person, bank, or firm within the Colony. Principal and interest will be payable at the Treasury at Colombo.

If the price of the Stock be below par at the time when the contributions to the sinking fund are received, the Trustees are empowered to purchase therewith the Stock in the market, cancelling in the register the Stock so purchased.

The Stock will be transferable by agreement in writing without charge, and free of stamp duty.

Tenders will be received at the Treasury at Colombo until 1 P.M. on Monday, the 19th June, 1893, and will be opened in the presence of such of the applicants as may attend.

Tenders must be for even thousands of Stock.

The purchase money will be required as follows:—

Five per cent. on application, and the balance on or before the 1st July, 1893.

The first payment must accompany the Tender, and the subsequent payment is to be made at the Treasury not later than the date above mentioned.

The allotments will be made to the highest bidders, provided the rates offered are not below Rs. 1,000 in money for every Rs. 1,000 of Stock. In the event of the receipt of Tenders in excess of the amount to be allotted at or above the minimum price, the Tenders at the lowest price accepted will be subjected to a pro rata diminution.

If no allotment be made, the amount forwarded with the Tender will be returned in full, and if a portion only of the amount applied for be allotted, the surplus will be appropriated towards the payment of the second instalment.

Forms of Tender may be obtained, and copies of the Ordinance may be seen, on application at the Treasury.

The General Treasury, Colombo, March 11, 1893.

A SECOND issue of One Million Rupees will be made on July 1, 1893.

Tenders due before 1 P.M. on June 19, 1893.

The attention of contractors, renters, and of all persons who give security to Government is invited to the advantage of investing in this Stock, the certificates of which are accepted by the Government as security for their enfaced value, without any further formality beyond temporarily transferring the Stock to the Treasurer, and having the terms and conditions disclosed in the contract.

No stamp duties are charged on transfers, and interest at 4 per cent. is payable every half-year at the Treasury or Provincial Kachcheries.

Tender forms and full information may be obtained at the Treasury or Audit Office.

G. S. WILLIAMS, Acting Treasurer.

25. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Rupees two and cents fifty, or such other sum as the Directors shall from time to time determine, must be paid, and thereupon the Directors, subject to the powers vested in them by Articles 23, 24, and 26, shall register the transferee as a Shareholder, and retain the instrument of transfer.

26. The Directors may, by such means as they shall deem expedient, authorise the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

27. *Directors not bound to inquire as to validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles, and whether they abstain from so inquiring or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

28. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the First General Meeting; also, when a dividend is declared, for the three next days ensuing the meeting.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of the Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment, Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay Money owing at the time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or Forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

35. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be effected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share *bonâ fide* sold or re-allotted or otherwise disposed of under Article 34 hereof shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors although the times appointed for the payment thereof shall not have arrived, and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such person. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the share subject to it, provided that no such sale shall be made except under a resolution of the Directors and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer with the certificate last aforesaid shall confer on the purchaser a complete title to such shares.

CALLS.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment.

43. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board meeting of the Directors.

44. *Extension of time for payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders exclusive of the others for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

45. *Payments in anticipation of Calls and Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up; and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholders and the Directors may agree upon, not exceeding however six per cent. per annum.

BORROWING POWERS.

46. *Power to Borrow.*—The Directors may from time to time at their discretion borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the moneys so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed rupees twenty thousand (Rs 20,000) only. With the sanction of a General Meeting the Board shall be entitled to borrow such further sum or sums and at such rates of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary or two Directors to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned.

47. *Security for Repayment.*—For the purpose of securing the repayment of any such moneys so borrowed or raised or for any other purpose the Directors may create and issue any mortgages, debentures, debenture stock, bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights of the Company (both present and future), including uncalled capital, or unpaid calls, or by giving, accepting, or endorsing on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be varied or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares or otherwise.

48. *Assignment of Security.*—Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

GENERAL MEETINGS.

49. *First General Meeting.*—The first General Meeting shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

50. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

51. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings, all other meetings of the Company shall be called Extraordinary General Meetings.

52. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders holding not less than one-eighth of the issued capital and entitled to vote.

53. *Requisition to state object of Meeting; if Directors fail to call Meeting, Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the Registered Office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

54. *Seven days' notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the object and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

55. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to order upon, discuss and transact any business whatever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

56. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

57. *Quorum.*—No business shall be transacted at any General Meeting except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present in person at the commencement of the business seven or more Shareholders entitled to vote.

58. *If Quorum not Present.*—If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place, and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

59. *Chairman of Directors or a Director to be Chairman of General Meeting: in case of their absence or refusal a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman, and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be a Chairman.

60. *Business confined to election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting except the election of a Chairman whilst the chair is vacant.

61. *Chairman with consent may adjourn Meeting.*—The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

62. *Minutes of General Meeting.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings, and of the proper election of the Chairman.

VOTING AT MEETINGS.

63. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately demanded in writing by at least three members present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

64. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

65. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing signed by three Shareholders present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

66. *No Poll on election of Chairman or on question of Adjournment.*—No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

67. *Number of votes to which Shareholder entitled.*—On a show of hands every Member shall have one vote only. In case of a poll every Shareholder shall have one vote for every share up to ten, an additional vote for every five shares beyond the first ten up to one hundred, and an additional vote for every ten shares beyond the first hundred up to four hundred, beyond which shares will not carry votes.

68. *Guardian of Infant, &c., when not entitled to vote.*—The parent or guardian of an infant Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

69. *Voting in Person or by Proxy.*—Votes may be given either personally or by proxy.

70. *Non-Shareholder not to be appointed Proxy.*—No person shall be entitled a proxy who is not a Shareholder of the Company.

71. *Shareholder in Arrear not to Vote.*—No Shareholder shall be entitled to vote or speak at any General Meeting unless all calls due from him on his shares or any of them shall have been paid.

72. *Proxy to be Printed or in Writing.*—The instrument appointing a proxy shall be printed or written, and shall be signed by the appointer, or if such appointer be a corporation, it shall be by the common seal of such corporation.

Downing street, February 28, 1893.

SIR,—WITH reference to my predecessor's circular despatch of March 25, 1890, I have the honour to transmit to you, for publication in the Colony under your Government, copies of notes which have been exchanged between Her Majesty's Chargé d'Affaires at Belgrade and the Servian Minister for Foreign Affairs, prolonging until the 1st (13th) July, 1893, the Provisional Commercial Agreement of the 2nd (14th) February, 1890, between Great Britain and Servia.

I have, &c.,
RIPON.

Exchange of Notes prolonging to July 1, 1893, the Provisional Commercial Agreement of February 14, 1890, between Great Britain and Servia.

(1)

HER MAJESTY'S CHARGE D'AFFAIRES at Belgrade to the SERVIAN MINISTER for Foreign Affairs.

Belgrade, January 4, 1893.

M. LE MINISTRE,—I HAVE the honour to acknowledge the receipt of your Excellency's note of this date, in which you inform me that the Servian Government adhere to their desire to prolong the Provisional Commercial Agreement of the 14th February, 1890, for six months only from the 1st (13th) January, 1893.

I regret that your Excellency has found it impossible to accede to the wish of Her Majesty's Government, that the prolongation should be for a year, but under the circumstances I am authorised by the Earl of Rosebery, Her Majesty's Principal Secretary of State for Foreign Affairs, to accept on behalf of Her Majesty's Government the prolongation of the Provisional Commercial Agreement between England and Servia for six months, that is to say, till the 1st (13th) July, 1893.

I have also the honour to repeat to your Excellency that when the Servian Government make known their wishes with respect to a new Commercial Treaty, their communication will receive the early attention of Her Majesty's Government, who are prepared at once to commence negotiations.

I trust your Excellency will do me the honour to send an early reply on behalf of the Servian Government, and avail myself, &c.

VAUX OF HARROWDEN.

(2)

The SERVIAN MINISTER for Foreign Affairs to HER MAJESTY'S CHARGE D'AFFAIRES at Belgrade.

Belgrade, December 29, 1892.
(January 10, 1893.)

(Translation.)

MY LORD,—I HAVE the honour to acknowledge the receipt of the note in which you were good enough to inform me that Lord Rosebery, Secretary of State for Foreign Affairs, had authorised you to accept, in the name of the Government of Her Britannic Majesty, the prolongation until the 1st (13th) July, 1893, of the Provisional Commercial Arrangement concluded between England and Servia on the 14th February, 1890.

The object of the present exchange of notes being to establish the agreement arrived at between the two Governments, the necessary instructions will be sent to the Customs Authorities of Servia, with the view to the agreement being carried into effect.

I have consequently the honour, my Lord, to have recourse to your good offices in begging you to be good enough to make the necessary communication to your High Government, in order that similar instructions may be given to the Customs Authorities of the United Kingdom.

In conformity with the wish expressed by you, in the name of your Government, I will not fail to take the necessary steps in order that, after having taken the advice of my colleague, the Minister of Agriculture and Commerce, negotiations may shortly be commenced between our two Governments, with the view to the conclusion of a definitive Treaty of Commerce.

In communicating, &c.,

J. AVACOUOVITCH.

ABSTRACT OF SEASON REPORTS FOR MARCH, 1893.

WESTERN PROVINCE.

Paddy.—A fair maha crop has been gathered throughout the Province. The paddy plants of a small *muttettu*, crop are blossoming, and at present promise a good harvest. Preparations for sowing the yala are proceeding everywhere. The weather has not been unfavourable to paddy cultivation.

CENTRAL PROVINCE.

KANDY DISTRICT.

Paddy and Dry Grain.—Udunuwara : maha paddy almost reaped, poor crop ; yala kurakkan chenas being cleared. Yatinuwara : maha paddy almost reaped ; crop damaged by rain, but better than last year. Uda Dumbara : maha paddy being harvested, fair prospect ; bad kurakkan crop reaped owing to drought. Pata Dumbura : maha paddy almost threshed, poor crop ; kurakkan, poor crop. Pata Héwáheta ; maha paddy and kurakkan being threshed ; both crops good. Udapalata : maha paddy being threshed, fair crop. Uda Bulatgama : early maha paddy fields threshed, good crops ; later fields damaged by rain ; yala kurakkan chenas being cleared.

MÁTALÉ DISTRICT.

Paddy and Dry Grain.—Maha reaping nearly over ; crop is poor in consequence of the failure of monsoon rains. Chena crops pretty fair.

NUWARA ELIYA DISTRICT.

Paddy and Dry Grain.—Kotmalé : paddy reaping continued ; a good crop, slightly damaged by rain. Chenas for kurakkan cultivation were cleared. Uda Héwáheta and Walapané : paddy in young plants ; a very fair crop of kurakkan was reaped.

NORTHERN PROVINCE.

JAFFNA DISTRICT.

The weather was unusually wet, there having been heavy rain with thunder and lightning almost throughout the district on the 4th, 5th, 6th, 9th, 13th, 14th, 15th, and 26th—the weather, in fact, during the first fortnight having been more like that of December. The wind was variable during the month.

Paddy and Dry Grain.—Threshing of paddy continued in Karachi and Punakari, though somewhat interrupted by the rain. Advantage was taken of the rains to sow dry grains to a great extent than usual, and the plants are looking well. Tobacco plants, which were reported in February as requiring rain, are now said to have had too much.

MANNÁR DISTRICT.

No growing crops. Gíngelly chenas not cleared on account of showers of rain. Pasture favourable for cattle. Tobacco prospects slightly improved.

MULLAITÍVU DISTRICT.

Rain has impeded harvesting of manavari crops and caused damage ; crops will be below average on that account. Inland, the rain has benefited some crops, others already dead. Prospects unchanged. Food scarce. People asking for relief works.

VAVUNIYA DISTRICT.

Paddy cultivation in one division only.—Melpattu ; elsewhere food scarce ; prices high. Relief works asked for. Prospects unchanged.

SOUTHERN PROVINCE.

GALLE DISTRICT.

Paddy.—Sowing for yala harvest is being pushed forward in Four Gravets, Gangaboda, and Talpe pattu, but is backward in Hinidum pattu and Bentota-Walallawiti kóralé. Talpe pattu feels the want of rain ; in Gangaboda pattu the fall has been too heavy. An unusually large area of paddy land is being dealt with, and a large crop should be relised if weather is normal.

MÁTARA DISTRICT.

Paddy and Dry Grain.—Kandaboda pattu : maha paddy and fine grain good and already gathered ; yala paddy sowing and fine grain cultivation commenced. Gangaboda pattu : yala paddy sowing slightly damaged by rain ; fine grain cultivation commenced. Four Gravets : maha paddy gathered good ; yala cultivation commenced. Wellaboda pattu : maha harvest gathered ; yala paddy and fine grain cultivation commenced. Weligam kóralé : maha harvest gathered, good ; cultivation for yala commenced. Morawak kóralé : maha paddy and fine grain harvested moderately good ; yala commenced.

HAMBANTOTA DISTRICT.

Crops report :—Tissamaharama : good ; crops being reaped generally good throughout Magam pattu. East Giruwa pattu : good crops coming on. West Giruwa pattu : crops generally good. Cultivation for yala commenced.

EASTERN PROVINCE.

BATTICALOA DISTRICT.

Early munmari crops, which promised well, much damaged by unusual rains in March. Seed paddy will be scarce for next munmari ; later munmari sowing, delayed in January for want of rain, now carried on together with early pinmari partly damaged by flood ; seeds washed out before rooting ; extent of damage will be reported later.

TRINCOMALEE DISTRICT.

Munmari threshing proceeding. Pinmari cultivation progressing. Unusual rains have damaged the later munmari crops and tobacco, but lands excluded for want of water are now being sown.

NORTH-WESTERN PROVINCE.

KURUNĠĠALA DISTRICT.

Weudawili Hatpattu : paddy lands being ploughed ; chenas almost ready for sowing. Dewamedi Hatpattu : maha crop harvested and mostly threshed ; 1,800 bushels paddy sown. Dry grain sowing not begun yet ; crops young ; condition good. Hiriyala Hatpattu : maha paddy cultivation not yet commenced owing to insufficient rain ; chenas being cleared and sown. Katugampola Hatpattu : ploughing for yala harvest ; chenas ready for sowing ; owing to past drought last maha harvest damaged ; great scarcity of food. Wannu Hatpattu : chenas being sown ; not sufficient water in tanks yet, but cultivation begun. Dambadeni Hatpattu : maha crops threshed, return very small ; more chenas cleared in March than in former years ; sufficient rain ; ploughing for yala commenced ; seed paddy scarce.

CHILAW DISTRICT.

Maha paddy being reaped and threshed. Fields are being prepared for yala cultivation in Central Division. Chenas being prepared for fine grain cultivation. Tobacco crops being reaped at Chilaw very good.

PUTTALAM DISTRICT.

Paddy and fine grain in Puttalam pattu reaped and stacked, and paddy in Akkarai pattu fair and middling ; no crop of fine grain in Akkarai pattu. Prospects of both in Demala Hatpattu fair.

NORTH-CENTRAL PROVINCE.

Nuwarakalawiya and Tamankaduwa : there has been moderate rainfall, and the tanks received a supply of water. Maha crops are maturing and being reaped ; the crops, though slightly damaged by flies, are fair. Very few kurakkan chenas, as the clearing was restricted ; in kanatu chenas the kurakkan has been reaped. Owing to early rainfall the clearings made for gingelly cultivation could not have been burnt ; in very few chenas sowing has commenced. At an average the tanks are half full. In Nuwaragam palata of Nuwarakalawiya scarcity of food with some people is reported.

PROVINCE OF UVA.

Paddy and Dry Grain.—Ploughing and sowing in progress ; prospects good, but in Wiyaluwa seed reported partly washed away by rain. Kurakkan being harvested ; result middling ; partial failure from drought at time of blossoming.

PROVINCE OF SABARAGAMUWA.

RATNAPURA DISTRICT.

Paddy.—Yala cultivation throughout the district progressing ; prospects favourable. Sown fields in Atakalan koralé damaged by heavy rains. In Nawadun koralé maha crops has been gathered, but from unknown causes outturn was below expectation.

Dry Grain.—Yala cultivation progressing favourably in Nawadun, Atakalan, and Kolonna koralés. Maha crops on chena and owiti lands have been harvested ; outturn fair.

KĠGALLA DISTRICT.

Paddy.—Maha harvest nearly over ; outturn poor in Galboda and Kinigoda koralés owing to the recent drought ; satisfactory in Paranakuru koralé ; middling in Beligal koralé and Three koralés and Lower Bulatgama. Late maha fields in Beligal koralé and Galboda and Kinigoda koralés were damaged owing to the drought. Ploughing operations for yala in progress throughout the district.

Dry Grain.—Amu harvested in Paranakuru koralé ; yield fair. Chenas are being prepared for cultivation throughout the district. Fever still prevalent throughout the district, but is decreasing in severity. Sickness is worst in Kinigoda koralé, in the Udawalpata of Lower Bulatgama, and in portions of Galboda koralé.

NOTICES CALLING FOR TENDERS.

Continued from page 854.

SEALLED Tenders (in duplicate) from persons willing to contract for the supply of Coconut Oil at Colombo for the use of Government during 1893, will be received by the Hon. the Colonial Secretary at his office, viz. :—

To be marked on the envelopes "Tender for Coconut Oil, Colonial Store," receivable up to 12 o'clock noon on Monday, April 24, 1893 :—

Deposit for Tender forms, Rs. 100.

A deposit, as noted above, will be required before any form of tender is issued; and should any person decline to enter into the contract and bond after he has tendered, or fail to furnish approved security, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of contract.

The deposit must be made at the Treasury or Kachcheri, and the deposit receipt must be produced to the officer issuing the form of tender as his authority for making the issue.

No tender will be considered unless it is on such printed form—to be obtained at the office of the Colonial Storekeeper—and unless accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become sureties for the due fulfilment of the contract.

Persons who tender must deposit samples with the Colonial Storekeeper before the date on which the tenders are opened. No tender will be considered if the sample is not so deposited.

The amount of security to be given, and all other necessary information, can be ascertained on application at the Colonial Storekeeper's office.

The person whose tender has been accepted by Government will be required to bear the expense of having security bond prepared for the due performance of his contract, which bond will be subject to the approval of the Attorney-General, but may be drawn by the tenderer's own lawyers, in which case the name or stamp of the Proctor who drafted the bond should be affixed to the document.

The security bond should be furnished immediately on notification of acceptance of Tender.

All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

The Government reserves to itself the right, without question, of rejecting any or all tenders.

H. L. CRAWFORD,
for Colonial Secretary.
