40. *Failing such registration, shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 39 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SHARES (SURRENDER AND FORFEITURE).

41. *The Directors may accept surrender of shares.*—The Directors may accept, in the name and for the benefit of the Company and upon such terms and conditions as may be agreed upon, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. *If call or instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators or the trustee or assignee in his bankruptcy requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of notice.—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment share to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay money owing at time of forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interests, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

43. *Surrendered or forfeited shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser shall thereupon be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The nett proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

49. *Certificate of sale.*—A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that the power of sale given by clause 47 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

50. *Transfer on sale how executed.*—Upon any such sale, two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

PREFERENCE SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

52. *Resolution affecting a particular class of shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class; provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

CALLS.

54. *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

Calls, time when made.—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

Extension of time for payment of call.—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholders shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of calls.*—The Directors may at their discretion and upon such terms as they think fit receive from any Shareholders willing to advance the same, all or any part of the amount of his shares beyond the sum actually called up.

BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Seventy-five thousand Rupees (Rs. 75,000.) With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided also that before the Directors execute any mortgage or issue any debentures they shall obtain the sanction thereto of the Company in General Meeting whether Ordinary or Extraordinary. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Secretary or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power unless it shall be proved that such creditor was aware that it was so granted.

MEETINGS.

58. *First General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

59. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

60. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

61. *Extraordinary General Meetings.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-seventh of the number of Shareholders holding not less than one-seventh of the issued capital and entitled to vote.

62. *Requisition of Shareholders to state object of meeting; on receipt of requisition, Directors to call meeting, and in default Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. *Notice of resolution.*—Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64. *Seven days' notice of meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given either by advertisement in the *Ceylon Government Gazette*, or by notice sent by post, or otherwise served as hereinafter provided; but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

65. *Business requiring and not requiring notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, to pass resolutions in approval or disapproval thereof, to declare dividends, to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

66. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

67. *Quorum to be present.*—No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or the election of a Chairman, unless there shall be present in person at the commencement of the business three or more Shareholders entitled to vote, or persons holding proxies from Shareholders.

68. *If a quorum not present, meeting to be dissolved or adjourned; adjourned meeting to transact business.*—If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

69. *Chairman of Directors or a Director to be Chairman of General Meeting; in case of their absence or refusal a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; but if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

70. *Business confined to election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting except the election of a Chairman whilst the chair is vacant.

71. *Chairman with consent may adjourn meeting.*—The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

72. *Minutes of General Meetings.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

73. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, or by attorney duly appointed. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder and proxy and attorney; and unless a poll be immediately demanded in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

75. *Poll how taken.*—If at any meeting a poll be demanded, by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such a manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided: and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

76. *No poll on election of Chairman or on question of adjournment.*—No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

77. *Number of votes to which Shareholder entitled.*—On a show of hands every Shareholder present in person or by proxy or attorney shall have one vote only. In case of a poll every Shareholder present in person or by proxy or attorney shall (except as provided for in the Article immediately following) have one vote for every one share held by him up to ten shares; he shall have an additional vote for every five shares held by him beyond the first ten shares up to thirty shares; an additional vote for every ten shares beyond the first thirty shares up to one hundred shares; an additional vote for every twenty shares beyond the first one hundred shares up to five hundred shares; and an additional vote for every thirty shares beyond the first five hundred shares. When voting on a resolution involving the winding up of the Company, every Shareholder shall have one vote for every share held by him; but no such resolution shall be deemed to be carried unless passed by three-fourths in number and value of such Shareholders of the Company for the time being entitled to vote as may be present in person or by proxy or by attorney at any meeting, of which notice specifying the intention to propose such resolution has been duly given.

78. *Guardian of infant, &c., when not entitled to vote.*—The parent or guardian of an infant Shareholder, the Committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female or deceased person, unless such person shall have been registered as a Shareholder.

79. *Voting in person or by proxy.*—Votes may be given either personally or by proxy or attorney duly authorized.

80. *Non-Shareholder not to be appointed proxy.*—No person shall be appointed a proxy who is not a Shareholder of the Company, but the attorney of a Shareholder, even though not himself a Shareholder of the Company, may represent and vote for his principal at any meeting of the Company.

SHARES (SURRENDER AND FORFEITURE).

41. *The Directors may accept surrender of shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. *If call or instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators or the trustee or assignee in his bankruptcy requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of notice.—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment, shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay money owing at time of forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interests, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

43. *Surrendered or forfeited shares to be property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. *Certificate of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share. A certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The nett proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

49. *Certificate of sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that the power of sale given by clause 47 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

50. *Transfer on sale how executed.*—Upon any such sale, two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

PREFERENCE SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

52. *Resolution affecting a particular class of shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class; provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless

he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class; and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

CALLS.

54. *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors; provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

Calls, time when made.—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

Extension of time for payment of call.—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of calls at interest.*—The Directors may at their discretion and upon such terms as they think fit receive from any Shareholder willing to advance the same all or any part of the amount of his shares beyond the sum actually called up; and upon the moneys so paid in advance or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon and due in respect of the shares in respect of which some advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, 6 per centum per annum.

BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates or of erecting, maintaining, improving, or extending buildings, machinery, plantations, or otherwise; also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Fifty thousand Rupees (Rs. 50,000). With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange; provided, however, that before the Directors execute any mortgage or issue any debentures they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Secretary or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power unless it shall be proved that such creditor was aware that it was so granted.

MEETINGS.

65. *Business requiring and not requiring notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive

NOTIFICATIONS UNDER "THE PATENTS ORDINANCE, 1906."

THE following specification has been accepted :—

No. 1,156 of August 16, 1910.

John Storer and George Cornelius de Witt.—"An improved method of and means for obtaining perfect incandescence of gas mentals with a greatly diminished consumption of gas."

Abstract.—Improved incandescence in burners, such as the "Welsbach," is obtained by first heating the air supply. An inverted hollow cone is supported at the base of the Bunsen burner so as to surround the air inlets. The cone is sealed at the bottom, the upper end being open and carrying a gallery on which rests a short hollow glass cylinder, whose diameter is about $\frac{1}{2}$ greater than that of the chimney; the air is thus heated by passing between the short cylinder and the chimney.

The gas supply is suitably reduced by an adjustable perforated disc carrying a wad of unbleached wool, which serves as a filter and diffuser.

Five claims : one sheet of drawings.

Acting Registrar of Patents.
