At the Court at Osborne House, Isle of Wight,

Present :

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by an Order in Council made in pursuance of the Merchant Shipping Act, Amendment Act, 1862, and dated the 11th day of August, 1884, Her Majesty, on the joint recommendation of the Admiralty and the Board of Trade, was pleased to direct that on and after the 1st day of September, 1884, the Regulations contained in the schedule thereto should, so far as regards British ships and boats, be substituted for

the regulations contained in the first schedule to an Order in Council made as aforesaid, and dated the 14th day of August, 1879 :

And whereas by two Orders in Council made in pursuance of the said Act, and on such joint recommendation as aforesaid, and dated respectively the 30th day December, 1884, and the 24th day of June, 1885, certain modifications and additions were made to the said regulations contained in the schedule to the said recited Order in Council of the 11th day of August, 1884, as regards British fishing vessels and boats :

And whereas by another Order in Council made in pursuance of the said Act, and on such joint recommendation as aforesaid, and dated the 18th day of August, 1892, certain modifications and additions were made to the said regulations contained in the schedule to the said recited Order in Council of the 11th August, 1884, as regards steam pilot vessels.

And whereas by the said regulations contained in the schedule to the said Order in Council of the 11th day of August, 1884, it is amongst other things provided as follows :—

Art. 3.—A sea-going steam ship when under way shall carry—

- (a) On or in front of the foremast, at a height above the hull of not less than 20 ft., and if the breadth of the ship exceeds 20 ft., then at a height above the hull not less than such breadth, a bright white light, so constructed as to show an uniform and unbroken light over an arc of the horizon of 20 points of the compass, so fixed as to throw the light 10 points on each side of the ship, viz., from right ahead to two points abaft the beam on either side, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least five miles.
- (b) On the starboard side, a green light, so constructed as to show an uniform and unbroken light over an arc of the horizon of 10 points of the compass, so fixed as to throw the light from right ahead to two points abaft the beam on the starboard side, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least two miles.
- (c) On the port side, a red light, so constructed as to show an uniform and unbroken light over an arc of the horizon of 10 points of the compass, so fixed as to throw the light from right ahead to two points abaft the beam on the port side, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least two miles.
- (d) The said green and red side lights shall be fitted with inboard screens projecting at least three feet forward from the light, so as to prevent these lights from being seen across the bow.

Art. 15.—If two ships under steam are meeting end on, or nearly end on, so as to involve risk of collision, each shall alter her course to starboard, so that each may pass on the port side of the other.

This Article only applies to cases where ships are meeting end on, or nearly end on, in such a manner as to involve risk of collision, and does not apply to two ships which must, if both keep on their respective courses, pass clear of each other.

The only cases to which it does apply are, when each of the two ships is end on, or nearly end on, to the other ; in other words, to cases in which by day each ship sees the masts of the other in a line, or nearly in a line, with her own ; and by night to cases in which each ship is in such a position as to see both the sidelights of the other.

It does not apply by day to cases in which a ship sees another ahead crossing her own course ; or by night to cases where the red light of one ship is opposed to the red light of the other, or where the green light of one ship is opposed to the green light of the other ; or where a red light without a green light, or a green light without a red light, is seen ahead, or where both green and red lights are seen anywhere but ahead.

And whereas there has been doubt or misapprehension concerning the effect of the said two Articles, and whereas the Admiralty and the Board of Trade have jointly recommended to Her Majesty to make the the following additions to the said regulations for the purpose of explaining the said recited Articles, and of removing the said doubt or misapprehension :

Now therefore Her Majesty, by virtue of the powers vested in her by the said Act, and by and with the advice of Her Privy Council, is pleased to direct that from the date of this Order the regulations contained in the schedule to the said Order in Council of the 11th day of August, 1884, shall be further modified by the addition to the said recited Article 3 of the provisions contained in the schedule hereto.

HERBERT M. SUFT.

SCHEDULE.

(e) To ensure that the red and green side lights shall show an uniform light from right ahead of the ship to two points abaft the beam on the port and starboard sides respectively, and shall not show across the bow of the ship itself, the said lights must be fixed and the screens fitted so that the rays from the red and green lights shall cross the line of the ship's keel projected ahead of the ship at a reasonable distance ahead of the ship.

With regard to all vessels whose lights are inspected by the officers of the Board of Trade, the red or green side light will not be deemed to be fixed and fitted in accordance with the regulations unless it is so fixed and screened that a line drawn from the outside edge of the wick to the foremost end of the inboard screen of such light shall make an angle of four degrees, or as near thereto as may be practicable, with a line drawn parallel with the keel of the ship from the outside edge of the wick.

Anchorage on Hachijo-Jima.*

The following information has been received from Navigating Lieutenant R. Yeguchi of H.L.J.M.S. Yaye-yama on February 22, 1893, that Borawasawa bay, situated on the south-east end of Hachijo-jima, affords anchorage in 19 fathoms water (sand) on nearly the alignment of the entrance points, distant ¾ mile from Mikoshita rock.

Off this anchorage two rocks named Uro-o-ne lie close to each other; the former is forty feet high above water, the latter is an awash rock. From this anchorage toward the watering place (close to two huts), on the northern shore of the bay, the water shoals rather quickly to 17, 15, and 11 fathoms, then 9 and 10 fathoms abreast Uro-o-ne rocks, thence the depths decrease gradually until the bottom (sand) will be visible.

About half mile westward of the south point of the bay is a landing place for boats, and near Ogago, a village on the west side of this island, is a cove named Yaye-ne. It is said that mail steamers will anchor in Borawasawa, Yaye-ne, or Kami-minato according to the directions of wind.

Japan—Nippon Naihai—Mihara-No-Seto—Existence of a Sunken Rock.

The following information has been received from Lieutenant S. Miura, I.J.N. on March 22, 1893, that the under-mentioned sunken rock was found by the same officer.

The rock (named by the native fishermen Kakarize) is isolated with a depth of $3\frac{3}{4}$ fathoms at low water springs over it, but at a little distance around it there are depths of from 7 to 10 fathoms.

From this rock N.W. end of Saki sima is in line with the rocky end of Aogi bana (6 cables eastward of Uwa sima) and a remarkable tree on the top of Narutaki hill (north peak at north side of Onomichi-no-seto) with east end of Kusira jima, and also summit of In no sima (Take yama) is seen little open from N.E. end of Hosu sima.

Chefoo District—Newly discovered Rock near To-ki-tau Island, Miaotao Group, China Sea.

There is a rocky patch named Tsen-leang-shu, about 100 ft. in diameter, and having about 12 ft. of water on it at low tide, lying on a line drawn S. $11\frac{1}{2}^{\circ}$ E. over the centre of Sha-mo-tau island to the peak of Siau-chu-shan island, and it bears—

From Hesper rock, N. 86° W., about $3\frac{1}{2}$ miles.

From Mo-chang-shi islet (southern extreme of), S. 83° E., $3\frac{7}{8}$ miles.

From To-ki-tau island peak (613 ft. peak), S. $63\frac{1}{2}^{\circ}$ E., $3\frac{1}{4}$ miles.

Note.—Around the patch there is 12 to 14 fathoms of water, with hard mud bottom, and towards the centre 8 fathoms, with rocky bottom; owing to some sea and a breaking tide rip I could not get my boat over the shoalest part. The fishermen on To-ki-tau island say that it is a small pinnacle rock having not more than 12 ft. on it at low water. The indications observed by me were in favour of their correctness.

Kasase Buoy—West Entrance to Shimonoseki Straits.

Notice is hereby given that a buoy has been moored to mark the position of the sunken rock, Kasase, recently discovered at the west entrance to Shimonoseki straits.

The cross bearings taken from the buoy are as follows:—

Summit of Maiko-shima..... N. $58^{\circ} 20'$ E. true.

29. *Title to Shares of Deceased Holder.*—The executors or administrators of a deceased Shareholder shall be the only persons recognised by the Company as having any title to the shares of such Shareholder.

30. *Registration of Persons entitled to the Shares otherwise than by Transfer.*—Any guardian of any infant Shareholder, or any committee of a Lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title as the Company think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares, or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

31. *Failing such registration Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 30 shall not from any cause whatever within twelve calendar months after the event, on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of the Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment, Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay Money owing at the time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or Forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

35. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted or otherwise disposed of under Article 34 hereof shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors although the times appointed for the payment thereof shall not have arrived, and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such person. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer with the certificate last aforesaid shall confer on the purchaser a complete title to such shares.

CALLS.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment.

43. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board meeting of the Directors.

44. *Extension of time for payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders exclusive of the others for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

45. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up; and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholders and the Directors may agree upon, not exceeding however six per cent. per annum.

BORROWING POWERS.

46. *Power to Borrow.*—The Directors shall have power to borrow money for the purposes of the Company, and for this purpose to grant bonds, promissory notes, bills, debentures, interest warrants, bonds for cash credit, trust deeds, or other documents, to issue letters of credit, and to grant mortgages or other deeds of security over all or any of the Company's lands, property, estate, and assets. Provided that nothing herein contained shall be held to prevent the Directors procuring from time to time, in the usual course of business, such temporary advances on the produce in hand or in the future to be obtained from the Company's estate or estates as they may find necessary or expedient for the purpose of defraying the expenses of working the said estate or estates, or of extending buildings, machinery, or plantations, or otherwise. Provided also that before the Directors execute any mortgage or issue any debentures they shall obtain the sanction of the Company in General Meeting, whether ordinary or extraordinary. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article, and subscribed by two or more of the Directors, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its Directors, and no such document containing such declaration shall, as regards the creditors, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

47. *Assignment of Security.*—Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

53. *Seven days' notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the object and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

54. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

VOTING AT MEETINGS.

62. *Votes*.—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately demanded by some member present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

63. *Poll*.—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
