NOTICES CALLING FOR TENDERS.

SEALED Tenders (in duplicate), marked on the envelopes "Tender for Uniforms, Colonial Store," will be received by the Hon. the Colonial Secretary at his Office up to 12 o'clock noon on Monday, June 12, 1893, from persons willing to contract for the supply of the under-mentioned articles for the use of Government for the year 1894.

For the supply of the under-mentioned uniforms for the Railway Department during 1894 :—

For Workmanship.	<i>For Guards, Gate Inspectors, and Sergeants.</i>		
	Fine serge coats	...	about 40
	Coarse serge coats	...	108
	Coarse serge trousers	...	71 pairs
	White drill trousers	...	426 "
	<i>For Porters, Policemen, Gatemen, &c.</i>		
	Coarse serge suits	...	about 600
	Sergeant's gold stripes	...	4
	Policemen's shoulder straps, red	...	170 pairs
	Coats for "Outside Porters," to be stitched with red letters	...	50
	For Patrols, Way and Works Department	...	35 suits
	For Ticket Examiner	...	4 "

The tender should specify the rate at which each different description of uniform would be made up of materials supplied from the Railway Store, exclusive of needles and thread.

Deposit for tender forms, Rs. 50.

A deposit, as noted above, will be required before any form of tender is issued ; and should any person decline to enter into the contract and bond after he has tendered, or fail to furnish approved security, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

The deposit must be made at the Treasury or Kachcheri, and the deposit receipt must be produced to the officer issuing the form of tender as his authority for making the issue.

No tender will be considered unless it is on such printed forms—to be obtained at the office of the Colonial Storekeeper—and unless accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become sureties for the due fulfilment of the contract.

Persons who tender must deposit samples with the Railway Storekeeper before the date on which the tenders are opened. No tender will be considered if the sample is not so deposited.

The amount of security to be given, and all other necessary information, can be ascertained on application at the Colonial Storekeeper's office.

The person whose tender has been accepted by Government will be required to bear the expense of having security bonds prepared for the due performance of his contract, which bonds will be subject to the approval of the Attorney-General, but may be drawn by the tenderer's own lawyers, in which case the name or stamp of the Proctor who drafted the bond should be affixed to the document. But if a contractor submits a security bond which does not bear the name or stamp of the lawyer who drafted it, he will be required to pay a fee of Rs. 10-50 to the Attorney-General for approving each bond.

The security bond should be furnished before October 1, 1893.

All alterations or erasures should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

If material for more than twenty suits is received at one time, value will have to be deposited for all in excess of twenty.

The Government reserves to itself the right, without

question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

H. L. CRAWFORD,
for Colonial Secretary.

Colonial Secretary's Office,
Colombo, May 22, 1893.

TENDERS will be received by the Government Agent, Province of Uva, up to July 31, 1893, from persons willing to contract to fell in Crown forests within the Province of Uva, dead halmilla, satinwood, or other description of trees, and to transport the logs to any sea-port between Batticaloa and Hambantota, on the "share system."

Each tender must state (a) number and description of trees to be felled ; (b) particulars of forest in which they are to be felled ; (c) name of the sea-port to which the logs are to be transported ; (d) time required for the completion of the whole work ; and (e) percentage of proceeds of sale of the timber brought out offered as the Government share.

No contracts will be entered giving shares of timber. All timber brought out will be sold by auction subject to the approval of the Government Agent, and shares of the proceeds of such sales only will be given to contractors.

Security at the rate of Rs. 2 per tree to be felled must be given, and the bond must be signed by two approved securities.

No tree can be felled till it has been stamped by a forest officer.

MUNICIPAL COUNCIL NOTICES.

MUNICIPALITY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Friday, April 14, 1893.

The Council met this day at 3 P.M., pursuant to notice dated April 8, 1893.

Present:—Mr. C. E. D. Pennycuik, Mayor and Chairman; Dr. W. R. Kynsey, C.M.G.; Captain F. Bayley; Mr. E. Walker; Hon. Col. F. C. H. Clarke, R.A., C.M.G.; Major R. E. Firminger; Major L. F. Knollys, C.M.G.; Mr. C. Perera; Mr. Walter Pereira; Mr. R. H. Morgan; and Mr. C. M. Fernando.

The Minutes of March 10, 1893, having been printed and a copy sent to each Member of the Council, were taken as read.

Resolved,—That the Minutes of March 10, 1893, be confirmed.

1. Pursuant to notice Mr. C. Perera moved "that steps be taken to prevent the removal of sand from the sea-shore at Galle Face, with a view to prevent any further damage being done thereby to the retaining wall of the Galle Face walk."

This motion was, by leave of Council, withdrawn, the Chairman having explained what steps he had already taken in the matter.

2. A Statement of Receipts and Disbursements from January to March, 1893, and a Progress Report of Work done for March, 1893, were laid on the table.

3. A letter No. 26 of March 15, 1893, from the Hon. the Colonial Secretary, was read, intimating that the Secretary of State has not approved the proposed contribution of Rs. 10,000 a year from General Revenue towards the cost of a duplicate water main; and a further letter No. 39 of April 11, 1893, intimating that the Secretary of State cannot consent to a direct subsidy from the General Revenue to what is after all a municipal object.

The Chairman moved "that the Hon. the Colonial Secretary be informed that the Council have heard with regret the decision of the Secretary of State as regards the annual grant of Rs. 10,000 promised in the Colonial Secretary's letter of 25th May. That the decision in itself releases the Council from their undertaking to vest in trustees, for the purpose of providing additional pipes from Labugama, the sum derived from the levy of a license-fee on arrack taverns, which they are now clearly entitled to appropriate to general purposes, but that they will gladly agree to vest this sum in trustees, as determined on June 10, if the Government can supplement it with an equal amount from some other source. That it appears to the Council that, among other sources of revenue, the proceeds of sales of Crown lands lying within the boundaries of the Municipality might legitimately be devoted to this purpose."

Captain Bayley seconded.—Carried.

4. Letters Nos. 18 and 23 of February 28 and March 10, 1893, from the Hon. the Colonial Secretary, were read, inquiring whether the Council would arrange to pay the cost of a small police force at Peliyagoda for regulating and protecting traffic at the entrance of the city.

The Inspector-General of Police (Major Knollys) having informed the Council that the above letter was written under some misapprehension, as the city traffic is sufficiently controlled by the police at the Grandpass station, the subject was not further discussed; and it was resolved that the Government be so informed.

5. An application dated March 6, 1893, from the Hon. P. Coomaraswamy, was laid on the table, requesting permission to erect certain buildings at 21 and 22, Seabeach road, and the report of the Superintendent of Works, suggesting that the front of the proposed buildings should be brought forward to the general line of the street, and that Mr. Coomaraswamy be requested to give up an equivalent strip of land for the improvement of St. John's lane.

Mr. C. Perera moved "that Government be requested to sanction the proposed exchange of land."

Hon. Col. F. C. H. Clarke seconded.—Carried.

6. A memorandum from the Hon. the Colonial Secretary forwarding Draft Ordinance as to supervision of dairies for opinion of Council, was laid on the table.

Resolved,—That the papers be circulated.

7. The City Analyst's report dated March 13, on the town water for February, 1893, was laid on the table, having been previously printed and circulated.

8. The Auditor-General's remarks on the accounts for November and December, 1892, received with letters Nos. 30 and 31 of March 17 and 18, and a letter dated March 30 (April 6) 1893, were laid on the table.

9. Reports of the Inspectors (except Mr. Daviot's) on licensed carriages, and on kerosine, poison, and gunpowder shops for April, 1893, were laid on the table.

Confirmed on May 12, 1893.

C. E. D. PENNYCUICK,
Acting Mayor and Chairman.

8. *Increase or Reduction of Capital.*—The Company in General Meeting may from time to time increase the capital by creation of new shares, of such amount as may be deemed expedient, or may reduce the capital.

9. *New Shares.*—The new shares shall be issued upon such terms and conditions, and with such rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company shall direct, and, if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends and in the distribution of assets of the Company, and with a special or without any right to voting.

10. *How carried into effect.*—Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine.

11. *Same as Original Capital.*—Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the provisions herein contained with reference to the payments of calls and instalments, transfer and transmissions, forfeiture, lien, surrender, and otherwise.

SHARES.

12. *Shares held by a Firm.*—Shares may be registered in the name of a firm, and any partner of the firm or agent duly authorised to sign the name of the firm shall be entitled to vote and to give proxies.

13. *One of Joint-holders other than a Firm may give receipts; the first-named of Joint-holders only entitled to vote.*—Any one of the joint-holders of a share other than a firm may give effectual receipts for any dividends payable in respect of such share; but the Shareholder whose name stands first on the register, and no other, shall be entitled to the right of voting and of giving proxies, and all other advantages conferred on a sole Shareholder.

14. *Survivor of Joint-holder other than a Firm only recognised.*—In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognised by the Company as having any title to, or interest in, such shares.

15. *Company not bound to recognise any Interest in Shares other than that of the Registered Holder, or of any person under clause 29.*—The Company shall not be bound to recognise (even though having notice of) any contingent future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 29 to become a Shareholder in respect of any share.

16. *Certificates.*—The certificates of shares shall be issued under the seal of the Company, and signed by two Directors and the Secretary.

17. *How issued.*—Every Shareholder shall be entitled to one certificate for all the shares or to several certificates, each for a part of such shares. Every certificate shall specify the number of the shares in respect of which it is issued.

18. *Renewal of Certificate.*—If any certificate be worn out or defaced, then upon production thereof to the Directors they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate.

19. *Certificate to be delivered to the first-named of Joint-holders not a Firm.*—The certificate of shares registered in the name of two or more persons not a firm shall be delivered to the person first named on the register.

20. *Transfer of Shares.*—Subject to the restriction of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

21. *No transfer to Infant or Person of Unsound Mind.*—No transfer of shares shall be made to an infant or person of unsound mind.

22. *Register of Transfers.*—The Company shall keep a book or books to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

23. *Board may decline to register Transfers.*—The Board may at their own absolute and uncontrolled discretion decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien or otherwise, or in case of shares not fully paid up, to any person not approved by them.

24. *Not bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

25. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Rupees two and cents fifty, or such other sum as the Directors shall from time to time determine, must be paid, and thereupon the Directors, subject to the powers vested in them by Articles 23, 24, and 26, shall register the transferee as a Shareholder, and retain the instrument of transfer.

26. The Directors may, by such means as they shall deem expedient, authorise the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

27. *Directors not bound to inquire as to validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles, and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

28. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the First General Meeting; also, when a dividend is declared, for the three next days ensuing the meeting.

TRANSMISSION OF SHARES.

29. *Title to Shares of Deceased Holder.*—The executors or administrators of a deceased Shareholder shall be the only persons recognised by the Company as having any title to the shares of such Shareholder.

30. *Registration of Persons entitled to the Shares otherwise than by Transfer.*—Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title as the Company think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares, or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

31. *Failing such registration Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 30 shall not from any cause whatever within twelve calendar months after the event, on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of the Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment, Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay Money owing at the time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or Forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

35. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be effected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share *bonâ fide* sold or re-allotted or otherwise disposed of under Article 34 hereof shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors although the times appointed for the payment thereof shall not have arrived, and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such person. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer with the certificate last aforesaid shall confer on the purchaser a complete title to such shares.

CALLS.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment.

43. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board meeting of the Directors.

44. *Extension of time for payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders exclusive of the others for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

45. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up; and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholders and the Directors may agree upon, not exceeding however six per cent. per annum.

BORROWING POWERS.

46. *Power to Borrow.*—The Directors shall have power to borrow money for the purposes of the Company, and for this purpose to grant bonds, promissory notes, bills, debentures, interest warrants, bonds for cash credit, trust deeds, or other documents, to issue letters of credit, and to grant mortgages or other deeds of security over all or any of the Company's lands, property, estate, and assets. Provided that nothing herein contained shall be held to prevent the Directors procuring from time to time, in the usual course of business, such temporary advances on the produce in hand or in the future to be obtained from the Company's estate or estates as they may find necessary or expedient for the purpose of defraying the expenses of working the said estate or estates, or of extending buildings, machinery, or plantations, or otherwise. Provided also that before the Directors execute any mortgage or issue any debentures they shall obtain the sanction of the Company in General Meeting, whether ordinary or extraordinary. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article, and subscribed by two or more of the Directors, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its Directors, and no such document containing such declaration shall, as regards the creditors, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

47. *Assignment of Security.*—Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

GENERAL MEETINGS.

48. *First General Meeting.*—The first General Meeting shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

49. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

50. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

51. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders holding not less than one-eighth of the issued capital and entitled to vote.

52. *Requisition to state object of Meeting; if Directors fail to call Meeting, Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the Registered Office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

53. *Seven days' notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the object and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

54. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

55. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

56. *Quorum*.—No business shall be transacted at any General Meeting except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present in person at the commencement of the business three or more Shareholders entitled to vote.

57. *If Quorum not Present*.—If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place, and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

58. *Chairman of Directors or a Director to be Chairman of General Meeting: in case of their absence or refusal a Shareholder may act*.—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman, and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be a Chairman.

60. *Chairman with consent may adjourn Meeting*.—The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

61. *Minutes of General Meeting*.—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings, and of the proper election of the Chairman.

VOTING AT MEETINGS.

62. *Votes*.—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately demanded by some member present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

63. *Poll*.—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

64. *Poll how taken*.—If at any meeting a poll be demanded by some Shareholder present at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

75. *No Shareholder to be prevented from voting by being personally interested in result*.—No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

76. *Shareholder should be registered for three months previous to Meeting before he can vote*.—Every Shareholder not disqualified by the preceding Articles who has been duly registered for three months previous to the General Meeting shall be entitled to be present and to speak and vote at all meetings.

If any Director shall be called upon to perform any extra services, the Directors may arrange with such Director for such special remuneration for such services, either by way of salary, commission, or the payment of a lump sum of money as they shall think fit.

83. *Duration of Office of Directors appointed to Vacancy.*—Any casual vacancy occurring in the number of Directors subsequent to first Ordinary Meeting may be filled up by the Directors, but any person so chosen shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

89. *If election not made, Retiring Directors to continue until next Meeting.*—If at any meeting at which an election of a Director ought to take place the place of the retiring Director is not filled up, the retiring Director may continue in office until the first Ordinary Meeting in the next year, and so on from meeting to meeting until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

90. *Resignation of Directors.*—A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary, or by leaving the same at the office, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before, his office shall become vacant.

91. *When office of Director to be vacated.*—The office of Director shall be vacated—
