### PASSED ORDINANCES.

Ordinance enacted by the Governor of Ceylon, with the advice and consent of the Legislative Council thereof.

No. 14 of 1910.

An Ordinance relating to Davidson's Patents.

HENRY MCCALLUM.

Preamble.

WHEREAS by a grant of exclusive privilege or letters patent (in this Ordinance called Davidson's No. 1 Patent) under the Public Seal of the Island of Ceylon, bearing date the 9th day of October, 1899, and numbered 640, the Governor in Executive Council did grant to Samuel Cleland Davidson, of Sirocco Engineering Works, Belfast, Ireland, his heirs, executors, administrators, and assigns, the exclusive privilege of making, selling, and using, and of authorizing others so to do in Ceylon, for the term of fourteen years, in terms of and subject to the provisions of "The Inventions Ordinance, 1892," a certain invention of improvements in means of supporting the bearing of spindles or shafts in wall brackets or frames:

And whereas by a grant of exclusive privilege or letters patent (in this Ordinance called Davidson's No. 2 Patent) under the Public Seal of the Island of Ceylon, bearing date the 9th day of October, 1899, and numbered 641, the Governor in Executive Council did grant to the said Samuel Cleland Davidson, his heirs, executors, administrators, and assigns, the exclusive privilege of making, selling, and using, and of authorizing others so to do in Ceylon, for the term of fourteen years, in terms of and subject to the provisions of "The Inventions Ordinance, 1892," a certain invention of improvements in centrifugal fans and pumps:

And whereas under the provisions of "The Inventions Ordinance, 1892," it is provided that an exclusive privilege

shall cease if the inventor fails to pay within the time limited in that behalf by the fourth schedule any fee prescribed in that schedule in respect of the continuance of the privilege :

And whereas the said fourth schedule prescribes after the expiration of the eighth year an annual fee of one hundred rupees in respect of the continuance of the exclusive privilege :

And whereas renewal fees on the said two patents amounting to one hundred rupees each became due on the 12th September, 1909 :

And whereas the time prescribed by section 7, sub-section 4 (a), of " The Inventions Ordinance, 1892," during which the Governor in Executive Council is empowered to enlarge the time for such payments expired on the 12th December, 1909 :

And whereas the said Samuel Cleland Davidson inadvertently omitted to pay the said duty of one hundred rupees on each of the said two patents within the period aforesaid :

And whereas the said Samuel Cleland Davidson will be deprived of all advantage to accrue to him under the said two patents unless the legislative powers hereinafter contained are graciously granted :

And whereas the said prescribed renewal fees have now in each of the aforesaid cases been paid and have been deposited in the proper department :

And whereas the present difficulty and threatened loss arise from an inadvertence and accidentally and not from a wilful neglect or disobedience to the law ; and it is therefore expedient that the said grants or patents should be rendered valid in the manner hereinafter mentioned : Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title.

1 This Ordinance may be cited as " The Davidson's Patents Ordinance, 1910."

Validation of patents.

2 Upon the commencement of this Ordinance the said grants of exclusive privilege or patents respectively (a true copy of each of which is set forth in the schedule to this Ordinance annexed) shall be considered, deemed, and taken to be and to have been as good, valid, and effectual to all intents and purposes as if all the payments prescribed by " The Inventions Ordinance, 1892," to be made in respect of the said grants or patents respectively either before or after the passing of this Ordinance had been duly made or satisfied.

Prohibition of actions in respect of infringements, &c., taking place between date when patents became void and commencement of Ordinance.

3 No action or other proceeding shall be commenced or prosecuted nor any damage recovered—

(1) In respect of any infringement of the said grants or patents respectively which shall have taken place after the 12th day of September, 1909, and before the commencement of this Ordinance.

(2) In respect of the use or employment at any time hereafter of any structure, process, or operation actually made or carried on within the Island of Ceylon, or of the use or sale of any article manufactured or made in infringement of the said grants or patents respectively after the said date and before the commencement of this Ordinance. Provided that such use, sale, or employment is by the person or corporation by or for whom such article was *bona fide* manufactured or made, or such structure, process, or operation was *bona fide* made or carried on by his or their executors, administrators, successors, or vendees, or his or their assigns respectively.

(3) In respect of the use or employment at any time hereafter (by the person or corporation entitled for the time being under the preceding sub-section to use or employ any structure, process, or operation) of any improved, extended, or developed structure, process, or operation, or of the use or sale of any article thereby manufactured or made in infringement of the said grants or patents respectively. Provided that the use or employment of such improved,

extended, or developed structure, process, or operation shall be limited to the buildings, works, or premises of the person or corporation by or for whom such structure, process, or operation was made or carried on, within the meaning of the preceding sub-section, his or their executors, administrators, successors, or assigns.

Compensation for money, &c. expended in bona fide belief that patents were void.

4 If any person shall within one year after the passing of this Ordinance make an application to the Governor in Executive Council for compensation in respect of money, time, or labour expended by the applicant upon the subject-matter of the said grants or patents respectively or any of them on a bona fide belief that such grants or patents respectively or any of them had become and continued to be void, it shall be lawful for the said Governor in Executive Council, after hearing the parties concerned or their agents, to assess the amount of such compensation if in their opinion the application ought to be granted, and to specify the party by whom and the day on which such compensation shall be paid; and if default shall be made in payment of the sum awarded, then the said grants or patents respectively, or such of them as shall be the subject of such application, shall by virtue of this Ordinance become void, but the sum awarded shall not in that case be recoverable as a debt or damages.
