The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Land Acquisition Ordinance, 1876."

Preamble.

WHEREAS it is expedient to amend in certain particulars "The Land Acquisition Ordinance, 1876" (hereinafter referred to as the "principal Ordinance"): Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title and construction.

1 This Ordinance may be cited as "The Land Acquisition (Amendment) Ordinance, 1910," and this Ordinance, the principal Ordinance, and the Ordinances amending the principal Ordinance shall be read and construed together, and may be cited as "The Land Acquisition Ordinances, 1876 to 1910."

Amendment of section 5.

2 In section 5 of the principal Ordinance the words "or where the dispute is with regard to land situated within the limits of the Municipal Council of Colombo to the Chairman of the said Council" shall be inserted immediately after the words "Government Agent" in line 5 of the said section.

Amendment of section 6.

3 Section 6 of the principal Ordinance shall be amended as follows:

(1) By the repeal of the words "with the advice of the Executive Council" in lines 5 and 6.

(2) By the addition of the following proviso at the end of and in continuation of the said section :

Provided that whenever the land to be acquired is situated within the limits of the Municipal Council of Colombo, the Governor may direct the Chairman of the said Council to take order for the acquisition of the land ; and upon such order being made, the Chairman of the said Council may, with respect to such land, exercise all or any of the powers conferred by this Ordinance on the Government Agent.

Addition of new section numbered 7 A. Application to Governor for reconsideration of direction to acquire land.

4 After section 7 of the principal Ordinance the following section shall be inserted and numbered 7A :

Should any person affected by any direction of the Governor under section 6 for the acquisition of any land apply to the Governor within ten days of the date of the publication in the " Government Gazette " of the notice mentioned in the last preceding section for a reconsideration of such direction, the Governor in Executive Council shall reconsider the same, and make order confirming, cancelling, or modifying such direction, and such order, or in the absence of any application for reconsideration of an order for the acquisition of any land, the original direction shall be final and conclusive, and not liable to be reviewed by any tribunal.

Amendment of section 8.

5 Section 8 of the principal Ordinance shall be amended as follows :

(1) By the insertion between the words " on the day so fixed " and the words " the Government Agent " in the first line the following : " Unless an application has been made for the reconsideration of any direction under section 6 as provided for in the last preceding section, and the same remains undisposed of, or the Governor has, upon such application, cancelled the said direction. "

(2) By the substitution of the following in place of the proviso at the end of the said section :

Provided always that the Government Agent may, if any application for a reconsideration of the Governor's direction has been made and is undisposed of, or for any other cause he thinks fit, from time to time postpone the inquiry to a day to be fixed by him.

Addition of sub-section to section 30.

6 After sub-section (2) of section 30 of the principal Ordinance, the following sub-section shall be inserted and numbered (2a) :—

When a Government Agent makes a reference to the District Court under section 11 solely for the determination of any question arising between or among two or more persons respecting the title to the land or any rights thereto or interests therein or the correct apportionment of the compensation awarded, the Government Agent shall ordinarily be entitled to the costs of such reference ; and such costs may be decreed by the court, and may be paid out of any sum in deposit in court as compensation for the land acquired.

By His Excellency's command,

Colonial Secretary's Office,  
Colombo, November 11, 1910.

H. L. CRAWFORD,  
Acting Colonial Secretary.

*Statement of Objects and Reasons.*

The main object of this Ordinance is to give the Chairman of the Municipal Council of Colombo powers similar to those conferred by the Ordinance on the Government Agent in respect of the acquisition of land situated within the limits of the Municipality.

The Ordinance also make provision dispensing with the necessity of the advice of the Executive Council being taken by the Governor to enable him to direct the Government Agent to take order for the acquisition of any land, but it gives the right to any person aggrieved to apply to the Governor for a reconsideration of his direction, and in the event of such an application, the Governor is required to consult the Executive Council before making his final order.

Section 6 provides that in the case of a reference to the District Court under section 11 solely for the decision of a question in which the claimants only have an interest, the Government Agent should ordinarily be entitled to the costs of the reference, which, of course, may eventually have to be borne by the unsuccessful claimant.

Attorney-General's Chambers,  
Colombo, September 23, 1910.

WALTER PEREIRA,  
Acting Attorney-General
