25. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Rupees two and cents fifty, or such other sum as the Directors shall from time to time determine, must be paid, and thereupon the Directors, subject to the powers vested in them by Articles 23, 24, and 26, shall register the transferee as a Shareholder, and retain the instrument of transfer.

28. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the First General Meeting; also, when a dividend is declared, for the three next days ensuing the meeting.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of the Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment, Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay Money owing at the time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or Forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

35. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be effected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share *bonâ fide* sold or re-allotted or otherwise disposed of under Article 34 hereof shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors although the times appointed for the payment thereof shall not have arrived, and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such person. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer with the certificate last aforesaid shall confer on the purchaser a complete title to such shares.

CALLS.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment.

43. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board meeting of the Directors.

44. *Extension of time for payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders exclusive of the others for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

45. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up; and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholders and the Directors may agree upon, not exceeding however six per cent. per annum.

BORROWING POWERS.

46. *Power to Borrow.*—The Directors shall have power to borrow money for the purposes of the Company, and for this purpose to grant bonds, promissory notes, bills, debentures, interest warrants, bonds for cash credit, trust deeds, or other documents, to issue letters of credit, and to grant mortgages or other deeds of security over all or any of the Company's lands, property, estate, and assets. Provided that nothing herein contained shall be held to prevent the Directors procuring from time to time, in the usual course of business, such temporary advances on the produce in hand or in the future to be obtained from the Company's estate or estates as they may find necessary or expedient for the purpose of defraying the expenses of working the said estate or estates, or of extending buildings, machinery, or plantations, or otherwise. Provided also that before the Directors execute any mortgage or issue any debentures they shall obtain the sanction of the Company in General Meeting, whether ordinary or extraordinary. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article, and subscribed by two or more of the Directors, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its Directors, and no such document containing such declaration shall, as regards the creditors, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

47. *Assignment of Security.*—Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

GENERAL MEETINGS.

48. *First General Meeting.*—The first General Meeting shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

49. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

50. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

51. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders holding not less than one-eighth of the issued capital and entitled to vote.

52. *Requisition to state object of Meeting; if Directors fail to call Meeting, Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the Registered Office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

53. *Seven days' notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the object and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

54. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

55. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

56. *Quorum.*—No business shall be transacted at any General Meeting except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present in person at the commencement of the business three or more Shareholders entitled to vote.

57. *If Quorum not Present.*—If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place, and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

58. *Chairman of Directors or a Director to be Chairman of General Meeting: in case of their absence or refusal a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman, and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be a Chairman.

59. *Business confined to election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting except the election of a Chairman whilst the chair is vacant.
