## Examination for the Local Division of the Civil Service of Ceylon.

1. An Examination for admission to the Local Division of the Civil Service will be held in Colombo in or about October next. The prospects and conditions of the Service are set out in the Minutes governing the Local Division of the Civil Service published in the *Government Gazette* of February 17, 1911. The number of persons to be selected at this Examination will be two.

2. No person will be admitted to compete who has not received a nomination from His Excellency the Governor.

3. Applications for nominations should be sent to the Principal Assistant Colonial Secretary—the envelope to be marked “Local Division, Civil Service”—on or before April 30. No question as to the delay or loss in the post of any such application can be entertained.

4. Nominations will be limited to candidates who have passed the Senior Standard of the Cambridge Local Examination, the London Matriculation, or any other public examination which may be deemed to be of an equally high standard.

5. Every applicant must furnish satisfactory proof—

- (a) That he is a natural-born British subject born in Ceylon of parents permanently resident in the Island.
- (b) That at least 19 years and not more than 23 years have elapsed since the date of his birth on January 1, 1911.
- (c) That he is of good moral character.

6. Applicants should attach to their applications—

- (1) Birth certificate
- (2) A certificate of character from the head of the school at which the applicant was educated.
- (3) A statement showing where he was educated, examinations passed, degrees taken, &c., present occupation, and how he has spent the time since he left school.
- (4) A medical certificate that the applicant is of sound constitution, possessed of good sight, and otherwise physically qualified for the Service.
- (5) Particulars of property possessed by the applicant, showing the situation and nature of the land or property. It should also be stated in the case of landed property whether it is ancestral or recently acquired.
- (6) Any athletic distinctions obtained by the applicant should be stated, also whether the applicant is a Volunteer, and whether he is able to ride.

7. All candidates after nomination will be required to undergo a medical examination by a Board before the examination by the Civil Service Commissioners. The fee for the medical examination will be Rs. 10·50. The fee for the examination will be Rs. 25.

8. The examinations will be conducted by the Civil Service Commissioners, and the following is a list of the subjects in which candidates will be examined:—

Obligatory Subjects.		Marks.
1.	English .. .. .	2,000
2.	Mathematics, Class I. .. .. .	1,500
3.	Latin .. .. .	1,500
4.	Bookkeeping and Accounting .. .. .	1,500
<b>Voluntary Subjects.</b>		
(a) {	5. Mathematics, Class II. .. .. .	1,500
	or	
	6. Geography and History .. .. .	1,500
(b) {	7. Chemistry .. .. .	1,500
	or	
	8. Physics .. .. .	1,500
(c) {	9. Sinhalese .. .. .	1,500
	or	
	10. Tamil .. .. .	1,500

Candidates may take up two, and not more than two, of the voluntary subjects, and not more than one from each of the groups (a), (b), and (c).

### Syllabus of Subjects.

*Note.*—No text books will be prescribed for any subject.

#### ENGLISH.

*English Language and Composition.*—The subject will include—

- (a) A subject for an essay to be chosen by each candidate from several subjects set. Those proposed may include some having reference to Geography and History, and some involving an acquaintance with English authors, as well as more abstract subjects, the main object being to test power of expression, thought and arrangement, general reading, and knowledge. (All candidates will be expected to attempt the essay, to which special importance is attached.)
- (b) Questions testing knowledge and command of English. These may include questions on précis writing, paraphrase, and analysis of sentences.
- (c) Questions testing general reading and knowledge of English books.

#### MATHEMATICS, CLASS I.

*Arithmetic.*—The ordinary rules, with applications more specially to the mensuration of plane figures and solids. The metric system, and the use of decimals in approximate calculation; contracted methods. The use and theory of recurring decimals are not required, and candidates are at liberty to use algebraic symbols and formulas and tables of logarithms.

**Geometry.**—Plane geometry, theoretical and practical, not excluding simple problems in three dimensions. Proportion may be treated arithmetically; the special treatment of incommensurables is not required.

**Algebra.**—Including graphs of the simpler algebraic functions; quadratic equations; use of graphs in solving equations, and in illustrating and solving practical questions; rate of variation of a function and gradient or slope of a graph; graphic interpolation; indices and the simpler properties of surds.

**Trigonometry.**—Up to and including solution of plane triangles; graphs of trigonometrical functions.

Grasp of elementary principles and readiness in practical application will be looked for, but no great analytical skill will be demanded. Numerical results should be given to a few significant figures, and rough checks on the accuracy of the results should be applied. Neatness and accuracy of working are expected, and sufficient indication of the method of solution to make the work immediately intelligible. The examination will include laboratory work. Acquaintance is expected with the balance and steel-yard, and with the method of finding volume by weighing in air and in water. An idea of the range of the questions which will be set at the laboratory examination may be obtained from the laboratory questions set under Mathematics, Class I., at recent examinations for junior appointments in the Home Civil Service, and shown in reprints of the examination papers published by Messrs. Wyman & Sons, Fetter Lane, London, E.C.

#### LATIN.

The paper will include (1) questions on grammar; (2) unprepared passages for translation into English, with questions; (3) one or more easy unprepared passages for translation into English, a vocabulary of unfamiliar words being given; (4) one or more unprepared passages of ordinary difficulty for translation into English; (5) easy sentences for translation into Latin; (6) one or more continuous passages for translation into Latin.

#### BOOKKEEPING AND ACCOUNTING.

Knowledge of the general principles of Bookkeeping and Accounting. Bookkeeping by double entry.

#### MATHEMATICS, CLASS II.

Includes Mathematics, Class I., together with Mechanics. The principles of the lever, the inclined plane, the composition of forces and virtual work, their experimental investigation and application to machines and other simple cases of equilibrium. Centre of gravity, couple or torque, velocity ratio, mechanical advantage or force—ratio, work, efficiency.

Application to liquids and gases. Density. Boyle's Law. Pump, siphon, barometer, manometer. Velocity, acceleration, momentum, force, impulse of a force, energy, power or rate of work. The examination in Mathematics, Class II., will include laboratory work. An idea of the range of the questions which will be set at the laboratory examination may be obtained from the laboratory questions set under Mathematics, Class II., at recent examinations for junior appointments in the Home Civil Service, and shown in reprints of the examination papers published by Messrs. Wyman & Sons, Fetter Lane, London, E.C.

#### CHEMISTRY.

The following outline indicates the range of the examination:—

##### Written.

The methods which lead to the discovery of the composition of common materials occurring in nature.

The determination of molecular weights, equivalents, and of atomic weights. Valency and structural formulae.

Classification of the elements, including the Periodic Scheme.

General characters of the chief types of compounds, including acids, bases, and salts, and a few prominent carbon compounds, especially as illustrating the relations of properties to composition and structure. No distinction will be admitted between Organic and Inorganic Chemistry.

History, production and properties of the more important and typical elements and their most familiar compounds.

The character of chemical changes, including combustion, thermal dissociation, and electrolysis; the conditions which determine and influence them, and the attendant phenomena.

The whole to be treated in an elementary manner.

Candidates will be required to show that they have seen and practised a great variety of experiments, and are familiar with the appearance of common laboratory materials.

#### II.—Practical Examination.

Candidates will be required to show that they are familiar with easy quantitative operations, gravimetric and volumetric, with the rudiments of qualitative analysis, and that they have prepared a number of elements or compounds by processes involving the manipulation of gases and the purification of substances by crystallization, distillation, &c. Candidates must bring to the practical examination the notebooks which contain the record of the experimental work they have performed. Specimens made by the candidate, duly attested by the teacher, if any, may also be submitted to the examiners.

#### PHYSICS.

The following Syllabus indicates the general scope and character of the examination, without being exhaustive of all parts of the subject. Candidates are expected to show a general acquaintance with the apparatus by which the elementary principles of Physics are illustrated and applied:—

**General Properties of Solids, Liquids, and Gases.**—Relation between Volume and Pressure in Gases.

Diffusion in Liquids and Gases.

**Heat.**—Definition of Temperature. Construction and use of Instruments for the measurement of Temperature.

Expansion of Solids, Liquids, and Gases with rise of Temperature. Convection in Fluids.

Quantity of Heat. Specific Heat.

Change of State. Latent Heat. Vapour Pressure. Boiling Point.

Dew-point. Formation of Cloud, Fog, and Dew.

Conduction. Definition of Thermal Conductivity.

Radiation: its Emission, Propagation, Reflection, Refraction, and Absorption; its Relation to Light.

The Mechanical Equivalent of Heat and Modes of Determination. The Conservation of Energy.

**Sound.**—The Production and Propagation of Sound.

Nature of Wave-motion. Amplitudes. Wave-length. Frequency.

Experimental determination of the Velocity of Sound in Air. Echoes. Effect of change of Temperature on the Velocity.

Determination of Frequency by simple methods.

Experimental investigation of the modes of Vibration of Strings by means of the Sonometer.

Experimental investigation of the Vibrations of Air in Pipes by Resonance to Tuning Forks.

Organ Pipes. Position of Nodes and Antinodes.

*Optics.*—Propagation of Light. Measurement of Velocity. Laws of Reflection and Refraction. Photometry. Reflection at Plane and Spherical Surfaces, and the formation of Images. Refraction at Plane Surfaces and by Prisms. Minimum deviation. Chromatic dispersion. The formation of Images by single Lenses. Long and Short Sight and their correction by Lenses. The Combination of Two Lenses to form a simple Telescope or Microscope.

*Magnetism and Electricity.*—Properties of Magnets. Simple Phenomena of Magnetism and of Magnetic Induction (Influence).

The Magnetic Field. Lines of Force. The Law of Magnetic Force.

The Earth as a Magnet.

The Simpler Phenomena of Electrified Bodies. Conduction and Insulation. Electrification by friction and by Induction (Influence).

Distribution of Electrification on Conductors.

Electric Field. Strength of Field.

The Law of Electric Force.

Potential. Capacity. Energy of Charge.

Electric Discharge and Electric Current.

Primary and Secondary Batteries.

Magnetic Field of Current. Magnetic Measurement of Current. Galvanometers.

Work done by an Electric Current.

Electromotive Force. Difference of Potential. Resistance.

Ohm's Law: Volt; Ohm; Ampère; Watt; Joule.

Heating Effects of Currents.

Elementary Phenomena of Electrolysis. Faraday's Law.

Action on Current Circuits in a Magnetic Field.

Electro-magnetic Induction. Faraday's Law. Lenz's Law. Induction Coil.

#### *Practical Examination.*

The following scheme is not exhaustive, and is intended merely to show the general nature of the exercises at the practical examination. The examiners are not precluded from setting other exercises and practical problems illustrative of the principles set forth in the Syllabus:—

Length Measurements by Millimetre Rule.

Eye-estimation of tenths of a Division.

Use of Vernier, Linear, and Angular.

Determination of Areas and Volumes by Measurement of Linear Dimensions.

Use of the balance, weighing to one centigramme.

Determination of Volumes by Weighing in Water.

Specific Gravities of Solids, Powders, and Liquids.

Use of the Hydrometer.

Verification of Boyle's Law.

Reading the Barometric Height.

Determination of the Centre of Gravity of a Plate.

Use of Atwood's Machine.

Time of Swing of a Simple Pendulum and Verification of the Formula  $t \propto \sqrt{l}$ .

Determination of a Velocity of Sound in a Tube by Resonance with a Fork.

Use of the Sonometer.

Use of Thermometers, and Determination of Fixed Points.

Simple Methods of determining Specific Heat and Latent Heat of Fusion.

Determination of Dew-point.

Use of Simple Photometers.

Focal Lengths of Concave Mirrors.

Focal Lengths of Convex Lenses.

Arrangement of two Lenses to make simple forms of Telescope, Microscope, and Magic Lantern.

Arrangements of a Slit, Lens, and Prism to get a pure Spectrum.

Tracing the path of a Ray of Light through a block of glass and Deduction of Refractive Index.

Tracing the lines of force in the neighbourhood of a Magnet.

Mode of making a simple Electro-magnet.

Gold Leaf Electroscope and its use to find the sign of a given charge.

Mode of setting up common Voltaic Cells. Modes of joining up Cells.

Determination of the signs of the terminals of a Cell.

Use of simple Galvanometers.

Measurement of Resistance.

Simple experiments on Induced Currents.

Candidates must bring to the practical examination the notebooks containing the record of their laboratory work.

#### GEOGRAPHY AND HISTORY. (*Two Papers.*)

*Geography.*—Questions on descriptive and general geography.

*History.*—The general course of English History and the development of the British Empire, from the accession of Henry VII. to the present time, with a more detailed knowledge of the reign of Queen Victoria.

#### SINHALESE.

Translation of passages from Sinhalese into English and from English into Sinhalese. Questions on Grammar. A fair knowledge of Sinhalese literature will be expected. An oral examination will also be held locally, in which candidates will be tested as to their ability to interpret from Sinhalese into English and *vice versa*.

#### TAMIL.

Translation of passages from Tamil into English and from English into Tamil. Questions on Grammar. A fair knowledge of Tamil literature will be expected. An oral examination will also be held locally, in which candidates will be tested as to their ability to interpret from Tamil into English and *vice versa*.

Colonial Secretary's Office,  
Colombo, February 17, 1911.

By His Excellency's command,

HUGH CLIFFORD,  
Colonial Secretary.

IT is hereby notified that a license to import explosives into Ceylon during the current year has been issued to Messrs. ASSEN MOHAMADO & BROS. of Nos. 27 and 28, Kayman's Gate, Pettah.

Colonial Secretary's Office,  
Colombo, March 6, 1911.

By His Excellency's command,  
HUGH CLIFFORD,  
Colonial Secretary.

IT is hereby notified for general information that a special license, under the provisions of rule 39, made by His Excellency the Governor, with the advice of the Executive Council, under section 4 of Ordinance No. 2 of 1896, and published in the *Government Gazette* of September 30, 1910, has been granted to the under-mentioned gentleman for the purpose of issuing boiler certificates (Form D) for any boiler or boilers used in any factory, and certificates of competency (Form A) to any person or persons having control of any boiler or boilers used in any factory:—

Mr. A. L. PERCY of Messrs. Boustead Bros., Colombo.

Colonial Secretary's Office,  
Colombo, March 3, 1911.

By His Excellency's command,  
HUGH CLIFFORD,  
Colonial Secretary.

NOTICE is hereby given that His Excellency the Governor, in exercise of the powers vested in him by section 34 of the Cemeteries and Burials Ordinance, No. 9 of 1889, and on the recommendation of the proper authority, to wit, the Government Agent, Western Province, made under the said section 34, has approved of the allotment of land set out in the schedule hereto being provided and used as a burial ground.

Colonial Secretary's Office,  
Colombo, March 2, 1911.

By His Excellency's command,  
HUGH CLIFFORD,  
Colonial Secretary.

Extent : 36.72 perches.

### MISCELLANEOUS DEPARTMENTAL NOTICES.

#### GOVERNMENT TRAINING COLLEGE, COLOMBO.

##### Entrance Examination for 1912 and 1913.

##### ENGLISH CLASSES (MEN AND WOMEN).

AN Entrance Examination for admission to the English classes will be held at the Training College on November 1, 2, 3, 1911, commencing at 10.30 A.M. In order to gain admission to this examination, intending candidates must apply to the Principal of the Training College during the month of September for an admission form. These forms must be returned on or before October 16. Candidates will then be informed whether they have been selected to appear at the examination.

The students of these classes will be trained for teacherships in grant-in-aid and Government schools. The following studentships are offered for competition:—

- (a) Thirteen studentships of Rs. 300 per annum each, with free tuition and free railway passes for use during vacations.
- (b) Six studentships carrying free tuition with free board and residence when the College is in session, and free railway passes for use during vacations.

Besides the nineteen students who receive the above allowances, twelve additional students will, if eligible candidates present themselves, be appointed, who will receive no allowance, but will be allowed to take up the first-year course free of charge, at the end of which they will receive a third class certificate, if their record during the year and their performance at the first-year examination be satisfactory. Such students will be allowed to complete the course, and if their work shows exceptional progress, will be eligible for appointment to a studentship of Rs. 300 in their second-year course. Four of these twelve will, if eligible candidates present themselves, be students who will take a special course with a view to qualify for the certificate under (c) below.

It must be understood that all students are appointed on probation for the first three months, and will not be allowed to continue their course unless their work shows a reasonable degree of promise.

The Second Class certificate issued to students at the conclusion of their course at the Government Training College will in future be of three grades:—

- (a) A certificate which qualifies a teacher to be in charge of a secondary school.
- (b) A certificate which qualifies a teacher to be in charge of an elementary school.
- (c) A certificate which qualifies a teacher to be in charge of an infant school; this certificate will be recognized for the purpose of awarding the higher grant under clause 36 of the Code for Aided Schools.

The Entrance Examination will consist of two parts :—

I.—Compulsory subjects :—

- (1) English Language : Grammar and Idiöm.
- (2) English Composition.
- (3) Reading aloud an unprepared passage from a work of a standard English author.
- (4) Arithmetic.
- (5) History and Geography, general knowledge of English History, and general Geography of the World.

II.—Optional subjects :—

Mathematics : Algebra to Quadratic Equations.

Geometry : the subject-matter of Euclid's Books I. to III. (experimentally and theoretically).

Languages : A.—Latin : Translation, Grammar, and Composition.

B.—Sinhalese : Ummagga Jataka and Guttilla. Grammar. Composition.

C.—Tamil : Panchatantra, Nayadatam (verse), and Ilakkanachchurukkam. Composition.

N.B.—Only one of A, B, or C can be taken.

No further information will be given concerning this syllabus.

SINHALESE CLASS (MEN).

The students in this Department will be trained for masterships in Government Sinhalese schools.

Fifteen studentships will be open for competition to selected monitors in Government schools who pass their third-year examination at either of the two examinations immediately preceding the date of the Entrance Examination.

Selected students will receive free board and lodging at the College during the session, text books will be provided; and free passes on the railway will be issued for use during the vacations. The period of training will extend over two years, and at the end of this period those who pass the Final Examination will receive certificates of the second or third class in accordance with the record of their work in the College and their performance at the Final Examination.

Certificates of the first class will be issued only to trained teachers in the service of the Department who hold second class certificates after an uninterrupted service of ten years as head teacher in a school of the class corresponding to the certificate, provided that their conduct and efficiency be approved by the Director. For scale of payments see clause 8 of the Departmental Code.

The following will be the subjects for the Entrance Examination :—

Sinhalese Literature : Ummagga Jataka and Guttilla. Grammar.

Composition and Dictation.

Arithmetic.

Reading aloud from an unseen passage.

History of Ceylon.

General Geography of the World, Ceylon, and Asia in detail.

N.B.—No further particulars will be given concerning the subjects of this examination.

The Entrance Examination will be held at the Training College and at the Muhammadan School, Trincomalee street, Kandy, on November 1, 2, and 3, 1911, commencing at 10.30 A.M. In order to gain admission to this examination, intending candidates must apply to the Principal of the Training College during the month of September for an admission form. These forms must be returned on or before October 16. Candidates will then be informed whether they have been selected to appear at the examination.

E. EVANS,

Principal, Government Training College.

Examination of Government Clerks.

IN terms of the Minute of June 16, 1908, an examination in the vernacular languages in the system of accounts employed in Government offices and in higher bookkeeping for clerks of Class III. of the Clerical Service will be held at the Technical College on Monday, April 3, 1911, commencing at 10 A.M.

Candidates for admission should apply by letter to the Director of Public Instruction not later than March 15, 1911, specifying the subjects they are desirous of taking up.

Office of Public Instruction,  
Colombo, February 2, 1911.

J. HARWARD,  
Director.

Examination of Forest Rangers in Native Languages.

IN terms of the Minute of August 20, 1909, appearing in *Government Gazette* No. 6,324 of August 20, 1909, an examination in vernacular languages for Forest Rangers in Grade II. will be held at the Government Technical Schools on April 3, 1911, commencing at 10 A.M.

Candidates for admission should apply by letter to reach the Director of Public Instruction, through the Conservator of Forests, not later than March 15, 1911, specifying the languages they are desirous of taking up.

Office of Public Instruction,  
Colombo, February 17, 1911.

J. HARWARD,  
Director.

Cambridge Local Examinations.

IN 1911 and future years candidates will only be accepted at the Ceylon centres of the above examination who are attending recognized secondary schools, and whose entry papers have been signed by the Principals or Head Masters.

If the Principal of any unregistered school wishes to have his school recognized for this purpose, he should communicate as soon as possible with the Director of Public Instruction.

Cases where students are permanently incapacitated from attending school by ill-health or other causes will be specially dealt with by the Director of Public Instruction, if a full statement of the circumstances is sent to him in good time.

Office of Public Instruction,  
Colombo, February 20, 1911.

J. HARWARD,  
Director.

NOTICE is hereby given that the Kumbukkan bridge, 15th mile, Wellawaya-Muppane road, is closed to traffic until March 16, 1911. Carts can pass by the old ford, but it is not possible for motors to do so.

Public Works Office,

**NOTICES CALLING FOR TENDERS.**

**T**ENDERS are hereby invited for the lease of the grounds attached to the Mahara Jail for 24 months commencing from July 1, 1911, and ending on June 30, 1913. The grounds are situated (1) between the quarry back and Mahawatta and Benchy Appu's gardens and between the stream and Mahawatta, including the mound on which the magazine is built; (2) the land between the road leading from the jail and the property of J. Abeyesinghe, bordering the paddy fields, containing at present about 440 coconut trees, 490 arecanut trees, 24 jak trees, and 15 mango trees, &c.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Inspector-General of Prisons, Colombo.

3. Tenders should be marked "Tender for lease of grounds attached to the Mahara Jail" in the left hand top corner of the envelope, and should reach the Office of the Inspector-General of Prisons not later than midday on March 14, 1911.

4. A deposit of Rs. 10 will be required to be made either at the Treasury or Kachcheri, and the receipt attached to the tender. Should any person decline to enter into the bond after he has tendered, or fail to furnish approved security within ten days of receiving of notice in writing from the Head of the Department, or his duly authorized representative, such deposit will be forfeited to the Crown, and the defaulter will render himself liable to be included in the list of defaulting contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of the bond.

5. Cash security of Rs. 40 will be required for the due fulfilment of the lease bond. All other necessary information can be ascertained upon application at the Offices of the Superintendent of Prison, Mahara, and of the Inspector-General of Prisons.

6. No tender will be considered, unless in respect of it all the conditions above laid down have been strictly fulfilled.

7. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

8. The rent should be paid quarterly and in advance.

9. Alterations must be initialled, otherwise the tender may be treated as informal and rejected.

10. Every tenderer should write his address on his tender, giving the name of the street and the number of the house he lives in.

A. DE WILTON, Major,  
Inspector-General of Prisons.

February 16, 1911.

**T**ENDERS are hereby invited for supply of firewood to the Mahara Jail for twelve months from July 1, 1911, to June 30, 1912.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Inspector-General of Prisons, Colombo.

3. Tenders should be marked "Tender for firewood for Mahara Jail" in the left hand top corner of the envelope, and should reach the office of the Inspector-General of Prisons not later than midday on March 14, 1911.

4. The tenders are to be made upon forms which will be supplied upon application at the Office of the Inspector-General of Prisons, and no tender will be considered unless it is on the recognized form.

5. A deposit of Rs. 50 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond after he has tendered, or fail to furnish approved security within ten days of receiving of notice in writing from the Head of the Department, or his duly authorized representative, such deposit will be forfeited to the Crown, and the defaulter will render himself liable to be included in the list of defaulting contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of the contract.

6. If required, samples must be deposited.

7. Cash security of Rs. 100 will be required from the successful tenderer for the due fulfilment of the contract. All other necessary information can be ascertained upon application at the office referred to in section 4.

8. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

9. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

6. A deposit of Rs. 30 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving

notice in writing from the Head of the Department, or his duly authorized representative, that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

7. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

8. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of security required will be Rs. 500. All other necessary information can be ascertained upon application at the office referred to in section 5.

9. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

10. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

W. A. TAYLOR,  
Colonial Storekeeper.  
February 17, 1911.

**TENDERS** are hereby invited for the supply of 1,200 to 1,800 tons of coke for use on the Ceylon Government Railway from July 1, 1911, to June 30, 1912.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue, or be sent through the post.

4. Tenders should be marked "Tender for the supply of coke to the Ceylon Government Railway" in the left hand corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on Tuesday, April 25, 1911.

5. The tenders are to be made upon forms which will be supplied upon application at the Office of the General Manager of the Railway, and no tender will be considered unless it is on the recognized form.

6. A deposit of Rs. 50 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security, within ten days of receiving notice in writing from the Head of the Department, or his duly authorized representative, that his tender has been accepted, such deposit will be forfeited to the Crown, and the defaulter will render himself liable to be included in the list of defaulting contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of a contract.

7. A sample of each kind of coke for which it is proposed to send in a tender must be submitted for testing purposes, irrespective of whether the coke has or has not been previously tested or used by the Ceylon Government Railway.

8. Each sample of coke for testing must be delivered to the Railway Workshops in a lot of 5 cwt. free of all cost, loaded in bags, and with the name of the coke labelled on each bag (linen labels should be used).

9. The samples should be delivered as early as possible, but in no case later than April 21, 1911, and must be from bulk and not hand picked.

10. The coke must be suitable for foundry and smith's shop purposes. All inferior and unsuitable coke will be rejected.

11. The coke is to be delivered free of all charges in either railway wagon or cart to the railway workshops, and the quantity delivered is to be in twelve monthly instalments of not under 100 tons or over 150 tons in any one month, as may be ordered from time to time by the General Manager.

12. In addition to the definite supply of coke as specified above, the contractor shall, if required, supply a further quantity of coke up to, but not exceeding, 150 tons, at the same rates and subject to the conditions laid down in the contract, and delivery of all or a part of this extra contract supply shall be given whenever required up to the end of March, 1912, on two months' notice in writing being given to the contractor by the General Manager of the Railway.

13. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given engaging to become security for the due fulfilment of the contract.

14. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of security required will be Rs. 250. All other necessary information can be ascertained upon application at the office referred to in section 5.

15. The security should be furnished within ten days of acceptance of tender being notified.

16. All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders may be treated as informal and rejected.

17. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

18. Fines will be inflicted for delays in complying with orders.

19. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

20. Before tender forms are supplied to persons wishing to tender, they will have to satisfy the General Manager or person delegated by him that they are in a position to execute the contract in a satisfactory manner, and for this purpose they must be prepared to produce documentary or other evidence if called for.

General Manager's Office, G. P. GREENE,  
Colombo, February 28, 1911. General Manager.

SEALED Tenders, marked on the envelopes "Tender for removal of Salt," will be received by the Assistant Government Agent, Hambantota, up to noon on March 13, 1911, for the removal of 30,161 cwt. salt (more or less) stacked out in the following depôts north and east of the Bundala Lewaya into Hambantota stores, viz:—
