2. The Company may proceed to carry out the objects for which it is established and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit; and if the whole of the shares shall not have been subscribed, applied for, or allotted as soon as, in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

3. The business of the Company shall be carried on by, or under the management or direction of, the Directors, and subject only to the control of General Meetings, in accordance with these presents.

CAPITAL.

4. The original capital of the Company is One hundred and Eighty thousand Rupees (Rs. 180,000), divided into Six thousand shares of Thirty Rupees (Rs/30) each.

5. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital of the Company by the creation of new shares of such amounts per share and in the aggregate and with such special, preferential, deferred, qualified, and other rights, privileges, or conditions attached thereto as such resolution shall direct, and they shall have power to add to such new shares such an amount of premium as may be considered expedient.

6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital and shall be subject to the same provisions in all respects with reference to the payments of allotment, money, calls, and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise as if it had formed part of the original capital.

7. The Directors may in like manner, and with like sanction, reduce the capital or subdivide or consolidate the shares of the Company.

8. The Company may call up the balance capital whenever the Directors shall think fit, and may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and the time of payment of such calls.

9. If by the conditions of allotment of any shares the whole or part of the amount thereof shall be payable by instalments; every such instalment shall, when due, be paid to the Company by the person who for the time being shall be the registered holder of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares shall first be offered by the Directors to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price or any such estates or lands, and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares such new shares shall be issued upon such terms and conditions and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company, shall direct, and if no direction be given as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which

the offer, if not accepted, will be deemed to be declined, and after the expiration of such time or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company, payments of the whole or any part of the purchase price or any such estates or lands, and that without offering the shares allotted to the Shareholders.

12. Every person taking any share in the Company shall testify his acceptance thereto by writing under his hand in such form as the Company may from time to time direct.

13. Shares may be registered in the name of a firm and any partner of the firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies.

14. Shares may be registered in the name of two or more persons not in partnership.

15. Any one of the joint-holders of a share other than a firm may give effectual receipts for any dividends payable in respect of such share; but only one of such Joint-Shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 36 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such shares.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares held by him and the amount paid thereon.

20. If any certificate be worn out or defaced, then upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate. A sum of Fifty Cents shall be payable for such new certificate.

21. The certificate of shares registered in the name of two or more persons not a firm shall be delivered to the person first named on the register.

22. The certificates of shares shall be issued under the seal of the Company, and signed by the Directors and the Agents and Secretaries.

CALLS.

23. The Directors may from time to time make such calls as they think fit upon the Shareholder in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that one month's notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the person and at the time and place appointed by the Directors.

24. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall pay interest to the time of actual payment, but the Directors may when they think fit remit altogether or in part any sum becoming payable for interest under this clause.

25. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing the call was passed.

26. The Directors shall have power on their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension, except as a matter of grace or favour.

27. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys due upon their respective shares beyond the same actually called for; and upon the moneys so paid in advance or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advance have been made, the Board may pay or allow interest at such rates as the Shareholders paying such sum in advance and the Directors may agree upon.

TRANSFER OF SHARES.

28. Subject to the restriction of these articles, any Shareholder may transfer all or any of his shares by instrument in writing.

29. No transfer of shares shall be made to an infant or person of unsound mind.

30. The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

31. The Directors may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien or otherwise, or in case of shares not fully paid up, to any person not approved by them, and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

32. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two Rupees and Fifty Cents, or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer, upon payment whereof the Directors, subject to the powers vested in them by Article 31, shall register the transferee as a Shareholder and retain the instrument of transfer.

33. The Directors may, by such means as they shall deem expedient, authorize the registration to transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

34. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument or transfer produced by a person claiming a transfer of any share in accordance with these articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

35. The Register of Transfers may be closed during the fourteen days immediately preceding each Ordinary General Meeting; and when a dividend is declared, for the three days next ensuing the Meeting; also at such other times (if any) and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

TRANSMISSION OF SHARES.

36. The executors or administrators or the heirs of a deceased Shareholder (not being one of several joint-holders) shall be the only persons recognized by the Company as having any title to the shares of such Shareholder.

37. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to share in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

38. If any person who shall become entitled to be registered in respect of any share under clause 37 shall not, from any cause whatever, within two years after the event on the happening of which his title shall accrue be registered in respect of such share; or if in the case of the death of any Shareholder no person shall within two years after such death be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SURRENDER AND FORFEITURE OF SHARES.

39. The Directors may accept in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

40. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter during such time as the call or instalment remains unpaid serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalments is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalment with interest and expenses due in respect thereof be declared forfeited by a resolution of the Board to that effect.

41. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

42. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company and may be sold by auction amongst the Shareholders, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

43. The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

44. A certificate in writing under the hands of one of the Directors and of the Secretary that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share, but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price or such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share discharged from all calls due prior to such purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 42 hereof, shall be redeemable after sale or disposal.

45. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any moneys due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. The nett proceeds of any such sale be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. The certificate in writing under the hands of one of the Directors and of the Secretary that the power of sale given by clause 46 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

49. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer with the certificate last aforesaid, shall confer on the purchaser a complete title to the shares.

50. Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference) or at such a premium or at such deferred rights as compared with any shares previously issued or then about to be issued or subject to any such conditions or provisions and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

51. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares, and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity of such consent in any case in which but for this Article the object of the resolutions could have been affected without it.

52. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to the notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

BORROWING POWERS.

53. The Directors may procure from time to time in the usual course of business such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise, and also from time to time at their discretion borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rs. 20,000.

54. With the sanction of a General Meeting the Board may borrow such further sum or sums, and at such rate of interest as such meeting shall determine. A certificate under the hands of two Directors or of one Director and the Secretary to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

55. For the purpose of securing the repayment of any such moneys so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

56. Any such securities may be issued either at par or at premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotments of shares, or otherwise.

57. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the money thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

GENERAL MEETINGS.

58. The First General Meeting shall be held at such time, not being more than two months after the incorporation of the Company, and at such place as the Directors may determine.

59. Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed, then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

60. The General Meeting mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

61. The Directors may whenever they think fit call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for, and upon which all calls or other sums then due have been paid.

62. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix, but any such meeting so convened shall not be held after three months from the date of such requisition.

63. If at any such a resolution requiring confirmation at another meeting is passed, the Directors shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution and, if thought fit, of confirming it as a special resolution, and if the Directors do not convene a meeting within seven days from the date of the passing of the first resolution, the requisitionists or a majority of them in value may themselves convene a meeting.

64. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convene the second meetings contingently on the resolution being passed by the requisite majority at the first meeting.

65. The accidental omission to give any such notice to any of the members shall not invalidate any such resolution passed at any such meeting.

66. Any Shareholder may, on giving not less than fourteen days' previous notice of any resolution, submit the same to a meeting.

67. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

68. 71. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

72. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall be adjourned to the same date in the next week at the same time and place; and if at such adjourned meeting a quorum is not present those Shareholders who are present shall be a quorum; and may transact the business for which the meeting was called.

VOTING AT MEETINGS.

77. At any meeting every resolution shall be decided by the votes of the Shareholders in person or by proxy or attorney, and in case there shall be an equality of votes the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some member present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution.

78. If at any meeting a poll be demanded by some Shareholder present at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

80. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

81. On a show of hands every member shall have one vote only. In case of a poll every Shareholder shall have one vote for every share held by him.

90. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

91. 104. The Company may, by a special resolution, remove any Director before the expiration of his period of office, and may by an ordinary resolution appoint another person in his stead. 145. The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies or for equalizing dividends, or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

NOTICES TO MARINERS.

HIS EXCELLENCY THE GOVERNOR has been pleased to direct that the following notice to mariners be published for general information.

Colonial Secretary's Office,
Colombo, February 7, 1911.

HUGH CLIFFORD,
Colonial Secretary.

No. 1 of the year 1911.

Caution when approaching British Ports.

PART I.

Closing of Ports.

(1) My Lords Commissioners of the Admiralty having taken into consideration the fact that local or other circumstances may arise in which it may be necessary, on account of periodical exercises, manœuvres, or otherwise, to forbid all entrance to certain ports of the Empire, this is to give notice that on approaching the shores of the United Kingdom, or any of the ports or localities of the British Empire, referred to in Part III. of this notice, a sharp look-out should be kept for the signals described in the following paragraph, and for the vessels mentioned in paragraph (2), Part II., of this notice, and the distinguishing and other signals made by them. In the event of such signals being displayed, the port or locality should be approached with great caution, as it may be apprehended that obstructions may exist.

(2) If entrance to a port is prohibited, three red vertical lights by night, or three red balls by day, will be exhibited in some conspicuous position, in or near to its approach, which signals will also be shown by the vessels indicated in paragraph (2), Part II., of this notice.

If these signals are displayed, vessels must either proceed to the position marked "Examination Anchorage" on the Admiralty Charts and anchor there, or keep the sea.

(3) At all the ports or localities at home or abroad referred to in Part III. of this notice, search lights are occasionally exhibited for exercise.

Instructions have been given to avoid directing movable search lights during practice on to vessels under way, but mariners are warned that great care should be taken to keep a sharp look-out for the signals indicated in paragraph (2) above when search lights are observed to be working.

PART II.

Examination Service.

(1) Under certain circumstances it may become necessary to take special measures to examine vessels desiring to enter the ports or localities at home or abroad, referred to in Part III. of this notice.

(2) In such case, vessels carrying the distinguishing flags or lights mentioned in paragraph (4) will be charged with the duty of examining ships which desire to enter the ports and of allotting positions in which they shall anchor.

(3) As the institution of the Examination Service at any port will never be publicly advertised, especial care should be taken in approaching the ports, by day or night, to keep a sharp look-out for any vessel carrying the flags or lights mentioned in paragraph (4), and to be ready to "bring to" at once when hailed by her or warned by the firing of a gun.

(4) By day the distinguishing flags of the Examination Steamer will be a special flag (white and red horizontal surrounded by a blue border) and a blue ensign.

Also, three red vertical balls if the port is closed.

By night the steamer will carry:—

- (a) Three red vertical lights if the port is closed.
- (b) Three white vertical lights if the port is open.

The above lights will be carried in addition to the ordinary navigation lights, and will show an unbroken light around the horizon.

(5) Masters are warned that, before attempting to enter any of these ports when the Examination service is in force, they must in their own interests strictly obey all instructions as to entry given to them by the Examination Steamer. In the absence of any instructions from the Examination Steamer, they must proceed to the position marked "Examination Anchorage" on the Admiralty Charts and anchor there, or keep the sea.

(6) In case of fog, Masters of vessels are enjoined to use the utmost care, and the Examination Anchorage itself should be approached with caution.

(7) The pilots attached to the ports will be acquainted with the regulations to be followed.
