(a) As at December 31, 1905.
(b) There is no sinking fund in this case. The loan is being repaid by means of an annuity.
(c) These sums are not correct. They represent only the actual contributions to the sinking funds since January 1, 1906. The interest earned by the sinking fund is no doubt added to the sinking fund half yearly, but the Colonial Treasurer does not inform the Municipality of the amount.
