It is requested that Managers will only apply for such number of forms as they actually require, and that they will not encourage any student to enter as a candidate unless they are satisfied that he has a fair chance of passing the examination with credit.

Religious knowledge as a subject of examination is not necessary for Colonial students, and no grant or award

under the Revised Code will be made directly or indirectly dependent on marks gained for religious knowledge.

No scholarships, or prizes referred to in page 114, will be awarded on account of any junior candidate born before December 15, 1876, or on account of any senior candidate born before December 15, 1873.

Certificates of age must in every case accompany the forms of entry.

The names The names of the boys who pass with credit will be placed alphabetically in three Honour classes. The names of those who pass to the satisfaction of the Examiners, yet not so as to deserve Honours, will be placed alphabetically in two classes, the lowest class containing the names of those Junior Students who pass only in the Preliminary subjects, Religious Knowledge, and English. After the name of every boy will be added his place of residence, the school (if any) from which he comes to attend the Examination, and the name of his Schoolmaster. Separate lists will also be given of those boys who may specially distinguish themselves in particular parts of the Examination, and in these lists the boys will be arranged in order of merit. The names of those who pass the Examination for Juniors between the ages of 16 and 18 and for seniors above the age of 19 will be placed in lists by themselves, in alphabetically order not in any class of Honours. Similar classes and lists will be drawn up for cirls, but the pames of those who order, not in any class of Honours. Similar classes and lists will be drawn up for girls, but the names of those who do not request that their names may appear will not be given.

The classes of Honours are determined solely by the total number of marks obtained by the student. No marks

The classes of Honours are determined solely by the total number of marks obtained by the student. No marks are counted for any paper unless the student passes in that paper, and no marks are counted for any section unless the student passes in that section. Regard will be paid to handwriting and spelling.

The students who pass with credit or satisfy the Examiners will receive certificates to that effect, which will be sent to them through the Local Secretaries. A student who barely satisfies the Examiners in the minimum number of subjects may be rejected on the ground of general weakness. Every certificate will specify the subjects in which the student has passed with credit or satisfied the Examiners, and the class obtained, if any.

EXEMPTION FROM VARIOUS EXAMINATIONS.

A .- The following are the conditions on which a Senior Certificate excuses the holder from parts or the whole

of the previous Examination:

1. To excuse the holder of a certificate from Part I. of the previous Examination the certificate must state that the candidate has passed in Religious Knowledge, including the original Greek of the Gospel, and has attained a certain standard intermediate between the ordinary pass standard and that of distinction in the Latin and in the Greek division of Section C.

2. To excuse from Part II. of the previous Examination the certificate must state that the Candidate has attained a certain standard intermediate between the ordinary pass standard and that of distinction in Religious Knowledge or Logic, in Euclid and in Algebra.

To excuse from the additional subjects for Candidates for Honours, the certificate must state that the Candidate has attained a certain standard intermediate between the ordinary pass standard and that of distinction
