THE SEVENTY-FIRST ANNUAL REPORT OF THE CEYLON SAVINGS BANK.

Board of Directors :

The Hon. the Colonial Secretary, *President*.
The Hon. the Principal Collector of Customs.
The Postmaster-General.

REPORT FOR 1902.

I BEG to submit for the information of the Directors and of the Depositors the Annual Report on the work of the Ceylon Savings Bank during the year 1902.

The balance sheet and statement of accounts now submitted furnish full information as to the amount of business transacted during the past year, and it is gratifying to me to be able to state that the steady progress in the business during past years has been fully maintained during the year under review.

The amount to the credit of depositors on the 31st December last amounted to Rs. 4,173,543, which is the largest sum since the establishment of the Bank, and is a clear indication that the main object of the Institution—the promotion of thrift amongst the different classes—is being surely and steadily attained.

- (1) *Accounts opened* show an increase over that of any previous year, and is in excess of the year 1901, which was one of the largest for many years past by 148.
- (2) *Accounts closed*.—The number of accounts closed has also increased. The reason of this was fully explained in my Report for 1901. A further reason for the increase is due to the fact that owing to the departure of two European and the native regiments at the end of the year, a large number of the men who had opened accounts during their stay in the Island withdrew their savings prior to their departure.
- (3) *Number of Deposits* have increased by 1,189 over 1901.
- (4) *Number of Withdrawals* is slightly larger than during 1901, and the reason given under head of "Accounts closed" may be taken as the main cause of this increase.
- (5) *The Amount Deposited*, which showed a decrease during 1901, has recovered itself, and now shows an increase of Rs. 112,096 in 1902 over that of the previous year.
- (6) *The Amount Withdrawn* has considerably decreased in 1902.
- (7) *Number of Depositors* shows a steady increase of 2,152 new depositors over the previous year, and is the largest number for the past ten years.
- (8) *The Profit* for the year under review has also increased; this is mainly due to the increase in the interest accruing from loans on house property.

Investments.—During the year a sum of Rs. 46,560 has been lent on house property in Colombo, making a total amount invested to Rs. 494,557.80, whilst old loans to the extent of Rs. 26,114 have been repaid.

The sum invested in Indian Paper was Rs. 146,214.53 during 1902.

A large number of applications for loans had to be refused owing to the fact that all the available funds which the Directors are permitted to lend on security of house property under the Savings Bank Ordinance had been fully lent.

Colombo, March 27, 1903.

Secretary, Ceylon Savings Bank.
