*Conditions of the Sale of Ebony.*

1. Ebony will be put up for sale at a rate per ton, and bids not less than Rs. 5 at a time will be accepted.
2. Any person to whom a lot is knocked down must pay at once 25 per cent. of the value of the timber if required, and the balance within twenty days from date of sale. On failure of payment within the time prescribed, the timber will be re-sold at the risk of the original purchasers, and if the price realized at the second sale is less than what was originally offered, the purchaser will be liable for the difference.
3. All lots to be paid for on scale weights, but buyers can have the right of giving notice, before the expiration of the date of payment, of having the actual weight ascertained. Should the difference between the scale weight and the weight ascertained, after re-weighing, be more than 1½ per cent., the cost of re-weighing to be borne by the Forest Department, if within 1½ per cent. by the purchaser; any difference between the scale weight and weight ascertained, after re-weighing, to be paid or allowed for, as the case may be.
4. Should two or more purchasers desire to re-weigh their timber on the same day, precedence will be given to the buyer whose notification of intention to re-weigh reaches the Assistant Conservator of Forests first.
5. All timber should be removed from the depôt within twenty days from date of sale.
6. Purchasers if called upon shall sign the sale book kept for that purpose.
7. All lots will be at the risk of the purchasers from the time of sale.
