Short title.

1 This Ordinance may be cited as "The Seashore Protection Ordinance, 1911."

Penalty for
contravention
of Ordinance.

6 Any person who in contravention of the provision of section 3 of this Ordinance, or contrary to the terms of any license issued under the said section, or in contravention of a prohibition under section 5, removes any sand, stone, coral, or other substance, or causes, or assists in, such removal, shall be guilty of an offence, and shall be liable on conviction to a fine which may extend to one hundred rupees, or to imprisonment of either description for a period not exceeding three months.

Executive
Council.

8 In any case in which a Government Agent has refused to issue a license under section 3 of this Ordinance, or has issued any such license subject to a condition to which objection is taken by the licensee, or has issued a prohibition under section 5 of this Ordinance, an appeal shall lie by any person aggrieved to the Governor in Executive Council. Provided that every such appeal shall be made within twenty-one days of such refusal, or imposition of condition, or prohibition. DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to make provision for the Removal of Prisoners from Ceylon who have been sentenced to Death, but whose Sentence shall have been commuted.

Preamble.

WHEREAS it is expedient to facilitate the commutation of sentences of death by making provision for a form of punishment calculated to have a more deterrent effect than ordinary imprisonment: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title.

1 This Ordinance may be cited as "The Prisoners' Removal Ordinance, 1911."

Removability of prisoner whose death sentence is commuted.

2 Prisoners who shall have been sentenced to death, but whose sentence shall have been commuted to a sentence of imprisonment, shall be subject to removal from Ceylon under "The Colonial Prisoners' Removal Act, 1884."

Concurrence of Government to be given by Governor in Executive Council.

3 The concurrence of the Government of Ceylon on the removal of any such prisoner shall be given by the Governor in Executive Council.

Powers of Governor in Executive Council to make agreements.

4 (1) It shall be lawful for the Governor in Executive Council, subject to the approval of the Secretary of State, to enter into an agreement, on behalf of the Government of Ceylon, with the Government of any British Possession for the purpose of regulating—

- (a) The conditions under which prisoners subject to removal under this Ordinance shall be removed to such British Possession.
- (b) The payment of the costs incurred in the removal, maintenance, return, or sending back after discharge of such prisoners.

(2) Every such agreement shall be published in the "Government Gazette."

Interpretation of Ordinance.

5 This Ordinance shall be read in connection with "The Colonial Prisoners' Removal Act, 1884," and all words and expressions used in this Ordinance shall have the same meaning as the same words and expressions used in that Act.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, July 3, 1911.

L. W. BORTH,
Acting Colonial Secretary.

Statement of Objects and Reasons.

1. The object of this Ordinance is explained in the preamble.

2. The Government has long been impressed with the heavy number of executions which it has been necessary to carry out in Ceylon. Many of the cases in which a capital sentence is imposed, though in law amounting to murder, are nevertheless of such a character that it has been felt to be highly desirable that in this class of cases the prerogative of mercy should if possible be exercised. On other hand, the number of homicides in Ceylon in proportion to the population is so abnormally great, that to commute the death sentence in all such cases to a sentence of imprisonment might tend to aggravate the conception of the cheapness of human life which unfortunately seems to prevail in certain parts of the Colony. It has been thought, therefore, that if it were brought home to the classes of the populace liable to commit such crimes, that the taking of human life is so serious a thing, that even though the offender's own life be spared, justice cannot be satisfied by a mere sentence of imprisonment, but that he must be removed from his native country and his natural associates to undergo his punishment in a foreign clime, the impression so produced would tend to act as an effective deterrent in similar cases, and that at the same time the public sense of the grave and exceptional nature of the crime of murder would be more adequately vindicated.

3. It is accordingly proposed that in future it shall be possible for prisoners, whose death sentences have been commuted, to be removed to undergo their sentences by arrangement with the Government of India in the Andaman Islands under the Colonial Prisoners' Removal Act, 1884. The removing authority under that Act is the Secretary of State, and the removal in every such case requires the concurrence of the Governor in Executive Council.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to further amend "The Widows' and Orphans' Pension Fund Ordinance, 1898."

Preamble.

WHEREAS it is expedient to further amend "The Widows' and Orphans' Pension Fund Ordinance, 1898": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title and construction.

1 This Ordinance shall be cited as "The Widows' and Orphans' Pension Fund (Amendment) Ordinance, 1911," and shall be construed and read as one with "The Widows' and Orphans' Pension Fund Ordinance, 1898," herein referred to as "the principal Ordinance," and the Ordinances amending the same.

Substitution of new section for section 7 of the principal Ordinance.

2 The following section shall be substituted for section 7 of the principal Ordinance:

The Treasurer shall from time to time pay the Directors from and out of the Fund such sums of money as may be necessary to defray all expenses connected with the management and administration of the Fund, provided that no payment shall be made to any Director as salary or remuneration for his own services without the consent and approval of the Governor, with the advice of the Executive Council.

Application of surplus at periodical actuarial valuations of assets and liabilities of the Fund.

3 Such percentages as the Governor in Executive Council may, on the recommendation of the Directors, from time to time appoint of such surpluses as may be disclosed by the periodical actuarial valuations provided for by section 9 of "The Widows' and Orphans' Pension Fund Ordinance, 1906," of the assets and liabilities of the Fund, including the valuation of such assets and liabilities as on the thirty-first March, 1909, shall be applied in increasing the prospective pensions of the widows and orphans of the contributors to the Fund at the date of each such valuation, and of former contributors who had ceased to contribute on attaining the age of sixty-five years or on leaving the service, and of all those who may be pensioners at the date of each such valuation, in such shares and proportions and in such manner as the Governor in Council, as advised by the Directors, with the approval of the Secretary of State, may direct.

Amendment of section 5 of the principal Ordinance.

4 Section 5 of the principal Ordinance shall be amended by the substitution of the words "thirtieth day of June" for the words "thirty-first day of December" in the sixth and seventh lines.

Amendment of sub-section (5) of section 6 of principal Ordinance.

5 Sub-section (5) of section 6 of the principal Ordinance shall be amended by the substitution of "August" for "January" in the second line, and the substitution of "thirtieth June" for "thirty-first December" in the third and fourth lines.

Substitution of new sub-section for sub-section (3) of section 35 of principal Ordinance.

6 For the sub-section which by section 2 of Ordinance No. 15 of 1910 was substituted in place of sub-section (3) of section 35 of the principal Ordinance, the following sub-section shall be substituted, namely:

If a contributor being a widower without children, who in the event of his death would be entitled to pension, leaves the service, with or without pension, on retirement or on transfer or otherwise, he may cease to contribute to the

Fund, and shall in that case have no further claim upon it, except that he or, in the event of his death while in the public service, the legal representative of such widower shall be entitled to receive back, but without interest, fifty per cent. of the contributions made by him since the death of his last wife, or since the ceasing to be pensionable of his last child, whichever event has last happened; and if a contributor who has retired on a pension subsequently ceases to have a wife or child who would on his death be entitled to pension, he may thereupon cease to contribute to the Fund, and shall have no claim upon it.

Directors must
be contributors.

7 No public officer who is not a contributor to the Fund shall be eligible for appointment as a Director thereof.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, July 6, 1911.

L. W. BOOTH,
Acting Colonial Secretary.

Statement of Objects and Reasons.

THE Ordinance amends "The Widows' and Orphans' Pension Fund Ordinance, 1898," in certain respects.

2. Section 2 substitutes, for section 7 of the principal Ordinance, a section whereby the Treasurer is required to pay the Directors from time to time, out of the Fund, such sums of money as may be necessary to defray all expenses connected with the management and administration of the Fund. The reason for this is that, as the Fund is now closed against new entrants, the amount of the contributions will decrease from year to year until the contributions cease altogether at the expiration of about thirty-five years from the date of the closing of the Fund, and the 5 per cent. of the contributions allowed by the original section to cover expenses of management will prove insufficient for that purpose, because, while the contributions will decrease, the expenses will remain practically the same as they are at present.

3. Section 3 provides for the application, as the Governor in Council with the advice of the Directors and approval of the Secretary of State may direct, of surpluses that may be disclosed by the actuarial valuations, provided for by section 9 of the Widows' and Orphans' Pension Fund Ordinance of 1906, of the assets and liabilities of the Fund, towards increasing current and prospective pensions. This will do away with the necessity of passing a fresh Ordinance after each quinquennial valuation to provide for the distribution of any surplus that may be disclosed.

4. Sections 4 and 5 contain amendments which have become necessary owing to the alteration recently of the dates for the commencement and close of the financial year.

5. The case of a contributor who, after his retirement from the Public Service, becomes a widower without pensionable children, is, under the present law, placed on exactly the same footing as that of a contributor who at the time of his retirement is a widower without pensionable children. In the case of the former it is obviously sufficient to indicate no more than that he shall cease to contribute to the Fund and shall have no claim upon it; and this is provided for by the amendment introduced by section 6.

6. Section 7 provides that only contributors to the Fund shall be eligible to be the Directors thereof.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Opium Ordinance, 1910."

Preamble.

WHEREAS it is expedient to amend "The Opium Ordinance, 1910": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Opium Ordinance, 1911," and shall be read as one with "The Opium Ordinance, 1910," hereinafter referred to as the principal Ordinance.

Provincial
surgeon may
exempt
particular
prescription
from
restrictions.

2 The following shall be added as an additional proviso to sub-section 2 (c) of section 4 of the principal Ordinance:

Provided further that a provincial surgeon, by endorsement under his hand on any prescription, may exempt the person in whose name the prescription is drawn from the restrictions of the last preceding proviso for the purpose of such prescription.

Planters under certain conditions may supply opium to their immigrant coolies.

Possession of opium by planters for purpose of last section not subject to penalty.

Rules regulating supply of opium by planters.

Power to cancel consumer's certificate.

Offences to be triable summarily.

3 The following shall be added as an additional paragraph to sub-section 2 of section 4 of the principal Ordinance :

(d) Any planter with an immigrant cooly force of fifty or more persons, whose residence is over half a mile from a Government dispensary, or who has no estate dispensary on his estate and is not served by any estate dispensary, from supplying opium in a medicinal form for medicinal purposes to any immigrant cooly employed upon his estate for any period not exceeding three days in succession in any one case :

Provided that (subject to an appeal to the Governor in Executive Council) any planter who wilfully or persistently acts in contravention of any such rule or rules may be interdicted by the Principal Civil Medical Officer from supplying opium as aforesaid.

4 The following paragraph shall be added to section 5 of the principal Ordinance :

(h) When it is in the possession of a planter for the purpose of being supplied to immigrant coolies under section 4 (2) (d).

5 The following paragraph shall be added to sub-section 2 of section 14 of the principal Ordinance :

(m) Regulate the conditions under which opium shall be supplied by planters to immigrant coolies under section 4 (2) (d).

6 To section 11 of the principal Ordinance the following sub-sections shall be added, namely :

(5) Where any person who has been registered as a consumer of opium (hereinafter referred to as a registered consumer) has been convicted of any offence under this Ordinance, or under any rules made hereunder, or of any other offence which in the opinion of the Government Agent renders a cancellation of his certificate of registration expedient, the Government Agent shall cause the name of such person to be removed from the register.

(6) Where the name of a registered consumer has been removed from the register for any cause whatsoever, the Government Agent shall give notice to the registered consumer that his name has been so removed, and thereupon the registered consumer shall forthwith return his certificate of registration to the Government Agent for cancellation.

(7) If any registered consumer whose name has been removed from the register fails to return his certificate to the Government Agent within fourteen days of the date when such removal was notified to him, he shall be guilty of an offence and liable on conviction to a fine which may extend to one hundred rupees, or to imprisonment of either description for a term not exceeding three months, or to both.

7 All offences against the principal Ordinance or this Ordinance shall be triable summarily before a Police Magistrate :

Provided that nothing in this section shall derogate from the jurisdiction of any other court to try any such offence.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, July 11, 1911.

L. W. BOOTH,
Acting Colonial Secretary.

Statement of Objects and Reasons.

THE main object of this Ordinance is to relax the strictness of certain provisions of "The Opium Ordinance, 1910," that have been found to give rise to unreasonable inconvenience.

2. Complaint has been made that certain persons possessing prescriptions which they find valuable for intermittent complaints, but which contain a small quantity of opium, find it inconvenient to be compelled to relinquish the prescription after obtaining only three days' supply of the medicine prescribed. To meet this grievance it is proposed that any provincial surgeon shall be authorized to exempt any such prescription from the restrictions complained of.

3. By clauses 3, 4, and 5, provision is made to allow planters out of the range of dispensaries to supply opium in a medicinal form to their coolies in emergencies under appropriate regulations.

4. Clause 6 provides for the withdrawal of consumers' certificates.

5. The object of clause 7 is to allow small cases to be tried summarily. At present the maximum penalty is so high in respect of certain offences that they must necessarily be committed to the Supreme Court. The concurrent jurisdiction of the higher tribunals is at the same time expressly preserved.
