## DRAFT ORDINANCES.

### MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

#### An Ordinance to amend "The Opium Ordinance, 1910."

Preamble.

WHEREAS it is expedient to amend "The Opium Ordinance, 1910": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Opium Ordinance, 1911," and shall be read as one with "The Opium Ordinance, 1910," hereinafter referred to as the principal Ordinance.

Provincial surgeon may exempt particular prescription from restrictions.

2 The following shall be added as an additional proviso to sub-section 2 (c) of section 4 of the principal Ordinance:

Provided further that a provincial surgeon, by endorsement under his hand on any prescription, may exempt the person in whose name the prescription is drawn from the restrictions of the last preceding proviso for the purpose of such prescription.

Planters under certain conditions may supply opium to their immigrant coolies.

3 The following shall be added as an additional paragraph to sub-section 2 of section 4 of the principal Ordinance :

(d) Any planter with an immigrant cooly force of fifty or more persons, whose residence is over half a mile from a Government dispensary, or who has no estate dispensary on his estate and is not served by any estate dispensary, from supplying opium in a medicinal form for medicinal purposes to any immigrant cooly employed upon his estate for any period not exceeding three days in succession in any one case :

Provided that (subject to an appeal to the Governor in Executive Council) any planter who wilfully or persistently acts in contravention of any such rule or rules may be interdicted by the Principal Civil Medical Officer from supplying opium as aforesaid.

Possession of opium by planters for purpose of last section not subject to penalty.

4 The following paragraph shall be added to section 5 of the principal Ordinance :

(h) When it is in the possession of a planter for the purpose of being supplied to immigrant coolies under section 4 (2) (d).

Rules regulating supply of opium by planters.

5 The following paragraph shall be added to sub-section 2 of section 14 of the principal Ordinance :

(m) Regulate the conditions under which opium shall be supplied by planters to immigrant coolies under section 4 (2) (d).

Power to cancel consumer's certificate.

6 To section 11 of the principal Ordinance the following sub-sections shall be added, namely :

(5) Where any person who has been registered as a consumer of opium (hereinafter referred to as a registered consumer) has been convicted of any offence under this Ordinance, or under any rules made hereunder, or of any other offence which in the opinion of the Government Agent renders a cancellation of his certificate of registration expedient, the Government Agent shall cause the name of such person to be removed from the register.

(6) Where the name of a registered consumer has been removed from the register for any cause whatsoever, the Government Agent shall give notice to the registered consumer that his name has been so removed, and thereupon the registered consumer shall forthwith return his certificate of registration to the Government Agent for cancellation.

(7) If any registered consumer whose name has been removed from the register fails to return his certificate to the Government Agent within fourteen days of the date when such removal was notified to him, he shall be guilty of an offence and liable on conviction to a fine which may extend to one hundred rupees, or to imprisonment of either description for a term not exceeding three months, or to both.

Offences to be triable summarily.

7 All offences against the principal Ordinance or this Ordinance shall be triable summarily before a Police Magistrate :

Provided that nothing in this section shall derogate from the jurisdiction of any other court to try any such offence.

By His Excellency's command,

Colonial Secretary's Office,  
Colombo, July 11, 1911.

L. W. BOOTH,  
Acting Colonial Secretary.

*Statement of Objects and Reasons.*

THE main object of this Ordinance is to relax the strictness of certain provisions of "The Opium Ordinance, 1910," that have been found to give rise to unreasonable inconvenience.

2. Complaint has been made that certain persons possessing prescriptions which they find valuable for intermittent complaints, but which contain a small quantity of opium, find it inconvenient to be compelled to relinquish the prescription after obtaining only three days' supply of the medicine prescribed. To meet this grievance it is proposed that any provincial surgeon shall be authorized to exempt any such prescription from the restrictions complained of.

3. By clauses 3, 4, and 5; provision is made to allow planters out of the range of dispensaries to supply opium in a medicinal form to their coolies in emergencies under appropriate regulations.

4. Clause 6 provides for the withdrawal of consumers' certificates.

5. The object of clause 7 is to allow small cases to be tried summarily. At present the maximum penalty is so high in respect of certain offences that they must necessarily be committed to the Supreme Court. The concurrent jurisdiction of the higher tribunals is at the same time expressly preserved.
